

2026

LYRIQ

ELECTRIC, ELEVATED

A sculpted all-electric SUV that brings quiet confidence, expressive design and intelligent technology into one unmistakably Cadillac experience.

DESIGNED TO BE SEEN

EXTERIOR

ARTISTRY IN MOTION

Cadillac's vertical lighting language, crisp bodywork and carefully controlled details give this EV a confident stance from every angle.

01

ILLUMINATED PRESENCE

Black crystal grille, vertical lighting and choreographed approach illumination create a dramatic signature.

02

SKYGLASS ROOF

A panoramic glass roof opens the cabin visually while a power shade adds comfort on demand.

03

RADIANCE LIGHTING

126-color dual-zone ambient lighting lets the interior shift with your mood and drive.

INTERIOR + TECH

YOUR DIGITAL SANCTUARY

Acalm, driver-focused cabin pairs crafted materials with a wide digital canvas and intuitive connected features.

33"

CURVED 9K HORIZON DISPLAY

OVER 1 BILLION COLORS

33"

HORIZON DISPLAY

A sweeping 9K curved LED interface places navigation, media and vehicle controls within easy reach.

23

AKG SPEAKERS

Available AKG Studio Audio with Dolby Atmos brings rich, precise sound throughout the cabin.

3 YR

Standard hands-free driver assistance pairs mapping, attention monitoring and lane-change capability.
