MORDEN LAKE

WEDDINGS IN THE WOODS

Welcome to Morden Lake, a hidden woodland escape where forest, water and sky come together to frame your unforgettable wedding day. Limited to just eight exclusive dates annually, each celebration is given the space and attention it deserves.

Proudly presented by the team behind **Abbots Court** and **Almer Manor**

LAKESIDE CEREMONIES

Our lakeside ceremony area offers a truly magical setting, with space for up to 120 guests seated beside the water. The natural aisle guides you gently through your loved ones, leading to the water's edge for a breathtaking backdrop as you say your vows.

At the heart of the lake, our charming jetty and traditional rowing boat provide a picture-perfect moment after your ceremony – a setting made for unforgettable photographs.

Afterwards, enjoy your drinks reception by the water, whether with a rustic pop-up bar or our signature converted Defender Bar, bringing a unique touch to your celebration.

In case of wet weather, a bespoke Stretch tent can be installed at an additional cost.

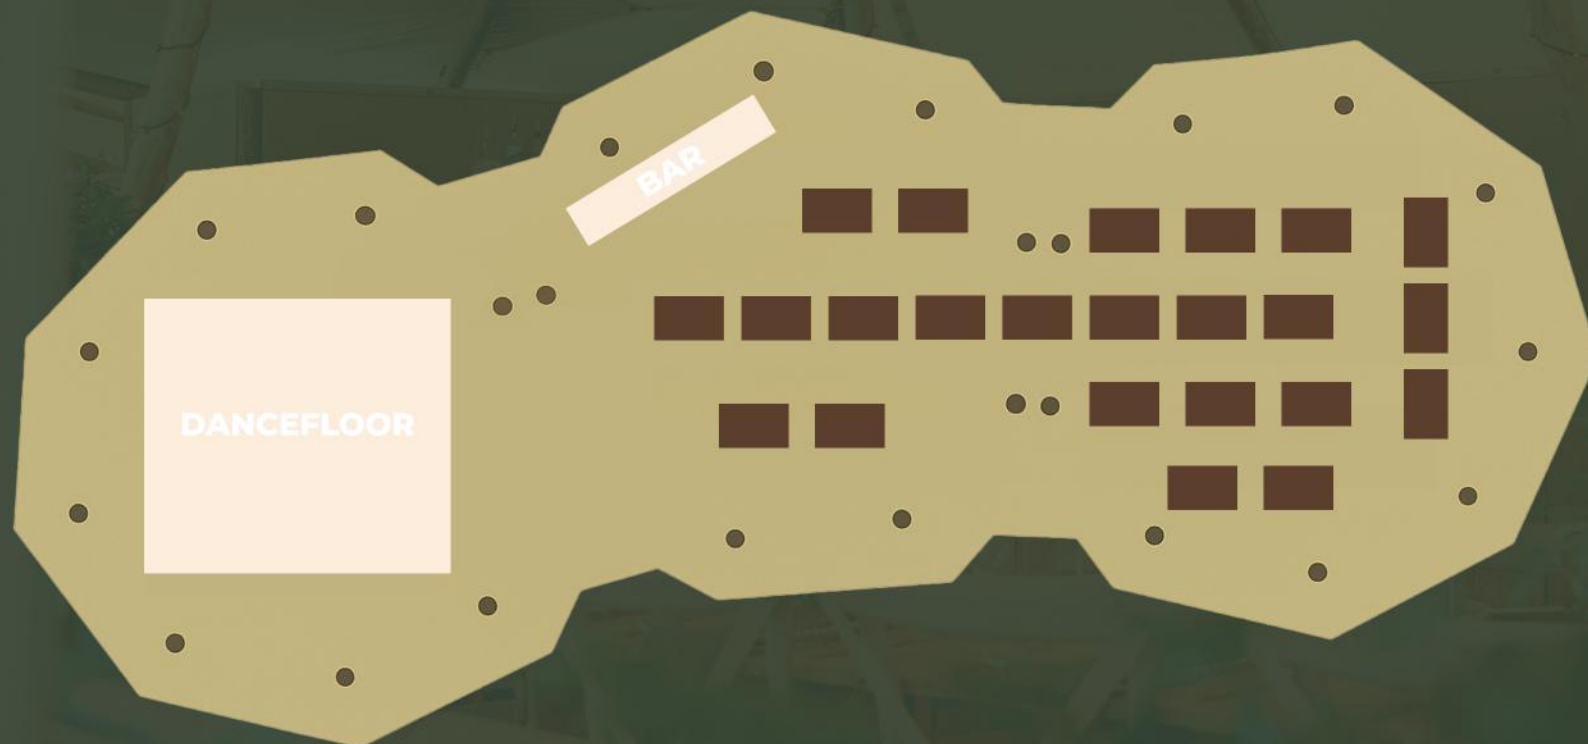

FOREST DINING

Celebrate your wedding breakfast in our treble tipi, nestled within the woodland and surrounded by the beauty of nature. With seating for up to **120 guests**, it's a magical forest setting where dining and celebration come together under the canvas.

Choose from our handpicked catering partners, offering everything from relaxed, flame-grilled BBQ feasts to elegant three-course plated meals.

The tipi features its own dancefloor and a fully staffed cocktail bar, so your celebration flows seamlessly from dinner to dancing. As twilight falls, the glow from the tipi opens onto views across the forest, creating a truly enchanting atmosphere.

FLOOR PLAN

ALMER MANOR
