PROJECT GUIDE

**OUTDOOR KITCHEN RENOVATION
STARTING FROM: \$45k**

www.jewelbicbrothers.com.au

The Jewelbic Brothers offer a true "one-stop shop" for home extensions and renovations, backed by professional project management from start to finish.

We coordinate all required trades to deliver a seamless, high-quality, turnkey service. Our capabilities include:

- Home, bathroom, kitchen, and laundry renovations
- Home extensions and general building
- Plumbing, electrical, carpentry, tiling, and roof plumbing maintenance

We also now offer **boutique new home builds**, limited to a capped number of **3 new projects per year** to maintain our high standards of quality, attention to detail, and personalised service.

Now in our **10th year in business**, our experience and continual refinement have shaped Jewelbic Brothers into a well-structured, process-driven company built on proven systems and reliable outcomes.

What sets us apart is our large **in-house team of 75 skilled tradespeople across multiple disciplines**. Unlike many builders who rely entirely on subcontractors, often causing job delays and slow issue resolution, we manage our own team, giving us full control over **timelines, quality, and responsiveness**. This structure also gives us the capability to **commence projects sooner** than many other builders from when a quote is accepted, reducing lead times and ensuring a smoother start to your renovation.

As a family business, we share the same vision and long-term goals, driven by a strong work ethic and a genuine understanding of your needs.

Avoid the stress of managing multiple trades. With Jewelbic Brothers, you gain stability, flexibility, and a trusted team to bring your vision to life.

*Project budgets and time frames stated in this booklet are project specific . There are many variables that we need to consider on every project and quote accordingly.

RECENT PROJECTS

Your staff were friendly and helpful, and I was impressed with the standard of workmanship, their high level of professionalism and customer care throughout the renovation from the demo to final clean. The project was completed within time and quote.

RECENT PROJECTS

Really impressed with the Jewelbic team and the outcome of our recent renovation. An efficient, considerate, personable team that delivered a project with a short turnaround to a high standard. Will use Jewelbic again.

At Jewelbic Brothers, we guarantee all our work and complete every project to the highest standard using only quality tapware and fixtures built to last. Our commitment to workmanship and customer satisfaction is backed by a structured quality assurance process, including inspections by our Project Manager at key stages, as well as regular checks throughout the project, to ensure your renovation runs smoothly from start to finish.

We thought that the work was extremely well sequenced, and the Jewelbic Brothers appear to be a well-resourced, hard-working team with positive relationships with all their trades.
