In trying to design out risk,

we have

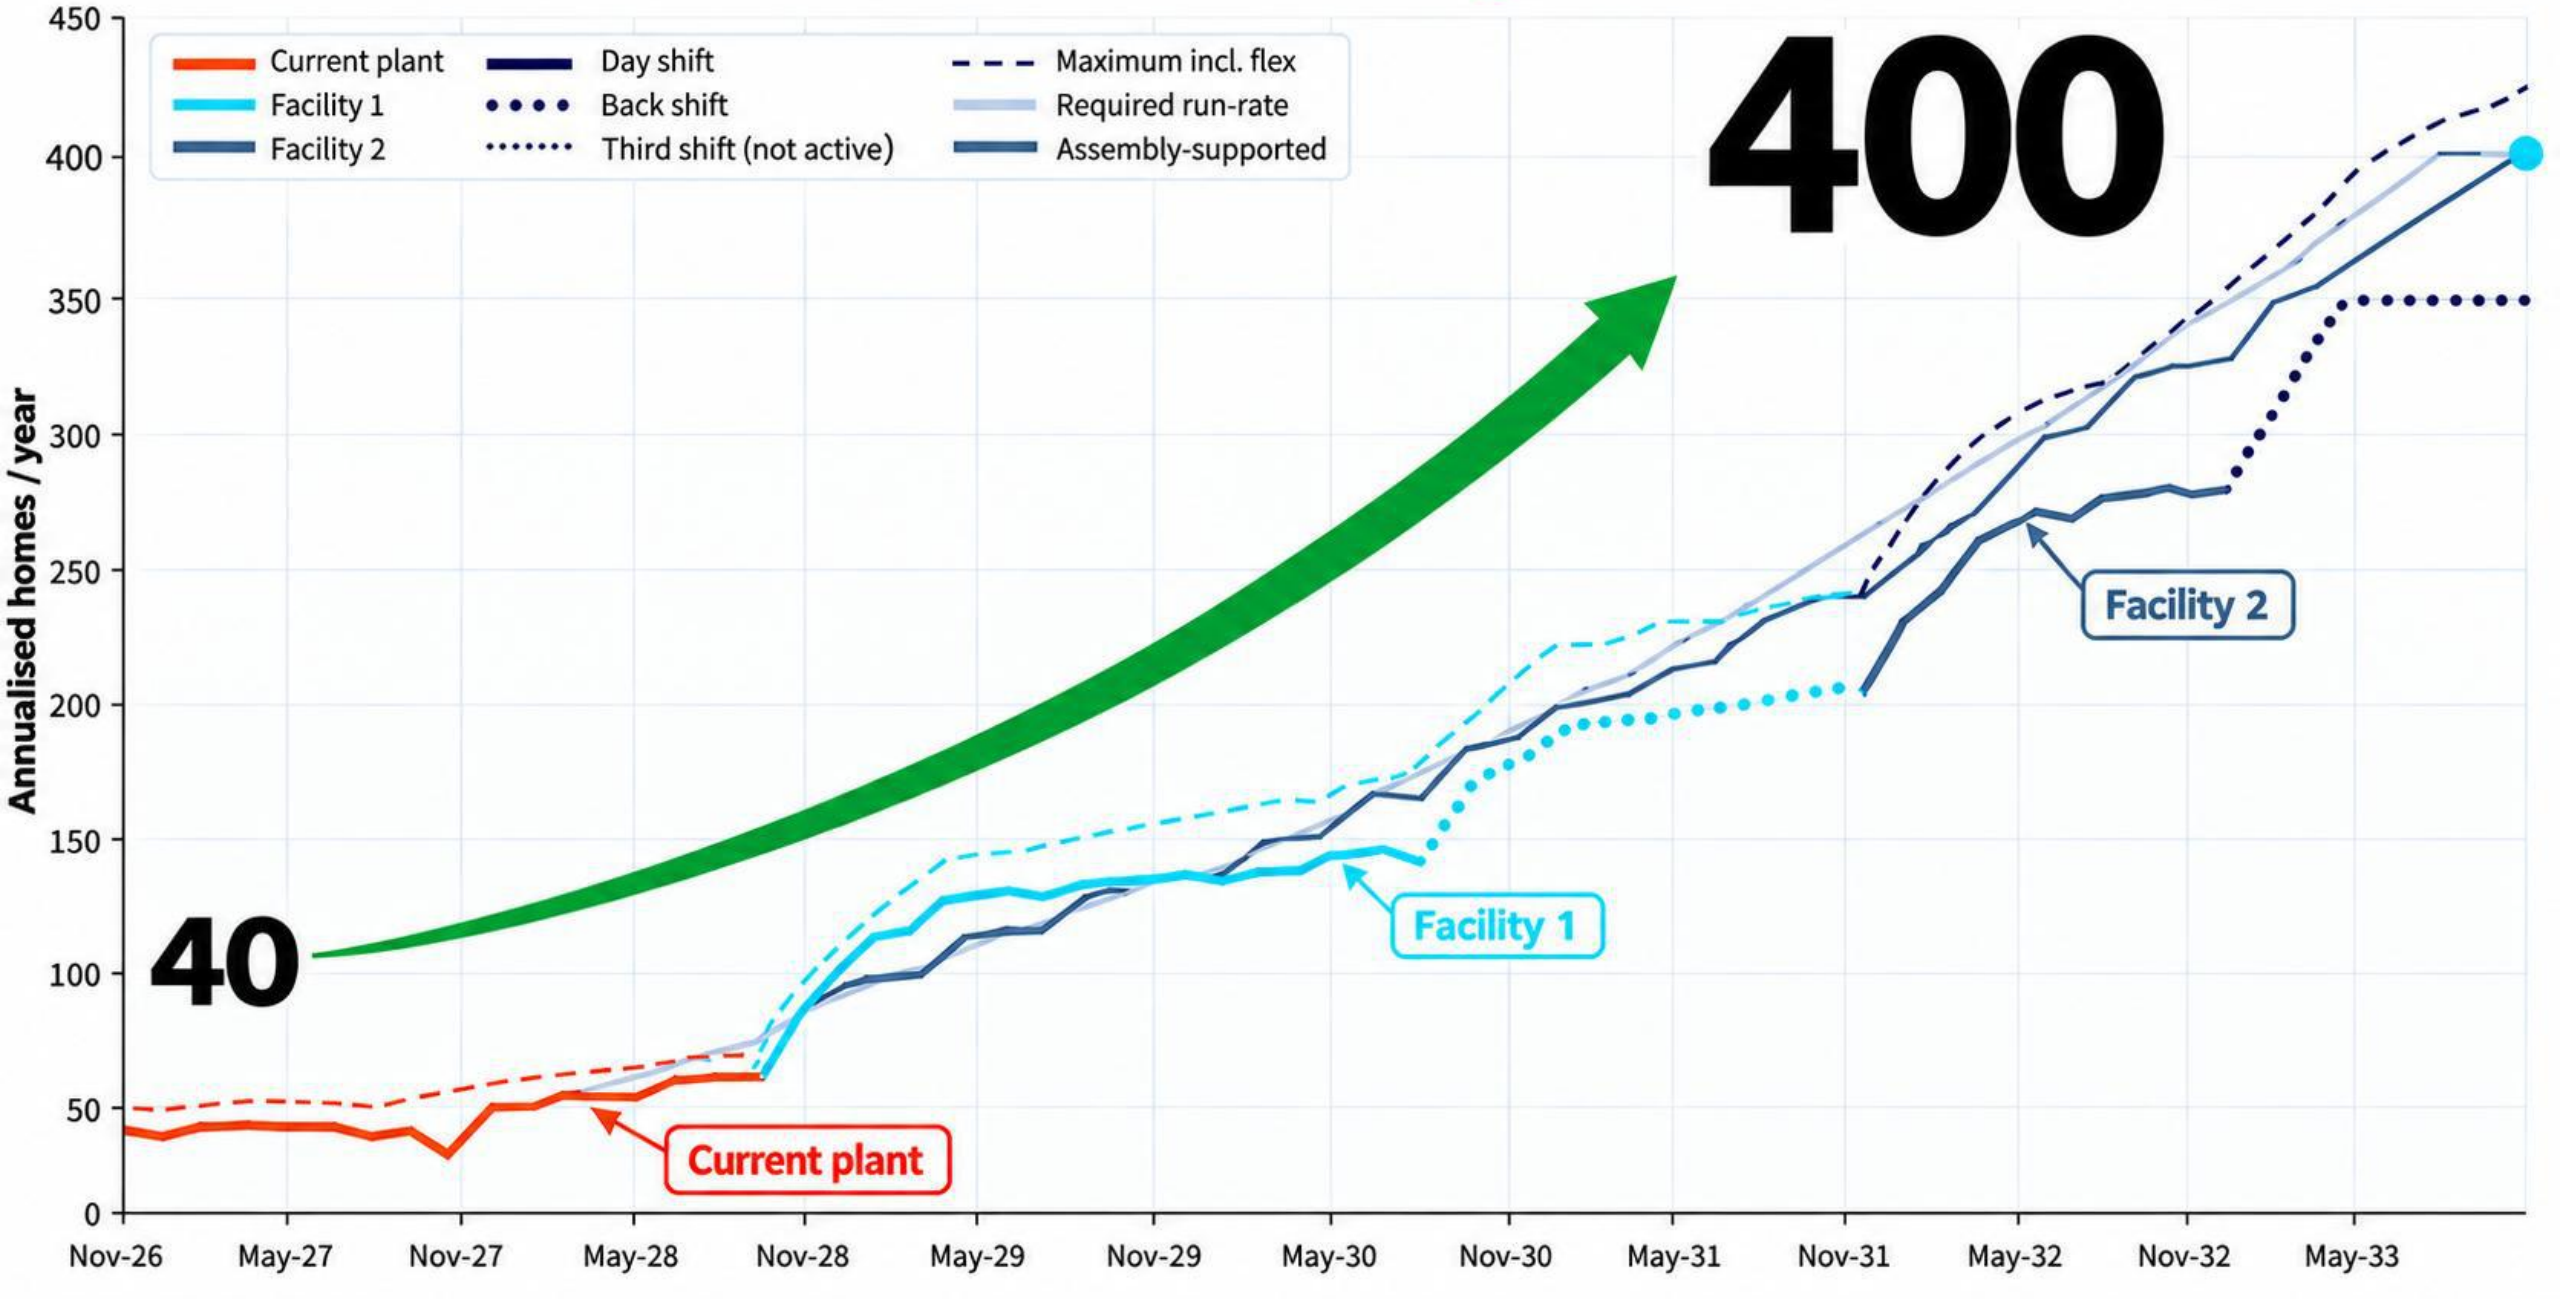

~~have we~~ designed out the

ability to deliver~~?~~!

Capacity can scale. Certainty MUST scale with it.

