At Kandooma Maldives, where you stay is part of the experience. Our 146 villas are set among tropical gardens, along the beach and over the Indian Ocean, so you can choose the island stay that feels right for you.

Fresh, relaxed and made for easy island living, there's a villa for couples, friends and families. Choose your own private pool, more room to spread out, a view across the ocean or a spot where the beach is just a few steps from your door.

And with Kandooma now all-inclusive, once you've unpacked, there's a whole island to experience.

More to Do. More to Discover.

At Kandooma, all-inclusive means more than meals and drinks. It means getting out there and experiencing the island. Head out across the reef on a guided group snorkelling trip, paddle over clear blue water by kayak or catch the first light of the day on a traditional sunrise fishing trip. As the day winds down, join our Sunset Splash Cruise for a relaxed ride west with drinks, and a front-row seat as the sun disappears over the Indian Ocean.

Certified divers can take the adventure below the surface with Kandooma Dive, our PADI 5-Star dive centre. Qualifying stays of four nights or more include one dive per day for certified divers.

And when it's time to slow things down, enjoy your choice of 30 Minutes head, neck and shoulder massage OR 30 Minutes foot massage at Kandooma Spa by COMO Shambhala. Spa inclusions for adults only.

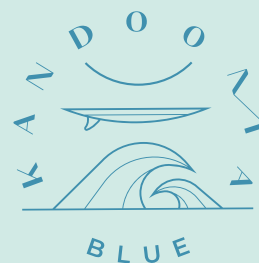

It's all part of giving you more ways to experience Kandooma, included in your stay when you stay 4+ nights.
