A MESSAGE FROM

WESTERN BCA LEADERSHIP

Since our March 2026 8-Ball Championship magazine, we have reached the first two milestones on our roadmap: a new online voting system for greater accessibility and transparency, and a revamped, modern website, as you requested.

01 YOUR VOICE MATTERS

Open communication is vital to our success. Your suggestions shape our direction; the new website FAQ came straight from a player. When you share your ideas, we listen.

03 PARTNER FINDER

We are investigating a “Partner Finder” in your Player Dashboard to make finding Scotch Doubles and Team partners easier, without ever exposing your phone number or home address.

02 SMARTER SYSTEMS

We are exploring major backend improvements to registration, giving us more independence and the flexibility to create events and make changes on the fly.

04 YOUR STORIES

We are growing our social media to spotlight the people who make this league extraordinary, with player interviews, Reels and YouTube Shorts from the tournament floor.

05 THE ENGINE BEHIND THE EVENTS

We publicly recognize the relentless work of our Tournament, Competition and Sponsorship Committees, who keep every event on time, balanced and high quality. A special thank you to the Western BCA Podium staff for their hard work. Your commitment lets everyone focus on competing and enjoying the camaraderie that makes Western BCA unique.

Thank you for your passion and dedication to the sport. Good luck in your matches, and we will see you at the tables.

Shoot well,

IRIS WANG

One of Us.

A Western BCA Story

HOW LONG HAVE YOU BEEN COMING TO THE COAST?

Two years now. I started in March 2025, and this coming October 2026 will be my fourth tournament.

WHAT DOES THIS COMMUNITY MEAN TO YOU?

It is a community where you can have fun and compete seriously at the same time. I love the competitive yet supportive atmosphere: everyone pushes each other to play better while genuinely cheering each other on. I've made so many new friends here, and I've loved bringing more people into the community to share it with.

BEST MOMENT YOU'VE HAD AT THIS TOURNAMENT?

Winning the 9-ball championship in October 2025. I took first in the Gold Division singles, going undefeated the whole way. Hearing the announcement "Champion, Iris Wang!!!" — that was the best moment.

WHAT KEEPS YOU COMING BACK?

The people. The friendships, the competition, and that same supportive atmosphere keep drawing me back, and now I get to share it with the friends I've brought along too.

WHAT WOULD YOU TELL SOMEONE SHOWING UP FOR THE FIRST TIME?

Enjoy every minute! Make friends, focus on your game when playing, and have a lot of fun!

"Everyone pushes each other to play better while genuinely cheering each other on."

FINAL VOTE

Every entry went to the Board and Officers with no names attached. Two members sat out the vote because they had submitted designs of their own. The winner was chosen by a 4-3 vote, a sign of how strong the entries were. The winning designer has asked to stay anonymous and is not claiming the free entry.

Thank you to everyone who took part. You made it a tough call.

End of Match.

SPOT SHOT SHOOTOUT PROCEDURE

Applies to all Western BCA Championships — Singles · Teams · Scotch Doubles

01 THE 10-MINUTE RULE

No new racks begin with 10 minutes or less left. Finish the game in progress. If the match is undecided, an official marks the score and a spot shot shootout decides the rest.

Shootout games are NOT reported to FargoRate.

02 HOW THE SHOOTOUT WORKS

- ◆ Lag or flip a coin. The winner picks shooting order or table side. Both reverse every attempt.
- ◆ Best of 3 spot shots wins one game. Tied after 3, sudden death: a make against a miss.
- ◆ Scotch partners alternate. Team lineups stay unchanged. Repeat until a winner.

03 THE SHOT

- ◆ 30-second shot clock, no extensions, from the moment the ball is spotted.
- ◆ Cue ball within one diamond of the side rail, two of the head rail.
- ◆ The winning ball (8, 9 or 10) on the foot spot, number facing the light.
- ◆ Pocket it in the bottom corner diagonally opposite.

04 IT IS A MISS IF THE SHOOTER

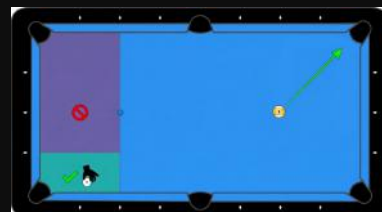

misses the pocket · banks or kicks · wrong pocket · scratches or fouls · runs out the clock

05 LEGAL CUE BALL PLACEMENT

■ Legal placement area ■ Outside the legal area

Cue ball in the upper zone, shoot to the opposite bottom corner.

Cue ball in the lower zone, shoot to the opposite top corner.