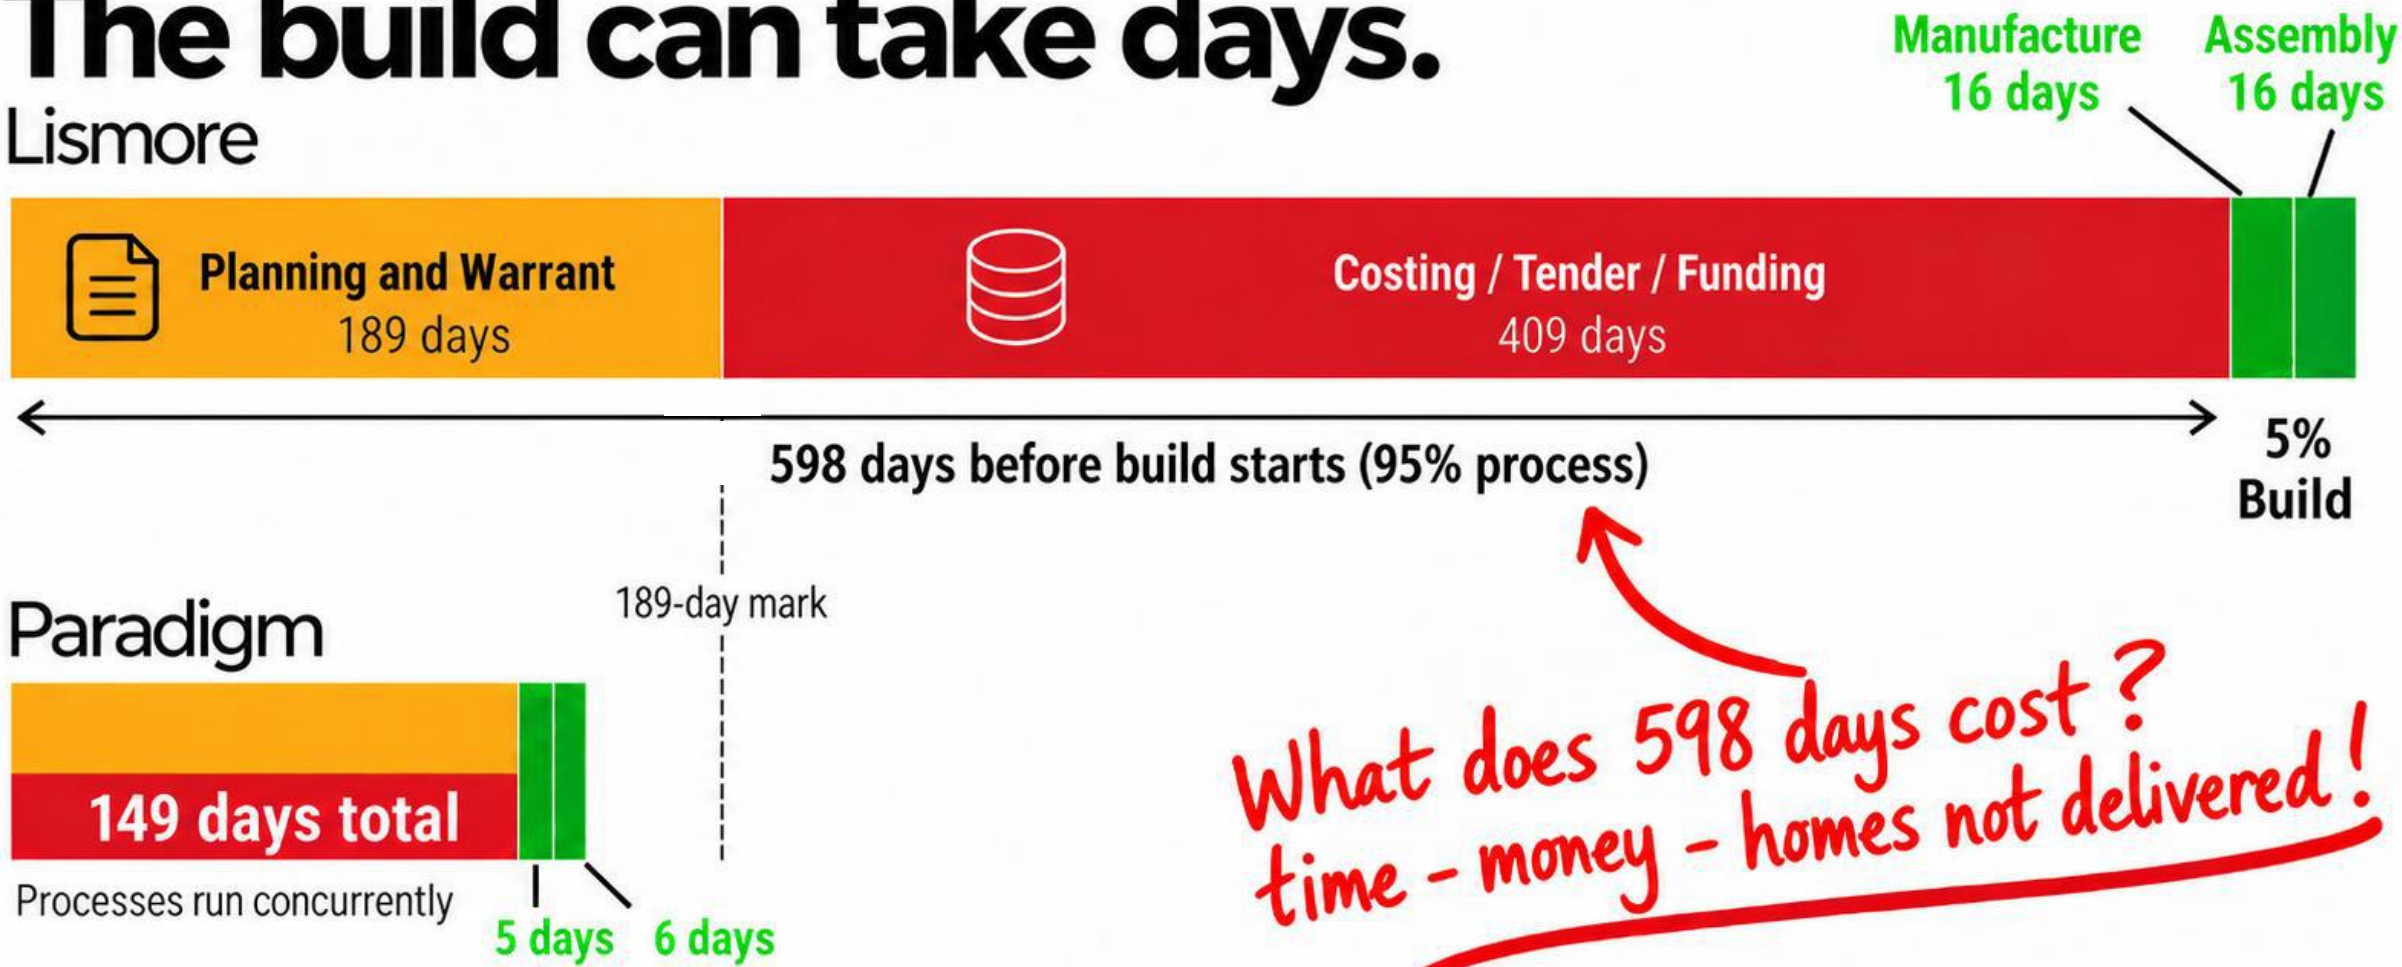

RURAL need doesn’t arrive in volume housebuilder sizes

2 HERE. 4 THERE. 6 SOMEWHERE ELSE. ONE AGGREGATED PROGRAMME.

The process can take years.
