

SHOWCASE™

DESIGNED FOR EVERY ARENA

DESIGNED FOR EVERY ARENA

I am often asked, “What does it take for a sire to make the Showcase lineup?” This is not an easy question to answer. The most honest response is that there is no secret formula, but we know it when we see it. It comes down to sires with the right traits, the right look and the right maternal line. That recipe has produced cows and heifers for both Select Sires and our customer-owners that can compete at every level and, more importantly, thrive in all types of environments.

Balance has become a wildly popular term, but it still best describes the type of sires we strive to identify. Strength-to-stature ratio has become an especially important component of balance, and 7H016295 HAS IT ALL is a prime example. He is the highest-ranking proven PTAT sire among the Top 100 GTPI® list and is also a breed leader for PTA Milk, Udder Composite and Feet and Leg Composite. His daughters exhibit the strength and substance that modern producers desire. Given those credentials, it is no surprise that HAS IT ALL is the highest-selling and most in-demand sire at Select Sires, regardless of category.

Another example is 7H017700 HINGE, a son from HAS IT ALL’s full sister that adds a touch of 7H015167 GAMEDAY influence to the program. His popularity has been unprecedented, and his earliest sons are now beginning to enter the Showcase lineup.

The newest Showcase additions also embody these principles. Among them is 250H018402 HI-BALLER-P, one of the most unique sires in the breed. He traces back to the globally recognized AOT Deluxe Hi-Lighted-ET (EX-91-EX-MS-DOM), a cow that represents the modern ideal: moderate in stature, lives and thrives in a commercial setting and is backed by a time-tested pedigree. HI-BALLER-P also introduces the polled gene into Showcase and has become one of our most heavily used sire fathers in 2026, suggesting his influence on the breed could be substantial. He is designed for every arena.

These principles guide us not only in Holsteins but across all breeds. It is humbling to see long-admired sires like 7JE5032 VICTORIOUS continue to dominate at every level of competition at 12 years of age.

As a sire team, we view the responsibility of building the Showcase lineup as a special honor, and we sincerely thank you for your continued support of the Showcase program.

