NORWAY'S COASTAL KITCHEN

Award-winning cuisine, sourced where we sail.

From hearty reindeer stew and melt-in-the-mouth cod to foraged cloudberries and plant-based delicacies, our award-winning cuisine gives you delicious fjord-to-table dishes and drinks. Eighty percent is sourced from our deep-rooted network of local fisherfolk, farmers, bakers and brewers.

CARING FOR THE COAST

Sustaining Norway's coastal communities for generations.

We've helped to sustain Norway's coastal communities for generations, caring for people, nature, and livelihoods. In 2023, our ESG report was ranked as best in the world in the cruise category by Sustainalytics. We're also working towards having our first zero-emission ship set sail in 2030.

SMALL-SHIP SAILING

Relax as we take you closer to the beauty of the coast

Our onboard atmosphere is always informal and welcoming, and with only a few hundred guests, you're sure to relax easily. The size of our ships means they're nimble enough to stop at small ports and sail into narrow fjords. It's the ideal balance.

EXPERIENCE NORWAY YOUR WAY

With more sailings, more experiences, more flexibility — every day.

Voyage beneath the Midnight Sun. See the Northern Lights. Choose from 2-day to 16-day voyages. Go dog sledding. Spot whales. Explore cities. Visit the vast wilderness of Svalbard. However you want to experience Norway, no one else sails to more places or offers as many unique experiences.

TRAVEL MADE EASY

NORWAY— A LIVING LEGEND

Dear curious seafarer,

Welcome to another year of adventure and discovery along the beautiful coast of our magical land, Norway.

Why do we call our land magical? Well, that's quite simple, you just need to look at it and you'll understand. But it goes much deeper. Myths and legends are woven into the very fabric of our land. A mountain might not just be a mountain ... shift your perspective a little and it could just as well be a frozen troll.

The Norwegian Sea itself, as legend has it, is personified by the Norse goddess Rán. She was said to have had nine

daughters of the sea just as we feel we have 10 daughters of the sea – our ships! Above us, in the dark winter skies, the streaming ribbons of the aurora were said to be a bridge to Valhalla. These are the stories we Norwegians grow up with, stories that shape our connection to the land and sea.

Having served coastal communities since 1893, we like to think that we've taken our place in the evolving story of Norway. That's why we're proud to have been awarded the "Made in Norway" marque, celebrating the best of Norwegian quality and sustainability practices.

So, once again we invite you to join us. Come, take your place in the living legend of Norway,

With adventure ahead,

Hedda Felin
CEO Hurtigruten

The legend of Torghattan

A large, snow-covered mountain dominates the center of the image. A dark, rectangular cave entrance is visible in the middle of the mountain's face. The mountain is covered in a thick layer of snow, with some rocky patches visible. The sky above is a mix of soft orange and pink hues, suggesting a sunset or sunrise. In the foreground, there is a body of water with several large, snow-covered rocks or ice floes. A small, dark structure, possibly a cabin or part of a ship, is visible at the base of the mountain.

*"Here, our mountains are made of
trolls and the Northern Lights are
our bridges to Valhalla."*

OUR UNIQUE LEGACY

Hurtigruten and our ships are woven into the history of our home for more than 130 years.

Once distant and divided

Before 1893, going from southern Norway to northern Norway or vice versa was a long and difficult journey. Vast mountain ranges stood in the way of roads and railways. And with no single continuous voyage to connect south to north, people had to switch between several smaller ships each time.

In an era of no radar revealing where they were in the dark or in a storm, sailing was unreliable and often dangerous. Just sending a letter from north to south took weeks. A parcel needed months.

A determined visionary

Where others shrank back at the ambition to finally connect the length of the coast, Captain Richard With stepped forward.

Equipped with nautical charts drawn up by experienced local sailor Anders Holte, Captain With carefully prepared a route, schedule, and crew that enabled him to safely sail the coast not just by day, but also in the darkness of night.

Our story together

Changing the coast forever

Captain With's 'Hurtigruten' had its pioneering maiden voyage on 2 July 1893, welcomed at ports by locals who had gathered to cheer and wave in his ship. The day marked the start of a service that would transform life on the Norwegian coast from that moment on.

The fast, safe sailings meant friends, family, lovers, entrepreneurs were no longer cut off, but could now easily move from southern Norway to northern Norway and vice versa.

Goods such as fresh seafood could now be transported south and exported to the world. Likewise, imports and exotic ingredients, like refrigerators and bananas could be brought back to the north, improving the quality of life even high in the Arctic.

Be part of the legacy

Sailing on our ships, you are part of Captain Richard With's vision for the Norwegian coast all those years ago.

This is the history of the communities of the coast. The history of its people and of Norway. We warmly invite you to come and be part of it too.

SEASONS OF INSPIRATION

Each season in Norway brings its own special sensations and surprises. Which season will you sail?

SPRING | March – May

Sailing the Norwegian coast in spring is like travelling through all four seasons. In the warmer south, admire blossom and birdsong. To the north, you'll enjoy the best of both sunshine and snow. Norwegians even have a specific word for the excitement this season makes us feel: *vårfølelse*, 'springfulness'.

Our long summer days are full of outdoor food fairs, flea markets, and festivals. Above the Arctic Circle, enjoy 24 hours of daylight with the Midnight Sun. You'll have more time to embrace the Norwegian concept of *friluftsliv*: exploring nature's turquoise fjords, soaring mountains, and roaring waterfalls that swell with meltwater.

AUTUMN | September – October

The summer crowds are gone by the time our forests turn gold, crimson, and copper. The crisp air is ideal for hikes, and we like to pick wild raspberries and cloudberries along the way. It is harvest time too, with many in-season ingredients delivered to our ships as we sail. At night, the aurora reappear among the stars again.

OF OUR FAMOUS

NORTHERN LIGHTS PROMISE

If the Northern Lights don't occur within sight of your ship on a voyage with us of 11 days or more departing between 20 September and 31 March, we'll give you a **free** 6 or 7-day voyage*.

