RECENT WORKS

Starting from my latest works is the best way to appreciate my diverse career spanning over two decades. With a wide range of projects, I've had the opportunity to explore various design styles, from mascots to logos and from book covers to website designs. This journey through my recent creations will showcase the evolution and versatility of my design skills.

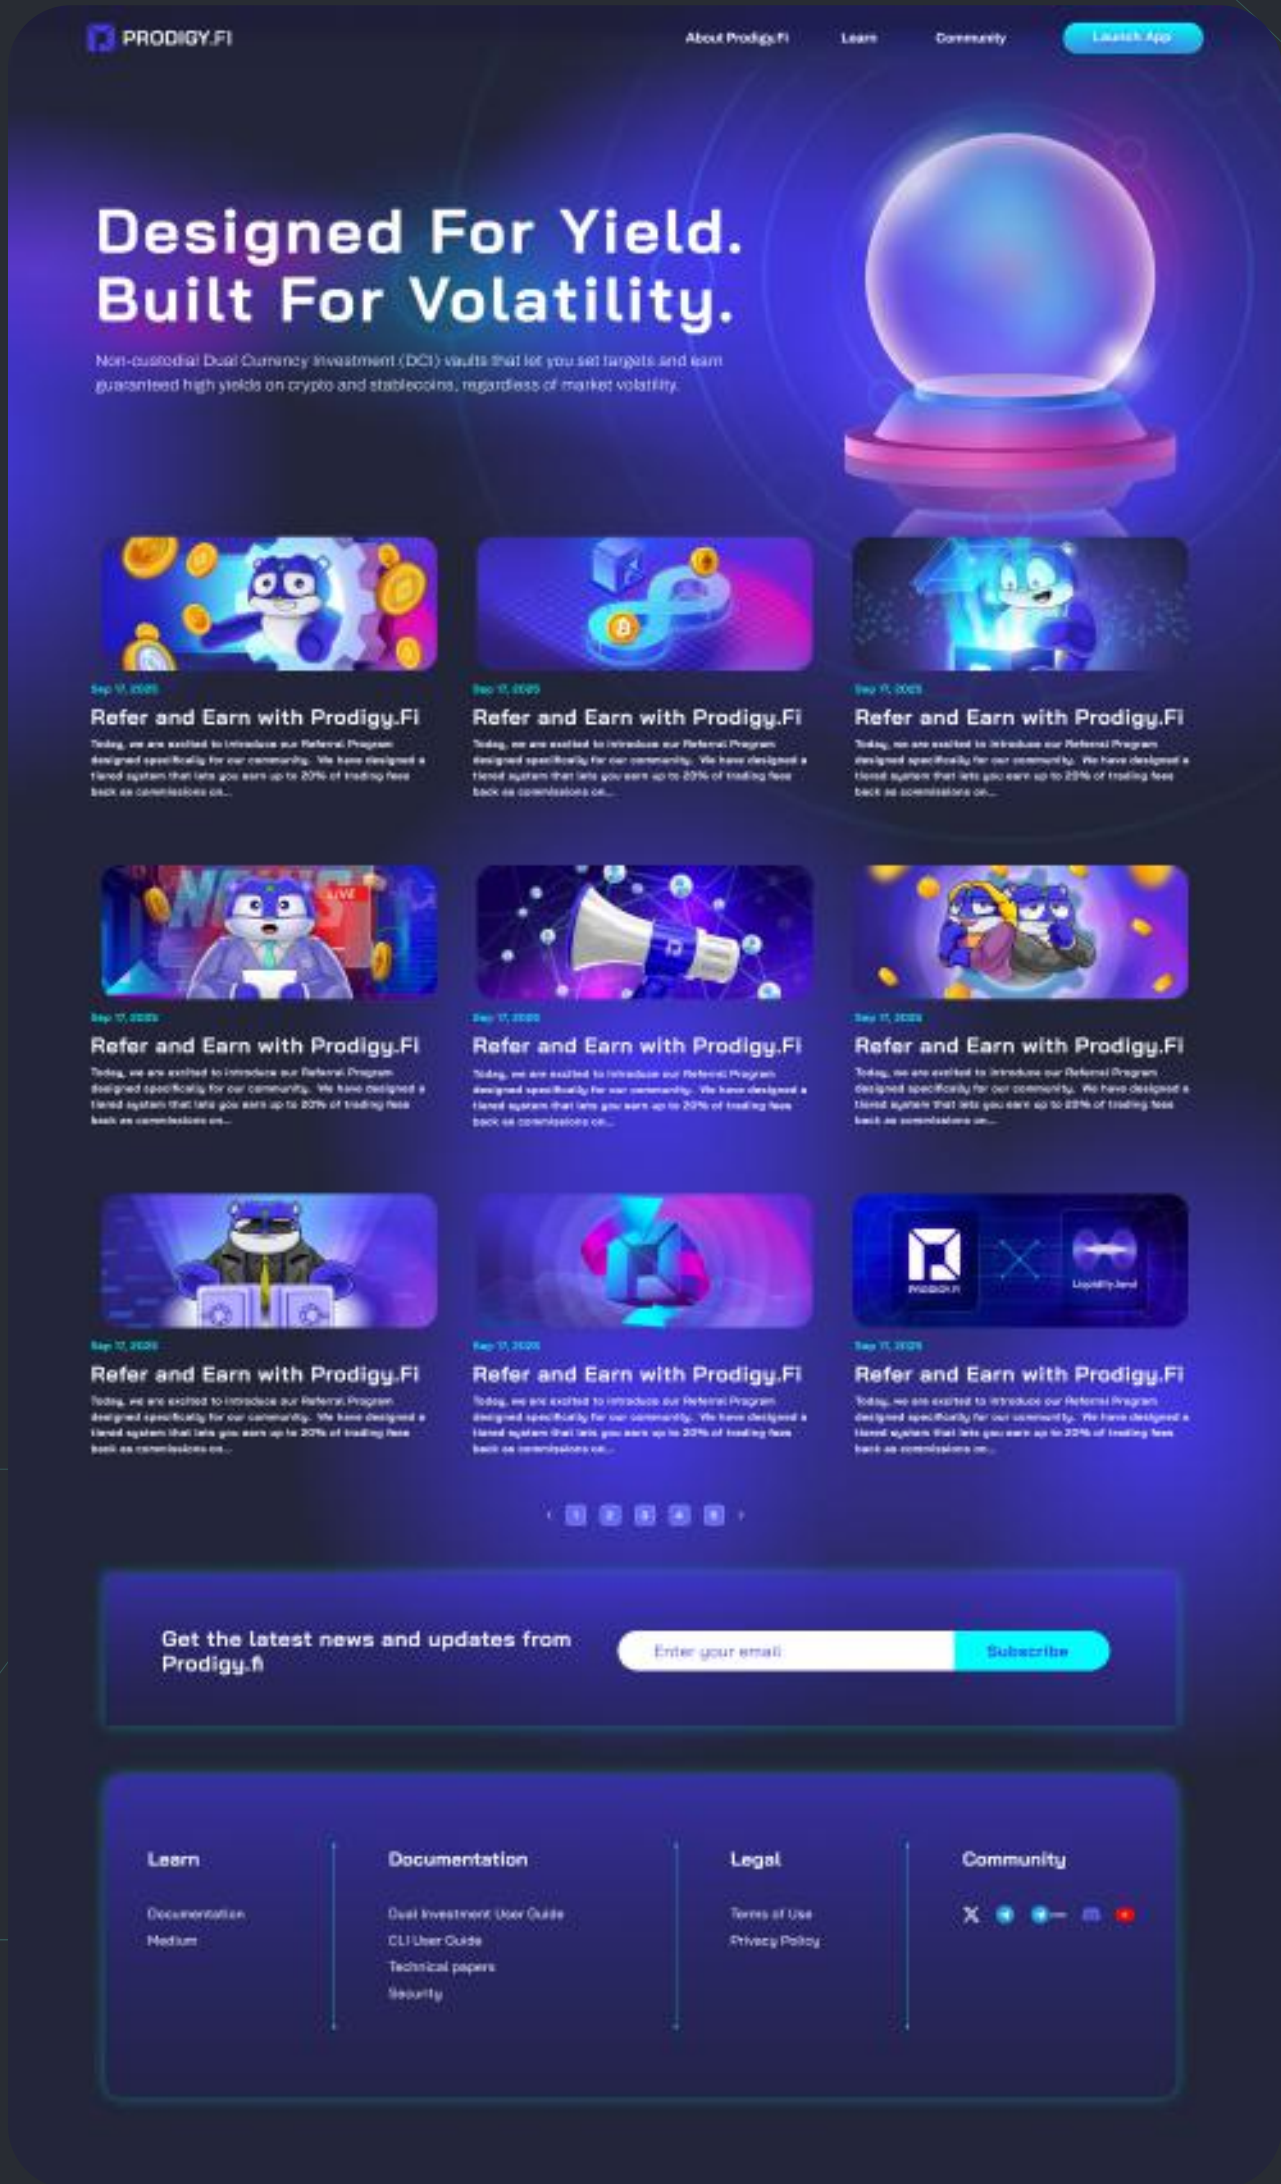

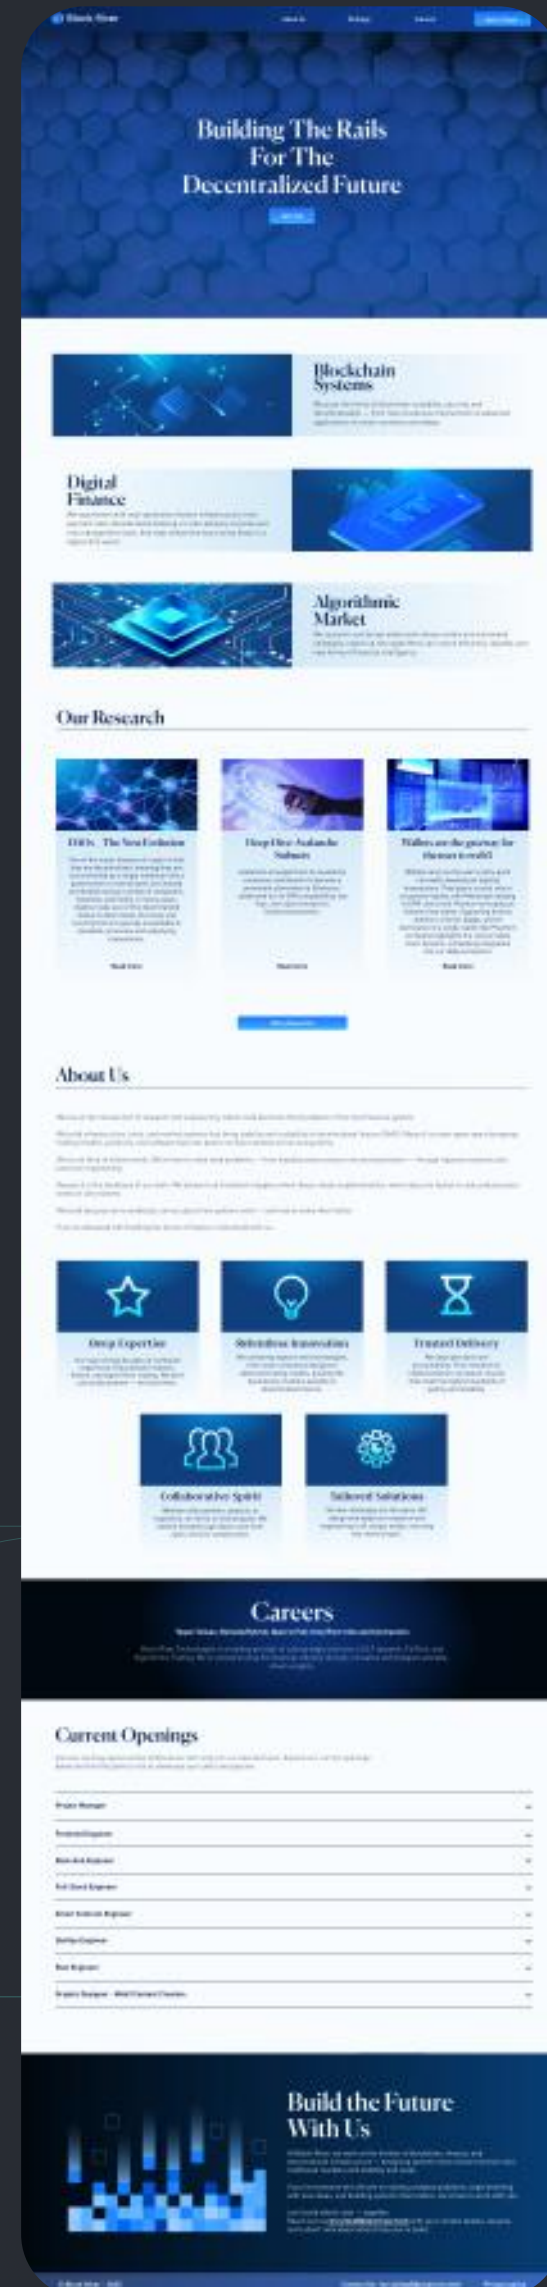

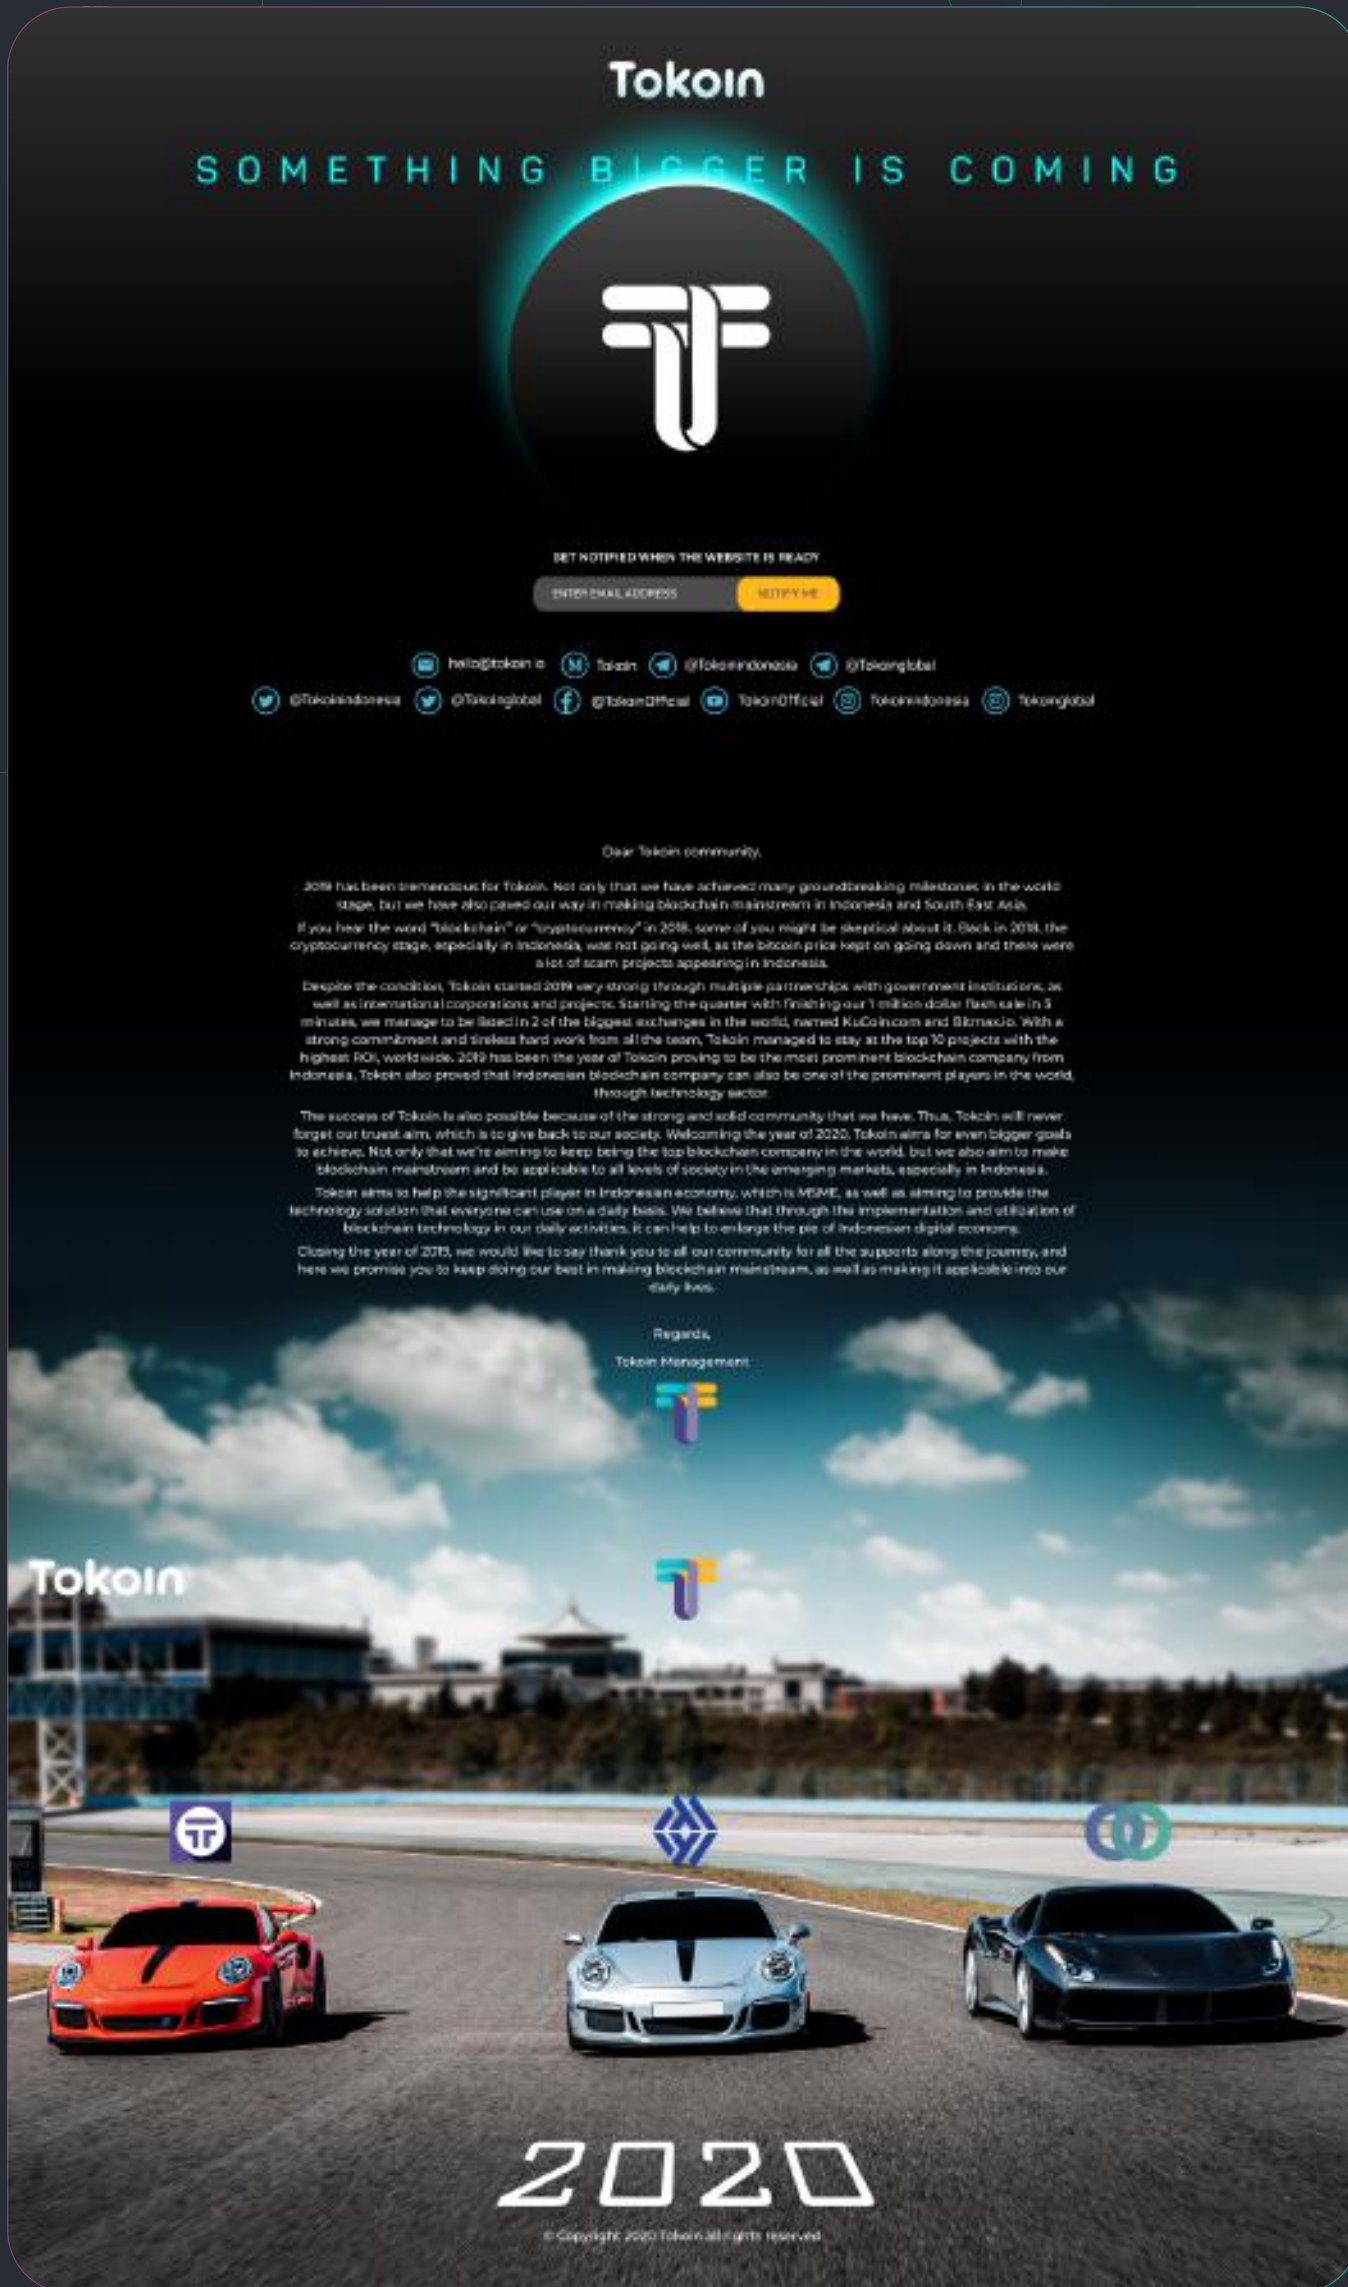

UI / UX

In the modern internet era, my focus has predominantly been on UI and UX-related projects, spanning from conventional websites to blockchain apps. This includes everything from branding and UI design to graphic elements, page layouts, and marketing collateral.

Shilltime

The Ultimate Playground for MemeCoin Degens

Launching memecoins just got wilder.

ShillTime is your everyday Solana launchpad for creating, trading, and shilling tokens like never before.

Why Degens Choose ShillTime

- **Launch Your Token in Minutes**
 - Forget complicated setups - ShillTime lets you drop your memecoin faster than you can say "pump".
 - No full-time jobs.
- **Trade & Engage Like Never Before**
 - Dive into the memecoin action with seamless trading tools and community-driven vibes.
 - Keep the excitement alive, and trade at a time.
- **Livestream the Chaos (Optional but Epic)**
 - Fire up a livestream and connect with your audience in real time.
 - Turn your memecoin launch into a full-blown event.

Early Creator Benefits: Be the First, Get the Most

For the bold degens who launch with us early, we're pulling out all the stops:

- **Featured Placement:** Your token gets top placement on the platform, ensuring max visibility.
- **Shared Trading Fees:** Earn a slice of the action every time your token is traded.
- **Exclusive Perks:** Unlock priority access to future features, events, and exclusive opportunities.
- **Biggest Rewards:** The earlier you launch, the bigger your airdrop bag.

What's in it for You?

