ROBINVALE EUSTON

The Robinvale Euston Football Netball Club celebrated a memorable 2026 season at the McLeod Medal Presentation Night, with Eagles players recognised across football and netball and two teams now preparing for Grand Final day.

We were strongly represented throughout the SFNL awards, highlighting the depth and quality across our Club.

In our B Grade Netball, four Eagles players featured in the Walder/Hyder Medal count, with Carmen Garreffa producing an outstanding performance to claim the League Best and Fairest with 26 votes, winning by a single vote. Shakira Hingano finished equal third, while Stephanie Garreffa and Amanda Healy also polled strongly.

Amanda Healy added another achievement to her impressive season, taking out the B Grade Sharp Shooter award after finishing the season with an incredible 540 goals.

The Eagles were also well represented in the Under 18s Casey Medal count, with Ty Brigante, Riley Giofrelle and Hamish Jenner all polling strongly. Brigante finished on 18 votes, equal with the eventual winner, but was ineligible for the Best and Fairest award due to a suspension earlier in the season. He was still rewarded for his outstanding season, claiming the Under 18s Leading Goal Kicker award with 40 goals.

Giofrelle and Jenner also finished among the top 10 in the count, reflecting the strength of the Eagles' Under 18s squad.

Our Reserves were another highlight, with Marcus Chirchiglia, Jess Stevens, Edward Waqaleva and Seth Connell representing our Club in the Holcroft Medal count. Stevens took home the Reserves Best and Fairest award, while Connell was recognised as the Reserves Leading Goal Kicker after finishing with 30 goals.

Robinvale Euston also celebrated individual league recognition, with Antonio Liparota named SFNL Goal Umpire of the Year.

One of the most significant honours of the evening went to Eagles Stalwart Jakob Garreffa, who was awarded a SFNL Life Membership, after reaching the remarkable milestone of 300 games for Robinvale Euston.

The Club's A Grade netballers were also recognised, with four Eagles selected in the 2026 Netball Team of the Year. Courtney Wakefield and Jemma Meehan were named in defence, Ashlea Brown in the midcourt and Sarah Hepburn as goal shooter. Wakefield and Meehan also featured among the top 10 in the Horkings Medal count.

Senior footballers Mathew Pearce and Adam Oxley were selected in the Senior Football Team of the Year, with Pearce going on to finish third in the McLeod Medal.

The Eagles' Under 18s secured their place in the Grand Final with a convincing 35-point victory over Mildura, running out 12.5 (77) to 6.6 (42) winners.

Robinvale Euston made a strong start, leading by 14 points at quarter-time before Mildura responded in the second term. The Eagles held their composure and then produced a dominant second half, kicking four goals in both the third and final quarters while keeping Mildura scoreless in the final term.

Coach Joseph Mezzatesta praised the collective effort, describing it as a credit to the entire 22-player group. "The inclusion of Rafale and Luca really lifted the team. Every player played their role," Mezzatesta said.

The victory booked the Under 18s a place in the Grand Final today which has capped off an impressive season for the young Eagles.

Our B Grade netballers have also earned their place in the Grand Final following an incredibly consistent season. The team has built its success around composure, communication, trust and a willingness from every player to put the team first. As the season progressed, those qualities became a key part of the Eagles' game style, with the group developing a strong belief in each other and the ability to remain united regardless of the scoreboard.

The season has also been defined by the enjoyment and friendship within the group, with plenty of support, laughter and memorable moments along the way.

The team has received valuable support throughout the season from Jane Aikman, who assisted with game analysis, strategies and direction, while Jess Vandenberg provided important support from the bench. Trainers Chloe and Alissa have also played a vital role in keeping the players fit, healthy and ready to take the court.

Reaching the Grand Final is a reward for the commitment and consistency shown by the entire group throughout the season.

Grand Final day will be a special occasion for the Eagles, with both B Grade Netball and Under 18s Football representing Robinvale Euston on the biggest stage.

Our Club is proud of the achievements of all its players, coaches, volunteers, families and supporters throughout 2026. The strong representation at the SFNL awards, and the success of the Grand Final teams are a reflection of the dedication and teamwork across the Club.

On Thursday night we bid farewell to our Thursday Night Meals, which we all enjoy. A big shout out to Maeghan Costantino and her marvelous band of voluntary workers. To each and every one of you, we pass on our sincere thanks, you all do a such marvelous job. It is volunteering at its best. To everyone else who may have contributed in any way to the running of our Club we thank you, because without you we would not be the great Club we are.

Good luck to our B Grade Netballers and Under 18 Footballers in today's Grand Finals. We wish both teams all the very best!

Don't forget tomorrow we will be celebrating our Trophy Presentation Day. It commences at 10am, please come along early and stay on for lunch.

Well the time has come for 'The Big Dance'. We congratulate Dan McShane and Adam Dunstan's Under 13s team on reaching the final day in September on the SFNL calendar. Congratulations to coaches Ryan (Darts) Doherty and Jack Steel and the Seniors boys for making it to the Grand Final also.

What a magnificent feat!

Our Under 13s will come up against South Mildura, which will be a tight contest and I have no doubt will come down to everyone giving their all..

Our Seniors come up against Mildura, in which will take a solid four quarter effort from all the boys.

The ENTIRE RCFNC , committee, families and community are proud of each and every one of you for showing great sportsmanship throughout the finals and the year. You all deserve to hold your heads high no matter what. The outcome.

