About the Authors

Lisa Frazier & Skyy Dior

Skyy Dior, a 12-year-old honors student with a gift for rhymes and poetry, is the heart and voice behind Perfect Colors. Guided by her aunt and co-creator, Lisa Frazier—a software engineer with a deep love for God, children, creativity, and big ideas—Skyy transforms her vibrant imagination into uplifting poems that encourage kids to embrace their uniqueness.

Together, this niece-and-aunt duo share a mission: to help young readers feel loved, confident, and less alone in their fears. Perfect Colors is more than just a book—it's a family treasure filled with faith, creativity, and love on every page.

Author's intent:

In this book, the word perfect is encouragement—about worth and belonging, not about being flawless. It tells every child, of every skin tone and background, you're perfect just the way you are. We all learn and grow, and your color and culture are a beautiful part of who you are.

Skyy's Big Question

**God, God, tell me why—
why every color, too?
So none of us looks just
the same,
yet all shine bright and
true.**

Perfect

Whispers

**Skyy asked softly,
God one more thing too,
why all theses creatures,
in all colors so new?**

Perfect

Gods Answer

**Oh Skyy take a look at every
bright bird and
fish in the brook.
I made the giraffe,
with patches of gold.
The zebra with stripes,
so brave and so bold.**

Perfect

God's Wonder

The panda in black, the polar in white, the tiger in orange with eyes shining bright. The peacock I painted in emerald and blue, to show off my wonder in every hue.