- **More Clout:** Dominate the Solana memecoin space with a platform built to amplify your voice.
- **More Hype:** Engage your audience with tools designed to make every launch unforgettable.
- **More Community:** Build trust and loyalty with a platform that thrives on interaction.

How ShillTime Works

- **Mint Your Token:** Use our degen-friendly platform to create your memecoin in just minutes.
- **Shill Like a Pro:** Let loose in chats, social channels, or livestreams to build the buzz.
- **Watch It Fly:** Engage your community and watch as your memecoin takes off.

Airdrop Alert: Free Bags Incoming

Be Part of the Revolution

Early adopters who trade or launch tokens on ShillTime can qualify for our Massive Token Airdrop.

- **Mass Engagement = Bigger Rewards**
- **The earlier you launch, the bigger your airdrop.**

Roadmap

- Q4 2024**
 - Full platform launch with token creation, trading, and livestreaming features.
 - Early creator benefits roll out with featured placements and trading rewards.
- Q1 2025**
 - Massive airdrop rewards for active users and early adopters.
- Q2 2025**

VISUAL IDENTITY

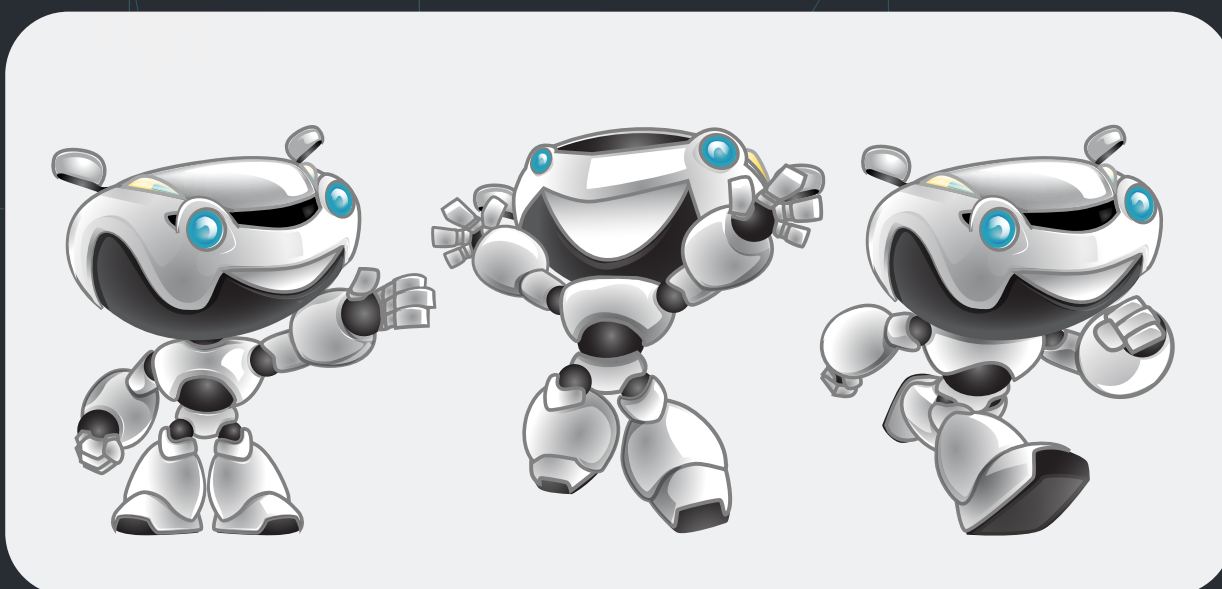

Brand Identity, the collection of all visual elements that a company creates to portray the right image to its consumer. So many to choose but here are some of my design highlights dating back to the early 2000s.

ILLUSTRATIONS

As a fundamental graphic design service, remains essential in today's diverse media landscape. It is used across various platforms like books, magazines, ads, websites, and more to visually enhance and complement textual content, making it a powerful tool despite its simplicity and the challenges it poses to mastery.

AND MORE

I offer a diverse range of design services, encompassing various styles to meet your specific needs. From book covers and NFTs to storyboards, motion graphics, animation, pitch decks, and company profiles, I'm equipped to handle a wide array of projects. If you can't find what you're looking for in my portfolio, please don't hesitate to reach out, and I'll be happy to discuss your unique requirements.