The build can take days.

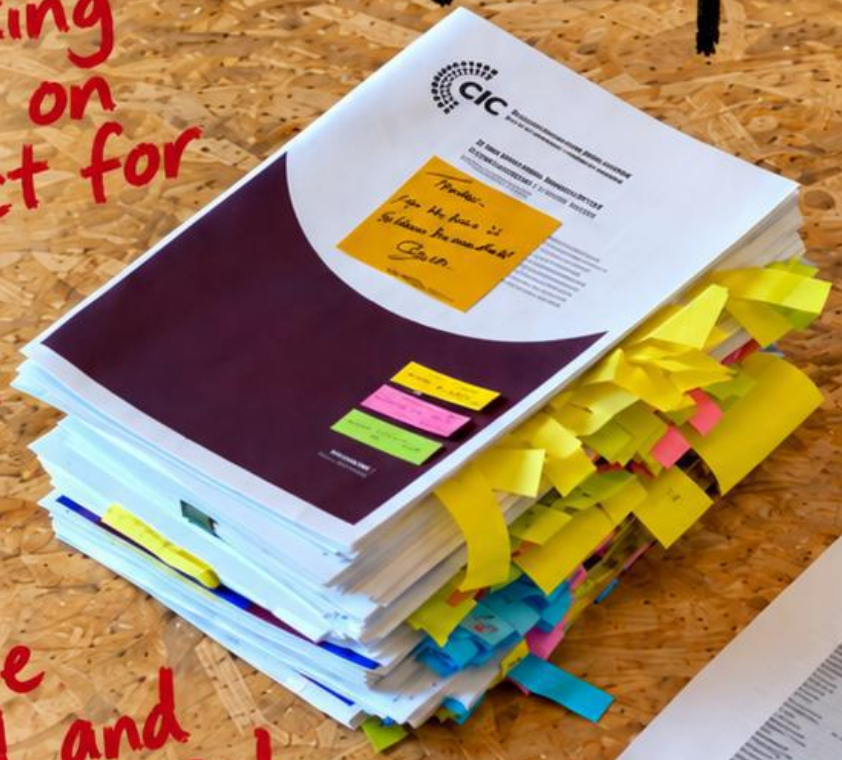

Both bars use the same time scale.
Lismore is a semi-detached. Paradigm is a single stand-alone unit.

