The Make Your Own Romantasy Book is your playful escape into a world of love, magic, and chaos. This fill-in-the-blank style book lets you craft your own tale whether it's a forbidden kiss in the moonlight, a dragon-riding date, or a meet-cute in a cursed library. Each page gives you the setup, and you provide the twist.

Whether you 're dodging writer's block or embracing your inner daydreamer, the Make Your Own Romantasy Book is a clever way to spark creativity. Perfect for parties, book clubs, or anyone who believes that love stories are better when they're a little unpredictable (especially when paired with laughter and imagination).

RANDOM THINGS TO DO BOX

Let's be honest, life can be real boring sometimes. Okay, a lot of the time. That's why we came up with all these weirdly fun challenges to make all your boring days better.

It's pretty simple: just roll the die and select from one of 140 color-coded cards. Each card is double-sided with two options to choose from, a "Today" challenge or an "Eventually" challenge, because let's be honest, it's going to take more than a single day to befriend and train that crow in your neighborhood.

It's the most haunted time of the year-to argue. You're already side-eyeing your friends' costume choices, so why not lean into the chaos?

Debatable: Spooky Edition includes 400 eerie, creepy, and downright ridiculous Halloween-themed topics to debate. Perfect for 2 or more players who love a good scare and a better squabble.

In this frightfully fun version of Debatable, we steer clear of politics and religion and dive straight into the important stuff: Should candy corn be banned? Is carving pumpkins a joyful tradition or a sticky mess? Which horror villain would make the best roommate? Each card is designed to spark spirited debates and spooky revelations.
