

LIGHTHOUSE REPAIR & RESTORATION

SAFETY & CERTIFICATIONS

At R.J. Forbes, safety isn't a checkbox — it's the standard. We train for it, plan around it, and expect it on every job. It's embedded in our culture and woven into every step of our operations. Our team has every certification, pre-qualification, and compliance system to ensure our safety programs meet the highest standards.

SERVICE AREAS

There's no job too complex or too remote for us. Our team travels nationwide to tackle the hardest projects. We cover the spectrum from surface preparation & repair to complex painting & coating applications. We prioritize safety and meeting our customers' exact needs - on time & on budget.

MARINE INFRASTRUCTURE SURFACE PREP & COATING