Lismore: 630 days total | Paradigm: 149 days total

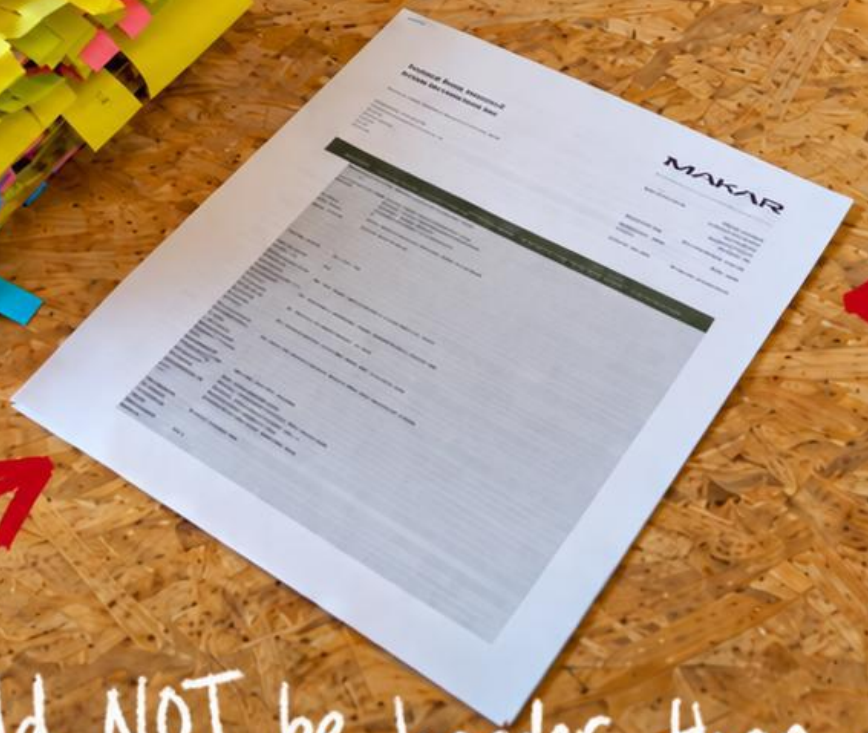

Proportionate?

Local Authority

in the working hours spent on this contract for 4 homes

we could have manufactured and assembled these 2!

Community Trust

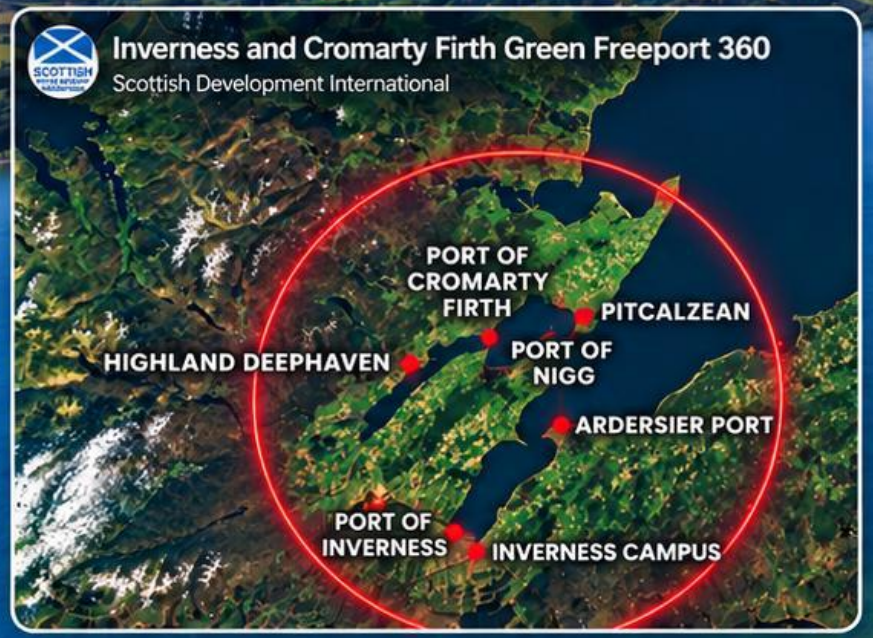

Contract for 2 homes

The route to the work should NOT be harder than the work itself

WHERE DO THEY ALL GET HOUSED?

Inverness & Cromarty Firth Green Freeport
a free trade zone

Housing is infrastructure.

Don’t take my word for it.