Best regards,

Kevin Jorgensen

Kevin Jorgensen

Senior Holstein Sire Analyst and Showcase Program Coordinator

Hi-Baller-P

250H018402 SIEMERS HI-BALLER-P-ET
— HABULOUS-P x Deluxe x BIGGELO —

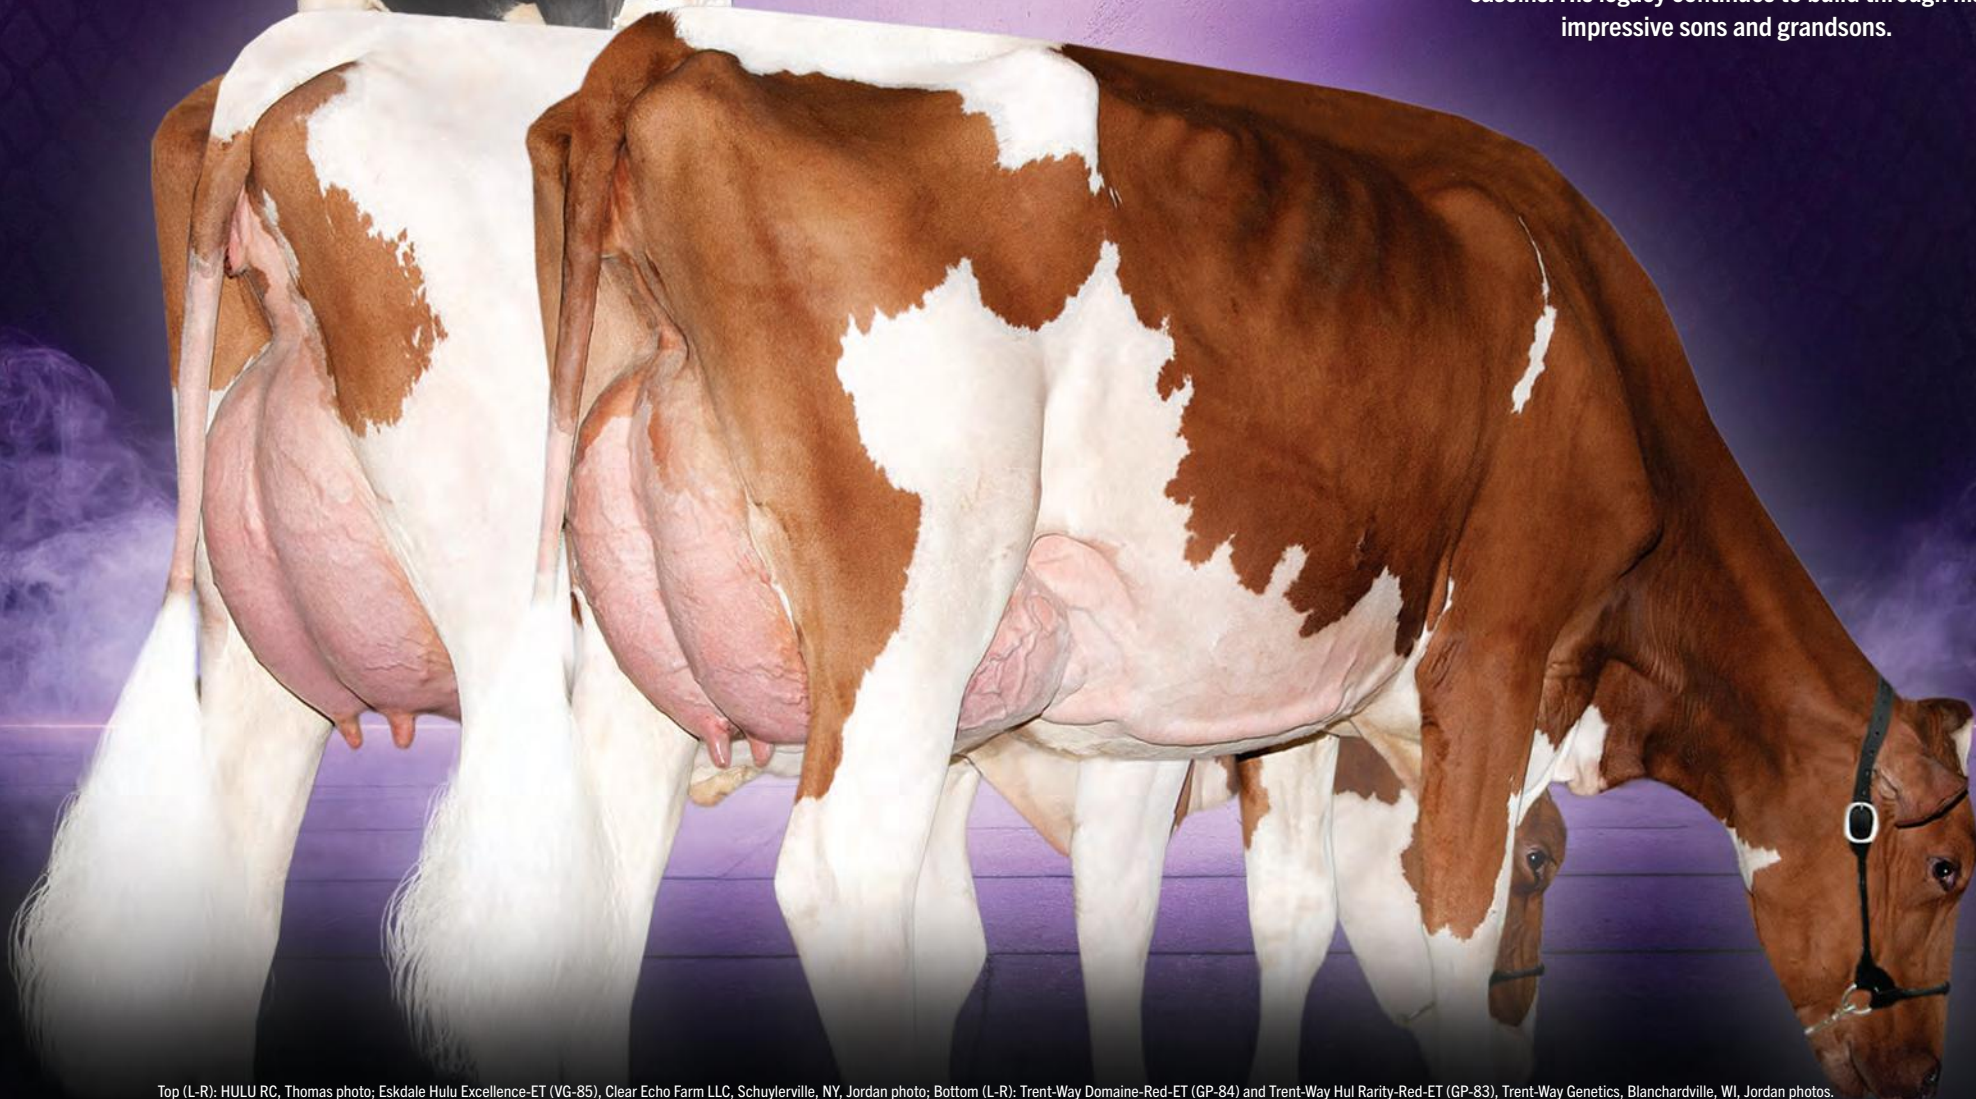

HI-BALLER-P is the result of four decades and 13 generations of thoughtful matings and outstanding maternal figures. As one of our most heavily used mating sires of 2026, his impact is sure to be substantial. His alternative pedigree opens the door to countless high-type mating opportunities, and with the added advantages of polled genetics and the right casein profile, HI-BALLER-P truly checks every box.

HI-BALLER-P, Jordan photo (reversed); AOT Deluxe Hi-Lighted-ET (EX-91-EX-MS-DOM), dam of HI-BALLER-P, Swale photos.

250H016498 SIEMERS WOLF HULU 37006-ET
— Wolfgang P x LUSTER-P x DOC —

Entering the scene as a unique, easy-to-use Red Carrier option, HULU RC's popularity within the Red & White breed rose quickly as a young sire. His pedigree offers strong maternal power, hailing from Holstein International's 2024 Global Cow of the Year, and he delivers a well-rounded profile with positive milk, daughter fertility and the right caseins. His legacy continues to build through his impressive sons and grandsons.

Top (L-R): HULU RC, Thomas photo; Eskdale Hulu Excellence-ET (VG-85), Clear Echo Farm LLC, Schuylerville, NY, Jordan photo; Bottom (L-R): Trent-Way Domaine-Red-ET (GP-84) and Trent-Way Hul Rarity-Red-ET (GP-83), Trent-Way Genetics, Blanchardville, WI, Jordan photos.

7H016387 SIEMERS HANAN HANX-P-ET
— HANANS x LUSTER-P x DOC —

From coast to coast, HANX-P is siring some of the industry's most exciting young cows. He delivers outstanding type and mastitis resistance traits with strong daughter fertility. He has been a successful sire father and has five sons at Select Sires that will continue to expand his impact on the breed.

Left: HANX-P daughters, Kenadie and Kaelyn Machado, Turlock, CA, Jordan photo;

7H017158 SIEMERS FGO HOLY-P 40167-ET
— FIGARO x LUSTER-P x DOC —

HOLY-P is creating eye-catching daughters that stand out as some of the squarest, well-made heifers in breeding pens. His influence on the Select Sires genetic program is substantial, with 17 sons currently in the lineup. Widely regarded as global icon Lstr 33317's most balanced son, HOLY-P continues to make his mark on the breed through his remarkable sons and daughters.