NORTHERN LIGHTS
PROMISE

Terms and conditions apply. Please see page 92 or visit our website for more details.

"It's like real magic happening in front of your eyes. You also get the best of both worlds on the ship. Go out on deck in the Arctic, then go inside and have a cup of coffee straight away."

— Astronomer and our Chief Aurora Chaser, Tom Keress

The time to see is now

Solar physicist Dr Pål Brekke at the Norwegian Space Agency tell us that the Solar Maximum from 2024 through to 2026 is resulting in 'the most frequent and impressive Northern Lights displays'. The next Solar Maximum isn't for another 11 years. Will you wait that long?

In pole position

Unlike Iceland, northern Norway lies above the Arctic Circle. It is directly under the Auroral Zone, where the lights can appear multiple times in one night.

Your mobile, floating observatory

The crew of our ships are always on the lookout for the lights, meaning you don't have to. This is aurora hunting made as convenient and as comfortable as possible.

Stronger, brighter lights at sea

Being at sea away from the air and light pollution on land means the visibility and vibrancy of the lights are much better. We'll even switch off the lights on the observation deck for you.

Read more about the Solar Maximum and seeing the Northern Lights from our ships.

"I'm from Trondheim in Norway and have worked aboard Hurtigruten since 2017. I can't imagine any other job! I have family in northern Norway and like to tell stories about them in my lectures."

— Nature & Culture Guide, Hege Børresen

WELCOME TO OUR HOME

The Coastal Experience Team will be right by your side as part of your voyage, sharing insights into the nature, culture, and history that make up the legend of Norway.

Enriching your experience

Enjoy fascinating nuggets of knowledge and stories from the team about Norway in lectures and presentations on board, on deck, and ashore.

Topics range from tips and tricks to photograph the Northern Lights through to old sea shanties and the importance of *friluftsliv* as a quintessential concept in Norwegian culture.

Local perspectives

Many of our Coastal Experience Team members are local Norwegians, born and raised on the coast or elsewhere in Norway. They are eager to share stories of their childhood and family with you.

Other team members may have lived in Norway for several years, perhaps coming from the same country as you. See the coast through their eyes and learn what drew them to now call Norway home.

Quality time with family

Sailing the coast with us is to enter a world of fewer distractions and fewer devices. There's just the natural beauty of Norway unfolding before your eyes. And those of your children or grandchildren.

You'll marvel at the fjords together, watch the Northern Lights in awe, share in the thrill of dogsledding, and follow the Coastal Experience Team on enjoyable hikes to secret mountaintop viewpoints.

CULINARY AMBASSADORS

If the ingredients are 'short-travelled', so is the talent. We've partnered with three top-level professionals who live and work on the Norwegian coast: Head Chef **Astrid Næsslander**, Head Chef **Halvar Ellingsen**, and Master Mixologist **Halvor Digernes**.

These Culinary Ambassadors collaborate with our chefs and bartenders to create delicious, sustainable, and locally inspired dishes and drinks that showcase the best of Norway's exciting culinary scene.

NORWAY'S COASTAL KITCHEN

Our ships are floating kitchens, sourcing ingredients where we sail on the bountiful Norwegian coast. The fjords are our fish tanks, the mountains our herb garden.

Fresh, authentic flavours

Over 80% of the in-season food and 60% of the drinks we offer in our menus on board come from 80 local suppliers from all over Norway, delivered direct and fresh-as-can-be to our ships at the ports we sail to.

Showcasing Nordic cuisine on our ships for the past 130 years, no one else has a network of local Norwegian food and drink suppliers like we do, to give you a true taste of Norway.

Food that does good

Choosing homegrown producers means 'short-travelled' food and drink that need a lot less energy on transportation and refrigeration.

We're also able to support a local, circular economy. In fact, 99% of the local drinks suppliers we work with are family-owned businesses.

Towards zero food waste

We have several initiatives to reduce, reuse, and recycle food waste.

One of new projects involves placing food waste from our fleet into a specially designed composter in the port of

Stamsund in the Lofoten islands. Millions of microbes in the composter break down the food waste to create fertiliser.

Nearby, Myklevik farm uses this fertiliser to grow new food for Norway and for our ships. By having our food go from farm to fleet and back to farm, we're able to keep food waste as low as possible.

CARING FOR THE COAST

We love our home and do all we can to sustain the people, livelihoods, and nature of the Norwegian coast.

Caring for people

For many in the north, their first trip in life was with their parents on a Hurtigruten ship going home from hospital as a new-born baby.

Over the decades, we've also carried much-needed cargo home, including cattle, fresh fruit, and medicine. All to build lives and support families.

See our transparent
ESG report

Caring for livelihoods

Each of our ships provides jobs for a team of mechanics, receptionists, waiters and more. We also make sure to partner with local businesses, whether food and drink suppliers or excursion operators.

As a household name, we are one of Norway's largest maritime apprenticeship organisations, training the nation's next generation of sailors, ship chefs, and engineers.

Caring for nature

We recently invested €120 million into green upgrades, including converting some of our ships to be hybrid-electric. By 2030, we aim to complete Sea Zero: our first zero-emission electric ship.

In 2023, we went into a partnership with Lyngen Seaweed to grow and harvest seaweed, which is a 'blue' superfood and a great source of natural CO₂ capture.

SAILING INTO A GREENER FUTURE

SEA ZERO™

We're working towards building the world's most energy-efficient ship of its kind, with a target launch year of 2030.

By making use of the following innovations we anticipate being able to sail completely emissions-free under normal operations, with total energy consumption reduced by up to a half. We're calling our exciting project Sea Zero. There's plenty of exciting research and development work happening so we can expect aspects to evolve, but here are some of the ideas that might be part of our ship for the future:

1. Wind and solar sails

Tiltable, aerodynamic sails with solar panels will help to propel the ship. In the long days of the Norwegian summer, extra photovoltaic energy from the panels will boost power production.

2. Propulsion

The counter-rotating main propellers in the centre and potentially retractable thrusters will save a lot of energy and provide good manoeuvrability when docking.

