WELCOME PLAYERS, FANS & UMPIRES to the 2026 North American Championships/
Tournament of Champions of the National Softball Federation!

We appreciate your participation in our 15th annual event and trust your experience will be an enjoyable one!

The NSF Staff and Cambridge-Isanti Area Softball Association have been hard at work to ensure a successful event, one where regional teams can participate without spending as much money on travel and investing huge amounts of time versus other national tournaments. We've taken every precaution to make sure health and safety are at the forefront, while still providing a fun and memorable event for all!

Please help us continue to promote our five state concept by spreading the word on the Tournament of Champions/North American Championships to other competitive teams in the five state area and Canada.

The fact our entry fee is lower and we guarantee teams more games than other existing national organizations is a big plus. Also, our tournament hosts have fewer expenses and thus a better chance to raise funds for their local association to reinvest in the game of softball. **Please support the concessions stand and memorabilia booth.**

We would also like to congratulate the men and women in blue who have been selected to umpire the **15th Anniversary NSF Tournament of Champions/North American Championships**. Please respect their dedication, hard work and professionalism, even if you don't always agree with a call.

In closing, we would like to reiterate the desire to attract more teams from the five state area and Canada in the future and invite you to participate in that effort! Good luck, have fun, stay safe, and enjoy the great game of softball!

EMT ON-SITE SATURDAY, AUGUST 15th

Dear 2026 North American Championship Participants,

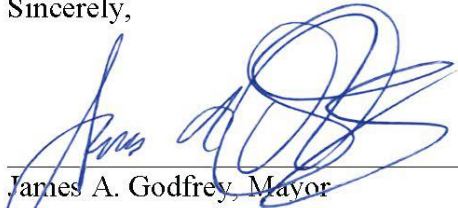

Welcome to the City of Cambridge!

We trust that you will enjoy your games, good sportsmanship, and the fields at Sandquist Family Park in a weekend filled with competition, sportsmanship, and community spirit. Sandquist Family Park is truly Cambridge's own "field of dreams". The City is very proud to have these high-quality fields available for leagues and tournaments due to the dedication shown by the Cambridge-Isanti Softball Association, the Sandquist Family, and the City's public works department.

Cambridge has a wide variety of retail, restaurants, and recreational facilities such as City Park for picnics, fishing in the Rum River, or the Cambridge-Isanti Bike Walk Trail. I encourage you to have a meal downtown at Cambridge Bar & Grill, People's Cafe, Pizza Pub, Pizza Hut, Sidelines, Taco Johns, Chapala's, or Leader restaurant. Cambridge is also home to several retailers such as Target, Walmart, Fleet Farm, and Menards. We hope that you find everything you need right here in Cambridge. For more insight into our wonderful community, please visit our website at www.ci.cambridge.mn.us.

We wish you the best of luck in your tournament and hope that you will plan to return to Cambridge again very soon.

Sincerely,

James A. Godfrey, Mayor

On behalf of the Cambridge City Council and the Citizens of Cambridge

**NATIONAL SOFTBALL FEDERATION
TOURNAMENT OF CHAMPIONS/STATE
NORTH AMERICAN CHAMPIONSHIPS
TOURNAMENT RULES
2026**

All play shall be governed by the National Softball Federation/MSF rules (found on pages 22-26 of the current softball guidebook and in current rulebook) with the following points of emphasis:

1. Pitching arc is 6-12'.
2. Pitcher 6' step back rule is in effect.
3. Courtesy runner rule is in effect.

COURTESY RUNNERS

- a) Only one courtesy runner may be used per half inning NOTE: If the same batter who had a courtesy runner bats multiple times in the same half-inning, they are allowed a courtesy runner each time. It does not need to be the same runner each time.
- b) The courtesy runner may be any individual listed on the scorecard, either in the starting lineup or as a substitute, as chosen by the team manager.
- c) If a courtesy runner's time at bat comes while they are on base, they will be called out as a base runner, be removed from base and allowed to take their turn at bat.

PENALTY (for violating 1 through 3): An out is declared and runner is removed from base.

NOTE: Due to the protective equipment slowpitch pitchers wear, they are granted an optional courtesy runner each time they reach base (not counted toward the one allocated per team per half-inning and need not be the same runner).

4. 3/2 count: **If a hit ball on the second strike** is ruled foul, ball is dead and runners may not advance.
5. Coin toss determines home team.
6. Forty-five minutes prior to each game the team manager must check in at the Tournament Headquarters for the coin toss and to complete the lineup card (Note: if a team is playing a back-to-back game, UIC will meet them at field for coin flip/lineup). If a player's name appears on the lineup card, but is not listed on the official roster or completed pickup form, the team shall be disqualified from tournament play. Any time a team is found to have an ineligible player, they shall be disqualified from tournament play. **Spot checks will be performed!**
7. Game time is forfeit time except on a team's first scheduled contest where a 10 minute grace period is allowed. Nine or more players must be present to start.
8. Casual Profanity Rule will be in effect.
9. Managers/players ejected from a game are ineligible for the following game and may be disqualified from the remainder of the event with additional penalties possible. **DO NOT ALLOW THIS TO HAPPEN.** On-site hearing will be conducted to determine penalties beyond the 1+1 suspension (if any). Players guilty of using an illegal bat will be declared out and disqualified from tournament play. Spot checks will be performed.
10. In case of inclement weather which delays play, check with the tournament manager before departing to the tournament site and make sure to exchange cell #'s.
11. Batting the bench (slowpitch). Slowpitch teams may bat the bench, but if a batter is disqualified or voluntarily leaves that spot in the batting order, it will be an automatic out.
12. Use of alcohol or tobacco products during game is not permitted. Alcohol or tobacco products are not permitted on or near the bench area. Players may not be intoxicated while playing. The use of tobacco and alcohol products may be prohibited at some city and county parks entirely.
13. All teams must supply and wear jerseys which have at least four inch legible non-duplicate numbers from 0-99 in which the shirt bodies are the same color. Matching pants/shorts are not required. Pickup players may wear either a jersey of the team picking them up or their jersey of the team they were picked up from.

GOOD LUCK TO ALL PARTICIPATING TEAMS!

Strong Personal Injury Help for Midwest Families

Accidents are traumatic. The injuries that follow can feel overwhelming. Too often, people end up facing insurance companies, hospital bills and missed work while trying to emotionally and physically recover enough to get their life back.

At Keller, Woods & Thompson, P.A., we aggressively protect the rights of injured people throughout the Midwest. Our attorneys understand the emotional, physical and financial toll that comes with injuries. We are strong negotiators and, when necessary, litigators. When you work with us, your best interests always come first.
