PREMIUM DOG & CAT FOOD

**COMPLETE & BALANCED RECIPES MADE WITH
QUALITY INGREDIENTS FOR WHOLESOME NUTRITION**

PREMIUM DRY DOG FOOD

LIFE-TIME PREVENTION FORMULA

= COMBINATION OF FRESH MEAT, FRUITS, AND VEGETABLES
FOR CANINE HEALTH

SAM'S FIELD PREMIUM DRY DOG FOOD IS EXPERTLY FORMULATED TO MEET THE SPECIFIC NUTRITIONAL NEEDS OF DOGS OF ALL BREEDS, SIZES AND LIFE STAGES. MADE WITH HIGH-QUALITY FRESH MEAT, ANIMAL PROTEINS, FRUIT AND VEGETABLE EXTRACTS, AND CAREFULLY SELECTED FUNCTIONAL INGREDIENTS, EACH RECIPE SUPPORTS HEALTHY DIGESTION, OPTIMAL NUTRIENT ABSORPTION AND OVERALL WELLBEING.

MANY TRADITIONAL DOG FOODS CONTAIN GRAINS, PARTICULARLY WHEAT, WHICH CAN BE MORE DIFFICULT FOR SOME DOGS TO DIGEST. SAM'S FIELD GRAIN-FREE AND LOW-GRAIN RECIPES ARE DESIGNED TO SUPPORT SENSITIVE DIGESTIVE SYSTEMS AND HELP REDUCE THE RISK OF FOOD INTOLERANCES AND ADVERSE DIETARY REACTIONS. THE RESULT IS COMPLETE, BALANCED NUTRITION THAT SUPPORTS A LIFETIME OF QUALITY NUTRITION AND HEALTH. AND OTHER ADVERSE REACTIONS TO PROVIDE A LIFETIME OF QUALITY NUTRITION AND GOOD HEALTH.

INGREDIENTS

THE SELECT PREMIUM
INGREDIENTS IN SAM'S FIELD
PROVIDE THE FOLLOWING
HEALTH BENEFITS:

BEEF & VEAL

Natural sources of protein rich in amino acids and other important nutrients that nourish the muscles, improve coat quality and shine, and help maintain optimal physical condition. Beef and veal are biologically and nutritionally highly valuable, and the palatability of veal is especially favoured by dogs.

RICE & POTATO

The fibre content in potatoes helps prevent constipation and promotes regularity for a healthy digestive tract. Rice is an excellent source of vitamins and minerals, which provide the foundation for immune system health and increase metabolism.

YUCCA SCHIDIGERA EXTRACT

Supports healthy metabolism and improves the firmness of stools while reducing their odour.

SALMON OIL

A natural source of omega-3 fatty acids. An optimal ratio of fatty acids in the body helps to improve the quality of skin and coat.

DRIED APPLES AND PEARS

A valuable source of fermentable fibre for improved digestion, apples and pears are rich in fructo-oligosaccharides, which stimulate growth beneficial intestinal microflora.

CARROTS AND PARSLEY

Natural sources of vitamins, minerals, dietary fibre, antioxidants, and phytonutrients, they help improve immune system health.

SQUASH & GREEN PEAS

Rich in antioxidants to slow ageing and boost the body's immune system.

PUMPKIN

A low-glycaemic carbohydrate and excellent source of energy. Pumpkin is rich in natural antioxidants that help support the immune system.

BLACKCURRANT

Contains large amounts of powerful antioxidants that slow ageing and protect cells from the damaging effects of free radicals.

BROCCOLI, SPINACH

Natural sources of minerals, such as calcium, magnesium, and phosphorus, which support development of strong bones and healthy teeth and claws.

DRIED BEET PULP

A natural source of fibre for healthy digestion, it also contains antioxidants and vitamins, which help maintain healthy liver function and protect the body from free radicals.

CHAMOMILE

A source of antioxidants with antiseptic properties that help reduce inflammation and eliminate flatulence.

GLUTEN FREE BEEF & VEAL

ADULT MEDIUM

70% BEEF, VEAL, FRUITS & VEGETABLES

COMPLETE FORMULA FOR ADULT DOGS
OF MEDIUM BREEDS

COMPOSITION: dried beef 26%, dried veal 20%, potatoes 16%, rice, poultry fat (preserved with mixed tocopherols, a source of vitamin E), dried apples 3%, green peas 2.5%, brewer's yeast (a source of mannan-oligosaccharides), salmon oil 2%, chicken liver, dried spinach 1%, dried squash 0.8%, dried beet pulp 0.5%, dried broccoli 0.2%, glucosamine (300 mg/kg), chondroitin sulfate (180 mg/kg), extract of *Yucca schidigera* (100 mg/kg), chamomile (*Matricaria chamomilla*, 80 mg/kg)

INGREDIENTS

THE SELECT PREMIUM
INGREDIENTS IN SAM'S FIELD
PROVIDE THE FOLLOWING
HEALTH BENEFITS:

CHICKEN

A delicious source of highly digestible protein containing essential amino acids for muscle growth, quality hair, and optimal condition.