3. Battery banks

Renewable energy will be stored in the ship's large batteries, currently planned with a capacity of 60 MWh. They will be charged with shore power from the Norwegian energy grid.

4. Smart cabins

Heating and cooling throughout the ship will be taken care of by intelligent heat exchange pumps. Guests can monitor and control energy use in their cabin through an app.

5. AI-guided bridge

The onboard AI will use dozens of exterior sensors and cameras to aid in manoeuvring. The bridge can be slimmed down to the size of a cockpit to give guests more living and viewing areas.

6. Underwater air lubrication

To further reduce the energy required, a thin layer of bubbles will be projected along the hull of the vessel. This air lubrication reduces the frictional resistance between the ship and the surrounding water, allowing the ship to 'surf' on a bed of air bubbles.

ELECTRIC & HYBRID MARINE AWARDS

HANDS-ON HELP, HERE AND NOW

When you sail with Hurtigruten, you're helping to improve conditions for local people and nature all along the coast.

In 2015 we set up Hurtigruten Foundation with the aim of making a positive impact on the places we sail. Since then, we've supported 99 projects along the coasts of mainland Norway and Svalbard, and every year we select new ones from scores of applicants. By 2024, we had donated 15 million NOK to projects as diverse as cleaning up remote beaches to training search and rescue dogs in Svalbard.

The projects we back align with our stated mission to help coastal communities, combat marine litter and preserve imperilled ecosystems. Once we lend support to an initiative, we don't simply donate and move on, we remain actively engaged with them as we build a relationship. One of the great things about Hurtigruten Foundation is the engagement of our guests. They help us raise funds by participating

in our Green Stay programme, as well as through onboard auctions and via direct donations.

In Norway and Svalbard, between January 2016 and May 2024, Hurtigruten Foundation has, to date:

- supported 99 projects
- donated over €400K

© PETER LEOPOLD, © NORDRE SEILAND BYGDELAG

SOME OF THE PROJECTS WE SUPPORT

We wish we could show you all 99 projects Hurtigruten Foundation have backed in just the last few years, but here's a few of our favourites.

1. Rescue dogs in Svalbard

The Svalbard archipelago is an immense wilderness of snowy mountains and icy tundra. It's no surprise that people sometimes become lost or fall victim to avalanches and other pitfalls. That's why the volunteer search and rescue organisation Norske Redningshunder (Norwegian Rescue Dogs) performs such a vital service for both locals and visitors. We've been supporting them since 2019, with our most recent grant financing a certification course that will enable them to perform hazardous search and rescue missions for the next two years.

2. Clearing up marine litter in Sørøysund

Everyone has heard about the serious and ongoing problem of plastic and other waste entering marine ecosystems. In Sørøysund, northern Norway, the Nordre Seiland rural organisation has been removing litter from shorelines in the area for five years. After the storms of winter, up to 12 tonnes of fresh waste can wash up, which is one reason Hurtigruten Foundation is proud to be donating funds to ensure its continued removal, protecting marine life for generations to come.

3. Helping to rewild our seas

The seabeds around Norway are under attack from invasive sea urchins, decimating the once-vast kelp forests that so much sea life depends upon.

Want to nominate a deserving project?

We're always on the lookout for fresh initiatives that support people and nature in the places we sail to. If you know of one, you can apply for a grant. See our website for more details.

However, 'marine superheroes' Tarevoktere – Guardians of Kelp – are helping reverse this trend with little more than some scuba gear and tools. To date they have restored thousands of square metres of seabed, allowing biodiversity to return. Hurtigruten Foundation has provided Tarevoktere with several grants since 2022, and we're very happy to see such tangible results.

A JOURNEY OF FLAVOURS

Norway's coast is beautiful, raw, and bountiful. As we sail, we pick from its pantry. Its mountains are our herb garden. The fjords, our vegetable patch.

Target

Meaning 'marketplace' in Norwegian, our main restaurant offers a variety for all three daily meals, which are buffets and set menus. Expect a selection of meat, fish, vegetarian, and vegan dishes to enjoy.

Kysten

Dine in style at 'The Coast', our à la carte option. You'll savour exquisite dishes crafted by our most skilled chefs, using the finest ingredients the Norwegian coast has to offer. We recommend the fresh and succulent king crab.

Brygga

The name of this bistro is the Norwegian word for 'wharf'. It serves traditional Nordic dishes, as well as salads, pizzas, and other crowd-pleasers, like

our signature fresh shrimp sandwich served with eggs and dill mayonnaise.

Multe

This onboard bakery serves cakes, waffles, pastries, and open sandwiches called *smørbrød*, along with smoothies, coffees, and a range of ice creams from Lofoten. The name of the bakery means 'cloudberry' in Norwegian.

Explorer Bar

The lounge's bar has hot drinks, fruit juices, various beers, wine, and a collection of Norwegian aquavit that would make any spirit lover jealous. Enjoy with a selection of snacks, including a Norwegian classic: dried fish.

Arctic Superior

Enjoy an outside window with these bigger cabins which are usually situated on the upper or middle decks. Most have views of the passing scenery.

Polar Outside

Found on most decks, this category of cabin comes with a window or small porthole. Some cabins look out onto the mid-level walking deck.

Some Polar Outside cabins are accessible to guests who require adapted bathrooms and other mobility aids. Please note that standard cabins have raised door sills and may not be suitable for larger mobility aids.

IN A CLASS OF ITS OWN

Signature voyages are our elevated front-row experiences to Norway's highlights, with premium all-inclusive food and beverages and enhanced onboard guiding.

Showing off our favourite places

We've handpicked the destinations on our Signature voyages because we know they'll give you the most enchanting, most breathtaking, and most once-in-a-lifetime discovery of Norway, all on a silver platter.

Take it slow, one port per day

We visit one or two ports each day for several hours at a time. This will give you plenty of time to walk around, join exciting tailored excursions curated by us, and get to know each place like a local.

All-inclusive delicious Nordic cuisine

Our chefs have, as we say in Norwegian, *satt alle kluter til* – 'set the sails to the full' – when

it comes to the exceptional, award-winning food on our Signature voyages.

