ABOUT US

Aum Shanti Products is a reputed company engaged in manufacturing and exporting a wide range of brass and steel products for over 14 years. Our journey began in 2008 with a simple mission - to deliver superior quality hardware products that stand the test of time. Today, we are proud to be one of the most trusted names in the hardware industry.

Our extensive product range includes door hinges, tower bolts, kitchen zali, brackets, cloth hooks, and much more. All our products are available in various types of finishes to suit different aesthetic preferences and functional requirements.

WHY CHOOSE US

Our Core Values

Premium Quality: We use only the finest raw materials including stainless steel, mild steel, brass, and aluminium. Our innovative designs focus on product durability and excellence.

Customization: We specialize in product modification and developing parts as per merchant requirements. Our flexible manufacturing process allows us to create tailored products.

Customer Focus: Excellent customer service with value-added after-sales support is our hallmark. We believe in building long-term relationships with our clients.
