A MESSAGE FROM THE MAYOR

Welcome to Sea Isle City!

Each year, we try our very best to outdo the year before, because we realize that in addition to the familiar activities that people look forward to year after year, many folks also want to enjoy new experiences. With that in mind, we have been working very hard to prepare for the summer of 2025 in a variety of ways – including making improvements to our community’s infrastructure, enhancing the beauty of our town, and planning events that will make this a year to remember!

If you are looking for first-class entertainment, this summer’s lineup of free weekly activities is sure to please, starting with our Family Fun Nights on Monday evenings at Excursion Park, where your children can dance, meet their favorite characters, and participate in other activities. Also, if your family enjoys going to the movies, don’t miss our 2025 Movies Under the Stars, which features a lineup of popular films that will entertain audiences each Wednesday night at the Excursion Park Band Shell.

On Tuesday and Thursday mornings, spend some time with the local volunteers who organize Sea Isle’s wonderful Beachcomber Guided Tours, which are not only free but are also as enjoyable as they are educational. Also, if you have teenagers who are looking for something fun to do on Thursday evenings, send them to Excursion Park, where our friends at the Chamber of Commerce offer music, singing and other activities during Acoustic Open Mic Nights.

Of course, when it comes to outstanding entertainment, our free Concerts Under the Stars on Saturday evenings are always crowd-pleasers – and this year’s concert lineup promises to be better than ever, thanks to several wonderful bands that had many people cheering last summer, and a few new acts that we are confident will also delight music lovers.

In addition to these weekly events, Sea Isle also offers a variety of summer camps, sports clinics, athletic competitions, fitness classes, terrific dining and shopping options, and, of course, our beautiful beaches, bays and wetlands, where you can immerse yourself in nature while enjoying a variety of water sports or simply relax in the sun.

To learn more about what’s happening during 2025, go to VisitSICNJ.com, stop by the Welcome Center on JFK Boulevard, or phone our Tourism Office at 609-263-8687 – and make this a year to remember in Sea Isle City!

Smile...You’re in Sea Isle!

BEACH INFORMATION

BEACH TAGS FOR ACTIVE MILITARY AND VETERANS IN HONOR OF THEIR SERVICE

***Veteran tags are only available at the Beach Tag office.
Active military and veteran beach tags are not transferable.***

Branches of service include: United States Army, Navy, Air Force and Marine Corps, Coast Guard and the National Guard.

ACTIVE MILITARY

- Complimentary “weekly” beach tags will be issued for qualified active duty military personnel and their family members.
- DD1173 (Identification and Privilege Card) must be presented.
- Military personnel, spouse/civil union partner and dependent children age 12 years and older.

VETERANS BEACH TAGS

- One complimentary veteran beach tag will be issued per qualified veteran (valid for the entire summer season).
- Proof of Veteran status required.
- Any veteran who has served and was released through honorable discharge with at least 90 days active duty or released from active duty by reason of a service incurred injury or disability.
- Qualifying veteran must be present at the time of request.

BEACH INFORMATION

BEACH SAFETY AND ETIQUETTE

- **Only enter the water on protected beaches while lifeguards are on duty.** Use caution whenever you enter the ocean, never turn your back on the waves, and keep off rock jetties.
- **Don't leave umbrellas or tents unattended.** The wind can easily carry away an umbrella or tent that is not properly secured, and their poles can injure other beachgoers.
- **Keep an eye on your children.** Instruct your children to go to the lifeguard stand and ask the guard for help if they become lost.
- **Do not feed the seagulls.** Seagulls can become aggressive, especially when food is present. Also, human food is not healthy for wildlife – and seagulls can bite!
- **Alcohol is prohibited.** Local police officers often walk the beach in plain-clothing, so avoid a fine and leave all alcoholic beverages at home.
- **No Smoking.** Smoking and the use of vaping products are prohibited on Sea Isle City's beaches, beach approaches and dune paths throughout the year.
- **No profanity or loud music please!** Remember that voices carry and not everyone shares the same taste in music – and there are families all around you.
- **Dispose of trash & recycling properly.** If you carry it on, carry it off – and don't let the wind blow away food wrappers.
