WHO WE ARE

At GAP Professional Products®, we are a proudly Canadian, family-owned company built on decades of hard work, innovation, and commitment to quality. What began in 1979 as one man's determination to provide for his family has grown into one of Canada's leading manufacturers of professional grade automotive chemicals and preventative maintenance products.

From humble beginnings in a used milk truck to a nationwide network, our journey has always been driven by a passion for excellence and service. With a deep respect for our roots and a clear vision for the future, the Gourley Brothers continue to grow GAP across the country, investing in R&D, building lasting relationships, and delivering trusted products that professionals rely on every day.

Today, GAP Professional Products® can be found in service bays, garages, and dealerships from St. John's, Newfoundland to Victoria, British Columbia. We take pride in offering reliable, effective solutions backed by science, integrity, and decades of experience.

Family-built. Professionally trusted. From coast to coast.

ENGINE

Our engine products, including engine treatments and cleaners, enhance performance, reduce friction, and prevent build-up. Designed to improve efficiency and extend engine life, they offer reliable protection for all types of engines.

Performance ENGINE TREATMENT

Protects engine components and fortifies all engine oils to meet the needs of today's extended oil change intervals. Our Performance Engine Treatment slows oxidation, keeping the oil stable for longer periods. It will keep engines safe from LSPI, prevent sludge & varnish build-up, and extend engine life.

300 mL PART # 10105 • QTY 24/CASE
100 mL PART # 10108 • QTY 24/CASE

Performance OIL SYSTEM CLEANER

Cleans harmful engine deposits that oil changes miss, using detergents to restore performance by dissolving buildup, unclogging components, and conditioning seals.

300 mL PART # 10118 • QTY 24/CASE
100 mL PART # 10119 • QTY 24/CASE

High Mileage ENGINE OIL TREATMENT

Specifically designed for GDI, PFI, Hybrid, and Turbo engines over 120,000 km (75,000 miles), this synthetic formula conditions seals, boosts compression, stops oil leaks, and reduces exhaust smoke from oil burning. Treats up to 6 litres.

PART # 10180 • QTY 24/CASE

Performance ENGINE CONCENTRATE

High-performance engine cleaner that removes sludge, quiets lifters, and prevents deposits. Safe for all engine types and compatible with mineral oils. Restores power and extends engine life.

PART # 10190 • QTY 24/CASE

Performance OIL SERVICE KIT

Our Performance Oil Service Kit enhances engine oils for extended intervals, removing harmful deposits standard changes can't. It cleans piston rings, micro passageways, and seals, while preventing LSPI and extending engine life.

PART # 10188 (10118/10105) • QTY 12/CASE

Performance DEPOSIT CONTROL KIT

Our Performance Deposit Control Kit removes carbon, sludge, and varnish from key engine components, emulsifies water, and improves performance, drivability, and engine life. Perfect for hybrid EV's! ⚡

PART # 10129 (20369/10105/10118) • QTY 8/CASE

FUEL/GASOLINE

Our award winning fuel system products are designed to keep your vehicle running smoothly, cleaning, protecting, and enhancing performance. Whether improving fuel efficiency, reducing emissions, or restoring power, our solutions provide the care your fuel system needs.

Performance **CARBON CONTROL PLUS**

Effectively removes carbon build-up, emulsifies water, and stabilizes fuel, improving drivability. Specially formulated for the effective cleaning and control of carbon and varnish deposits on injectors, intake valves, and combustion chambers. Awarded Innovative Product of the Year for its breakthrough performance and commitment to a greener future.

300 mL PART # 20369 • QTY 24/CASE
100 mL PART # 20379 • QTY 24/CASE

Green Standard **FUEL SYSTEM CLEANER**

Formulated to remove carbon deposits from intake valves, ports (PFI engines), and fuel injectors in all gasoline engines. It also protects against corrosion, improves fuel economy, and reduces emissions.

PART # 20317 • QTY 24/CASE

Green Standard **INJECTOR CLEANER**

Contains powerful detergents that remove injector deposits in a single application, restoring proper fuel delivery to prevent power loss, performance issues, and increased emissions.

PART # 20325 • QTY 24/CASE

Green Standard **FUEL DRIER**

Helps eliminate water from gasoline and diesel fuel systems, preventing phase separation that can reduce octane and cause engine knocking.

PART # 20341 • QTY 24/CASE

Green Standard **HARD CARBON PRE-SOAK**

Formulated to soften and remove heavy deposits from the backs of valves and in air intake systems of gasoline direct injection (GDI) and port fuel injection (PFI) engines.

PART # 20374 • QTY 24/CASE

Green Standard **HARD CARBON REMOVER**

This dual-purpose solution removes deposits from intake valves, throttle components, and the combustion chamber, improving drivability, fuel economy, and emissions.

PART # 20391 • QTY 24/CASE

Green Standard **INJECTION PURGE PLUS**

Cleans stubborn deposits from fuel injectors, intake valves (PFI), and combustion chambers, restoring spray patterns and air/fuel mixture for improved engine performance.

PART # 20398 • QTY 24/CASE

Green Standard A.I.C. FOAM

Removes deposits and other accumulated contaminants that build up in fuel/air induction systems. It is tailored specifically for the hard-to-remove oil-based deposits that are common in gasoline direct injection (GDI) engines.

PART # 20012 • QTY 12/CASE

Performance AIR INTAKE/CARB CLEANER

This non-chlorinated, non-corrosive formula quickly removes oil, dirt and dust from metal surfaces. Breaks down fluid residue, gum, varnish and carbon buildup without disassembly. Safe for metal surfaces.

PART # 88310 • QTY 12/CASE

Green Standard THROTTLE BODY CLEANER

Expertly removes carbon deposits from the air induction system, restoring airflow and performance while preventing buildup and remaining safe for sensors and catalytic converters.

PART # 20368 • QTY 24/CASE

Green Standard COMPLETE FUEL SYSTEM CLEANING KIT

Effectively removes carbon, gum, and varnish deposits from injectors, intake valves, throttle components, and combustion chambers to restore performance, improve fuel economy, and reduce emissions.

PART # 20151 (20369/20398/20391)
QTY 8/CASE

3 PART KIT

Premium INJECTOR KIT

Cleans carbon deposits from injectors, intake valves (PFI), and combustion chambers, restoring spray patterns and air/fuel mixture to enhance drivability, performance, and prevent buildup.

PART # 20575 (20398/20369)
QTY 12/CASE

2 PART KIT

Premium FOAM INDUCTION KIT

Removes carbon, emulsifies water, and restores fuel and air systems for improved engine efficiency and performance.

PART # 20579 (20012/20369)
QTY 10/CASE

2 PART KIT

Premium INDUCTION KIT

Removes carbon and varnish buildup from intake components and combustion chambers, restoring efficiency, performance, drivability, fuel economy, and emissions.

PART # 20574 (20391/20369)
QTY 12/CASE

2 PART KIT

DIESEL

Our diesel system products enhance performance, improve fuel efficiency, and extend engine life. They optimize fuel quality, reduce carbon buildup, prevent injector clogging, and lower emissions, ensuring reliable and efficient engine operation. Trust our products for superior performance in demanding conditions.

DIESEL FORCE SOOT CONTROL PLUS

Soot Control Plus cleans injectors, boosts cetane, prevents fuel gelling, treats for water and protects against corrosion and wear. It improves cold starts, reduces DPF regens, stabilizes stored fuel, and enhances overall diesel performance in all conditions.

PART # 30519 • QTY 24/CASE

300 mL

DIESEL FORCE EGR & INDUCTION SYSTEM CLEANER

Restores engine performance by effectively removing carbon buildup and improving airflow. It reduces emissions, enhances fuel efficiency, and promotes smoother engine operation for a longer-lasting, more reliable engine.

PART # 30510 • QTY 12/CASE

DIESEL FORCE DIESEL PURGE PLUS

A powerful formula that cleans tough deposits from diesel injectors and combustion chambers, restoring spray patterns, fuel economy, engine performance, and reducing emissions.

PART # 30410 • QTY 24/CASE

DIESEL FORCE FUEL SYSTEM CLEANER

Dissolves and removes deposits from the diesel injection system, lubricates fuel pumps and injectors, and includes a cetane improver, targeting heavy deposits in HPCR engine injectors.

PART # 30586 • QTY 24/CASE

DIESEL FORCE OIL SYSTEM CLEANER

Removes deposits from the engine oil system before an oil change, cleaning lifters, piston rings, rocker arms, and other components for a more complete drain.

300 mL PART # 30362 • QTY 24/CASE
946 mL PART # 30923 • QTY 12/CASE

DIESEL FORCE ENGINE OIL TREATMENT

Maintains oil performance, neutralizes acids, reduces friction, stabilizes viscosity, and prevents sludge with enhanced oxidation control. It's compatible with all diesel engine oils.

300 mL PART # 30521 • QTY 24/CASE
946 mL PART # 30502 • QTY 12/CASE

DIESEL FORCE HEAVY DUTY EGR & INDUCTION KIT

Cleans carbon deposits, improves airflow and fuel economy, reduces emissions, lubricates components, and enhances combustion with a cetane booster.

PART # 30378 (30510/30510/30519)
QTY 8/CASE

DIESEL FORCE INDUCTION KIT

Clears carbon buildup, boosts airflow, restores fuel efficiency, and cleans and lubricates the injection system. Ideal for HPCR engines, it reduces emissions and enhances efficiency.

PART # 30388 (30510/30519)
QTY 6/CASE

DIESEL FORCE INJECTOR KIT

Restores diesel performance by removing injector and combustion chamber deposits. Ideal for HPCR engines, it improves fuel economy, emissions, and includes lubricants plus a cetane improver for smoother operation.

PART # 30371 (30410/30519)
QTY 12/CASE

DIESEL FORCE ENGINE OIL KIT (TRUCK)

Cleans internal deposits before oil changes and boosts oil performance by neutralizing acids, reducing wear, and preventing sludge. **Designed for large diesel engines (7+ L)** and compatible with all diesel oils.

PART # 30346 (30502/30923)
QTY 6/CASE

DIESEL FORCE ENGINE OIL KIT (CAR)

Cleans internal deposits before oil changes and boosts oil performance by neutralizing acids, reducing wear, and preventing sludge. **Designed for small diesel engines (5 L)** and compatible with all diesel oils.

PART # 30315 (30362/30521)
QTY 12/CASE

DIESEL FORCE ENGINE PERFORMANCE KIT

Cleans engine oil and diesel injection systems, promotes full oil drain, lubricates fuel components, and improves combustion with a cetane booster. Reduces wear, stabilizes oil, and restores performance—ideal for all diesel engines, especially HPCR.