HOLY-P, Thomas photo; Siemers Lstr Hanan 33317-ET (EX-91-EX-MS), dam of HOLY-P and grandam of HANTASTIC-P, Farmgirl Photography photo.

250H017297 SIEMERS HANTASTIC-P-ET
— CHEW-P x PERFECT x LUSTER-P —

HANTASTIC-P's versatility makes him an attractive option for a wide range of breeding programs. As the highest Type son of 7H016103 CHEW-P, HANTASTIC-P offers a high-style profile that pairs well with many of today's popular type bloodlines. His excellent sire fertility, strong daughter fertility traits and elite production are an added bonus.

HANTASTIC-P, Jordan photo; Siemers Par Hanan 36296-ET (EX-90-VG-MS), dam of HANTASTIC-P, Farmgirl Photography photo.

250H018204 DREWHOLME LEYSURELY PP

— HOLY-P x Delta-Lambda x ZIPIT-P —

As one of the highest Type homozygous polled sires in North America, LEYSURELY PP will deliver extreme style-boosting traits and hornless calves in every mating. His pedigree traces through 12 generations of Very Good or Excellent dams, including the famed Idee Lustre-ET (EX-95-3E-EX-MS). Improve production while accelerating your Type program with LEYSURELY PP.

LEYSURELY PP, Jordan photo (reversed); Drewholme Lambda Leysurely P (VG-88-VG-MS), dam of LEYSURELY PP, Swale photos.

250H017304 HAVEITALL HANX HARDWICK-ET
— HANX-P x PERFECT x DOC —

HARDWICK offers a fully charged pedigree as HANX-P's highest son and maternal brother to top-selling sire 7H017700 HINGE. He epitomizes balance and exhibits a beautiful, right-sided linear profile. Make flashy, high-performance cows that breed back with ease by leveraging this elite daughter fertility sire from the Doc 8784 family in your matings.

HARDWICK, Jordan photo; Duckett Perfect Holly-ET (EX-90-VG-MS), dam of HARDWICK, Herges photo.

7H016954 DUCKETT DIESEL-ET
— HARMONY x DOC x JEDI —

DIESEL has been a long-standing go-to for A.I. technicians across the country thanks to his elite sire fertility. He descends directly from the global icon Doc 8784 and carries forward the combination of high production and exceptional style that has defined her legacy. **DIESEL's** first daughters will calve in early 2027.

DIESEL, Thomas photo; S-S-I Doc Have Not 8784-ET (EX-96-EX-MS-DOM), dam of DIESEL and grandam of HARDWICK, Fisher photo.

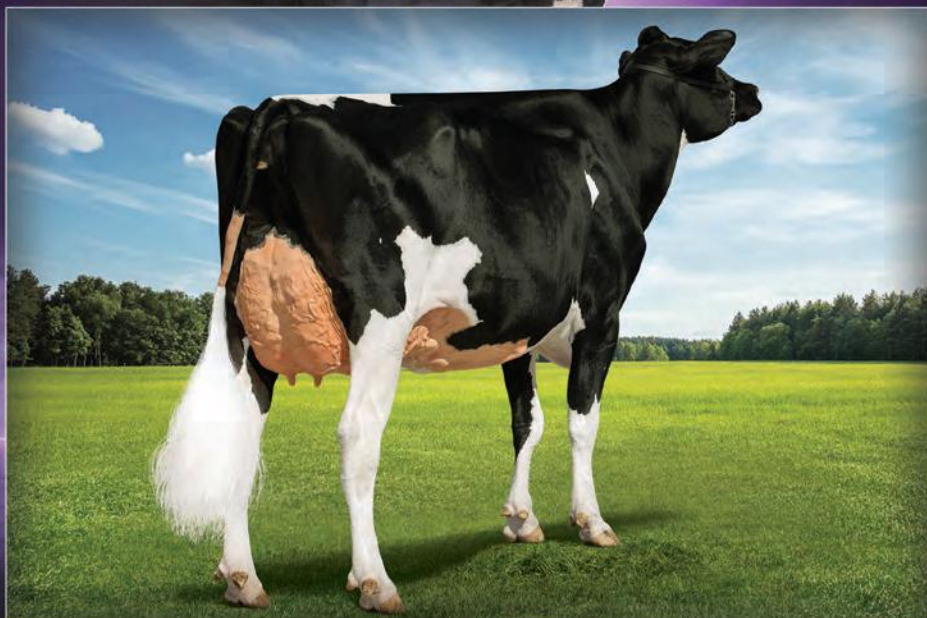

7H018192 OAKFIELD HOLY-P RALLY-ET
— HOLY-P x Captain x COFFEE —

RALLY introduces a new and exciting maternal line to the Showcase program. His Excellent (92) dam is one of Captain's best daughters and pairs extreme angularity with a tremendous mammary system. With strong GTPI, solid production and a unique pedigree, RALLY offers valuable mating flexibility across many of today's leading high-type bloodlines.

RALLY, Jordan photo (reversed); OCD Captain Rae 64381-ET (EX-92-EX-MS-GMD-DOM), dam of RALLY, Hetke photos.

Kickstart

250H017435 SYNERGY KICKSTART-ET
— PAZZLE x PARFECT x Positive —

KICKSTART emerges from a new and exciting cow family. His Excellent (90) dam is one of 7H015085 PARFECT's finest daughters. His modern, high-Type linear profile will meet the demands of breeders around the globe, and he offers greater strength than stature. Get stylish type and extreme components by leveraging KICKSTART in your matings.

KICKSTART, Swale photo; Genosource Parfct Oriole-ET (EX-90-EX-MS), dam of KICKSTART and grandam of OUTLAW-P, Herges photo.

Outlaw^{-P}

7H018409 SYNERGY OUTLAW-P-ET
— HOLY-P x Dropbox x PARFECT —

OUTLAW-P is a HOLY-P son from KICKSTART's Very Good (87) Dropbox sister. He follows his maternal line's strong production and type transmitting abilities, delivering profit-boosting components while adding the opportunity to create polled offspring.