Last week our 13s came up in blustery conditions and took on Mildura. Lucky the weather gods were on our side and the boys managed 4 goals in what was a low scoring affair. Cam White booting through 3 majors in a best on ground performance along with Jimmy Dunstan, Toby Searle, Noah Barton, Riley Head and Liam Craker.

Our Seniors took on South Mildura. The boys went in at half time with two points in it. The third quarter the J train was on!! With the two Jake's', Jack, J Mac, Jap all contributing 8 goals between them. The end result saw the boys looking towards the Big Dance with a 45 point win and eyes on the prize!!

Congratulations goes to all vote getters from Monday night with Pete, Captain Jimmy and Jack Parker all polling well. Also for Jack Parker and Pete Tuifao for making "Team of the Year".

A massive achievement from these boys.

On the netball front, congratulations to Abbey Allen and Alana Ralli for polling votes in the C Reserve. Fantastic achievement ladies!!

Don't forget tomorrow we have our Junior presentation day. Beginning at 10am with the Under 8s. Could netball families please bring a salad and football families, a dessert.

A huge big thankyou goes to our sponsors this year, to the committee and also to our members and families that contribute each and every week to keep the club running.

Good luck to all Tigers playing today, bring home those premiership cups and we will celebrate in style at the clubrooms afterwards.

AFL FACT: In the 1920 VFL Grand Final, Richmond had a player named Billy James make his debut — and it was his one and only game for Richmond.

And he didn't just play in a premiership...

He kicked the goal that sealed the Tigers' victory over Collingwood.

So Billy James is believed to be the only player in VFL/AFL history to win a premiership in the only senior game he ever played.

Thanks to everyone for tuning in... UP THE TIGES!!

MILDURA

We are incredibly proud to have seven teams competing in Saturday's Grand Finals, which is testament to the hard work of players, coaches, trainers and all our amazing volunteers throughout the year.

But the job is not done yet and an enormous opportunity awaits.

Our A grade netballers and senior football team headline the day and hit the Grand Finals in good health and good form.

The A Grade girls were outstanding in their 46-38 Preliminary Final win over Robinvale Euston last weekend, with Molly McDonald and Ava Zadow named best players, setting up another blockbuster clash with Wentworth in one of the league's great rivalries. The atmosphere inside the Mildura Sporting Precinct stadium will be electric and we expect the Dees fans to bring the noise!

Our Senior Footballers face Red Cliffs, who secured their Grand Final berth with a strong win over South Mildura. It has been tight between the two teams all year and we expect nothing different on Saturday. But our group has shown great resilience this year and have earned this very rare chance at back-to-back premierships.

Other teams in action today include our B Grade, C Grade, Under 17 Division 2 and U15 Division 2 netball teams, as well as the Under 16 footballers.

Commiserations to our U18 and U13 footballers, along with our U17 Division 1, C Reserve and U13 Division 2 netball teams, who narrowly missed Grand Final qualification. Our U17 Girls Football team also battled bravely against Wentworth in the Grand Final and should be proud of their season.

Following Saturday's action, everyone is welcome back to the clubrooms from 5.30pm for pizza, music and post-match celebrations. The season concludes with our Family and Presentation Day on Sunday from 9.30am, including a BBQ lunch and the presentation of team awards.

Good luck to all the teams today. Go Dees!

Here we are—the big day! After a long and exciting 2026 season, our footballers and netballers have earned their place on the biggest stage. It has been a season full of challenges, successes, close contests, development and plenty of memories, and we should be incredibly proud of everyone who has pulled on the blue and gold throughout the year.

Congratulations to every Swallows team, player, coach and Team Manager for their efforts throughout the season. Whether your season has already come to an end or you are preparing to take the field today, every player has contributed to what has been another fantastic year for our club.

Today, we are incredibly proud to have four teams competing in Grand Finals—our Under 13 Division 2 and Under 17 Division 2 netball teams, along with our Under 18 and Reserves football teams. Reaching a Grand Final is a tremendous achievement and reflects the commitment, hard work and resilience shown by these players throughout the season. We wish every team the very best today. Enjoy the occasion, embrace the challenge and represent the Swallows with pride.

A Grand Final doesn't happen without an enormous amount of work behind the scenes. I want to extend a huge thank you to our entire committee for their tireless work throughout 2026. Much of what you do happens quietly and often goes unnoticed, but your commitment is fundamental to everything our club achieves. We are incredibly fortunate to have such a dedicated group working for everyone who is part of the Swallows.

We also sincerely thank our sponsors, members, volunteers and supporters for your unwavering support throughout the year. Your contribution, whether financial, practical or simply being there on game day, is what makes our club so strong.

Following today's games, we will head back to the clubrooms from 6.30pm to celebrate the season together. We encourage everyone to come along, share a few stories and celebrate everything that makes the Swallows special.

Finally, don't forget our Senior Presentation Night at the Irymple Hotel on Saturday 19 September. We look forward to coming together once again to recognise the achievements and contributions of our senior players and celebrate the 2026 season.

Good luck to all our Grand Final teams—wear the blue and gold with pride and enjoy the big day!

THE TEAM BEHIND THE SUPPORT

Backing the community that backs us

At Barry Plant Mildura, supporting our local community goes far beyond real estate. Through sponsorships and partnerships with local sporting clubs, schools, events and community organisations, we're proud to help create opportunities and support the people who make our region such a special place to live. For us, sponsorship is more than placing our name on a sign, it's about showing up, getting involved and giving back to the community that continues to support us.

When our community thrives, we all thrive.