PART # 30086 (30362/30521/30519)
QTY 8/CASE

Peace of Mind. For Life.

Protect your investment for the road ahead with the GAP Lifetime Protection Plan®, available by exclusively providing GAP Professional Products at your dealerships and service centers.

This plan offers lasting peace of mind for you and your customers with three levels of coverage and up to \$5,000 in lifetime protection, improving sales and customer retention for you and your customers.

LEVEL 1

Coverage up to
\$5,000

Vehicles with
0 - 80,000 km
(0 - 50,000 miles)

LEVEL 2

Coverage up to
\$2,500

Vehicles with
80,001 - 160,000 km
(50,001 - 100,000 miles)

LEVEL 3

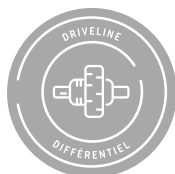

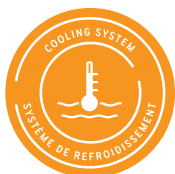

Coverage up to
\$500

Vehicles with
160,001 - 200,000 km
(100,001 - 125,000 miles)

Benefits

- **Three Coverage Levels** - Based on odometer mileage.
- **Up to \$5,000 in Coverage** - Protection when you need it most.
- **National Network** - Convenience and confidence.
- **Protection Provided by GAP Professional Products®** - A trusted name in professional automotive maintenance products since 1979.

Covered Systems

BRAKE

Our brake maintenance products ensure safety and performance by preventing brake fade, reducing noise, and protecting components. They clean and lubricate critical parts, enhancing efficiency and extending life for reliable braking power.

Premium BRAKE SERVICE KIT

Our Brake Service Kit is specially formulated for comprehensive brake maintenance. Designed to clean, lubricate, and protect key brake components, this kit ensures optimal performance and longevity of your braking system. Ideal for routine service, it helps maintain smooth operation, reduce wear, and enhance safety, giving you peace of mind with every drive.

PART # BK2 • QTY 12/CASE

QUICK DRY BRAKE CLEANER

A fast-evaporating formula that quickly dissolves brake fluid, grease, and oil for efficient, residue-free cleaning.

PART # 88250 • QTY 12/CASE

Squeal Free BRAKE TREATMENT

Provides effective noise suppression for disc brake pads, eliminating squeaks and squeals. This treatment ensures a quieter, smoother braking experience, enhancing comfort while maintaining optimal braking performance.

PART # 70103 • QTY 12/CASE

EXTREME CERAMIC BRAKE LUBE

High-performance Ceramic Brake Lubricant designed to reduce noise, prevent wear and corrosion, and ensure smooth, long-lasting brake operation under extreme conditions.

20 g PART # 68020 • QTY 240/CASE
235 g PART # 68235 • QTY 12/CASE

DOT 4 LV BRAKE FLUID

This low-viscosity brake fluid offers faster response for vehicles with ESC, Traction Control, and ABS, while enhancing performance in colder temperatures for reliable braking in various conditions.

946 mL PART # 70556 • QTY 12/CASE

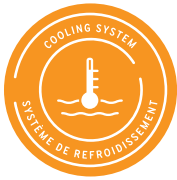

DOT 4 BRAKE FLUID

Our DOT 4 Brake Fluid meets FMVSS 116 and SAE J1704 specs, delivering excellent heat resistance and reliable performance in demanding conditions for optimal braking efficiency.

946 mL PART # 70446 • QTY 12/CASE
1.89 L PART # 70489 • QTY 6/CASE

COOLING

Our range of cooling system additives are designed to improve the efficiency and durability of your cooling system. These high-quality products help optimize temperature regulation, prevent corrosion, and enhance overall system performance, ensuring long-lasting protection.

HEAVY DUTY COOLING SYSTEM SERVICE KIT

Our Heavy Duty Cooling Service Kit protects the cooling system with effective inhibitors to minimize scale deposits. It safely cleans and loosens rust and debris during a fluid exchange, ensuring optimal system performance. Compatible with all coolant types, including conventional, long-life, and hybrid formulas.

PART # 40377 (40305/40301) • QTY 12/CASE

2 PART KIT

HEAVY DUTY COOLING SYSTEM CLEANER

Safely cleans cooling systems during fluid exchange by loosening rust and deposits. Add to used coolant before draining. Compatible with conventional, long-life, and hybrid antifreeze formulas.

PART # 40305 • QTY 24/CASE

300 mL

HEAVY DUTY COOLING SYSTEM TREATMENT

Delivers protective inhibitors to reduce scale buildup in the cooling system. Professional-grade formula compatible with conventional, long-life, and hybrid antifreeze.

PART # 40301 • QTY 24/CASE

300 mL

HEAVY DUTY RADIATOR STOP LEAK

Stops most leaks in the radiator, heater core, freeze plugs, and minor head gasket seepage. Add directly to the cooling system or with new coolant after a fluid exchange.

PART # 40379 • QTY 24/CASE

300 mL

FOR PROFESSIONAL COOLING SYSTEM SERVICE, THE RIGHT MACHINE MAKES ALL THE DIFFERENCE.

Reliable, efficient, and built to perform. Our Cooling System Service Machine has you covered. Check it out on page 28, or scan the QR code to explore our full range of cooling products online.

POWER STEERING

Our power steering products are formulated to keep your steering system running smoothly. They reduce friction, prevent wear, and protect critical components like the pump and seals. Regular use helps maintain optimal fluid performance, improves steering response, and extends the life of your power steering system.

Synthetic POWER STEERING KIT (CHF)

This Power Steering Kit is designed for vehicles requiring CHF power steering fluid. It safely removes sludge and old fluid, then replenishes the system with premium CHF fluid and conditioner to restore smooth, quiet steering, protect components, and ensure optimal performance in extreme temperatures.

PART # 60115 (60042/60917) • **QTY** 4/CASE

2 PART KIT

Synthetic POWER STEERING KIT (ATF)

This Power Steering Kit helps restore smooth, responsive handling by cleaning out sludge and old fluid, then protecting with fresh ATF-based fluid and conditioner. It revitalizes seals, reduces wear, and prevents hard steering in cold temps—ideal for reliable performance and longer system life.

PART # 60105 (60042/60975) • QTY 4/CASE

Synthetic POWER STEERING KIT (GM & H/A)

This Power Steering Kit is specifically formulated for GM and Honda/Acura systems. It cleans out sludge and old fluid, then protects with application-specific fluid and conditioner to restore smooth steering, reduce wear, and extend component life. Ensures reliable performance in all driving conditions.

PART # 60111 (60042/60955) • QTY 4/CASE

Premium POWER STEERING SYSTEM CLEANER

Formulated to effectively remove dirt, sludge and old fluid buildup, preparing the power steering system for fresh fluid. Recommended for all power steering systems, it's the perfect solution for maintaining long-lasting reliability and efficiency.

PART # 60042 • QTY 24/CASE

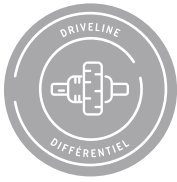

Synthetic POWER STEERING FLUID & CONDITIONER

Conditions and revitalizes seals, ensuring smooth, responsive steering. These advanced formulas prevent hard steering in cold temperatures and helps reduce wear, extending the lifespan of key components. Perfect for professional use, they ensure reliable performance and smoother handling in all conditions.

CHF PART # 60917 • QTY 6/CASE
ATF PART # 60975 • QTY 6/CASE
GM & H/A PART # 60955 • QTY 6/CASE

DRIVELINE

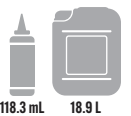

Our driveline products are formulated to keep your driveline running smoothly. They reduce friction, prevent wear, and protect vital components like the transmission, differential, and axles. Regular use helps maintain optimal fluid performance, ensures smooth shifting, and extends the life of your driveline system.

EXTREME PRESSURE GEAR LUBRICANT

Reduces friction and wear while providing superior protection under extreme pressures. It quiets gear and bearing noises, prevents corrosion, and extends component lifespan. Ideal for industrial use, it ensures smooth, efficient operation in demanding environments.

118.3 mL PART # 50414 • QTY 24/CASE
18.9 L PART # 50418 • QTY 1

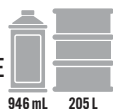

SAE 75W-85 SYNTHETIC GEAR OIL WITH LIMITED SLIP FRICTION MODIFIER

High performance synthetic gear oil with low viscosity for improved fuel economy and strong wear protection. Meets or exceeds API GL-5 and OEM hypoid gear requirements—ideal for modern vehicles and fleets.

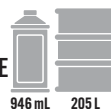

946 mL PART # 90856 • QTY 12/CASE
205 L PART # 90855 • QTY 1

SAE 75W-90 SYNTHETIC GEAR OIL WITH LIMITED SLIP FRICTION MODIFIER

This heavy duty, full-synthetic gear oil is engineered for high-load drivelines. Exceeds API GL-5 and MT-1 standards, delivering superior thermal stability, wear protection, and resistance to oxidation, corrosion, and shear in extreme conditions.

946 mL PART # 90906 • QTY 12/CASE
205 L PART # 90590 • QTY 1

SAE 75W-140 SYNTHETIC GEAR OIL WITH LIMITED SLIP FRICTION MODIFIER

This full-synthetic gear oil is engineered for extreme pressure and high-load applications. Delivers exceptional film strength, thermal stability, and shear resistance, with friction modifiers for limited-slip performance. Meets or exceeds API GL-5, MT-1, and OEM specs.

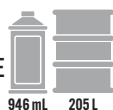

946 mL PART # 90140 • QTY 12/CASE
205 L PART # 90540 • QTY 1

SYNTHETIC TRANSFER CASE FLUID

This heavy duty formula is designed to provide exceptional performance and protection in all GL-4 gear oil applications, including differentials and manual transmissions.

946 mL PART # 90546 • QTY 12/CASE
205 L PART # 90566 • QTY 1

LSD (LIMITED SLIP DIFFERENTIAL)

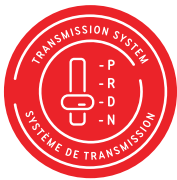

Ensures smooth clutch engagement with minimal chatter and NVH. Maintains consistent friction for reliable torque transfer and clutch protection. Tested for modern vehicle demands across various axles and friction surfaces.

PART # 50614 • QTY 24/CASE

TRANSMISSION

Our transmission system products are formulated to enhance the performance and longevity of your vehicle's transmission. Designed to reduce friction, prevent wear, and improve shifting smoothness, these high-quality products ensure optimal operation and protection under all conditions.

High Grade AUTOMATIC TRANSMISSION SERVICE KIT

Our Automatic Transmission Service Kit cleans components, prevents deposits and shifting issues, and enhances performance with improved stability and reduced shudder. Compatible with all ATFs (except CVT and DCT).