OUTLAW-P, Jordan photo; Synergy Dropbox Obsidian-ET (VG-87-VG-MS), dam of OUTLAW-P, Herges photo.

250H017549 TRENT-WAY ELEVATE-ET
— HULU RC x PERFECT x Altuve —

Backed by a long line of maternal powerhouses, **ELEVATE** has 15 generations of Very Good or Excellent dams in his pedigree. He remains one of HULU RC's best sons for Canadian Conformation and complements his sire's trademark style with added strength and depth of body.

ELEVATE, Jordan photo; Trent-Way Essay-ET (EX-90-VG-MS), Jordan photo.

7H018028 REGANCREST DEMAND-ET
— Dropbox x GAMEDAY x EISAKU —

DEMAND brings some of the industry's best genetics to Showcase, descending from a 7H015167 GAMEDAY dam and tracing back to the great Habitan branch of the Halo family. His pedigree offers back-to-back Excellent dams, proving the family's consistent type. **DEMAND** offers double-digit conformation and will be a high-interest sire for Canadian breeders.

DEMAND, Jordan photo; Cookiecutter Dita Habitan-ET (EX-90-EX-MS-DOM), third dam of DEMAND, Fisher photo.

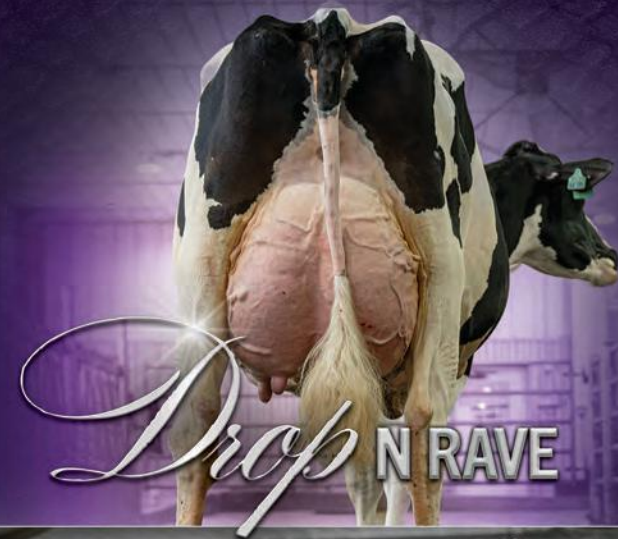

7H017379 SUNQUEST DROP N HOT-ET

— Dropbox x PARFECT x DOC —

DROP N HOT has become one of the most widely used sires in the Showcase lineup. Tracing to the Doc 8783 branch of the Halo maternal line, he transmits the combination of health, fertility and functionality that breeders demand. He has been a successful sire father and we look forward to introducing more of his standout sons in 2027.

DROP N HOT, Jordan photo; Ernest-Anthony Hav 36306-ET (VG-87-VG-MS), dam of DROP N HOT, Jones photo.

250H018672 OAKFIELD DROP N RAVE-ET

— DROP N HOT x PAZZLE x Captain —

DROP N RAVE is the first son of **DROP N HOT** to hit the market. He is an excellent option to improve your herd's genetic resistance to mastitis and will sire moderately sized, high-style cattle. His dam is sired by 250H016115 **PAZZLE** and is a maternal sister to **RALLY**.

OCD Captain Rae 64381-ET (EX-92-EX-MS-GMD-DOM), grandam of DROP N RAVE, Hetke photos.

HINGE

7H017700 HAVEITALL BLAKELY HINGE-ET
— BLAKELY x PERFECT x DOC —

Hailing from one of the breed's most influential cow families, HINGE has earned widespread popularity through his balanced combination of type, production and health traits. His success as a sire father continues to grow, with several highly anticipated sons set to debut in 2027. Around the world, HINGE daughters are gaining attention for the sleek style and eye-catching presence that have become hallmarks of the Doc 8784 family.

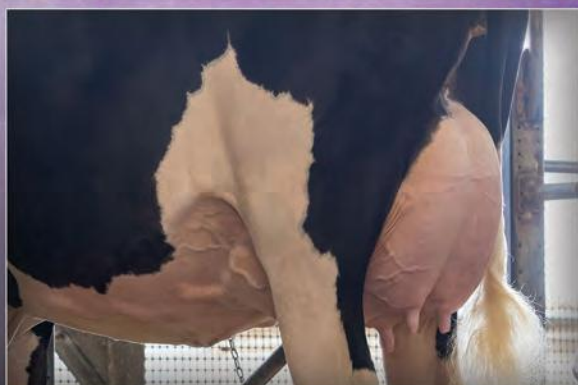

(L-R): S-S-I Doc Have Not 8784-ET (EX-96-EX-MS-DOM), grandam of HINGE, Herges photo; Duckett Perfect Holly-ET (EX-90-VG-MS), dam of HINGE, Herges photo; HINGE, Thomas photo.

