Athletics

Location: Gymnasium

Presenter: Tyler Arciaga

robert.arciaga@sweetwaterschools.org

Discussion regarding "seasons of sports", on-line clearance procedures, fundraising, transportation, CIF rules, Academic and Athletic eligibility.

Advancement Via Individual Determination (AVID)

Location: 304

Presenters: Jessica Vargas

jessica.vargas@sweetwaterschools.org

AVID, Advancement Via Individual Determination, is a college readiness system that provides support to targeted students in the academic middle who have the potential to succeed and gain entrance into a four-year university. AVID's mission is to close the achievement gap by preparing all students for college readiness and success in a global society.

Career Technical Education

Location: 506

Presenters: George Lafiguera, Alexis Ramirez, Hugo Martinez, Jose Leyva, Oscar Gracias

This session discusses our various Career Technical Education courses. These courses submerge students into career oriented learning and experiences. Our pathways include Sports Medicine, Automotive Technology, Computer science and Digital Multimedia.

Counseling Department

Location: Cafeteria

Presenters: Reynila Calderon-Magbuhat, Olga Castro, Lorena Mata, Brittney Pacini, Rosa Tovar, Lorena Serrano

This session will cover the high school graduation requirements (A-G), the recommended courses for the UC/CSU systems, plus a general summary of course offerings for freshmen year.

Electives/Extracurricular Programs

Location: 703

Presenter: Eric Helle

eric.helle@sweetwaterschools.org

BVHS offers many excellent opportunities for students to participate in academic extracurricular programs that facilitate and foster development in key academic habits of mind and competencies. These programs are open to all students interested in being a part of supportive communities dedicated to intellectual and academic rigor and discipline. These programs include Speech & Debate, Newspaper, Science Fair, Academic Decathlon/Quiz Bowl, Robotics, Theater, and Yearbook.

International Baccalaureate Program

Location: 407

Presenters: Jared Phelps

jared.phelps@sweetwaterschools.org

International Baccalaureate is an educational program that places whole student learning, international mindedness, and critical thinking at the center of the educational experience. IB courses are rigorous and are the best available preparation for the rigors of university learning. Come learn about what IB is and how to set your child's future schedule up for success in an IB course.

Special Education

Location: Parent Center 1211/Multipurpose Room 1212

Presenters: Alvaro Chavez and Manuel Paul

Special Services provides support to families of students served by the SUHSD Special Services Department. This support includes links to resources, upcoming events, and parent meetings.

Student Panel

Presenters: BVH Students

Bonita Vista High School students share their experience and successes throughout their academic careers.

Visual and Performing Arts

Location: Bolles Theater

Presenters: Michael Atwood, Mark McCann, Christine Timmons

michael.atwood@sweetwaterschools.org;

mark.mccann@sweetwaterschools.org;

christine.timmons@sweetwaterschools.org