PART # 50120 (50103/50107) • QTY 12/CASE

High Grade UNIVERSAL CVT SERVICE KIT

Our Universal CVT Service Kit keeps your CVT transmission in top condition. The Cleaner removes deposits from critical components, while the Fluid Conditioner prolongs fluid life, ensuring optimal performance and longevity.

PART # 50126 (50059/50105) • QTY 12/CASE

High Grade Automatic TRANSMISSION CLEANER

Powerfully formulated to dissolve sludge and contaminants, this cleaner restores transmission performance by thoroughly cleaning the valve body, filter screen, and key components, extending system lifespan.

PART # 50103 • QTY 24/CASE

High Grade Automatic TRANSMISSION TREATMENT

Prevents deposits and fluid breakdown to boost stability and performance. Reduces shudder for smoother shifts. Compatible with all ATFs (except CVT and DCT) to protect transmission health.

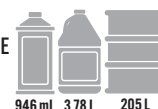

PART # 50107 • QTY 24/CASE

High Grade SYNTHETIC PLUS ATF

Compatible with global automatic transmissions, power steering, and hydraulics. Provides anti-shudder, low-temp performance, and long drain intervals. Not for CVT or DCT.

946 mL PART # 50152 • QTY 12/CASE
3.78 L PART # 50192 • QTY 4/CASE
205 L PART # 50182 • QTY 1

HIGH GRADE CVT TRANSMISSION CLEANER

Dissolves and removes deposits from the valve body, filter screen, and key transmission components. Breaks down sludge and contaminants to restore performance, prevent clogging, and ensure smoother shifting.

PART # 50059 • QTY 24/CASE

UNIVERSAL CVT FLUID CONDITIONER

Fortifies CVT fluid to reduce friction, prevent wear, and boost oxidation stability. Supports smoother shifting, better efficiency, and a longer transmission lifespan.

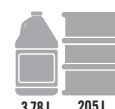

PART # 50105 • QTY 24/CASE

100% Synthetic MULTI-VEHICLE CVT FLUID

Advanced CVT fluid for global chain and belt systems. Ensures wear protection, stable viscosity, and smooth, quiet performance. Enhances durability, reduces shudder, and extends transmission life.

205 L PART # 50425 • QTY 1

HVAC

Our HVAC system products are designed to effectively eliminate mold, bacteria, and odours, improving air quality and creating a healthier environment. Formulated for long-lasting protection, they help maintain a clean, fresh airflow throughout the vehicle.

Ready 2 Go! COMPLETE DISINFECTION SERVICE

The Ready 2 Go Complete Disinfection Service cleans and disinfects your vehicle's A/C system, improving airflow and eliminating odours. It removes dirt from the evaporator, kills 99.9% of bacteria and viruses, and includes an air freshener for a clean, refreshed cabin.

APPROVED BY

PART # 80521 (88271/80811/23573) • QTY 12/CASE

Ready 2 Go! ODOUR CONTROL DISINFECTANT

Ready 2 Go! Odour Control Disinfectant kills 99.9% of bacteria in 5 seconds, targets viruses like cold, flu, and norovirus, and is bleach and alcohol-free with a fresh scent.

APPROVED BY

PART # 80811 • QTY 12/CASE

100 mL

Ready 2 Go! HVAC EVAPORATOR CORE CLEANER

Cleans the A/C evaporator to restore cooling performance, eliminate odours, improve airflow, and freshen interior air, enhancing comfort and extending HVAC system life.

PART # 88271 • QTY 12/CASE

Ready 2 Go! A/C TREATMENT

A powerful formula designed to clean A/C and heater vents. It effectively treats evaporator fins and eliminates unpleasant ventilation odours, leaving your vehicle's air system fresh and clean.

PART # 88274 • QTY 12/CASE

Ready 2 Go! REFRESH AIR FRESHENER SPRAY

A ready-to-use spray that instantly freshens your vehicle's cabin with a clean scent, neutralizing odours for a more pleasant driving experience.

PART # 23573 • QTY 24/CASE

30 mL

COMFORT COUNTS. SO DOES CLEAN AIR. ONE SYSTEM DELIVERS BOTH.

Our Ready 2 Go! HVAC machine & product lineup clears allergens, and contaminants from vehicle vents, restoring fresh, healthy air and giving you another reason to breathe easier. Check it out on page 30.

BATTERY

Our battery maintenance products extend battery life and improve performance by preventing corrosion, ensuring proper contact, and protecting terminals. They keep your battery clean and efficient, ensuring reliable starts and reducing electrical issues for better overall vehicle performance.

LONG LIFE BATTERY MAINTENANCE KIT

Our Long Life Battery Maintenance Kit keeps your vehicle's battery in peak condition. It includes a Battery Cleaner & Leak Detector to neutralize acids, clean terminals, and detect leaks. The kit also features two anti-corrosion protection pads to prevent terminal corrosion, extending battery life. Compatible with top and side post batteries, it ensures reliable, long-lasting performance.

RODENT REPELLENT

Rodents can cause expensive damage by chewing your vehicle's wiring. Our Rodent Repellent solution helps prevent this by creating a bitter barrier that keeps pests away from compartments, wiring, and other vulnerable areas—protecting your vehicle and reducing costly repairs.

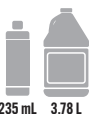

GNAW WAY! RODENT REPELLENT

A powerful formula containing Bitrex, the world's bitterest substance. For rodents, even a tiny amount on their fur, paws, or whiskers triggers a strong aversion. This unpleasant taste compels them to flee the area and discourages them from returning. GnaW Way! offers an easy and effective way to keep your vehicle's wires safe from pesky critters.

MAINTENANCE EQUIPMENT

Our maintenance equipment includes the essential tools needed to perform our GAP Professional Maintenance Services. Designed to support fluid maintenance, this equipment helps ensure vehicles stay reliable, efficient, and road-ready for the long haul.

Performance FUEL APPARATUS

GAP Professional Products® Performance Fuel Apparatus is an advanced tool designed for cleaning both gasoline fuel induction systems through the throttle body and fuel injectors/combustion chambers when connected to the fuel rail. This professional-grade apparatus features a transparent tank, allowing easy monitoring of the cleaner level throughout the service process.

PART # GAP-77012

Performance FUEL VACUUM TOOL

GAP Professional Products® Performance Fuel Vacuum Tool is designed to efficiently remove oily and sticky deposits from the air and fuel induction systems in gasoline engines. This professional-grade tool provides precise control over the flow of induction cleaner, atomizing it as it enters the fuel induction system for superior cleaning performance.

PART # GAP-77013

Performance FUEL VACUUM TOOL KIT

GAP Professional Products® Performance Fuel Vacuum Tool Kit offers optional vacuum tip connections for GAP Professional Products® Performance Fuel Vacuum Tool (GAP-77013), providing a versatile solution for vacuum induction services. The kit includes three vacuum connection hoses, a vacuum port induction tip, a Kia/Hyundai MAP sensor port tip, and a Universal High-Flow Gold Vacuum Orifice, all neatly organized in a compact case.

PART # GAP-77018

Performance FUEL INJECTOR MASTER KIT

GAP Professional Products® Performance Fuel Injector Master Kit is a comprehensive adapter kit designed to support a wide variety of domestic and international gasoline vehicles. Offering an extensive selection of fuel injection adapters, it is one of the most complete kits available for technicians looking to service all types of customer vehicles. This kit is essential for diagnosing and addressing drivability issues caused by fuel injector and combustion chamber deposits.

PART # GAP-77019

DIESELGUARD DIESEL SERVICE TOOL

GAP Professional Products® DieselGuard Diesel Service Tool offers a straightforward solution for removing exhaust soot from diesel induction, EGR valves, and exhaust systems. It helps eliminate performance issues and MIL/Dash warnings caused by reduced cooler and induction flow, ensuring optimal system performance.

PART # GAP-77008

POWER BLEED BRAKE SERVICE TOOL

GAP Professional Products® Power Bleed Brake Service Tool features an innovative, lightweight design that enables a single technician to perform fluid service exchange efficiently. Whether you're conducting partial bleeding or a complete fluid exchange, this tool delivers fast, professional results.

32 OZ PART # GAP-77015

64 OZ PART # GAP-77011

POWER BLEED BRAKE ADAPTER KIT

GAP Professional Products® Power Bleed Brake Adapter Kit features a "probe" style and includes all the essential adapters needed to service most vehicles. Each adapter is colour-coded for easy identification of the vehicle it services. The serrated black nut is rotated to expand the probe o-ring inside the reservoir neck, ensuring a secure, pressure-tight seal.

PART # GAP-77017

STOPGUARD BRAKE SERVICE MACHINE

GAP Professional Products® StopGuard Brake Service Machine features an adjustable pressure setting, making it ideal for both conventional and hybrid brake services. Easy to operate, it is compatible with most passenger vehicles and light to medium-duty trucks. Once the new fluid line is connected to the master cylinder, a complete brake service can be completed in 10 minutes or less.

FEATURES

- Powered by shop air
- Adjustable pressure and vacuum up to 100 PSI
- Low fluid shut-off feature
- Complete service in 10 minutes after hookup
- Easy one-person operation
- Supports hybrid vehicle servicing

PART # GAP-77002

THERMOGUARD 3-IN-1 COOLING SYSTEM MACHINE

GAP Professional Products® ThermoGuard 3-in-1 Cooling System Machine provides a fast, non-labour intensive service to extend the life of a vehicle's cooling system. Its single-tube design allows for easy service of the radiator or remote reservoir, restoring heat transfer efficiency and eliminating the need for hose disconnections.

FEATURES

- Restores cooling system heat transfer efficiency
- Vacuum-style removal and refill of coolant fluid
- No need to disconnect radiator hoses
- Effortless fluid disposal
- Operates using shop air
- Easy roll-around cart for portability
- Inline and degas bowl adaptors included for back flush services
- Includes adapters

PART # GAP-77001

STEERGUARD POWER STEERING SERVICE MACHINE

GAP Professional Products® SteerGuard Power Steering Service Machine streamlines the fluid removal and refill process through the power steering fluid reservoir. With dual pumps for efficient fluid exchange and dual service hoses, this machine ensures quick and thorough power steering system servicing.