Has IT ALL

7H016295 DUCKETT PFCT HAS IT ALL-ET

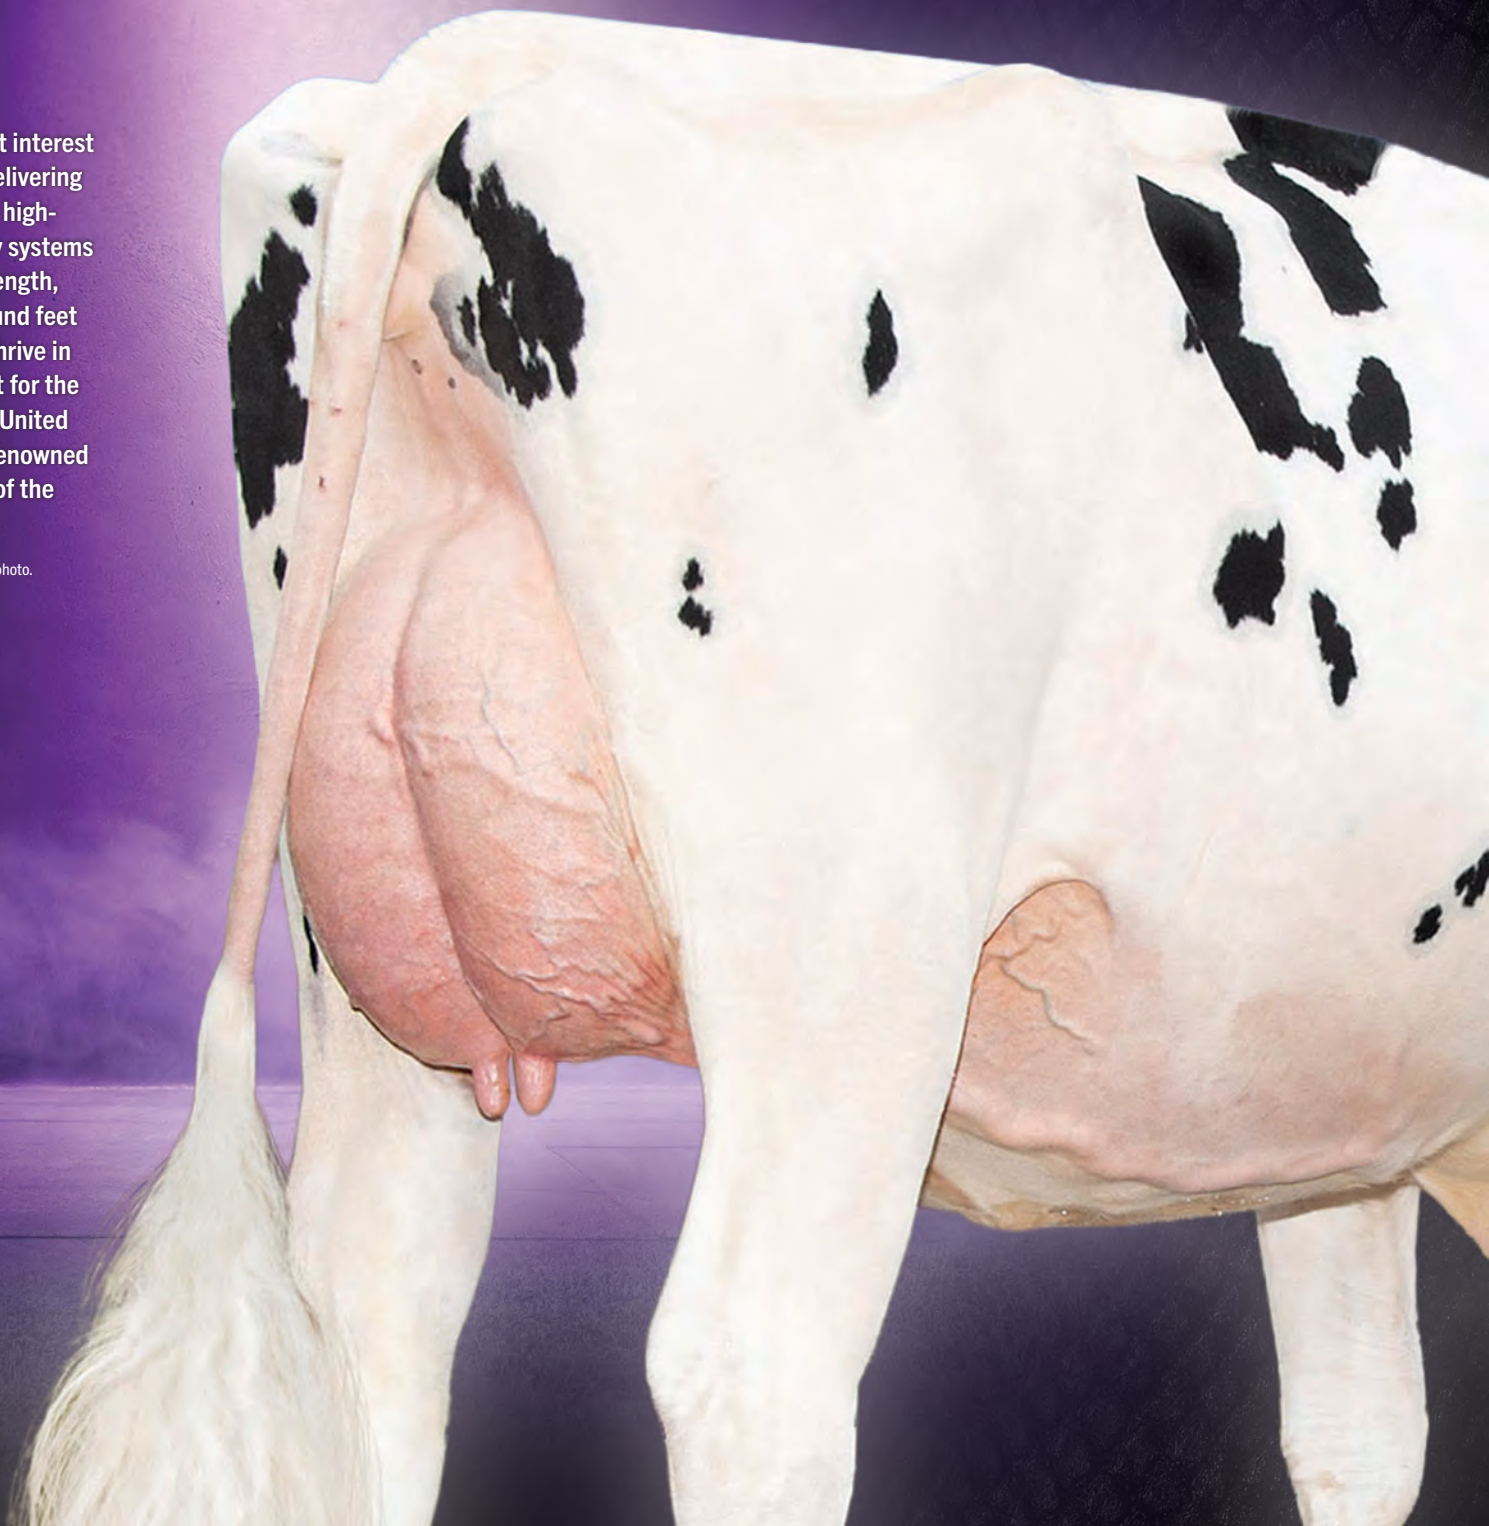

— PERFECT x DOC x JEDI —

HAS IT ALL. Thomas photo; Top (L-R): Westcoast Hasall Arrow 32682 (VG-86-VG-MS), second spring two-year-old, British Columbia Spring Show, 2026, Swale photo; Jeffrey-Way Has It Bangee (EX-91), Brooks Hendrickson, Belville, WI; Winright HIA Demi (VG-87-VG-MS), Brian Enright and Jaquemet Holsteins, Winchester, ON, Swale photo; Bottom (L-R): Plain-Knoll Hasitall 4604, Buschur Dairy Farms, Inc., New Weston, OH, Erbsen photo; Echo Glen Hasitall Agnes (VG-87-VG-MS), Echo Glen Farm, Dorchester, ON, Swale photo; Myosotis Hasitall Chinook (GP-84-VG-MS), Clement Ostiguy and Sylvie Demers, Marieville, QC, Swale photo.

His name says it all. HAS IT ALL continues to attract interest from breeders around the world by consistently delivering the type of cow that modern breeders seek. His high-performance daughters pair outstanding mammary systems with eye-catching style and exhibit extreme strength, power and width from end-to-end. Walking on sound feet and legs, his daughters are built to last and will thrive in all environments. Ranking among the breed's best for the combination of proven type and milk in both the United States and Canada, HAS IT ALL traces to a world-renowned cow family and has established himself as one of the industry's most sought-after sires.

Jeffrey-Way Has It Bangee (EX-91), Brooks Hendrickson, Belville, WI, Jordan photo.

Lombardi

250H016490 TOWNLINEACRE DL LOMBARDI-ET

— Delta-Lambda x DOC x Doorman —