Twice the experts at your side

We have doubled the number of people on the Coastal Experience Team for our Signature voyages. Benefit even more from hands-on guiding and insights into Norway's nature, culture, and history.

THE ART OF EXQUISITE CUISINE

We take our Norway's Coastal Kitchen all-inclusive food and drink concept to new heights on our Signature voyages.

Flora

The main restaurant, Flora, is inspired by Norway's herbs, berries, mushrooms, flowers, fruit, and vegetables. Enjoy an ever-changing menu of bountiful breakfast and lunch buffets and fixed seating à la carte dinners.

Brasserie Árran

Árran is the northern Sámi word for the fire at the heart of their traditional lavvo tent. This is the place for dishes like reindeer souvas with lingonberry aioli, pickled herring on rye bread with cured egg yolk, and desserts like applewood-smoked cheesecake with sea buckthorn.

Røst

Winner of an international award for 'Best Fine Dining' on a small ship, this restaurant, named after an important fishing area in Lofoten, has exceptional three-to-five course menus that are nothing short of fabulous. All meals and drinks in Røst are included for guests in Suites.

1893 bar

Four different Norwegian beers are on tap, with one of them – an organic IPA named 'Iconic' – made especially for us by Mack Brewery. Or will it be an Arctic Martini, Norgroni, or another of our handmade signature cocktails with a Nordic twist? We say: try all of them. *Skål!*

SAIL IN STYLE

The ship of your Signature voyage is a Scandi-chic haven for you to return to after a day's activities in port.

Classic and contemporary

The décor of the 200 or so cabins and the communal areas evoke a sense of nostalgia, calling back to the golden era of small-ship sailing.

Enjoy floor-to-ceiling views from the onboard restaurants, the lounge, and even from the sauna and fitness room.

For fresh sea air and clear views of the fjords, mountains, islands, sunset, or the aurora above, the outdoor observation deck is the place to go.

EXPEDITION SUITES

Our spacious suites are all located on the upper decks and offer you the finest sailing experience with views to match. Expect elegant en-suite bathrooms, no charge for items in the mini bar which is refilled each day, and soft, king-size beds with fine linen.

Suite guests can also take all their meals at fine-dining restaurant Røst, with a wide range of deluxe drinks included.

Owner's Suite

These top-tier suites consist of a lounge area, bedroom, and an en-suite with a bathtub. The added wow-factor is a private balcony from where you can watch the Norwegian coast go by in all its beauty.

Grand Suite

The second largest suite on the ship has a dedicated seating area plus a bedroom with an en-suite. Most have bay windows, some have a bathtub, and a few have private balconies.

Signature VOYAGES

Suite

These elegant suites come with a seating area as standard, in addition to the bedroom and an en-suite. Most feature a private balcony where you can enjoy the fresh sea air.

Mini Suite

Smaller but by no means less stylish, these suites still sport a luxuriously large king-size bed to sleep and snuggle in. Most have chairs or a sofa to relax on as well.

CABINS

Varying in size, cabins can be found on every deck with en-suite bathrooms. Guests staying in cabins have full-board dining for all three daily meals, including a selection of drinks, at the main restaurant Flora, Brasserie Árran, and 1893 bar.

Arctic Superior

Pure comfort is the hallmark of these cabins. Situated on almost every deck, they all have en-suites with a shower and enjoy views of the coast.

Polar Outside

Our Polar Outside cabins are mostly on the lower decks. All have en-suites with a shower. Most feature a window or small porthole for exterior views.

Some Polar Outside cabins are accessible to guests who require adapted bathrooms and other mobility aids.*

Polar Inside

These are similar in size to Polar Outside cabins, just without the window. Cabins may have twin single beds, one of which converts into a sofa.

View MS Trollfjord deck plan

*Please note that standard cabins have raised door sills and may not be suitable for larger mobility aids.

We always do our best to keep to our sailing schedule, but sometimes the weather and sea on the Norwegian coast has other plans. When the wind is too wild or the fog is too thick, we change the itinerary and adjust our services with safety in mind. This is part of the experience.

Day 5

Explore Santa Claus Village before we continue our journey north to the Midnight Sun Village in Saariselkä, where for the next two nights you'll be staying in your very own Midnight Sun cabin.

Day 6

Today you'll get to meet friendly Siberian huskies as they accompany you on a hike through the wilderness. Learn about arctic wildlife, pick fresh berries and take a drink straight from a mountain stream along the way. Enjoy dinner at the hotel followed by a Midnight Sun Photography Expedition.

Day 7

Today we'll board a private coach to continue our journey through Finnish Lapland. Our first stop is the small township of Inari where we'll explore the newly renovated SIIDA museum. Continuing north, we'll cross the border into Norway and arrive at Kirkenes.

Day 8

Today we visit the Snowhotel Kirkenes 365. This is the first hotel completely made of snow and ice. Enter a real-life winter wonderland, even in the middle of summer. Visit the resident huskies and reindeer before we board our ship headed south. The tour manager leaves the group after embarkation.

Follow the Midnight Sun

Day 9

On your Hurtigruten voyage south, we stop at 34 ports along the coast. Today we make early morning stops at Honningsvåg and Havøysund, before continuing to Hammerfest and then eventually Tromsø where we arrive just before midnight. Take a stroll around the city under the Midnight Sun - you might be surprised at how busy it is.

Day 10

Today, you'll be exploring the archipelagos of Lofoten and Vesterålen, real highlights of our Norway scenic route, before we continue to Stokmarknes. This is where The Hurtigruten Coastal Express began almost 130 years ago.

Day 11

Crossing the Arctic Circle is an important 'rite of passage', we'll celebrate the occasion with a taste of Arctic tradition - a spoonful of cod liver oil. Leaving the Polar region means saying goodbye to the Midnight Sun, but you'll still see incredibly long days throughout the rest of the summer voyage.