FEATURES

- Fluid removal and refill through the power steering fluid reservoir
- Dual pumps for exchanging contaminated and new fluid
- Dual service hoses for increased exchange efficiency
- On/off switches for new and waste fluid
- Compatible with GAP Professional Power Steering Products
- Fully portable version for service anywhere

TOOL BOX PART # GAP-77009

STAND-UP MACHINE PART # GAP-77010

DIFFGUARD DRIVELINE SERVICE MACHINE

GAP Professional Products® DiffGuard Differential Service Machine is designed for quick, efficient fluid exchanges in differentials, manual transmissions, and transfer cases. With easy-to-read gauges, a user-friendly control panel, and durable, high-capacity pumps, it ensures reliable performance, allowing technicians to replace differential and gearbox fluids in just 5 minutes.

FEATURES

- Replaces differential and gearbox fluids in 5 minutes
- Clear hoses for visual confirmation during fluid exchange
- All hoses are fuel and oil rated with a wire-woven core
- 5-gallon waste fluid container for easy disposal
- Fluid rack holds 1 x 3.79 L container or 2 x 1.89 L containers
- Two high-capacity pumps with pressure control for each pump
- Provides essential OEM-recommended service for your customers

PART # GAP-77005

MAXGUARD TRANSMISSION MACHINE

GAP Professional Products® MaxGuard Transmission Machine delivers efficient, accurate fluid exchanges with enhanced additive injection and versatile operation modes. It provides complete fluid drainage, waste evacuation, and precise measurement, making professional transmission service fast and easy.

FEATURES

- Enhanced additive injection for optimized performance
- Cooler line and dipstick exchange modes
- Litre counter (1–20 litres) for precise measurement
- Power interruption memory to retain settings
- Complete transmission and filter drainage
- Full waste fluid evacuation
- Accurate fluid measurement (+/- 3%)
- Separate buttons for adding/removing fluid
- Voltmeter for monitoring power
- Large back-lit trilingual LCD with prompts
- Standard/metric measuring options
- Clear hoses for visual flow
- Adapter drainage-style rack for easy servicing
- Portable roll-around unit
- Includes adapters

PART # GAP-77006

Ready 2 Go! ULTRASONIC ATOMIZER HVAC MACHINE

Designed to effectively treat mold on contact and prevent future growth throughout the HVAC system and passenger cabin surfaces. Specially engineered for automotive use, this solution targets and removes mold, mildew, pollen, and other organic particulates, helping to improve air quality and the overall health and comfort of drivers and passengers. Ideal for both preventative maintenance and thorough cleaning, it ensures your vehicle's interior remains fresh, safe, and free from harmful contaminants.

FEATURES

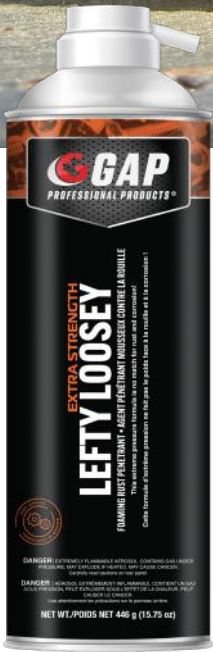

- Automotive-specific design for targeted treatment
- Advanced nano-droplet deep-clean technology for superior mold removal
- Portable 12V DC ultrasonic machine for convenient, on-the-go use
- Fast, unattended operation with automatic shut-off for safe and efficient cleaning
- Enhances air quality and promotes a healthier in-cabin environment

PART # GAP-77014

SHOP SUPPLIES

Keep your workspace running smoothly with our essential shop supplies. This section features a wide range of products including grease, lubricants, rust penetrants, and powerful cleaners. We've got everything you need for maintenance, repair, and a clean, efficient shop environment.

EXTRA STRENGTH LEFTY LOOSEY FOAMING RUST PENETRANT

Your powerful solution for tough rust. Our advanced, deep-penetrating formula breaks down rust fast, loosens stuck parts with ease, and stays mess-free thanks to controlled foaming action.

PART # 88260

ZAPPP! ELECTRONIC PARTS CLEANER

Fast-drying, residue-free formula that safely removes dirt, grease, flux, and oxidation from sensitive electronics. Restores conductivity without damage. Perfect for auto, marine, industrial, and consumer use.

PART # 88320

HTL PLUS HI-TACK WEATHERPROOF SPRAY LUBE

A powerful, penetrating lubricant designed to tackle tough jobs. It easily penetrates into tight spaces, loosening rust and corrosion. Resistant to water washout and vibration.

PART # 88280

ROAD PAINT REMOVER

A solvent based gel that clings to vertical surfaces to penetrate and remove road paint from vehicles. Use extreme caution around plastics and other painted surfaces.

PART # 8837

SILICONE LUBE

Protects, stops binding, squeaking and sticking. Spray easily penetrates into hard to reach areas. May be used on hundreds of items. Excellent for removing under the dashboard squeaks, rattles and noises.

PART # 8817

WHITE LITHIUM GREASE

A multi-purpose lithium lubricant for use on fittings, pumps, u-joints, wheel bearings, hinges, latches and more. For use in all automotive, industrial, farm and home applications.

PART # 8816

AIR INTAKE/CARB CLEANER

This non-chlorinated, non-corrosive formula quickly removes oil, dirt and dust from metal surfaces. Breaks down fluid residue, gum, varnish and carbon buildup without disassembly. Safe for metal surfaces.

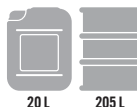

PART # 88310

CLEANZ PLUS SOLVENT CLEANER & DEGREASER

This fast-drying, non-chlorinated formula is designed to quickly and effectively eliminate oil, grease, lubricants and other contaminants. Leaves no residue.

PART # 5566

Scan the QR code to easily explore our full selection of professional tire and brake shop supplies. Everything you need, all in one place!

CLEANERS & DEGREASERS

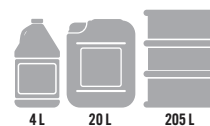

Our collection of cleaners and degreasers provide powerful solutions for tackling dirt, grease, and grime on a variety of surfaces. These versatile products offer exceptional cleaning performance, making even the toughest tasks quick and easy.

BIG PURPLE CONCENTRATED ALL PURPOSE CLEANER

A powerful all-purpose cleaner that tackles dirt, grime, stains, and smoke film on both hard and soft surfaces inside and outside your vehicle. From tires and trim to carpets and headliners, it's versatile enough to clean it all and can even be used as a presoak for heavily soiled areas.

PART # 5505

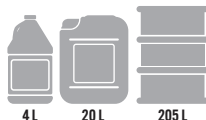

BIG RED ALL PURPOSE CLEANER

A heavy-duty cleaner that tackles tough stains like mud, grease, and smoke film. Perfect for both interior and exterior use, it also works as a pretreatment for stained uniforms and work clothes.

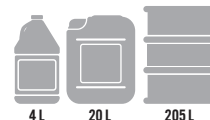

PART # 5506

BLAST OFF ALL PURPOSE CLEANER

An economical cleaner that tackles mud, dirt, grease, and more with ease. Safe for interiors yet powerful enough for exteriors, it also works as a pretreatment for dirty work clothes.

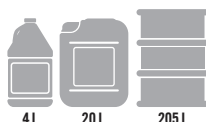

PART # 5562

GREEN STUFF HEAVY DUTY DEGREASER

A powerful degreaser that removes oil, grease, and grime from engines, equipment, and garage floors. It also eliminates adhesive without staining, making it perfect for tough jobs.

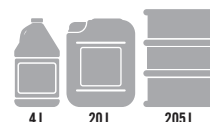

PART # 5514

SUPER PINK ALL PURPOSE CLEANER

A concentrated, water-based cleaner and degreaser perfect for both hard and soft surfaces. It tackles mud, oil, grime, paint overspray, tar, brake dust, and mildew, and can even remove stains from carpets and fabric.

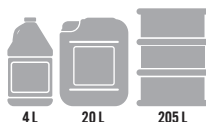

PART # 5550

E.C.O. GREEN ALL PURPOSE DEGREASER

A potent degreaser that cuts through oil, grease, and grime. Ideal for engines, machinery, and garage floors, it also removes adhesives without damaging surfaces, leaving them spotless.

PART # 5535

All Purpose CITRUS DEGREASER ALL PURPOSE DEGREASER

Powerfully formulated to cut through and remove even the toughest grease, this all-purpose citrus degreaser is safe for use on most water-resistant surfaces and a variety of applications.

PART # 8813

DEEP CLEAN UPHOLSTERY CLEANER & PROTECTANT

Formulated to clean and preserve the upholstery in today's vehicles. When product is dry, a stain protector is left behind to help repel dirt, soil & grime.

PART # 8801

HP SPOT ATTACK SPOT CLEANER

This fast-acting cleaner removes stains from dirt, ink, mud, coffee, urine, and more. Solvent-free, leaves no residue, and safe for carpet backings. Contains an odour neutraliser and leaves a fresh fragrance.

PART # 8803

CAR WASH SOAPS

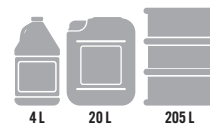

Our car wash soaps deliver powerful, gentle cleaning for all vehicle finishes. From streak-free washes to wash and wax blends, these formulas lift dirt and grime without stripping wax or damaging surfaces, leaving your car shining and protected. Safe for all vehicle types, including matte finishes.

HAWAIIAN SHINE WASH & WAX

Combines wash and wax in a unique blend that leaves a stunning shine and adds a layer of protection with every wash. Its cherry scent enhances the washing experience while cleaning dirt and grime and adding a hydrophobic layer to protect the exterior.

PART # 5525

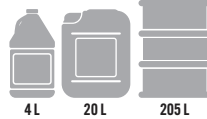

FOAM ALONE TOUCHLESS FOAM WASH & WAX

A foaming formula for quick express washes that works with GAP Professional Products® Spray Wax to speed up rinsing and add extra protection, ideal for time-sensitive cleaning.

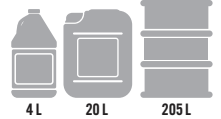

PART # 5592

WICKED! WASH & WAX

Offers the ultimate wash experience with a rich foam that lifts dirt without scratching. The long-lasting sheeting action prevents hard water spots and leaves your car gleaming with a delightful cherry scent.

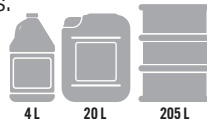

PART # 5597

CLASSIC CAR WASH CAR WASH SOAP

A concentrated soap that creates durable foam to clean all finishes, suspends dirt to prevent scratches, and rinses easily for a streak-free, scum-free finish. Safe for matte finishes and won't strip wax or protectants.

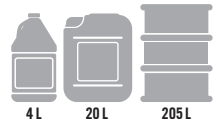

PART # 5501

CARIBBEAN CAR WASH CAR WASH SOAP

A concentrated formula that leaves your vehicle with a streak-free shine while smelling like paradise. It's safe for all vehicle surfaces, providing a high-quality wash experience.

