ADOPT A PLOT

HELP KEEP DORAVILLE'S PARKS AND SPACES SAFE, CLEAN, & GREEN.

WHAT IS ADOPT-A-PLOT? The Adopt-a-Plot program gives an individual, family, or group of individuals from the community the opportunity to adopt a specific park, specific location in a large park, or a specific public location. You or your group promise to clean up debris and remove litter from your plot. The Recreation, Parks, and Cultural Affairs Department will provide rubbish bags and collect the litter bags after the cleanup. We will also put up a sign(s) recognizing you!

WHAT KINDS OF PLOTS ARE AVAILABLE TO ADOPT? Examples of potential plots include: an entire park, trail or particular area, including playgrounds, flower beds, trees and shrubs, sports fields, courts, exercise equipment, and rights-of-way.

HOW DO I CARE FOR MY PLOT? The program encourages the community to work hands-on to help keep the City's parks and other green areas clean, safe, and attractive. This hands-on work could include: litter removal, sweeping courts and pathways, raking leaves, reporting hazards, removing graffiti, pulling weeds, and cultivating greenery.

HOW DO I BECOME AN ADOPTER? Anyone may participate by completing an Adopt-A-Plot application form, available at Forest Fleming Arena, City Hall, or on our website at www.doravillega.us/parks. You may also contact the Parks, Recreation, & Cultural Affairs Department for more details and available plots.