Day 12

This morning, you'll have the opportunity to explore the historic royal city of Trondheim for a few hours. Be sure to visit the majestic Nidaros Cathedral, built over the burial site of King Olav II who reigned from 1015 to 1028.

Day 13

On our last day onboard we'll dock at Florø, Norway's westernmost community, in the morning. As we leave the port, get ready to snap some shots of Stabben Lighthouse. After disembarking, we'll board a private bus for a city sightseeing tour of Bergen, including the UNESCO World Heritage-listed

Bryggen, St Mary's Church, Håkon's Hall and the home of Norway's most famous composer, Edvard Grieg.

Day 14

You have the day at leisure to explore the city, then join the group for tonight's farewell dinner at a local restaurant.

Day 15

Our journey ends after breakfast.

TERMS AND CONDITIONS

1. YOUR CONTRACT

These Booking Terms and Conditions together with our privacy policy, the information contained in your brochure and any other written information that we brought to your attention before we confirmed your booking, form the basis of your contract with Hurtigruten Ltd whose registered office is at Bedford House, 69-79 Fulham High Street, London, SW6 3JW (Company No: 02865967), a company wholly owned by Hurtigruten AS.

When you book an air package holiday or sailing with us the contract between us will exist as soon as you or your travel agent asks us to confirm your booking. We then become responsible to provide you with the voyage arrangements or air package holiday you have booked and you become responsible to pay for them, in each case subject to these terms and conditions. You will also become responsible to pay for any additional arrangements made by us on your behalf including International Flights not included in any air package, optional excursions, travel insurance or other arrangements requested by you and booked.

When you make a booking you guarantee you have the authority to accept and do accept on behalf of your party the terms of these booking conditions and accept responsibility for making all payments to us for all members of the party. We are unable to accept provisional or conditional bookings. We will send all documents and other information to you and you will be responsible for ensuring that all other members of the party are kept fully informed.

A confirmation invoice which you should check as soon as you receive it will be sent on receipt of your deposit. If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge and additional costs (see clauses 5 and 67 below) which may be as much as the whole of the original price of your arrangements. Only one invoice and one set of documents will be issued. No verbal amendments may be made by either party to these written booking conditions; any change must be in writing signed by the Chief Executive of Hurtigruten AS.

If you book your holiday through a travel agent all communication must be through that agent. Please quote your booking reference number in all communications.

You are responsible for complying with any visa or other entry requirements for you or any of your party who are not full European Union Passport Holders.

2. PAYMENT

Once you have asked us to confirm your booking the total price of the arrangements you have booked is due and is payable as follows:

- (i) If you book more than 90 days before your scheduled departure date a non-refundable deposit of 25%. The balance is due 90 days before your scheduled departure date. No second invoice will be sent. Travel documents will be issued 7 to 14 days prior to departure.
- (ii) If you book less than 90 days before your scheduled departure date the full price is payable when you book.

Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by cash, bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above – you should allow 5 working days for clearance from the time we receive it).

Online Bookings

Bookings made online that cost less than A\$ 1,482 or made within 90 days of departure require full payment at the time of booking and no refund is made if cancelled.

Your booking may be cancelled if we do not

receive payment by the due date (we will not normally send reminders) and cancellation charges as set out under 'If You Cancel' (see below) will be payable by you.

3. FITNESS TO TRAVEL ON THE SHIP, PREGNANCY, DISABILITY OR REDUCED MOBILITY, MEDICAL/MOBILITY EQUIPMENT

In order to ensure that the Carrier is able to carry passengers safely and in accordance with applicable safety requirements established by international, EU or national law or in order to meet safety requirements established by competent authorities including the ship's flag state every Passenger warrants that he/she is fit to travel by sea and that his/her conduct or condition will not impair the safety of the ship or inconvenience the other passengers. We reserve the right to require any Passenger to produce medical evidence of fitness to travel in order to assess whether that Passenger can be carried safely in accordance with applicable international, EU or national law. If we consider it necessary, we are entitled to administer a health questionnaire prior to boarding.

If it appears to us, the Master or the Company's nominated medical representative that a Passenger is for any reason unfit to travel, likely to endanger safety, or likely to be refused permission to land at any port, or likely to render the Carrier liable for Passenger maintenance, support or repatriation, then the Carrier or the Master shall have the right to take any of the following courses:

- (i) Refuse to embark the Passenger at any port;
- (ii) Disembark the Passenger at any port;
- (iii) Transfer the Passenger to another berth or cabin;
- (iv) If the Company's nominated medical representative considers it advisable, to place or confine him/her or to transfer the Passenger to a health facility at any port, at the Passenger's expense;
- (v) to administer first aid and administer any drug, medicine or other substance or to admit and/or confine the Passenger to a hospital or other similar institution at any port provided that the ship's nominated medical representative and/or Master considers that any such steps are necessary.

Where a Passenger is refused embarkation as a result of safety and/or fitness to travel, neither we nor the carrier shall be liable for any loss or expense occasioned to the passenger thereby, nor shall the passenger be entitled to any compensation from the Carrier.

Passengers who need assistance and/or have special requests or need special facilities or equipment with regard to accommodation, seating or services required or need to bring medical equipment must notify us at the time of booking. If there are any particular conditions, disabled or reduced mobility which require personal care or supervision then such personal care or supervision must be organised by the passenger and at the passenger's expense. Those passengers confined to wheelchairs must furnish their own standard size foldable wheelchairs but needn't be accompanied by a travelling companion. Unless we and or the Carrier agree otherwise and in writing Passengers are limited to bringing

2 items of such mobility or medical equipment on board per cabin with a total value not exceeding A\$4,075. All equipment must be capable of being carried safely and must be declared before the sailing. The Carrier may decline to carry such equipment where it is not safe to do so or where it has not been notified in time to enable a risk assessment to be carried out.

Pregnant women are highly recommended to seek medical advice prior to travel at any stage

of their pregnancy. Women who are up to 23 weeks pregnant at the end of the cruise are required to produce a medical certificate of fitness to travel. The Carrier cannot for safety reasons carry pregnant passengers of 24 weeks or more by the end of the cruise.