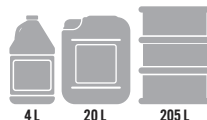

PART # 5561

VANISH PRE-SOAK

A highly concentrated pre-soak that breaks down soil and removes traffic film, perfect for automatic and coin-operated car washes, as well as industrial pressure washers, delivering outstanding results.

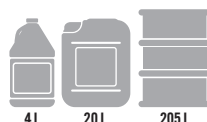

PART # 5533

PRESSURE STEAM SOAP HIGH PRESSURE SOAP

Quickly removes grease, oil, and dirt from any surface, ideal for garages, industrial equipment, and grease pits. Safe for rubber and works great with high-pressure washers.

PART # 5518

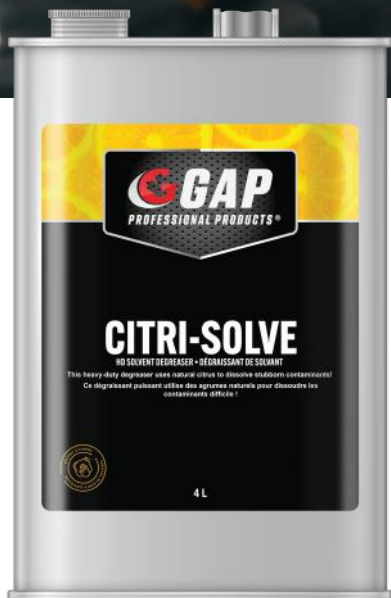

DON'T STOP AT SUDS. TAKE YOUR WASH TO THE NEXT LEVEL.

Our exterior accessories are just what you need to achieve that flawless finish. Check them out on pages 65-68.

WATERLESS CLEANERS

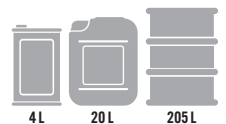

Our waterless cleaners offer a convenient and eco-friendly solution for car detailing, providing powerful cleaning without the need for water. This section includes both solvent and non-solvent cleaners, along with specialized tar and wax removers, designed to tackle dirt, grime, and stubborn contaminants.

CITRI SOLVE HD SOLVENT DEGREASER

Our strongest solvent based cleaner/degreaser. A combination of heavy duty natural citrus solvents and high-end surfactants quickly dissolve petroleum-based contaminants including road tar and industrial pollutants. Dries slowly and rinses freely. Non-butyl and phosphate free. This product quickly softens glue for easy removal of window and bumper stickers and wax.

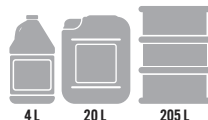

PART # 5543

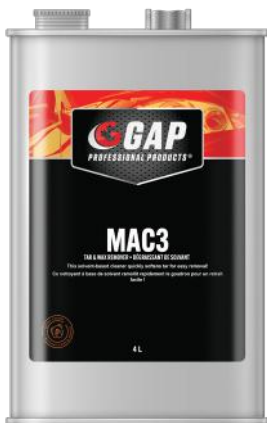

TARRIFFIC UNSCENTED WATERLESS DEGREASER

A powerful, scent-free waterless degreaser that quickly removes adhesive, tar, wax, undercoating, and other tough contaminants using advanced chemical technology.

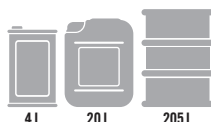

PART # 5583

MAC3 TAR & WAX REMOVER

A solvent based cleaner that quickly softens tar for easy removal, as well it will remove any wax on the vehicle. Ideal for pre-buffing.

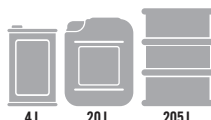

PART # 5544

TAR & WAX REMOVER SOLVENT ADHESIVE REMOVER

A solvent based cleaner that quickly softens tar and adhesive for easy removal, as well it will remove any wax on the vehicle.

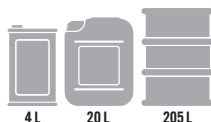

PART # 5509

ULTRA SOL TAR & WAX REMOVER

A solvent based cleaner that quickly softens tar for easy removal, as well it will remove any wax on the vehicle. Ideal for prepping vehicle for buffing or polishing.

PART # 5564

WHEEL CLEANERS

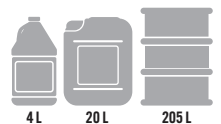

Our wheel cleaners provide powerful solutions for removing brake dust and grime from all wheel types. With both acid-based and non-acid options, these formulas offer exceptional performance, making wheel care quick and easy.

CLASSIC WHEEL ACID ACID WHEEL CLEANER

A heavy-duty, acid-based wheel cleaner expertly formulated for use on wheels and wheel covers. It effectively dissolves brake dust, light oils, rust, discolouration, and more; leaving your spokes gleaming. Infused with an acid-resistant foaming agent, it ensures thorough rinsing by visibly indicating when the product has been fully removed. For optimal results, wet the surface before application to ensure even distribution.

PART # 5515

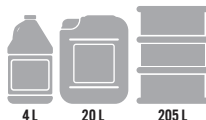

PURPLE HAZE WHEEL CLEANER

Instantly dissolves grease, grime, brake dust, rust, and road film, reaching every surface for brilliantly clean wheels.

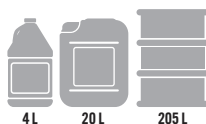

PART # A30

RWA WHEEL CLEANER ACID-FREE WHEEL CLEANER

A heavy-duty, organic-based wheel cleaner that dissolves brake dust, oils, rust, and discoloration, leaving wheels shiny. It features an acid-resistant foaming agent to signal when fully rinsed.

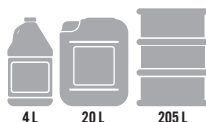

PART # 5539

IRON HORSE WHEEL CLEANER

This acid-free, heavy-duty wheel cleaner clings to surfaces, turning purple on contact with contaminants for a thorough, efficient clean.

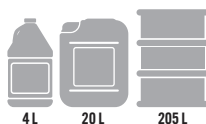

PART # 5585

BLACK DIAMOND WHEEL ACID ACID WHEEL CLEANER

A heavy-duty acid-based wheel cleaner that dissolves brake dust, oils, rust, and discoloration, leaving spokes sparkling. It features an acid-resistant foaming agent that signals when rinsed and works best on wet surfaces.

PART # 5565

(Iron Horse)

KEEP YOUR WHEELS LOOKING SHOWROOM SHARP.

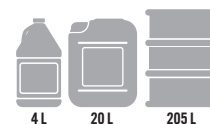

Make sure you have the right tools for the job.
Check our tire and wheel accessories on pages
65-68.

BRAKE DUST REMOVER ACID-FREE WHEEL CLEANER

This concentrated, water-based formula safely removes brake dust without damaging aluminum or magnesium, and can be diluted for various applications while protecting sensitive materials.

PART # 5579

DRESSINGS & PROTECTANTS

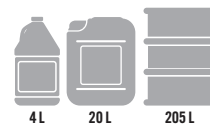

Our range of dressings and protectants offers premium solutions for enhancing and safeguarding tires, rubber, vinyl, and plastic surfaces. Whether with or without silicone, these products provide lasting shine, protection from the elements, and a like-new finish, making maintenance effortless and effective.

BLUE GLOSS PREMIUM TIRE & RUBBER DRESSING

Achieve a sleek, high-gloss finish with this durable tire dressing. Formulated to give tires a showroom shine while protecting against road contaminants, it's also great for vinyl bumpers, dash vents, rubber moldings, and vinyl tops. (Contains silicone for added protection.)

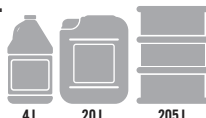

PART # 5503

GREAT GRAPE TIRE & RUBBER DRESSING

This durable, high-shine tire dressing is perfect for tires, vinyl bumpers, dash vents, and rubber moldings, delivering a showroom finish. Safe, hexane-free, and silicone-based, it's ideal for vinyl tops when applied sparingly.

PART # 5563

S.N.S BODY SHOP DRESSING TIRE & RUBBER DRESSING

A body shop-safe, high-gloss, non-silicone dressing formulated for all rubber surfaces. Exceptionally durable, it provides maximum protection.

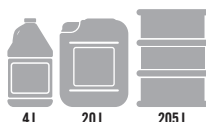

PART # 5554

TOTAL SHINE HIGH SHINE VINYL PROTECTOR

This high-gloss emulsion dressing restores vinyl shine and protection, perfect for dashboards and interiors. It shields against UV damage, stains, and the elements, providing a like-new finish with durable silicone.

PART # 5502

FINE SHINE NON-SILICONE DRESSING

This body shop-safe, water-based high-gloss dressing shines and protects rubber, plastic, and vinyl surfaces without silicone, preventing blemishes on fresh paint. Safe for engine bays.

PART # 5516

MAGIC SHINE ALL PURPOSE SILICONE DRESSING

Preserves, beautifies, and delivers a water-resistant high-gloss shine. Safe for most surfaces, it's perfect for hard-to-reach areas and rejuvenates both painted and non-painted plastics.

PART # 8800

LITE SHINE MATTE FINISH SILICONE DRESSING

Enhances, protects, and delivers a water-resistant matte finish. Suitable for most surfaces, it's ideal for hard-to-reach areas.

PART # 8820

BLACK TRIM KOTE PLASTIC & TRIM PROTECTANT

A water-based coating designed to restore and protect exterior plastic components, such as bumpers and trim. It revives the original black shine and shields against UV rays and harsh weather.

PART # 6614

Shine, protect, repeat. Elevate your vehicle care routine. Explore our full lineup of premium dressings & protectants, designed to give your ride a lasting, showroom finish.

SPECIALTY PRODUCTS

Our specialty products deliver targeted solutions for every detailing need. From bug removers and disinfectants to glass cleaners and exterior care, these products are designed to tackle specific challenges with precision, ensuring a spotless, showroom-ready finish every time.

BEFORE

AFTER

BUGS AWAY INSECT REMOVER

This powerful, scrub-free formula effortlessly eliminates dried bugs, stubborn bug spots, debris, and even tree sap from your vehicle. Left untreated, bugs can damage your car's paint by causing stains, discoloration, or scratches during washing. Bugs Away takes charge, removing bugs with ease while remaining gentle on your vehicle's delicate painted surfaces.

PART # 5517

GLASS CLEANER PLUS STREAK-FREE GLASS CLEANER

This non-streaking cleaner removes dirt, dust, silicone overspray, and smoke stains from glass, tints, and plastics. Safe for windows, screens, and plexiglass. Leaves a light, lemon scent.