LOMBARDI's earliest daughters are calving in, and the reports have been outstanding! Tracing to the Roxy maternal line through the Goldwyn Locket fork, LOMBARDI delivers the strong type that this distinguished cow family is known to transmit. Improve your herd's genetic resistance to mastitis and capture purple ribbons with LOMBARDI.

LOMBARDI, Thomas photo; Daughters (L-R): Trent-Way Lomb Dababa-ET, Trent and Kelsey Hendrickson, Blanchardville, WI, Jordan photo; Our-Favorite Endzone-ET, first place fall calf, International Holstein Show, 2025, Buttierview, Chebanse, IL, Fisher photo; Fairmont Lombardi Ava-ET, first place winter calf and honorable mention junior champion, Northeast Fall National Holstein Show, 2025, Maddie Perry, East Montpelier, VT, Cowsmo photo.

250H016115 SIEMERS RZ PAZZLE 34954-ET

— ROZLINE x Delta-Lambda x Denver —

As a top-10 proven GLPI and conformation sire in Canada, **PAZZLE** continues to expand his influence across the breed. His daughters are aging like fine wine, earning praise from breeders for increased width, substance and maturity in their second lactations. His 250H012961 DOC-free pedigree makes him an easy-to-use sire in a variety of mating programs.

250H016121 SIEMERS H PARTAKE 35318-ET
— HANANS x Delta-Lambda x Denver —

PARTAKE continues to generate interest among breeders as the highest-ranking son of Lambda Paris for PTA Milk. Backed by the influence of two of Siemers Holsteins' best cow families, he combines pedigree strength with proven production improvement. His 156 aAa pattern adds to his versatility and widespread appeal.

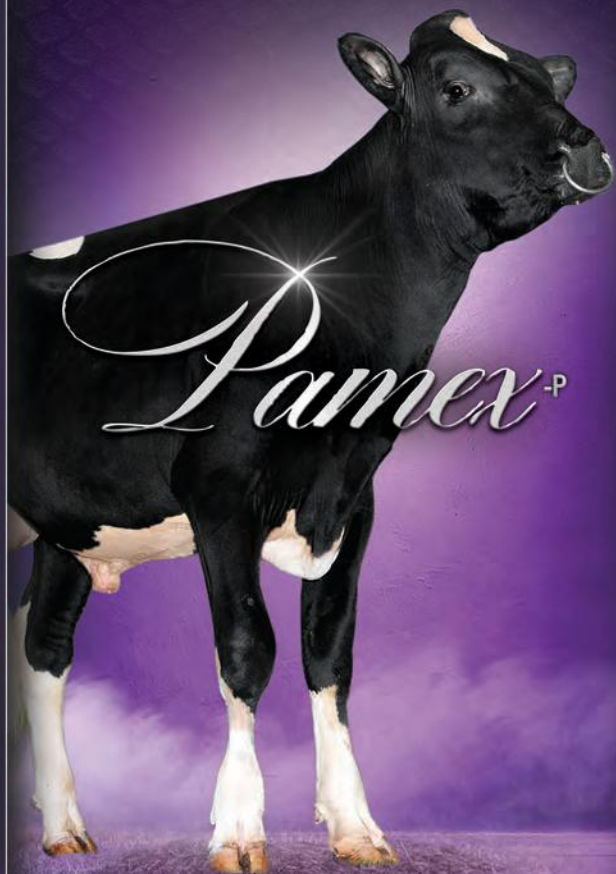

Left: Siemers Lmda Paris 27856-ET (EX-91-EX-MS-GMD-DOM), dam of PARTAKE, PAMEX-P, PARIAN-P and PALDWYN RC, grandam of PATOOTIE, Farmgirl Photography photo. PARTAKE, Jordan photo; PARTAKE daughters, Royal Vista Holsteins, Pickett, WI.

