Exclusive F1 Title Sponsor:

Dear Community Partner,

We're excited to announce the inaugural Cars & Casino Charity Fundraiser, presented by Royal LePage® Burloak on Friday, September 18, 2026 at Hagerty Garage + Social. We're reaching out for sponsorships and donations in support of the Royal LePage® Shelter Foundation™, benefiting Halton Women's Place and Carpenter Hospice.

Both organizations rely on community partners to help raise awareness and keep their programs running. In the past twenty two years, the Royal LePage® Burloak Fundraising Team has raised over \$500,000 in support of Halton Women's Place and Carpenter Hospice, thanks in part to the generosity of organizations such as yours. Please review the enclosed application detailing various sponsorship opportunities that are available to you. We are grateful to all our generous sponsors and donors, and we hope that we can count on your support to make this year's event one of our best yet!

Halton Women's Place is the ONLY women's shelter in the Halton Region providing a safe haven, information and education to support a future without abuse for women and their children. Halton Women's Place responds to more than 2,500 crisis calls per year.

Carpenter Hospice provides individuals who are nearing end of life and their families with high quality palliative care in a home-like setting, meeting their physical, emotional and spiritual needs and making the last days of their lives together peaceful, comfortable and meaningful, making it one of the most special homes in the community.

To become a sponsor, please contact any of our committee members or feel free to contact me for further information. Your support of the Royal LePage® Burloak Cars & Casino Fundraiser is an investment in the health of our community!

Sincerely,

OUR CHARITABLE PARTNERS

A house is only truly a home when it is safe. For 28 years, that belief has guided the work of the Royal LePage® Shelter Foundation™ – Canada's largest public foundation dedicated exclusively to supporting women's shelters and preventing intimate partner violence. Founded in 1998, the Foundation has raised \$57M to date, and grown into a national movement focused on safety, healing, and prevention.

Halton Women's Place is the only women's shelter in the Halton region dedicated to supporting women and children escaping domestic violence. They provide safe shelter, 24/7 crisis support, counselling, and outreach programs that help families rebuild their lives with dignity and hope.

Carpenter Hospice in Burlington provides residential palliative care and community-based programs for individuals facing life-limiting illnesses. Their approach prioritizes comfort, dignity, and meaningful moments, offered at no cost to residents or their families.