PART # 5513
AEROSOL PART # 8810

Non-Ammoniated GLASS CLEANER STREAK-FREE GLASS CLEANER

An ammonia-free, non-streaking cleaner that works like magic on glass, window tints, and clear plastics. It removes dirt, dust, silicone overspray, smoke stains, and more. Safe for use on windows, screens, and plexiglass too.

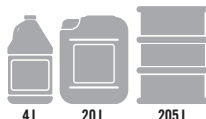

PART #8811

READY 2 GO! RTU DISINFECTANT/CLEANER

This antibacterial disinfectant kills 99.9% of bacteria in 5 seconds and viruses like cold and flu in 5 minutes, while eliminating odours, stains, and grime with a fresh, bleach-free scent.

APPROVED BY
 **Health
Canada**
PART # 5588

SURFACE CLARIFIER WATER SPOT REMOVER

Quickly removes water spots by dissolving mineral deposits on painted, chrome, and glass surfaces. This acid-based cleaner is body shop safe.

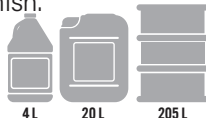

PART # 5596

SPRAY WAX RINSE & BEADING AGENT

This synthetic wax offers a streak-free shine and water repellency, protecting vehicles after a wash. Simple to apply, it's ideal for cars, trucks, motorcycles, boats, RVs, and off-road vehicles, providing a durable, scratch-free finish.

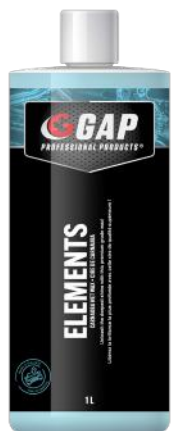

PART # 5575

SHOWROOM SHINE SPRAY, WIPE & SHINE

This easy-to-use, spray-on and wipe-off product removes fingerprints, oil, and contaminants, leaving a high-gloss finish. Use Showroom Shine between washes to keep your vehicle looking showroom-ready.

PART # 5529

ELEMENTS METAL CLEANER & POLISH

A quick and easy way to restore a high luster to polished metals. Ideal for aluminum, copper, chrome, stainless steel, brass, silver, and gold.

CARPET & UPHOLSTERY

Our carpet and upholstery products offer effective cleaning, conditioning, protection, and restoration for your vehicle's interior. Designed to tackle stains and wear, they help maintain a fresh, clean appearance while extending the life of your carpets and upholstery.

BIO ZYME BACTERIAL ENZYME CLEANER

Provides a two-phase approach to cleaning and deodourizing carpet and fabric. First, the unique natural chemical system instantly deodourizes and dissolves embedded grime and organic matter. Second, the bio-enzymatic activity begins breaking down the organic residue, eliminating stains and odours at the source. Removes milk, blood, wine, vomit, urine and feces.

PART # 5553
AEROSOL PART # 8819

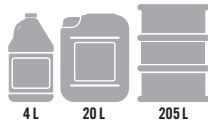

STAIN PLUS FABRIC CLEANER

A powerful cleaner with germicidal and deodourizing properties to quickly remove stains and eliminate bacteria, fungus, and mildew on various surfaces like carpet, vinyl, and marble.

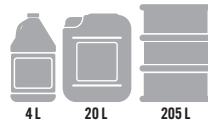

PART # 5528

YEEHAW LEATHER & PLASTIC CLEANER

A powerful water-based formula that cleans dirt, grime, and grease from interior leather and plastics. Suitable for all types of leather.

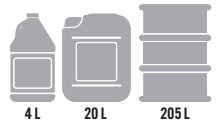

PART # 5582

SEAT CLEANER UPHOLSTERY CLEANER

Produces a dry foam for minimal moisture cleaning, lifting soils for easy removal with a bonnet, towel, or vacuum, leaving a non-tacky, residue-free finish.

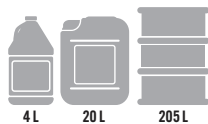

PART # 5511

X-TRACTOR SOAP EXTRACTOR MACHINE SOAP

A concentrated fabric and carpet cleaner for heated extractors that breaks down dirt and grime, dissolves medium to light grease stains, and leaves no residue and has a pleasant scent.

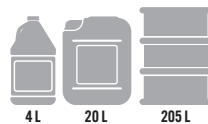

PART # 5548

SALT REMOVER PLUS SALT STAIN REMOVER

Neutralizes alkaline residues, salt, and calcium deposits on floors and carpets, while also effectively removing residual effects of strippers and cleaners.

PART # 5560

FABRIC GUARD FABRIC PROTECTANT

A fast-evaporating, solvent-based protectant that creates an invisible barrier, shielding new and used fabrics from water and solvent-based stains.

PART # 5520

BEE'S KNEES LEATHER CONDITIONER

This superior leather and vinyl conditioner is fortified with beeswax and lanolin allowing it to clean, hydrate and protect better than any other product. Contains no harsh chemicals or abrasives. Safe for all leathers in home and auto.

PART # 6626

LEATHER BALM LEATHER CLEANER & CONDITIONER

This one-of-a-kind formula was specially created to clean and condition leather and vinyl without the use of harsh chemicals or abrasives. Leather Balm will leave your leather and vinyl looking brand new and smelling ah-mazing!

PART # 6615

DEEP CLEAN UPHOLSTERY CLEANER & PROTECTANT

Formulated to clean and preserve the upholstery in today's vehicles. When product is dry, a stain protector is left behind to help repel dirt, soil & grime.

PART # 8801

HP SPOT ATTACK SPOT CLEANER

This fast-acting cleaner removes stains and odours, leaving no residue or harmful solvents. Leaves a fresh fragrance.

PART # 8803

ABC GUM REMOVER GUM REMOVER

Quickly and easily removes chewing gum, candle wax, and other gummy residues. Fast freezing action simplifies clean-up on carpets, wood, concrete, tile, marble, and more. Kit includes a multi-purpose scraper for easier removal.

BUFFING PRODUCTS

Discover our comprehensive selection of buffing products, including high-quality waxes, compounds, buffing pads, and accessories. Designed to deliver a flawless finish, our range supports every stage of the buffing process. From cutting and polishing to final protection. Perfect for professionals and enthusiasts alike.

XXACT 21 HIGH PERFORMANCE COMPOUND & POLISH

A high-performance compound and polish with a new DA additive package. This cream effortlessly cuts and polishes in one step, simplifying the paint correction process.

PART # 6621-1

XXACT X-CUT PAINT LEVELLING COMPOUND

A powerful heavy-cut compound that quickly removes 1000 grit or finer scratches, leaving a haze-free, high-gloss finish with minimal swirls and easy cleanup. Body shop safe and VOC compliant for professional use.

PART # 6609-1

XXACT CUT HIGH PERFORMANCE PAINT LEVELLING COMPOUND

This fast-acting compound removes 1000 grit sand scratches with ease, leaving a high-gloss, haze-free finish with minimal swirl and cleanup. The first step in the GAP X Paint Finishing System for a flawless result.

PART # 6610-1

XXACT POLISH HIGH PERFORMANCE PAINT POLISH

A light lotion designed to remove swirls and minor scratches from delicate high-end vehicle paint. Step two in the GAP X Paint Finishing System for flawless finishes.

PART # 6611-1

XXACT FINISH HIGH PERFORMANCE FINISHING PRODUCT

Formulated to remove lingering buffing swirls, especially on dark finishes, while being body shop safe. The final step in the GAP X Paint Finishing System, ensuring a flawless, polished result.

PART # 6612-1

VERY VERY CHERRY CARNAUBA WET WAX

Formulated with high-quality carnauba wax, this easy-to-apply cream delivers a deep, wet shine. Dries quickly to reduce time and labour, leaving your vehicle with a glossy finish.

PART # 6618-1

DAD'S WAX CARNAUBA WET WAX

An easy-to-apply liquid wax formulated with premium carnauba waxes, delivering a deep, long-lasting glossy shine.

PART # 6620-1

RESILIENCE POLYMER SEALER

An easy-to-apply liquid wax with a paint sealant and detergent-resistant formula, designed to protect painted surfaces and maintain their brilliant condition.

PART # 6616-1

BRAZILIAN PASTE WAX CARNAUBA PASTE WAX

Designed for easy hand application, this premium paste wax is formulated with the finest Brazilian carnauba wax, providing a stunning, long-lasting shine that enhances and protects your vehicle's finish.

PART # 6627

DEEP CUT HD CUTTING COMPOUND

A high-performance compound with advanced synthetic technology that removes heavy scratches and oxidation, revealing a high-shine finish. Effectively eliminates 1000 to 1500 grit sand marks and is suitable for most finishes.

PART # 7701-1

POLISH X CERAMIC POLISH

A premium polish combining the durability of glass with advanced ceramic silica technology. Suitable for hand or machine application, it delivers a glossy, smooth finish and leaves surfaces highly hydrophobic for lasting protection.

PART # 7781L

BUFF OUT HIGH PERFORMANCE PAINT POLISH

A powerful polish that begins as a compound to tackle moderate to heavy imperfections, then transforms into a finer polish as you buff. Ideal for clear coats, it compounds, polishes, and protects in one streamlined step, delivering exceptional results with ease.

PART # 7702-1

ANTI-SWIRL SWIRL REMOVING POLISH

Used as the final step, this unique polish removes buffer swirls, imperfections, and oxidation, leaving a dazzling gloss.

PART # 7704-1

LT X PINK LONGTHROW CUTTING CREAM

A high-tech, user-friendly cream combining cutting compound and wax. Formulated with advanced polymers and waxes, it can be applied by hand or with a buffer using foam, microfiber, or wool pads.

PART # 6613-1

LT X YELLOW LONGTHROW FINISHING CREAM

An advanced, user-friendly cream formulated with cutting-edge polymers and waxes. Easily applied by hand or with a buffer using foam, microfiber, or wool pads for a flawless finish.

PART # 6628-1

SHINE RELEASE FINISHING POLISH

Formulated to restore faded and pre-buffed paint surfaces, bringing back their original brilliance and luster. Revitalizes your vehicle's appearance, ensuring it looks as vibrant as the day it was first polished.

PART # 7703-1

WAX APPLICATOR 12 OZ BOTTLE

Work Smarter. Stay Safer.

Streamline your shop or dealership with our Colour Coded Safety Program®. By assigning specific colours to each product category, we make it easy to identify the right product at a glance. This smart system boosts efficiency, minimizes mistakes, and creates a safer, more organized workspace for your entire team.

Key Benefits

- Easy Product Recognition
- Reduced Risk of Cross-Contamination or Misuse
- Faster Training & Onboarding
- Improved Workflow & Productivity
- Professional, Organized Appearance

HEADLIGHT RESTORATION

Restore clarity and improve visibility with our headlight restoration products. This section includes everything you need to safely and effectively remove oxidation, yellowing, and haze; bringing headlights back to like-new condition while enhancing both appearance and performance on the road.