SALMON & HERRING

A delicious source of hypoallergenic protein containing omega-3 and omega-6 amino acids for healthy skin and hair.

BEEF

A delicious source of highly digestible protein containing essential amino acids for muscle growth, quality hair, and optimal condition.

VENISON

Flavourful high-quality venison is an excellent source of protein for dogs because it contains much less fat and cholesterol than most other meats.

CHICKEN LIVER

A source of highly digestible protein containing essential amino acids for muscle growth, quality hair, and optimal condition. Delicious natural flavour.

POTATOES & PEAS

In processed form, potatoes and peas are an excellent source of energy. With a low glycemic index, the energy they provide is safe and can be easily used by the body.

DRIED APPLES

An excellent source of essential fermentable fibre.

CHAMOMILE

A source of antioxidants with antiseptic properties that help reduce inflammation and eliminate flatulence.

CARROTS

The vitamins, minerals, dietary fibre, antioxidants, and phytonutrients found in carrots help keep the immune system strong and healthy.

SALMON OIL

A natural source of omega-3 fatty acids for a healthy balance that helps improve the quality of the skin and hair.

GRAIN FREE SALMON & HERRING

90% FISH, POULTRY,

A man wearing a brown vest over a plaid shirt is sitting on the grass next to a long-haired dog with black, white, and brown fur. The background is a bright, hazy landscape. The text 'NATURAL SNACK' is overlaid in a large, dark brown serif font. Below it, a dotted line separates the title from the product description. The product description is in a smaller, dark brown serif font. The entire image has a warm, golden light and a large, faint watermark of the letters 'S', 'R', and 'G' in the background.

PREMIUM QUALITY
CAT FOOD

YOUR CAT'S VIEW: "IT HAS TO BE TASTY!"

YOUR VIEW: "IT HAS TO WORK!"

The success of Sam's Field premium dog food has inspired the creation of an exceptional cat food range. Crafted with the same commitment to quality, our carefully balanced recipes are rich in meat and made from premium ingredients to support your cat's health, wellbeing and natural instincts.

Whether your cat requires nutrition for growth, maintenance or specialised dietary support, Sam's Field offers delicious, protein-rich recipes tailored to their needs. With irresistible flavours and carefully selected ingredients, every meal is designed to keep your feline companion healthy, active and satisfied.

PREMIUM QUALITY CAT FOOD

A tabby cat with orange and black stripes is sitting in a grassy field. The cat is looking towards the right side of the frame. The background is a soft-focus green field. The overall tone is warm and natural.

Sam's Field

SAM'S FIELD CAT CONTAINS
HIGHLY DIGESTIBLE PROTEIN SOURCES
THAT ARE ESSENTIAL FOR MUSCLE
GROWTH, A SHINY COAT, AND LASTING
PHYSICAL FITNESS. WHAT'S MORE,
OUR PRODUCTS ARE WONDERFULLY
TASTY.

Miaow...

MEAT

CHICKEN

- Highly digestible
- Healthy muscle and bone development
- Enhanced coat and skin

DUCK

- Irresistible taste
- Excellent source of energy
- Will please even the fussiest of cats

WHITE FISH

- Enhanced coat and skin
- Source of omega-3 and omega-6 fatty acids
- Healthy muscle growth

TURKEY

- Dietary meat
- Highly digestible
- Enhanced coat and skin

PREMIUM QUALITY CAT FOOD

Sam's Field

SAM'S FIELD CAT HAS BEEN DESIGNED TO PROVIDE A LIFETIME OF GOOD HEALTH. IT'S RICH IN FRESH MEAT AND ANIMAL PROTEIN AND ALSO CONTAINS SALMON OIL, PLANT EXTRACTS, AND FUNCTIONAL INGREDIENTS. ITS NATURAL COMPOSITION TARGETS THE INDIVIDUAL REQUIREMENTS OF EACH CAT ACCORDING TO HIS OR HER AGE AND SPECIFIC NEEDS.

DRIED APPLE

Essential source
of fermentable fibre

CARROTS

Natural source of vitamins, minerals, fibre,
antioxidants, and herbal nutrients to boost
your cat's immune system

SALMON OIL

Natural source of omega-3 and
omega-6 fatty acids for optimal
skin health and a silky coat

TOMATOES

Source of lycopene, the
strongest-known antioxidant
– protects the body against
free radicals

CHAMOMILE

Plant source of antioxidants with
antiseptic properties – reduces
inflammation and eliminates
flatulence

PREMIUM QUALITY CAT FOOD

A close-up photograph of a young, fluffy orange and white kitten with striking blue eyes. The kitten is nestled in a field of vibrant green grass, looking directly at the camera with a curious expression. The background is softly blurred, emphasizing the kitten's features.