4. A - PRICES

All Voyage prices shown in this brochure are in Australian Dollars and are per person per cabin twin share unless otherwise stated. Prices are valid as at March 2023.

Single/Sole occupancy of cabins with more than one berth is at our discretion as single/sole use of multiple berth cabins will be limited. The price of your voyage or air package holiday arrangements was calculated using exchange rates quoted in the Financial Times Guide to World Currencies on 19.01.2018, Norwegian Kroner (NOK) 10.86; Euros 1.13. We reserve the right to change any of the prices quoted in this brochure although there will be no change within 30 days of your departure date. You will be advised of the current price of the voyage or air package holiday you wish to book before your contract is confirmed.

The price of your confirmed holidays is subject at all times to variations in:

- (i) the price of transportation resulting from the cost of fuel or other power sources;
- (ii) the level of taxes or fees applicable to the holiday imposed by third parties not directly involved in the performance of your holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; or
- (iii) the exchange rates relevant to your package.

You will be charged for the amount of any increase in accordance with this clause and, where this is necessary, we will notify you of the relevant adjustments by issuing a new invoice. However, if this means that you have to pay an increase of more than 8% of the total price of your confirmed holiday (excluding any amendment charges and/or additional services or travel arrangements), you will have the option of accepting the price increase and paying the requested amount, accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any amendment charges and/or additional services or travel arrangements not forming part of your package. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date on your new invoice.

Should the price of your voyage or air package holiday go down due to changes above then any refund due will be paid to you, less an administration fee of A\$111. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual or other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

4. B - VOYAGE AND AIR PACKAGE HOLIDAY

Prices Do Not Include:

- Travel Insurance • Luggage Handling • International Flights except where included in the Air Package Holiday Price • Optional Excursions • Gratuities

Optional Excursions booked before you travel or local excursions or other activities that you may choose to book and pay for whilst on holiday are not part of your voyage or air package holiday arrangements provided by us nor are we agents

for the provider of the service. For any excursion or other activity you book before departure or with which you are assisted in arranging whilst on holiday, your contract will solely be with the supplier of the excursion or activity and not with Hurtigruten. We are not responsible for the provision of your excursion or activity or for anything that happens during the course of its provision by the supplier.

5. IF YOU CHANGE OR TRANSFER YOUR BOOKING

If you wish to change your travel arrangements after they have been confirmed we will do our utmost to help but it may not always be possible. Any request for changes to be made must be in writing by the person who made the booking or your travel agent. You will be asked to pay an administration charge of A\$111 per person and any further cost we incur in making this alteration. NB: most airlines will charge a fee for ticket changes. Costs may increase the closer to the departure date that changes are made. For example, the transfer within 60 days of departure of arrangements involving a scheduled flight will mean the cancellation and re-booking of this flight and a significant additional charge.

If you change the number of people in your party, the price of the arrangements will be recalculated for the new party size e.g. this may mean that accommodation is under-occupied and each member of the party may have to pay an increased price.

Any increase in price caused by changes you have requested is not a cancellation charge even though it may arise because a member of your party has cancelled. Any change by you to your confirmed arrangements after departure is in all cases subject to availability and any relevant costs.

Transfer of Booking: If any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

that person is introduced by you and satisfies all the conditions applicable to the Arrangements;

we are notified not less than 7 days before departure;

you pay any outstanding balance payment, an administration fee of A\$185 per person as well as any additional fees, charges or other costs arising from the transfer; and

the transferee agrees to these booking conditions and all other requirements applicable to the holiday booking.

You and the transferee remain jointly and severally liable for payment of all sums.

If you are unable to find a replacement, cancellation charges as set out will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

6. IF YOU CANCEL

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. We recommend 'Recorded Delivery'. Cancellation takes effect the day we receive your letter or email. Since we incur costs in relation to your arrangements from the time we confirm your booking you will have to pay the applicable cancellation charges as shown in the table below (which also applies if we cancel because you have failed to make payments on time - see 'Payment' section) together with the cost of any air fare for which we have had to pay at the time of the booking and will be payable immediately on cancellation.

NORWEGIAN COASTAL VOYAGES:

When the cancellation letter is received by us before departure	Charges as a % of the total holiday cost (excl. insurance premiums)
90 or more days	25%
60-89 days	40%
28-59 days	70%
14-27 days	90%
Less than 14 days	100%

If you have to cancel for a reason covered by your travel insurance you may be able to reclaim the cancellation charges, less applicable excess. Insurance premiums are not refundable.

7. IF YOU CANCEL DUE TO FORCE MAJEURE

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of unavoidable and extraordinary circumstances occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or which significantly affects transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any compensation. Please see clause 9 for more information on Force Majeure.

8. IF WE CHANGE OR CANCEL YOUR BOOKING

We reserve the right to change any of the details, and correct any errors in this brochure or invoices at any time. If changes are made before you have made your booking we will advise you before we confirm your arrangements.

We reserve the right in any circumstances to cancel your travel arrangements (for example if a minimum number of participants for a particular travel arrangements not reached, we may have to cancel it) and to change airline, aircraft types, vessels and itineraries without liability for any subsequent loss. Even after we have confirmed your booking we may have to cancel or make alterations to your booking but we will not cancel your travel arrangements less than 60 days before your departure except for reasons of force majeure or failure by you to pay the final balance in full.

Most alterations will be minor and while we will do our best to notify you or your travel agent of any changes as soon as reasonably possible if there is time before your departure, we will have no other liability to you.

Occasionally we may have to make

a significant change ("Significant Change") to your confirmed arrangements.

(a) accept the Significant Change and the contract between us will then be varied to incorporate the change; or

(b) take alternative arrangements altogether (subject to availability). If the alternative arrangements selected are a lower price than those originally confirmed the difference will (if already paid) be refunded to you; or

(c) withdraw from the booking completely in which case we will, as soon as possible, refund all money paid to us.