LENS SHIELD HEADLIGHT KIT

Designed to remove haze, yellowing, and oxidation, this easy-to-use kit restores your headlights to their original condition, enhancing both the appearance and performance of your vehicle. Whether you're prepping for a long road trip or just want to improve visibility and safety, our Lens Shield Headlight Kit helps ensure your headlights shine like new.

PART # GXR1132KIT

Your Brand. Our Products.

A perfect partnership!

Stand out in the marketplace by offering high-quality, co-branded products. With our Private Label Program, you gain access to our trusted manufacturing expertise while showcasing both your brand and ours, strengthening customer trust, identity, and loyalty.

BRAND CONTROL

From label design to product naming, shape your customers' experience from start to finish with full branding flexibility.

HIGHER MARGINS

Private label products typically offer better profit margins than national brands, helping grow your bottom line.

CUSTOMER LOYALTY

Build a stronger connection with your customers by delivering consistent, branded products they can trust.

CUSTOM SOLUTIONS

We offer low minimum order quantities, design support, and scalable production to grow with your business.

CERAMICS

Our ceramics range includes high-performance coatings and protectants that shield your vehicle's exterior from UV rays, weather, chemicals, and contaminants. These advanced formulas enhance shine, provide long-lasting hydrophobic protection, and make maintenance easier across many surfaces.

TOTAL COAT X PLUS KIT - 3 YEAR PROTECTION - SPRAY ON, WIPE OFF

The Total Coat X Plus Kit is formulated to deliver up to 3 years of durable protection. Formulated with advanced nano-crystalline technology, Total Coat X creates a hard, glossy layer that shields surfaces from weather, UV rays, chemicals, and contaminants while repelling water, dirt, and grime. **This kit is suitable for use on paint, glass, chrome, plastics, and more, leaving a deep, reflective finish with lasting hydrophobic properties.**

PART # 7793

BODY ARMOUR X LT CERAMIC COATING

A clear, nano-crystalline ceramic coating that delivers up to 7 years of durable protection. It creates a hard, high-gloss layer that resists UV rays, chemicals, and contaminants while repelling water, dirt, and grime.

PART # 7789

FOAM X FOAMING CERAMIC SEALANT

The ideal car wash for routine maintenance, whether your vehicle has a ceramic coating or not. Its advanced formula creates a powerful self-cleaning effect, helping your vehicle stay cleaner longer. Safe for use on all exterior surfaces.

PART # 7794

SEAL X PLUS CERAMIC SPRAY SEALANT

A graphene-infused ceramic spray that combines glass-like durability with a quick spray-and-wipe application. It delivers a slick, glossy finish and long-lasting hydrophobic protection on paint, glass, chrome, and plastics.

PART # 7784

FINISH X TOUCHLESS CERAMIC SPRAY SEALANT

A touchless, ceramic-infused spray sealant that requires no wiping. Just spray onto a wet vehicle and rinse off to reveal a glossy, smooth, and water-repellent finish. Ideal as a drying aid after every wash for lasting protection and shine.

PART # 7792

POLISH X CERAMIC POLISH

A premium polish combining the durability of glass with advanced ceramic silica technology. Suitable for hand or machine application, it delivers a glossy, smooth finish and leaves surfaces highly hydrophobic for lasting protection.

PART # 7781L

TIRE X SEASONAL TIRE DRESSING

A silicone-free, ultra-durable tire protectant that repels water, dirt, and contaminants. It dries to the touch in minutes and allows for multiple layers to achieve your preferred gloss level—from clean and natural to high-gloss shine.

PART # 7782

20/20 CERAMIC WINDSHIELD TREATMENT

A ceramic windshield treatment designed to repel water, sleet, and snow with ease. This fast-drying, easy-to-use formula enhances visibility in all weather conditions, keeping your windshield clearer and safer, longer.

PART # 7797

Unlock next-level protection . Explore our full line of ceramic products and elevate every surface with lasting shine and performance!

ROCK CHIP REPAIR

Restore and protect your vehicle's finish with our premium rock chip repair products. Whether you need to repair rock chips or fix road rash, our range offers effective solutions to keep your paint looking flawless. Trusted by professionals and enthusiasts alike, these products deliver reliable, high-quality results every time.

PROFESSIONAL ROCK CHIP KIT

The ultimate solution for serious detailers, packed with everything needed for high-quality rock chip repairs. All housed in a durable, rolling toolbox for maximum portability. Designed for convenience and efficiency, this comprehensive kit includes precision tools, touch-up materials, and finishing products to deliver flawless results every time, whether you're in the shop or on the move.

PART # GXR1060S

INDIVIDUAL ROCK CHIP REPAIR KIT

Designed to permanently cover unsightly rock chips in your car's paint. Easy to use and highly effective, the kit leaves behind a deep, protective shine that enhances your vehicle's appearance and helps guard against future damage. Ideal for quick touch-ups, it's the perfect way to keep your car looking like new without costly repairs.

PART # GXR1003

ROAD RASH REPAIR KIT

Experience the ultimate in surface restoration with our Road Rash Repair Kit. A game-changer in quick, effective damage repair. Just wipe it on and you're done! This easy-to-use formula delivers permanent results you can see instantly. Engineered with a durable ceramic sealant and coating, it restores and protects in one simple step. Say goodbye to unsightly scratches and blemishes. Your ride deserves nothing less.

PART # GXR113KIT

180 HARD COAT PROTECTOR

Formulated to eliminate excess paint from the Paint Chip Repair process, as well as road film, light oxidation, marks, and minor scratches. After application, 180 provides a high-gloss, durable protective layer that lasts up to 180 days.

PART # GXR1106

946 mL

245 CHIP PREP

A pre-treatment formulated to eliminate wax and contaminants from paint chips.

PART # GXR1103

946 mL

THINDOWN SPOT REMOVER

Specially formulated to remove tar, overspray, bugs, stains, and light surface contaminants. It is also the final step in the Road Rash Repair Process.

PART # GXR1102

235 mL

REJUVENATOR PLASTIC & RUBBER CONDITIONER

A cutting-edge formula specifically designed for deteriorated bumpers, guards, and rubber or plastic mouldings that need to be restored.

PART # GXR1104

1L

QUICK COVER PAINT

Quick Cover is a high-quality, fast-drying touch-up paint designed for permanent rock chip repair. Engineered for convenience, it dries to the touch in just minutes, making chip repair quick and easy.

Choose from nearly 100 standard colours to match your vehicle with precision. Need a specific shade? We offer custom colour matching based on almost any paint code.

DETAIL EQUIPMENT

Our detail equipment section offers powerful tools to make every job easier and more efficient. From foamers and vacuums to extractors and pressure washers, these durable machines are designed to deliver professional results whether you're tackling interior cleaning or exterior washing.

12 GALLON PROFESSIONAL EXTRACTOR

A powerful, portable carpet cleaner designed for both commercial and residential use. It features an exclusive 1000-watt external heater delivering on-demand heat up to 170°F, boosting cleaning efficiency while keeping internal components cool to extend motor life. Built for durability and ease of use, it has a compact clam-shell design for quick servicing and a sealed motor cavity to protect against spills. With strong suction, user-friendly controls, and a rugged build, it's ideal for professionals needing reliable performance and easy transport.

PART # GAP-77021

12 GALLON PROFESSIONAL SERIES EXTRACTOR

A rugged, professional-grade carpet and upholstery extractor designed for powerful cleaning in demanding environments. Easy for one person to operate, it delivers deep extraction, fast drying times, and lasting results. Ideal for vehicle detailing, upholstery care, and both commercial and residential carpet cleaning.

*Additional packages and accessories available for purchase.

PART # TC-DV12

COMPLETE PRESSURE CLEANING SYSTEM

Delivering up to 3000 PSI of powerful water pressure, our industrial pressure cleaning system is designed to meet the high standards of automotive professionals and detailing enthusiasts. Built with premium components, it quickly cuts through dirt, grease, and grime to restore vehicles to a spotless, showroom-quality finish. Compact, reliable, and built to last, it's the ideal solution for garages, mobile detailing units, and automotive workshops.

PART # GPW3000

10 GALLON WET/DRY VACUUM

Our vacuum offers excellent maneuverability and is built to handle tough jobs in any environment. Designed for long-lasting, reliable performance, it provides great value without straining your budget. Includes a universal wet/dry filter bag for added convenience. **Includes a 10' heavy-duty crushproof hose and crevice tool.**

*Additional accessories sold separately. Visit our website to see available options.

PART # CE1050-10

COLD WATER ELECTRIC PRESSURE WASHER

Reliable cold water electric pressure washers in 1500 or 2400 PSI options. Choose wall-mount for stationary use or hand-carry for portability. Compact, durable, and low-maintenance. Ideal for commercial cleaning with consistent pressure and flexibility.

*Includes hose & wand.

**Hot water option available.

1500 PSI PART # GPW1500

2400 PSI PART # GPW2400

HIGH & LOW PRESSURE FOAM GUNS

Our high and low pressure foam guns are designed for maximum versatility. Use the high-pressure model with a pressure washer or the low-pressure version with a standard garden hose. Both options produce thick, foamy suds that cling to surfaces, making vehicle washing faster, easier, and more effective. Perfect for automotive enthusiasts and professionals alike.

TORNADOR CLEANING GUN

TORNADOR® Car Cleaning Tools are the fastest and easiest way to clean all automotive surfaces. The TORNADOR® works with your air compressor to blast cleaning solution into crevices you can't reach by hand. Clean carpet, plastics, and upholstery inside the car. Clean wheels, convertible tops, and body seams on the exterior. The TORNADOR® Car Cleaning Tool cleans where other tools can't!

WHITE PART # GPP-010
BLACK PART # GPP-020

TORNADOR VELOCITY VAC

Available in Dry and Wet/Dry versions, connects to your Tornado cleaning gun and a standard vacuum to boost suction with patented TORNADOR® action. It quickly removes dirt, debris, and spills, saving time on every job. Built with rugged construction, it's a powerful, reliable upgrade for any detailing setup.

DRY PART # GPP-030
WET/DRY PART # GPP-040

TORNADOR MINI

Compact yet powerful, this ergonomic tool connects to your air compressor to deliver a tornado-like blast of air that quickly clears dust, dirt, and moisture from hard-to-reach areas. Portable enough to slip into your pocket, it speeds up detailing while saving time and money.

