Be a part of the *story*

Marylebone has a **rich and varied history** stretching back to the Middle Ages. It has become known for its high-end shops along the quaint **Marylebone High Street**, nearby **Regents Park**, and the establishment of notable landmarks like **Madame Tussauds** and the **Sherlock Holmes Museum**.

Much of Marylebone's charm lies in its **well-preserved Georgian architecture**. St Mary's sits at its heart with its **Greek Revival style**, ornamented by a semicircular stone portico surmounted by its pepper-pot tower.

By choosing St Mary's for your wedding celebration, you become part of this **enduring legacy**. Your memories and the **joy of your day** join the centuries of stories woven into these walls, **adding your own chapter** to the rich tapestry of Marylebone's history.

"It exceeded all expectations. From start to finish, the wedding was flawless."

Burning Questions

Can we bring our own caterer?

Enjoy the flexibility of bringing your own caterer. If you would like some options, then we have some wonderful catering partners who cater for a wide range of menus and budgets, and they know the venue well.

Can we provide our own alcohol?

You are welcome to serve alcohol to your guests and there is no corkage fee. If you are planning a cash bar – we will gladly discuss this with you.

Are we able to go over the 10:30pm cutoff?

We're afraid not. St Mary's is in a residential area so the party must end at this time so we can keep our wonderful neighbours happy.

Is there parking at the venue?

St Mary's is in Zone 1 so whilst we don't have dedicated parking, there are a number of on-street options as well as paid car parks in the local area.

Can we deliver to the venue ahead of time?

All deliveries and collections need to be arranged within the hire period. A loading bay is located at the side entrance.

How many guests can we invite?

Our commercial kitchen caters for up to 300 guests for seated dining. St Mary's is also suitable for smaller gatherings from 100, and for standing receptions up to 500.

Can you recommend any hotels?

While we do not have any partner hotels, there are plenty of hotels in the Marylebone area, of all sizes and budgets.

A full-page photograph of a wedding couple, Joanna and Rob, standing in a courtyard. The groom is wearing a brown suit and the bride is in a white wedding dress. They are holding hands and looking at each other. The background features a white building with large windows and a brick building with a black iron fence. The ground is paved with stone tiles and scattered with fallen leaves.
