Verde Silver Magno

Carmine Red

Rose Gold accent

THE MAYBACH SIGNATURE

Two-tone paint, illuminated accents, rose-gold details and forged wheels create a distinct presence.

The first-class cabin

Hand-finished materials, immersive displays and deeply personalized comfort make the rear cabin the destination.

EXECUTIVE REAR SEATS

Available first-class seating reclines up to 43 degrees with power calf and foot rests.

REAR ENTERTAINMENT

Two standard 13.1-inch displays pair with two configurable remotes for individual control.

MBUX SUPERSCREEN

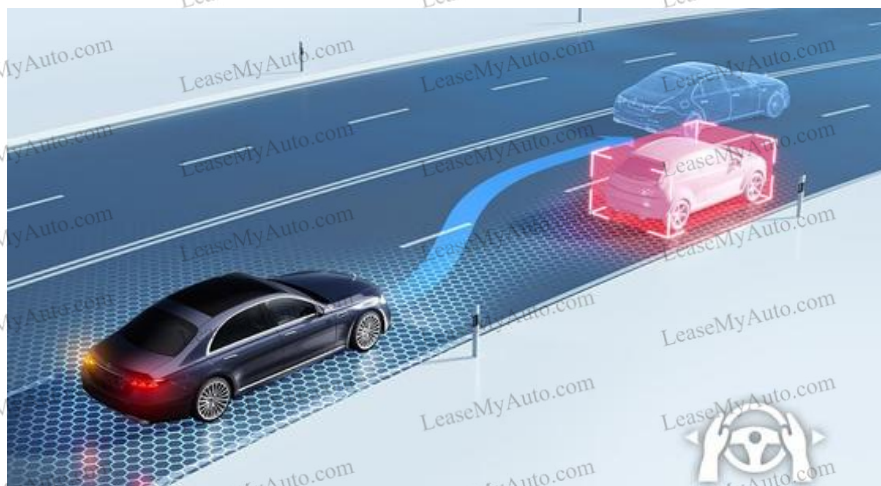

A 14.4-inch center display joins 12.3-inch driver and passenger screens in one digital sweep.

AMBIENT ATMOSPHERE

199 LEDs, ten color worlds and 64 selectable colors include Maybach Rose Gold and Amethyst Glow.

Serenity, intelligently supported

INTELLIGENT SUPPORT

- MB.DRIVE ASSIST driver-assistance technology
- AIRMATIC with intelligent, self-leveling damping
- 4.5-degree rear-axle steering for easier maneuvering
- Surround-view and active parking assistance
- Active ambient lighting with visual alerts
- Enhanced insulation for exceptional cabin quiet

EXECUTIVE INDULGENCE

Available rear-cabin appointments include a refrigerated compartment and silver-plated Robbe & Berking champagne flutes. Every detail is designed to turn travel time into personal time.