PART # GPP-007

PROFESSIONAL OZONE MACHINE

Designed for spaces like homes, condos, and offices, this ozone machine is a powerful solution for eliminating tough odours. It features a variable ozone-output control and a 12-hour timer that automatically shuts off after treatment. For deeply embedded odours, the convenient "Hold" setting allows continuous operation until manually turned off. Ideal for a wide range of residential, commercial, and recreational spaces, it effectively tackles odours from cigarette smoke, pets, and more.

PART # VILLA1000

PROFESSIONAL AIR GUNS

Our air guns are designed for powerful, precise cleaning and drying when connected to an air compressor. Ideal for blowing out dust, debris, and water from hard-to-reach areas, they're a must-have tool for automotive, workshop, and industrial use. Durable, easy to handle, and built for everyday performance.

WITH REGULATOR/RUBBER TIP PART # 4003

WITHOUT REGULATOR/RUBBER TIP PART # 4002

PROFESSIONAL AIR MOVER CARPET DRYER

This compact yet powerful air mover is ideal for car detailing, quickly drying carpets, seats, and floor mats without taking up space. Lightweight and portable, it delivers strong airflow without sacrificing performance. Its stackable design makes storage easy, and it's also great for drying crawl spaces, cabinets, closets, and other tight areas. Perfect for detailers and pros who need efficient drying in hard-to-reach spots.

PART # CE3500

PUSH BUTTON PROPORTIONER

Our proportioner dispenses precise amounts of product every time, helping you reduce waste and save money. Ideal for mixing and diluting, it's a smart, efficient solution for consistent results.

PART # 35761

BUFFING EQUIPMENT

Explore our premium range of RUPES® buffing equipment and tools, trusted by professionals for exceptional performance and precision. As an authorized RUPES® dealer, we offer the latest models and accessories to meet all your polishing and detailing needs.

BIGFOOT LHR21 MARK V RANDOM ORBITAL POLISHER

Designed for comfort and control, this polisher features a 21mm orbit for efficient, consistent results. It includes an anti-spinning shroud for added safety, electronic speed control for precise performance, and a lockable on/off switch for continuous use—perfect for all polishing applications.

PART # 854V

21MM BIGFOOT IBRID RANDOM ORBITAL POLISHER

Powerful performance in a compact design. It features a new eccentric set, anti-spinning ring, brushless motor, advanced gear system, LED indicator, and an 18V Li-ion battery. Perfect for pros and enthusiasts alike.

PART # 854IBRID

BIGFOOT MINI IBRID RANDOM ORBITAL POLISHER

Combines dual-power technology with a compact 12mm orbit and 75mm backing plate, making it perfect for polishing curves, contours, and tight spaces with precision and control.

PART # 871IBRID

15MM BIGFOOT MARK III RANDOM ORBITAL POLISHER

Designed for precision and comfort, this polisher delivers powerful correction on curved and complex surfaces, thanks to its higher RPM and optimized 15mm orbit. Perfect for tackling any detailing challenge.

PART # 868

PNEUMATIC PALM SANDER RANDOM ORBITAL SANDER

Extremely durable and ergonomic, this compact sander is the perfect tool for ultra-fine polishing and edgework operations. Ideal for spot-repair work.

PART # 856

IBRID NANO LONG NECK DELUXE KIT

The iBrid Nano Long Neck is a compact, ergonomic polisher. It is the ultimate tool for tight spaces and intricate details. This kit includes a variety of backing plates and brush attachments for various tasks.

PART # 878

WALL MOUNT TOOL HOLDER

Improve efficiency and organization. Designed to optimize your workspace by holding tools firmly and securely. Compatible with our Rupes polishers and sanders.

PART # 862

BIGFOOT CLAW PAD TOOL

A multi-function tool designed with a brush end for cleaning residue from pads and claw end for separating pads from the backing plate.

PART # 857-T0

SEMIRIGID CARRY BAG

Perfect for the on-the-go detailer. This carry bag provides support and protection for your BigFoot polisher and accessories. It features a number of internal and external pockets to keep products organized.

Essential Safety

when you need it most

Workplace injuries can happen anytime. Our First Aid Program ensures your team is prepared with kits that stay fully stocked and ready when needed.

Each kit is organized for quick access to essential supplies, and contents are easily replenished as they're used, keeping you compliant, confident, and covered.

Key Benefits

- Complete first aid kits for workplace safety
- Easy replenishment system
- Durable, organized cases
- Supports safety compliance
- Stay safe. Stay ready.

CONSUMER PRODUCTS

Perfect for the at-home detailer, these ready-to-use products deliver pro-level results with zero mixing or dilution. Just grab, spray, and shine. It's that simple. From interior cleaners to exterior sprays, these solutions are all about convenience and performance.

PREMIUM DETAIL BUCKET

Our Premium Detail Bucket is the ultimate at-home car care kit, featuring our best-selling products to wash, shine, and protect your vehicle with a professional finish. Packed in a heavy-duty bucket, it's everything you need for that perfect showroom shine.

PART # PDB

TOTAL SHINE HIGH SHINE VINYL PROTECTOR

This high-gloss emulsion dressing restores vinyl shine and protection, perfect for dashboards and interiors. It shields against UV damage, stains, and the elements, providing a like-new finish with durable silicone.

PART # 22025

BLUE GLOSS PREMIUM TIRE & RUBBER DRESSING

Get a deep, high-gloss shine with this durable silicone-based tire dressing. It protects against road grime and works great on tires, vinyl bumpers, dash vents, rubber trim, and tops.

PART # 22035

HAWAIIAN SHINE WASH & WAX

This wash and wax combo cleans, shines, and protects in one step. Its cherry-scented formula removes dirt and grime while leaving a glossy, hydrophobic layer for lasting protection.

PART # 22255

CARIBBEAN CAR WASH CAR WASH SOAP

A concentrated formula that leaves your vehicle with a streak-free shine while smelling like paradise. It's safe for all vehicle surfaces, providing a high-quality wash experience.

PART # 22615

BIG PURPLE ALL PURPOSE CLEANER

This powerful all-purpose cleaner cuts through dirt, grime, stains, and smoke film on both interior and exterior surfaces. Safe for everything from tires and trim to carpets and headliners, it's even tough enough to use as a presoak for heavily soiled areas.

PART # 22055

GREEN STUFF HEAVY DUTY DEGREASER

A powerful degreaser that removes oil, grease, and grime from engines, equipment, and garage floors. It also eliminates adhesive without staining, making it perfect for tough jobs.

PART # 22145

BIG RED ALL PURPOSE CLEANER

A heavy-duty cleaner that tackles tough stains like mud, grease, and smoke film. Perfect for both interior and exterior use, it also works as a pretreatment for stained uniforms and work clothes.

PART # 22065

BLAST OFF ALL PURPOSE CLEANER

A powerful degreaser that removes oil, grease, and grime from engines, equipment, and garage floors. It also eliminates adhesive without staining, making it perfect for tough jobs.

PART # 22625

YEEHAW LEATHER & PLASTIC CLEANER

A powerful water-based formula that cleans dirt, grime, and grease from interior leather and plastics. Suitable for all types of leather.

PART # 22825

SALT REMOVER SALT STAIN REMOVER

Neutralizes alkaline residues, salt, and calcium deposits on floors and carpets, while also effectively removing residual effects of strippers and cleaners.

PART # 22605

BUGS AWAY INSECT REMOVER

Bugs Away is a powerful, scrub-free formula that removes dried bugs, stubborn spots, debris, and tree sap with ease. Safe on paint, it prevents stains, discoloration, and scratches caused by untreated bug residue.

PART # 22175

BUG & TIRE CLEANER

A ready-to-use cleaner that quickly and effectively removes tough bugs from vehicles. It is also formulated to easily lift accumulated grime.

PART # 22985

IRON HORSE WHEEL CLEANER

This acid-free, heavy-duty wheel cleaner clings to surfaces, turning purple on contact with contaminants for a thorough, efficient clean.

PART # 22855

RED STUFF TIRE & WHEEL CLEANER

A citrus-based tire and wheel cleaner that cuts through tough dirt and grime without damaging aluminum or magnesium parts, delivering exceptional results with its unique formula.

PART # 22805

RWA WHEEL CLEANER WHEEL CLEANER

A heavy-duty, organic-based wheel cleaner that dissolves brake dust, oils, rust, and discoloration, leaving wheels shiny. It features an acid-resistant foaming agent to signal when fully rinsed.

PART # 22395

GLASS CLEANER PLUS STREAK-FREE GLASS CLEANER

This ammonia-based, non-streaking cleaner removes dirt, dust, silicone overspray, and smoke stains from glass, tints, and plastics. Safe for windows, screens, and plexiglass.

PART # 22135

READY 2 GO! RTU DISINFECTANT/CLEANER

This antibacterial disinfectant kills 99.9% of bacteria in 5 seconds and viruses like cold and flu in 5 minutes, while eliminating odours, stains, and grime with a fresh, bleach-free scent.

PART # 22885

SHOWROOM SHINE SPRAY, WIPE & SHINE

This easy-to-use, spray-on and wipe-off product removes fingerprints, oil, and contaminants, leaving a high-gloss finish. Use Showroom Shine between washes to keep your vehicle looking showroom-ready.

PART # 22295

SPRAY WAX RINSE & BEADING AGENT

This synthetic wax offers a streak-free shine and water repellency, protecting vehicles after a wash. Simple to apply, it's ideal for cars, trucks, motorcycles, boats, RVs, and off-road vehicles, providing a durable, scratch-free finish.

PART # 22755

VERY VERY CHERRY CARNAUBA WET WAX

Formulated with high-quality carnauba wax, this easy-to-apply cream delivers a deep, wet shine. Dries quickly to reduce time and labour, leaving your vehicle with a glossy finish.

PART # 24182

FINE SHINE NON-SILICONE DRESSING

This body shop-safe, water-based high-gloss dressing shines and protects rubber, plastic, and vinyl surfaces without silicone, preventing blemishes on fresh paint. Safe for engine bays.

PART # 22165

LEATHER BALM LEATHER CLEANER & CONDITIONER

This one-of-a-kind formula was specially created to clean and condition leather and vinyl without the use of harsh chemicals or abrasives. Leather Balm will leave your leather and vinyl looking brand new and smelling ah-mazing!

PART # 22155

ELEMENTS METAL CLEANER & POLISH

A quick and easy way to restore a high luster to polished metals. Ideal for aluminum, copper, chrome, stainless steel, brass, silver, and gold.

PART # 24232

CLAY BAR LUBE

A slick, easy-to-use clay bar lubricant that reduces friction for smooth, scratch-free detailing. Enhances clay bar performance and leaves a clean, glossy finish. Safe for all paint types.

PART # 22325
