

EXPOSURE
DISPLAYS

RETAIL DISPLAYS

We create retail environments that deliver results, from curated shopfront windows to premium showroom displays and full-scale brand experience centres. Whether for Tier 1 flagship stores or modular Tier 3 installations, Exposure Group delivers tailored retail solutions to match both creative ambition and practical constraints.

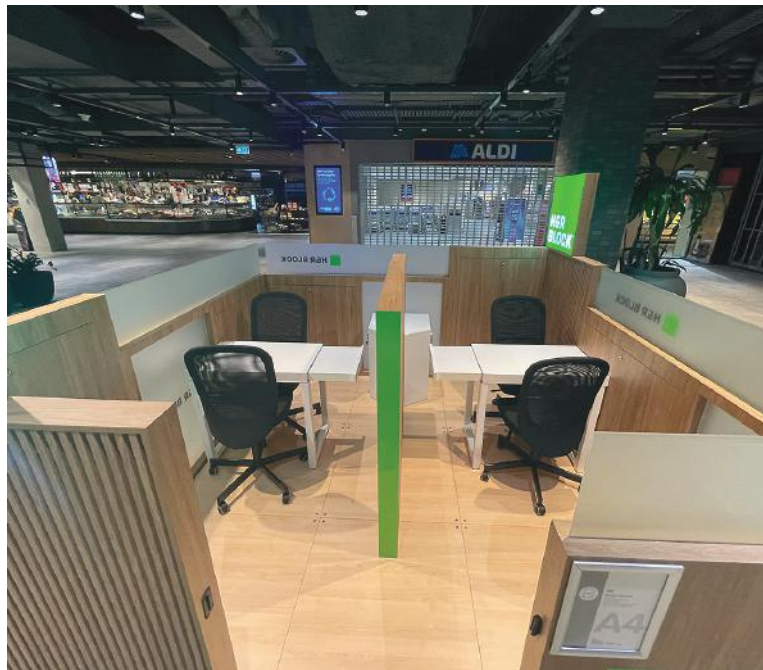

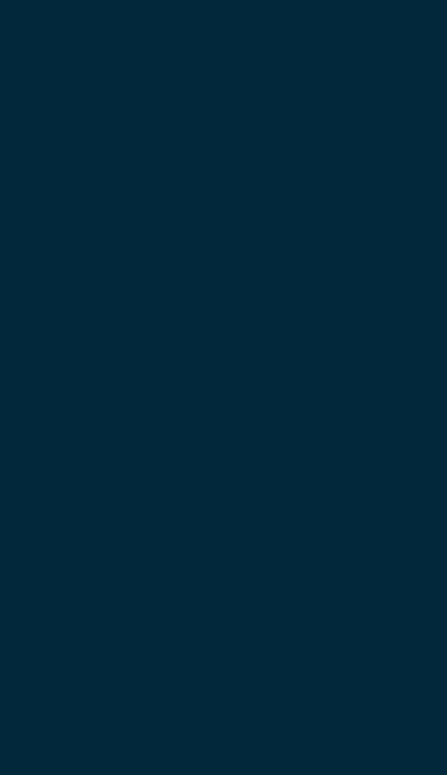

KEY FEATURES

- Comprehensive solutions: windows, gondolas, wall bays, experience centres
- Tiered retail strategy: **Tier 1 (premium)**, **Tier 2 (in-line)**, **Tier 3 (modular/point-of-sale)**
- Finishing options from budget laminate to premium materials like engineered stone, glass, and marble
- Custom-built to suit campaign objectives, location, and budget
- National rollout, install and storage support

CASE STUDIES

Miele at Winning Appliances Redfern

Ultra-premium showroom joinery with marble, engineered stone, curved glass, and natural timber veneer detailing.

Glasshouse Candles for Sapphire Group

Gloss white polyurethane gondola with laser-cut clear acrylic surfaces for visual clarity and durable everyday use.