You must inform us of your decision as soon as reasonably possible and not later than 7 days of being informed of the alteration. If you choose (a) or (b) above, you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, as per the amount shown in Scale A below. If you choose (c) we will pay you compensation shown in Scale B below. In all cases we will have no liability for any other or greater compensation or for expenses or losses incurred.

Period before departure date notification given by us	Credit/Compensation per fare paying passenger (excluding infants)*	
	Scale A	Scale B
0-7 days	A\$93	A\$46
8-14 days	A\$74	A\$37
15-28 days	A\$56	A\$28
29-42 days	A\$37	A\$19
43-59 days	A\$19	A\$9

*The compensation shown above applies to full fare paying adults only. Children or others travelling at concessionary rates will receive compensation pro rata based on the concessionary price against the full adult price as shown on the confirmation.

IMPORTANT NOTE: We will not pay you compensation in the following circumstances:

where we make a change that is not a Significant Change;

where we make a Significant Change or cancel your arrangements more than 60 days before departure;

where we have to cancel your arrangements as a result of your failure to make full payment on time;

where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;

where we are forced to cancel or change your arrangements due to Force Majeure (see clause 9).

Please note: where arrangements with a higher price than the original arrangements are offered by us and accepted by you, the difference in price will be deducted from any compensation payable. In no case will we pay compensation if the arrangements offered by us and accepted by you are of a higher price than those originally booked by you and in the same location where no additional payment is made by you.

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will make alternative arrangements for you at no extra charge and, if appropriate in all the circumstances, will pay you reasonable compensation.

A flight or ship delay does not constitute a change to holiday arrangements.

9. FORCE MAJEURE

Except where otherwise expressly stated in these Booking Conditions we are unable to accept liability or pay compensation where the performance or prompt performance of our contractual obligation is prevented or affected by reason of circumstances amounting to 'force majeure' i.e. any event which we or the supplier(s) of the service(s) could not, even with due care foresee or avoid. Such events may include, but are not limited to, war, threat of war or civil commotions, riots, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather, fire, flood, drought, government action, airport and port regulations and closures, technical transportation problems, maintenance to vessels, scheduling of transport and similar events outside our control.

A flight or ship delay does not constitute a change to holiday arrangements.

10. COMPLAINT PROCEDURE

If there is a problem during your holiday, you must report it on board immediately or to the relevant airline, ground handler, hotelier or other supplier, so that prompt efforts can be made to resolve the problem. In the unlikely event that a problem cannot be resolved at the time and you wish to complain, you must send us full written details within 28 days of your return.

TERMS AND CONDITIONS

Failure to take either or both of these steps will prejudice our ability to resolve your problem and / or investigate it fully. In consequence, any right to compensation you may have will be extinguished or, at the very least, substantially reduced.

Where the port of embarkation for your sailing is in the EU then any complaints relating to EU Regulation 1177/2010 on Passenger Rights when travelling by Sea and Inland waterways must be made to us in writing no later than 2 months after return from travel or the date on which the service complained of was performed. We will provide a final reply within 2 months. You must supply full details to enable us to deal with your complaint.

Please note that we offer an Alternative Dispute Resolution service through our ABTA membership. Please see clause 11 for further details. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

11. OUR LIABILITY TO YOU

(i) We will accept responsibility for those arrangements we agree to provide or arrange for you as an 'organiser' under the Package Travel, Package Holidays and Package Tours Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations) as set out below. Subject to these booking conditions, if we or our suppliers perform or arrange your contracted holiday arrangements negligently, taking into consideration all relevant factors, we will pay you reasonable compensation. The level of such compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(iii) Where death and or personal injury and or loss of or damage to property occurs during carriage by air or by sea then liability and the extent of damages recoverable will be dealt with by International Conventions as set out in paragraphs (v) and (vi) and not otherwise.

(iv) As set out in these booking conditions we limit the maximum amount we may have to pay you for any claims you may make against us which do not involve personal injury, illness or death. Except where loss of and/or damage to luggage or personal possessions is concerned if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 12 (vi) below.

(v) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier or hotel keeper concerned would have to pay under the international convention or regulation which applies to the travel arrangements or hotel stay in question. (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by

an EU country, the EC Regulation on

Air Carrier Liability No 889/2002 for national and international travel by air, the Athens convention for international travel by sea).

Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request. We do not have any liability to you by virtue of the Regulation 261/2004 which applies solely to the operating carrier. Any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier; any sums you receive from the carrier will be deducted from any amount due from ourselves.

(vi) Travel by sea is governed by the provisions of the Convention Relating to the Carriage of Passengers and their Luggage by Sea 1974 as amended in 1976 ('The Athens Convention') and where applicable from 1 January 2013 EU Regulation 392/2009 relating to the Liability of carriers of passengers by sea in the event of accidents ('EU Regulation 392/2009'). For the purposes of the Athens Convention and EU Regulation 392/2009 we are the Contracting Carrier.

The Athens Convention and EU Regulation 392/2009 limit the Carriers' liability for death or personal injury or loss or damage to luggage and makes special provision for valuables. It is presumed that luggage has been delivered to you undamaged unless written notice is given by us and/or the performing Carrier.

a) in the case of apparent damage, before or at the time of disembarkation or redelivery; or

b) in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.

Damages for cabin luggage payable by the Carrier are limited up to the Athens Convention limit of 833 SDRs or 2250 SDRs if EU Regulation 392/2009 applies. Limits shall be reduced in proportion to any contributory negligence by the Client and by the maximum deductible specified in Article 8(4) of the Athens Convention or EU Regulation 392/2009.

In so far as we may be liable to a Client in respect of claims arising out of carriage by sea, we shall be entitled to all the rights, defences, immunities and limitations available, respectively, to the actual carrier and under the relevant Conventions and nothing in these Booking Conditions shall be deemed as a surrender thereof. To the extent that any provision in these Booking Conditions is made null and void by the Athens Convention or EU Regulation 392/2009 or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but not further.