250H018064 SIEMERS TEN PATOOTIE-ET
— TENTASTIC x ROZLINE x Delta-Lambda —

The result of a proven, successful mating, **PATOOTIE** combines 250H014134 **RENEGADE** blood with the influential Paris maternal line. His 250H016979 **TENTASTIC** dam is a Very Good (87) sister to **PAZZLE**. Use **PATOOTIE** to improve daughter fertility and generate greater breeding results with his strong sire fertility.

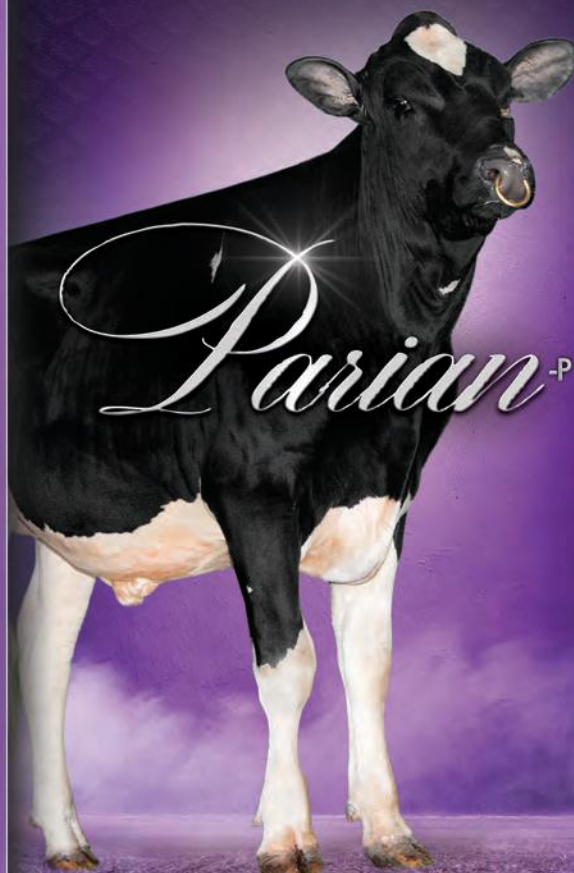

PATOOTIE, Jordan photo; Siemers Rzin Paris 34969-ET (VG-87-VG-MS), dam of PATOOTIE, Farmgirl Photography photo.

7H018219 SIEMERS PAMEX-P-ET
— HOLY-P x Delta-Lambda x Denver —

Breeders love their HOLY-P calves, and combined with the Paris family, this sire is sure to deliver the extreme eye-catching style and correctness that modern type breeders desire. PAMEX-P has back-to-back Excellent (91) dams, and also offers the opportunity to improve your herd's performance through his impressive production profile.

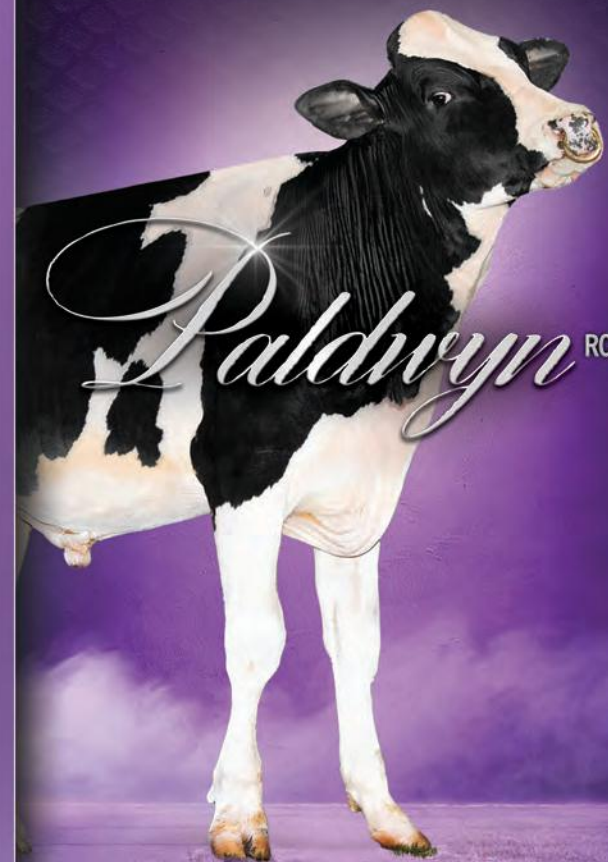

PAMEX-P, Jordan photo.

250H017560 SIEMERS PARIAN-P-ET
— HANX-P x Delta-Lambda x Denver —

PARIAN-P combines customer satisfaction sire HANX-P with the consistent Paris family. His early calves carry the Paris trademark, showing off flashy, black, silky frames and sound feet and legs. PARIAN-P continues to prove the success of the Mogul Hanker x Lambda Paris mating.

PARIAN-P, Jordan photo.

250H017567 SIEMERS HULU PALDWYN-ET
— HULU RC x Delta-Lambda x Denver —

PALDWYN RC brings the stylish, sought-after genetics of Lambda Paris to Red & White breeders. His calves are recognized for their eye-catching style and they attracted significant interest during the 2026 spring sale season. His impact continues to grow through a promising group of sons slated for release in 2027.

PALDWYN RC, Thomas photo.

250H018065 SIEMERS HANSH-ET
— TENTASTIC x PAZZLE x LUSTER-P —

HANSH is a double-digit component improver and modern type deliverer! He keeps stature in check while siring added width and strength. Capitalize on his elite daughter fertility traits to create long-lasting, foundational cattle for your herd.

HANSH, Jordan photo; Siemers Lstr Hanan 33317-ET (EX-91-EX-MS), grandam of HANSH, Farmgirl Photography photo.

