CONCLAVE

Welcome from the State Master Councilor

Seth Baldwin

97th State Master Councilor
Arizona DeMolay

Greetings Brothers, Advisors, and Friends,

We have reached the end of the term, when we celebrate all the hard work that has been done over the past year. Not only the state officers, but also every chapter that has done their best over the past 12 months. I am proud of how this term went. From the lasting memories of the events to the ever-increasing brotherhood, and to my State Officers, who put in the hours to ensure that every event and program was the best it could be.

The events this term started with Airsoft down in Tucson, and went off better than I could have ever hoped.

With over 30 members showing up, plus prospects, this event ended up being a bigger success than any of us could have hoped for. The party didn't stop for the state, as the next event would be the largest Halloween party in the state's history, with a room full of DeMolay, Rainbow and Job's Daughters. Brother John worked hard, with Cooper's help, to ensure the event would make it into the history books. In the end we raised \$1100.00 for the Shriners Children's Hospitals. Next, Kaden, our newest Chevalier, planned and organized the Honors Ceremony. It turned out extremely well, and his idea of having a bread-breaking ceremony with the LOH got a "rise" out of everyone. Grand Master's Class followed and ended up being an event that brought the brotherhood together, with people who would never have participated before, volunteering to jump in at the last minute. The whole day was super exciting and a bit long. Thank you to all those who agreed to be a part of the degrees! Counting down the last 3 events, Congress and DLC were super unique, and people hopefully learned quite a bit. Not only about the DeMolay ritual, but also life skills.

And finally, the day to round out the whole year: Conclave. This year, at Prescott Pines' campsite, there are tons of activities and fun to be had for the weekend. And such a perfect event to end such an entertaining year. This year will always be in my heart, not only as one of the most stressful, but also the most enjoyable years as a DeMolay. And I cannot wait to continue my journey as an active DeMolay supporter of Brother John Enloe, who put in the most work throughout my term, supporting my events and programs. He ended up not only participating in my APBs but also making the script for the large majority of them. They would not be as entertaining without his ideas.

As my year-long investigation wraps up, I am super happy with how this year turned out and cannot wait to see you all during the 98th State Master Councilor John Enloe's term, and all the ideas he has cooked up.

Signing off for the last time, thank you for your time,

Seth Baldwin

97th State Master Councilor 2025-26

Welcome from the Executive Officer

Greetings, and welcome to Conclave 2026!

This has been a remarkable year for Arizona DeMolay as we embrace and bring back tradition, while, at the same time, look to the future with fresh new ideas.

We are excited to be holding our annual event at Prescott Pines Camp this year, which is a new location for Arizona DeMolay. Based on feedback from the members and advisors, many changes have been made to Conclave to enhance everyone's experience.

Saturday's schedule is now all about **fun**, with the installation being moved to Sunday. This allows everyone to enjoy the activities without the pressure of a deadline of a formal event. Also, you will see a wider assortment of activities that **you** get to choose from so that you can enjoy what interests you while still sharing fellowship with your brothers.

Although we have taken a hit in our membership, and some of our Chapters are currently struggling, you must understand that this challenge is not unique to Arizona DeMolay.

What is unique is how Arizona DeMolay is facing these challenges.

Brother Chapters are now active. A Chevalier Court has been created which will provide a home for our Chevaliers and provide mentorship and aid to our Chapters. A new and revitalized bond with the LOH Preceptory has been created which provides more support for our members in the way of mentorship and support for our Chapters. The King Solomon and LOH members inducted this year now have a better understanding of what these titles mean and how they can both fulfill themselves and provide support to the young men of DeMolay in a manner that is more effective for them and our members. The State Association and the Arizona DeMolay Foundation are working together to revitalize their goals and to establish a stronger bond for the benefit of the young men, with many great things to soon be announced.

And, finally, our promise to enhance our relationship with our Masonic family has been kept and our dedication to this promise only grows stronger.

All of this is done to lay down a solid foundation for Arizona DeMolay to firmly plant its feet upon so that it can grow stronger for future generations. It takes the commitment of all of us to make this happen. Chapters need to work to grow their members and their advisory board for them to thrive. Our Masonic family must work together to make all of us stronger. We must work with those who support us both financially and physically under the same goals and purposes, all for the benefit and growth of our young men and for our future..

God bless the purposes of DeMolay

Steve Johnston

THE ARIZONA DEMOLAY STATE ASSOCIATION

Some Arizona DeMolay History

Below is my message as State Master Councilor of the Arizona State Association from the 42nd Annual Conclave Booklet. I hope you find a little insight as to what DeMolay was like in 1971. Some things change and some things remain the same.

Brethren,

It is my privilege to welcome each of you to the 42nd Annual Conclave of the Arizona State Association. I hope that by the end of the Session you will be able to return to your chapters with a greater enthusiasm towards DeMolay. Conclave is the most important activity that the State Association has in one year. You will be electing new state councilors, voting on resolutions, and making changes for the Association. A number of you will become directly involved with the Association by becoming the officers for the next year. Although we are celebrating our 42nd Annual Conclave, it is actually our 50th Anniversary in Arizona. It all started with Arizona Chapter in 1921 and now we have grown to 28 chapters. I hope that Arizona will have even more successful years in the next 50 years.

It has been a pleasure to serve as your State Master Councilor this past year. I have seen two major problems which need our immediate attention. The first of these problems is our Membership Drop. I'm sure that everyone is tired of hearing about this problem, however, without members there will be no DeMolay. We are slowly starting to respond from the cries of problems. Let's see everyone get involved and reach our 100% quota this next year.

The other problem is the communication gap between the chapters and the Association. As a new year begins, make an effort to talk to the new state officers and tell them of your needs and wants. By making this effort, the new state officers will know where to focus their attention.

To the DeMolays of Arizona, good luck in the future. There is a new world coming and we are a part of it, so let's assume our new responsibilities and make the future a success.

Fraternally,

James G Miller

State Master Councilor 1970-1971

El Zaribah Shrine Masonic Youth Club

Our Mission:

To assist El Zaribah Shrine, Job's Daughters, DeMolay, and Rainbow Girls to work together to understand the needs of each other's organizations and to attend and support the other at their events, thereby helping them to grow in their respective organizations to best develop the principle values of Masonry.
