

Data Center

Investor

Dr. Duong Van Thinh
September - 2026

Data Center Investor

Data center investors seek scalable, energy-efficient infrastructure, strong connectivity, and long-term returns. Explore opportunities and insights at www.drthinhduong.com and www.aidcvietnam.org for Vietnam's rapidly growing digital ecosystem.

KKR

KKR is a major US investment firm actively investing in data center infrastructure worldwide, focusing on scalable, high-performance digital assets supporting cloud, AI, and hyperscale growth. Contact: thinh.duong@aidcvietnam.org

The KKR logo is displayed in white, bold, sans-serif capital letters. It is centered within a dark purple square, which is itself centered within a light gray rectangular background.

Data4

Data4 is a European data-center investor and operator delivering secure, scalable, and energy-efficient digital infrastructure for cloud, AI, and enterprise workloads. The company develops sustainable campuses across Europe. For collaboration, contact:

thinh.duong@aidcvietnam.org

ERM

ERM is a global sustainability consultancy supporting data center developers with environmental compliance, energy efficiency, carbon reduction strategies, and resilient infrastructure planning for large-scale digital facilities. Contact:

thinh.duong@aidcvietnam.org

Digital Core REIT

Digital Core REIT is a pure-play data-center investor sponsored by Digital Realty, owning mission-critical facilities across major global markets and delivering stable, long-term value through diversified digital-infrastructure assets. Contact: **thinh.duong@aidcvietnam.org**

Green Power

Green Power invests in data-center solar EPC, O&M, and renewable-energy solutions, delivering efficient and sustainable clean-energy development for modern infrastructure needs.

Contact:

thinh.duong@aidcvietnam.org

The logo for Green Power, featuring the words "GREEN POWER" in a bold, black, sans-serif font. The letter "O" in "POWER" is replaced by a solid red circle. A small registered trademark symbol (®) is located to the upper right of the word "POWER". The text is set against a background of a blue sky with white clouds.

GREEN POWER[®]

VinaCapital

VinaCapital invests in high-growth digital infrastructure, including scalable and energy-efficient data centers, supporting long-term value creation and regional cloud and AI expansion.

Contact: thinh.duong@aidcvietnam.org

Data Center Contractor

Data Center contractors deliver end-to-end design, construction, and infrastructure integration, ensuring reliable power, cooling, security, and scalability for modern digital facilities across enterprise and hyperscale environments. www.drthinhduong.com
www.aidcvietnam.org

SAIF Eagle II

SAIF Eagle II invests in scalable, energy-efficient data center infrastructure, focusing on long-term value, sustainability, and supporting regional cloud and AI expansion.