Crypto^{PP RC}

250H018358 SUNQUEST HOLY CRYPTO PP-ET
— HOLY-P x Elevator P x DOC —

As HOLY-P's top son for type, CRYPTO PP RC quickly attracted attention upon his release. His rare combination of homozygous polled genetics, Red Carrier status and an alternative sire stack creates unique mating opportunities. His combination of elite conformation and strong performance makes him a standout choice for breeders of all backgrounds.

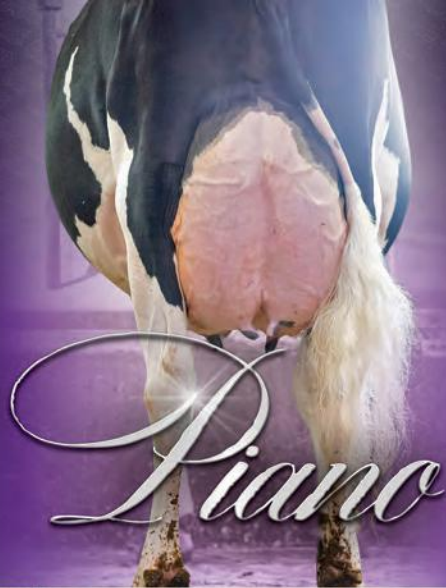

Scenery-View Celia-Red-ET (EX-92-EX-MS), fifth dam of CRYPTO PP RC, Jordan photo.

7H017431 SIEMERS APPLEJAX-ET
— BLAKELY x PERFECT x DOC —

APPLEJAX is a unique 250H016290 BLAKELY son from the Apple maternal line at Siemers Holsteins. His dam has already achieved a score of Excellent (91) and has more points in her future. APPLEJAX provides well-rounded fitness traits and strong production paired with elite conformation and type.

APPLEJAX, Thomas photo. Siemers Perfect Apple 36426 (EX-91-EX-MS), Swale photo.

250H018694 SIEMERS PIANO-ET
— HINGE x Dropbox x Delta-Lambda —

PIANO marks the first HINGE son to enter the Showcase lineup and ranks as Select Sires' No. 1 Type sire. He combines elite production with outstanding udder-improving traits, highlighted by exceptional rear udder height and width. His Dropbox dam combines genetics of the legendary Kings-Ransom Casp Daze-ET (EX-95-2E-EX-MS) with the consistent Lambda Paris family.

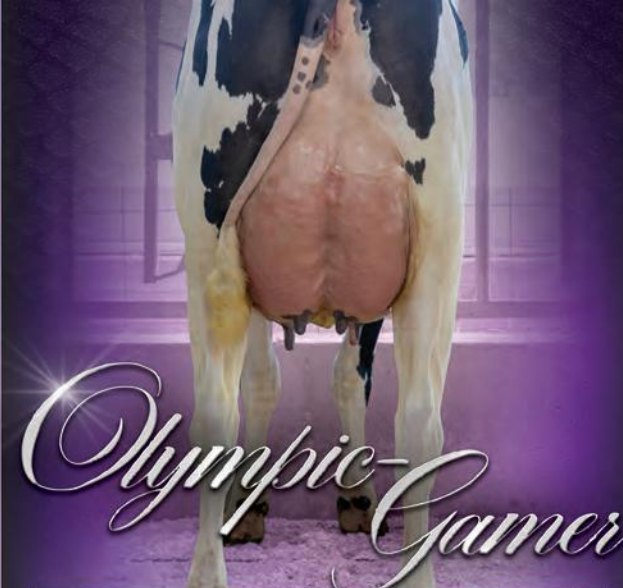

Siemers Lmda Paris 27856-ET (EX-91-EX-MS-GMD-DOM), grandam of PIANO, Farmgirl Photography photos.

250H018654 DREWHOLME SPECIAL-P
— HABULOUS-P x Logic PP x CONWAY —

SPECIAL-P hails from the same exceptional cow family as LEYSURELY PP and his dam completes 14 generations of Very Good or Excellent maternal figures in his pedigree. He offers terrific fitness and health traits paired with extreme style. You won't want to miss this standout sire.

Drewholme Lambda Leysure P (VG-88-VG-MS), third dam of SPECIAL-P, Swale photos.

250H018685 SIEMERS OLYMPIC-GAMER-ET
— PALDWYN RC x Havenofear x GAMEDAY —

A combination of firsts, **OLYMPIC-GAMER** is the earliest PALDWYN RC son to enter the lineup and introduces a powerful new maternal line to the Showcase program. His dam is a Very Good (85) Havenofear daughter that follows an Excellent (90) GAMEDAY. **OLYMPIC-GAMER** will be a major player for Canadian Conformation and offers exceptional daughter fertility traits.

Kenyon-Hill Havnfear Oly-ET (VG-85-VG-MS), dam of OLYMPIC-GAMER, Swale photos.

Victorious

River Valley Farm

7JE5032 RIVER VALLEY VICTORIOUS-ET

— BARNABAS x latola x Duaiseoir —

The 2025 triple crown premier sire! Last year, VICTORIOUS claimed premier sire honors at World Dairy Expo, the North American International Livestock Exposition and the Royal Agricultural Winter Fair, proving his ability to consistently stamp daughters with the style, quality and winning presence that breeders demand. Hailing from one of the breed's most influential cow families, VICTORIOUS' rise to legendary status comes as no surprise.

(L-R): Oeh-My Victorius Parade (E-94%), first place five-year-old, International Jersey Show, 2025, Kaleigh, Jamie and Jami Hartman, Saint Thomas, PA, Fisher photo; Paullyn Victorious Maya (E-93%), River Valley Farm, Tremond, IL, Fisher photo; Pine Haven Victorious Taya (E-91%), second place senior three-year-old, River Valley Farm, Tremont, IL, Cowsmo photo.

250JE2131 UNIQUE SKYFALL
— BOSA x MATT x GOVERNOR —