Any liability in respect of death and personal injury and loss of and damage to luggage which we may incur to you shall always be subject to the limits of liability contained in the Athens Convention or EU Regulation 392/2009 for death/personal injury of 46,666 Special Drawing Rights (SDR) or 300,000 SDR under Athens Convention or 400,000 SDRs under EU Regulation 392/2009 except in the case of liability for war or terrorism 250,000 SDRs. We are not liable for valuables, monies or other securities including jewellery and watches. If

they have been deposited with the reception desk on the ship for safe keeping and a receipt issued then in those limited circumstances the Carriers liability will be as set out in the Athens Convention or EU Regulation 392/2009. The use of safes on board a Vessel is not a deposit with the ship or with the company under the Athens Convention or EU Regulation 392/2009 or otherwise. The limits are 1200 SDRs pursuant to Athens or 3,375 SDRs pursuant to EU Regulation 392/2009.

(vii) Where there is any loss of or damage to property including luggage which is not covered by any international convention and where liability is not limited by reference to any enactment, terms of conditions, then any legal liability that we may have for any such losses or damage will not exceed A\$926 per guest.

(viii) You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out in clause 10 above. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

(ix) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description: (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or (b) relate to any business.

(x) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

12. YOUR RESPONSIBILITIES AND INDEMNITY

When you book arrangements with us you accept responsibility for the proper conduct of yourself and your party. If your actions or omissions cause damage to any property in the provision of the contracted arrangements, or cause delay or diversion to any flight or other means of transportation, you agree to fully indemnify us against any claim (including professional fees and legal costs) made against us by or on behalf of the owner of such property or the operator of the flight or other means of transportation. The Captain of an aircraft or Master of a ship has authority over the aircraft/ship and passengers at all times when they are boarding or on board. There will be no liability on our part, or that of any supplier, for any refund, compensation, or costs thus incurred. Additionally, we will have the right to recover full costs resulting from the incident from the passenger.

At any port or place we may refuse to embark or may disembark any passenger who, in the opinion of the ship's authorized personnel, might be excluded from landing at further destinations by local authorities or who may be suffering from any contagious or infectious disease, or whose presence may be detrimental to the wellbeing of passengers or crew. In cases of quarantine of the ship, or individual passengers (passengers may be required to remain in their cabin or as instructed by authorised personnel on board if they or any other occupant of the accommodation presents any symptoms or may be considered to put other passengers at risk) we will not be liable for expenses thus caused and in such cases as above there will be no entitlement to any refund or compensation and we will have no liability for costs incurred as a result.

Your specific passport and visa and health requirements and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept responsibility if you cannot travel because you have not complied with the latest requirements. If you have made independent travel arrangements you accept responsibility for joining the ship in good time, regardless of any change to the sailing time or date, or to the itinerary. We are not able to refund monies paid to us, or any third party acting on our or your behalf, or make compensation or other payments where, for whatever reason, you fail to join the ship. Passengers going ashore are responsible for re-boarding the ship prior to departure from port.

We reserve the right to substitute another vessel for the scheduled vessel whether or not owned or operated by Hurtigruten. Any part of the travel arrangements and the voyage is subject to cancellation, delay, modification, or island/mainland visit cancellation for any reason, including medical disembarkation of crew or passengers or any other circumstances beyond our or our suppliers' control. You therefore acknowledge and agree that the scheduled itinerary for the voyage and the announced departure and arrival times are not guaranteed and we shall not be liable to passengers for any damages or other claims in the event of any delay, changes in itinerary or inability to perform services by reason of any event or events beyond our or our suppliers' control.

13. INSURANCE

It is a condition of the contract with us that every member of the booking has travel insurance in force for the entire duration of the booking, covering at least the cancellation of the booking and providing medical cover for illness or injury and repatriation while overseas. Please provide us with the name of your insurer, together with their 24-hour emergency number when you book or as soon as possible.

14. TIMINGS, DELAYS & OTHER TRAVEL INFORMATION

Timings are estimates only and cannot be guaranteed, even if shown on tickets. They may be changed due to regulatory authority requirements, weather conditions, maintenance or technical reasons, and the ability of passengers to check in and board on time. Sometimes delays cannot be avoided but in such situations, in conjunction with our local agents or representatives, we will try to ensure your comfort during the course of any delay.

Where the port of embarkation is in the EU and the company reasonably expects the departure of a cruise to be delayed for more than 90 minutes beyond its scheduled departure time, passengers departing from port terminal shall be offered free of charge snacks, meals or refreshments as are appropriate given the waiting time, provided they are available and can reasonably be supplied. If the delay in departure necessitates a stay of one or more nights or a stay additional to that intended by the passenger where and when physically possible the Company shall, subject to the Package Travel Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations, offer passengers departing from port terminals free of charge adequate accommodation on board or ashore, and transport to and from the port terminal and place of accommodation in addition to the snacks, meals and refreshments previously referred to. The maximum amount that the company will pay for accommodation ashore and transport to and from the port terminal shall be equivalent to 80 Euros per person per night for a maximum of three nights. The company will not have an obligation to provide such accommodation ashore where the delay is caused by weather conditions endangering the safe operation of the ship.

Please note the existence of a "Community list" (available for inspection at https://ec.europa.eu/transport/modes/air/safety/air-ban_en) detailing air carriers that are subject to an operating ban with the EU Community.

15. PROMPT ASSISTANCE

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to you or a third party unconnected with the provision of the arrangements, or as a result of failures due to unusual and extraordinary circumstances, and you suffer an injury or other material loss, we will offer you such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and with distance communications and finding alternative travel arrangements. Where you experience a delay which is not owing to any failure by us, our employees or sub-contractors, this prompt assistance is likely to extend to providing help in locating refreshments, accommodation and communications but not paying for them. Any airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements.

16. VALIDITY OF TERMS AND CONDITIONS

These terms and conditions are valid from January 2018 and the details and prices may be superseded. Changes may occur after the date of release, and some hotel/ship facilities may become unavailable. While this website features photography and descriptions of local wildlife, there is no guarantee of sightings.

17. LAW AND JURISDICTION

Your contract shall be governed by English law and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so.

18. DATA PROTECTION

This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we cannot provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.)
