VOKAR

The image displays a repeating Christmas-themed pattern on a light beige, textured background. The pattern includes several types of illustrations: Santa Claus figures in red suits with white beards, some holding green gift boxes; gnomes in red hats and green suits, also holding gift boxes; candy canes in red and white stripes; snowflakes in various sizes and colors (red, green, white); and small green Christmas trees. The pattern is dense and festive. An inset image in the top right corner shows the pattern applied to a stack of four decorative pillows, demonstrating its use in home decor.

This image displays a vibrant Christmas-themed pattern on a light beige, textured background. The design is a repeating arrangement of various holiday motifs. Key elements include:

- Characters:** Several Santa Claus figures in red suits with white trim and hats, some holding green gift boxes. Interspersed are gnomes with white beards, red hats, and green suits, also holding gift boxes. Some gnomes are depicted wearing sunglasses.
- Decorations:** The pattern is filled with red and white snowflakes of various sizes, red and white striped candy canes, green Christmas trees, and red and green gift boxes tied with red ribbons.
- Inset Image:** A rectangular inset in the upper right corner shows the pattern being applied to a stack of four decorative pillows. The pillows are light-colored with a subtle texture, and the pattern is printed in a slightly muted, realistic style compared to the main image's more vibrant, illustrative look.