Masterpiece

**Each shade is my masterpiece, precious and rare,
you're wrapped in my love, it's always right there.**

**When shadows feel heavy and worries draw near,
just think of my voice and let go of the fear.**

**Every color's a blessing, a gift just for you—
a bright little reminder your loved too.**

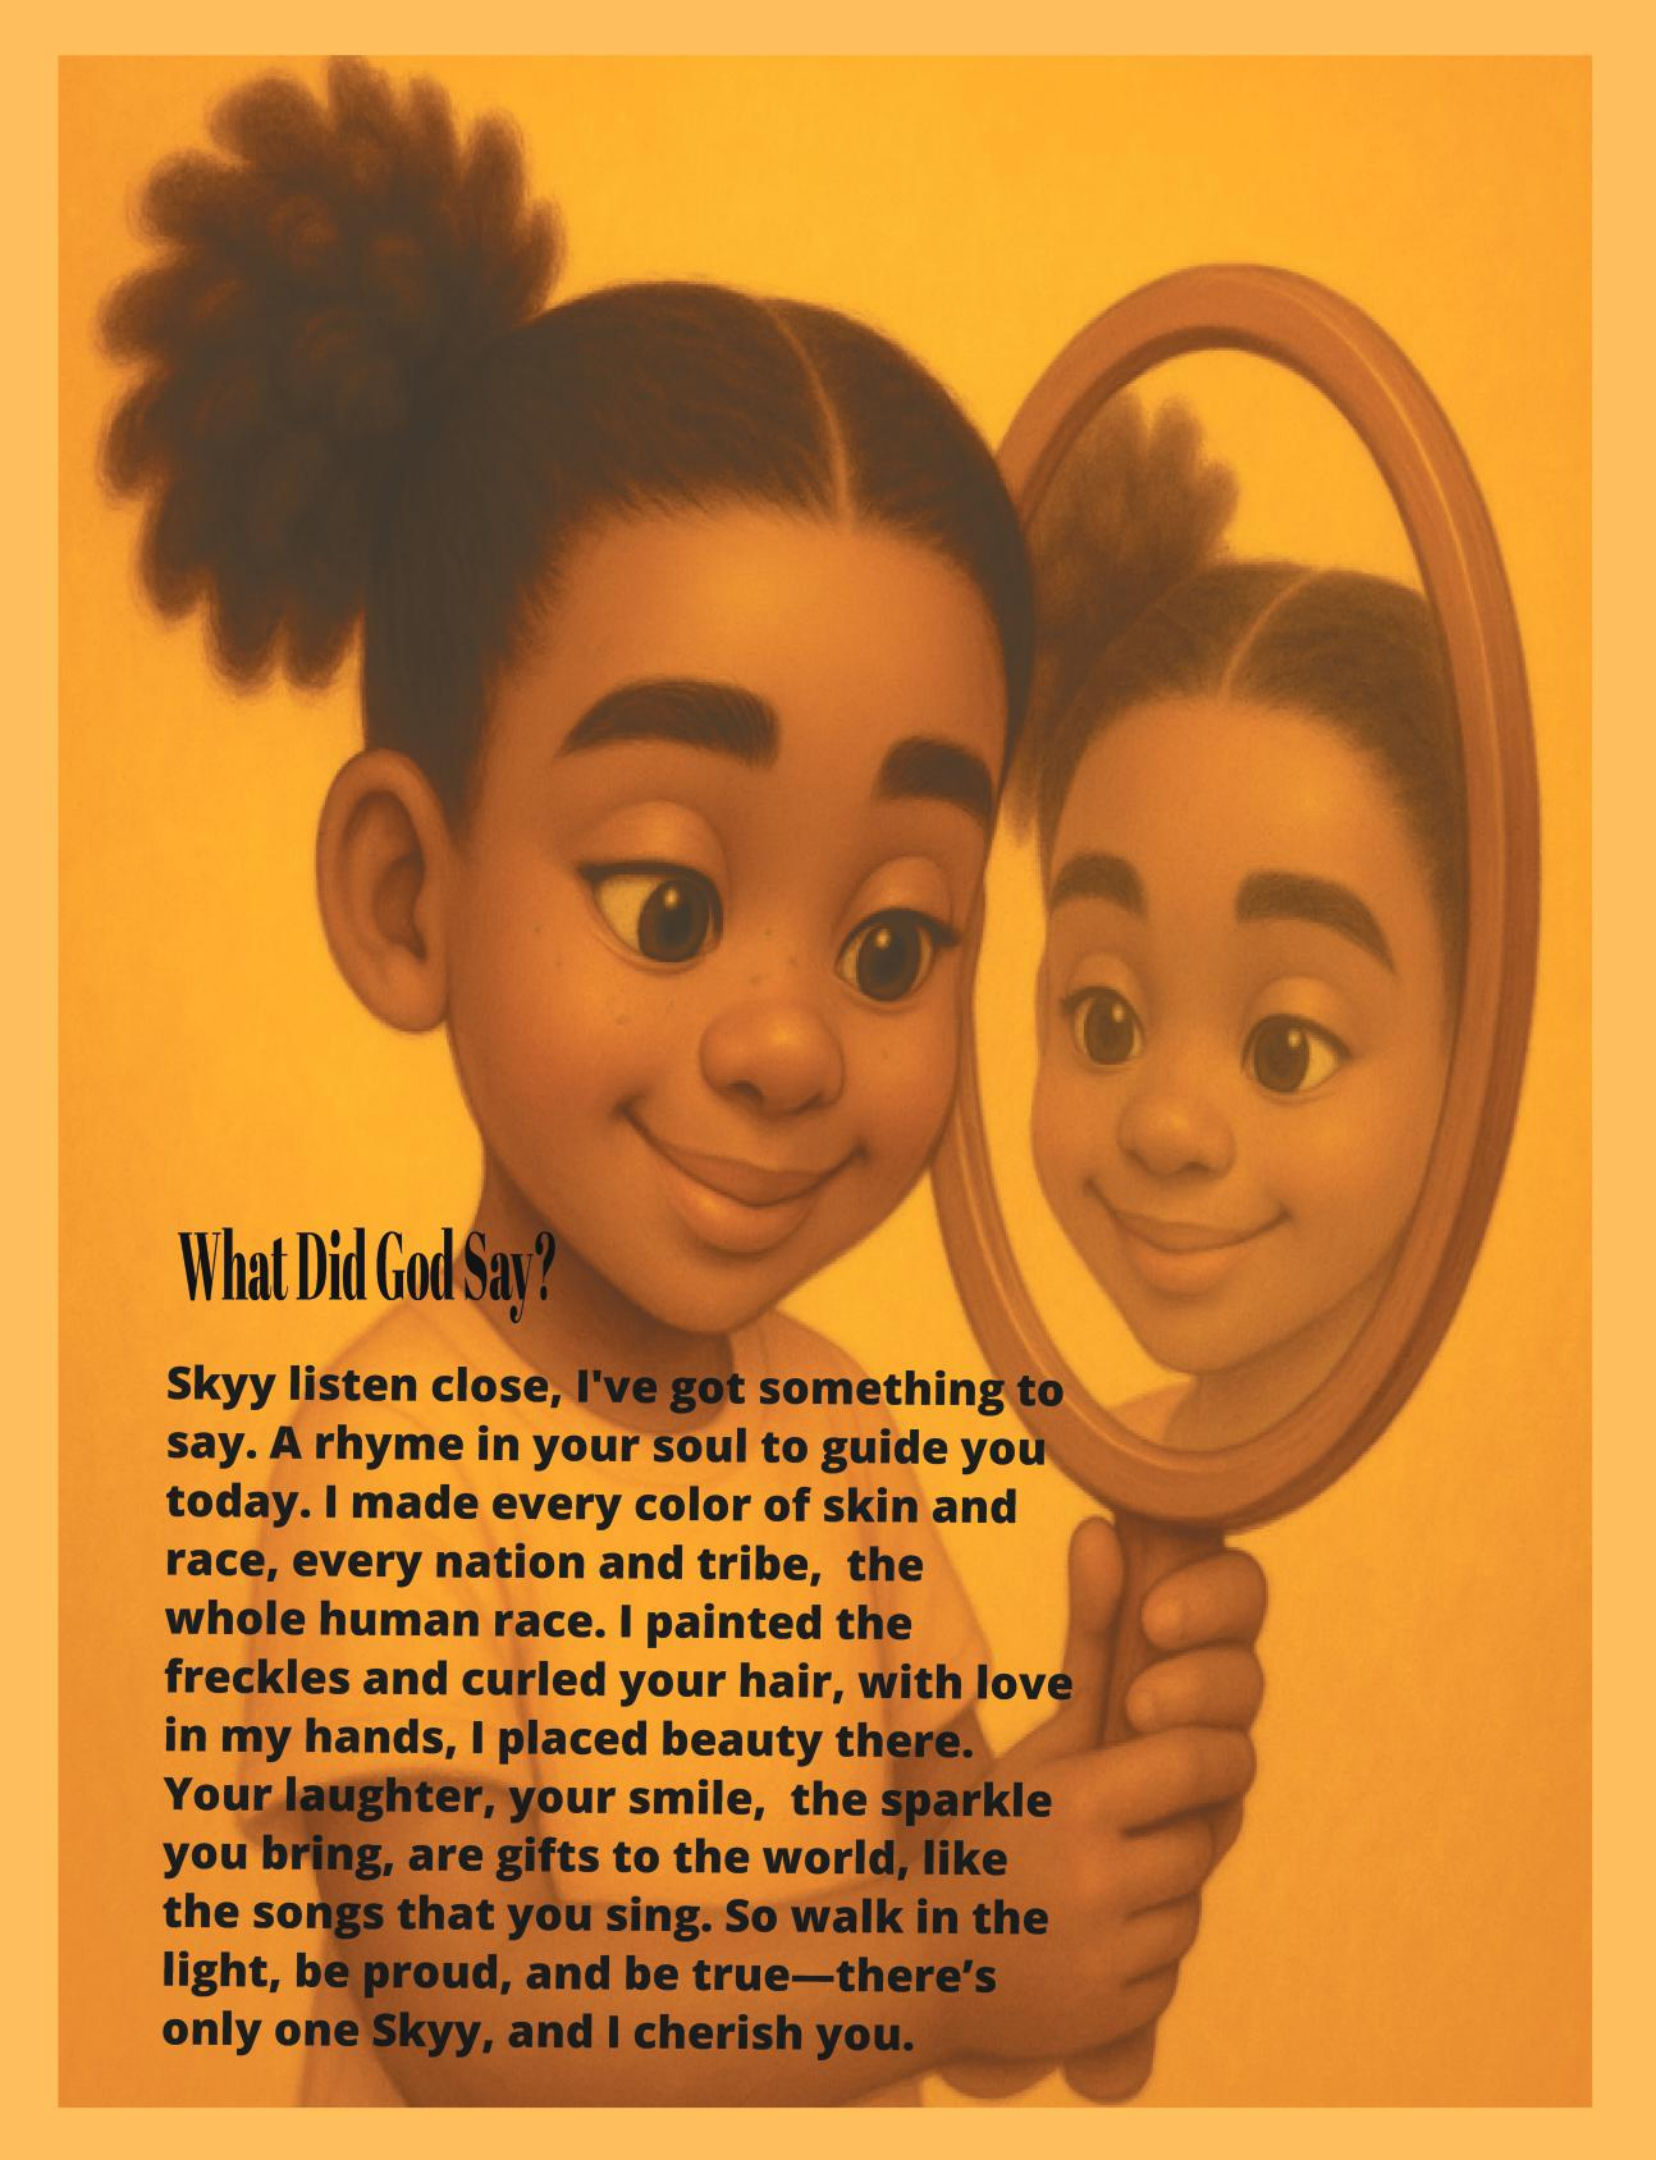

Skyy Listen Up

**Each creature's color,
each bark and each
beat, it's proof that
my world is vibrant
and sweet. So next
time you wonder,
just look and you're
see, I color with joy,
it's intentionally.**

What Did God Say?

Skyy listen close, I've got something to say. A rhyme in your soul to guide you today. I made every color of skin and race, every nation and tribe, the whole human race. I painted the freckles and curled your hair, with love in my hands, I placed beauty there. Your laughter, your smile, the sparkle you bring, are gifts to the world, like the songs that you sing. So walk in the light, be proud, and be true—there's only one Skyy, and I cherish you.

Huh?

The Ladybug in the Room

Little Skyy, little Skyy, come close to me, I'll share a secret as sweet as can be. God loves colors, like flowers in bloom, each one special like you in this room! My wings are red with spots of black. human colors are just like that. A rainbow of love in God's design, every color is a gift and so is mine. It's true I'm perfect, and so are you!

Other Ladybugs

**Little Skyy, can't you see, talk to Skyy
it's no secret, it's sweet as can be.
God loves colors, like flowers in
bloom, each one unique, in
sunshine or gloom. Each one is
special, a treasure to find, crafted
with care and a love so kind. It's
true, God is perfect, like me and
like you.**

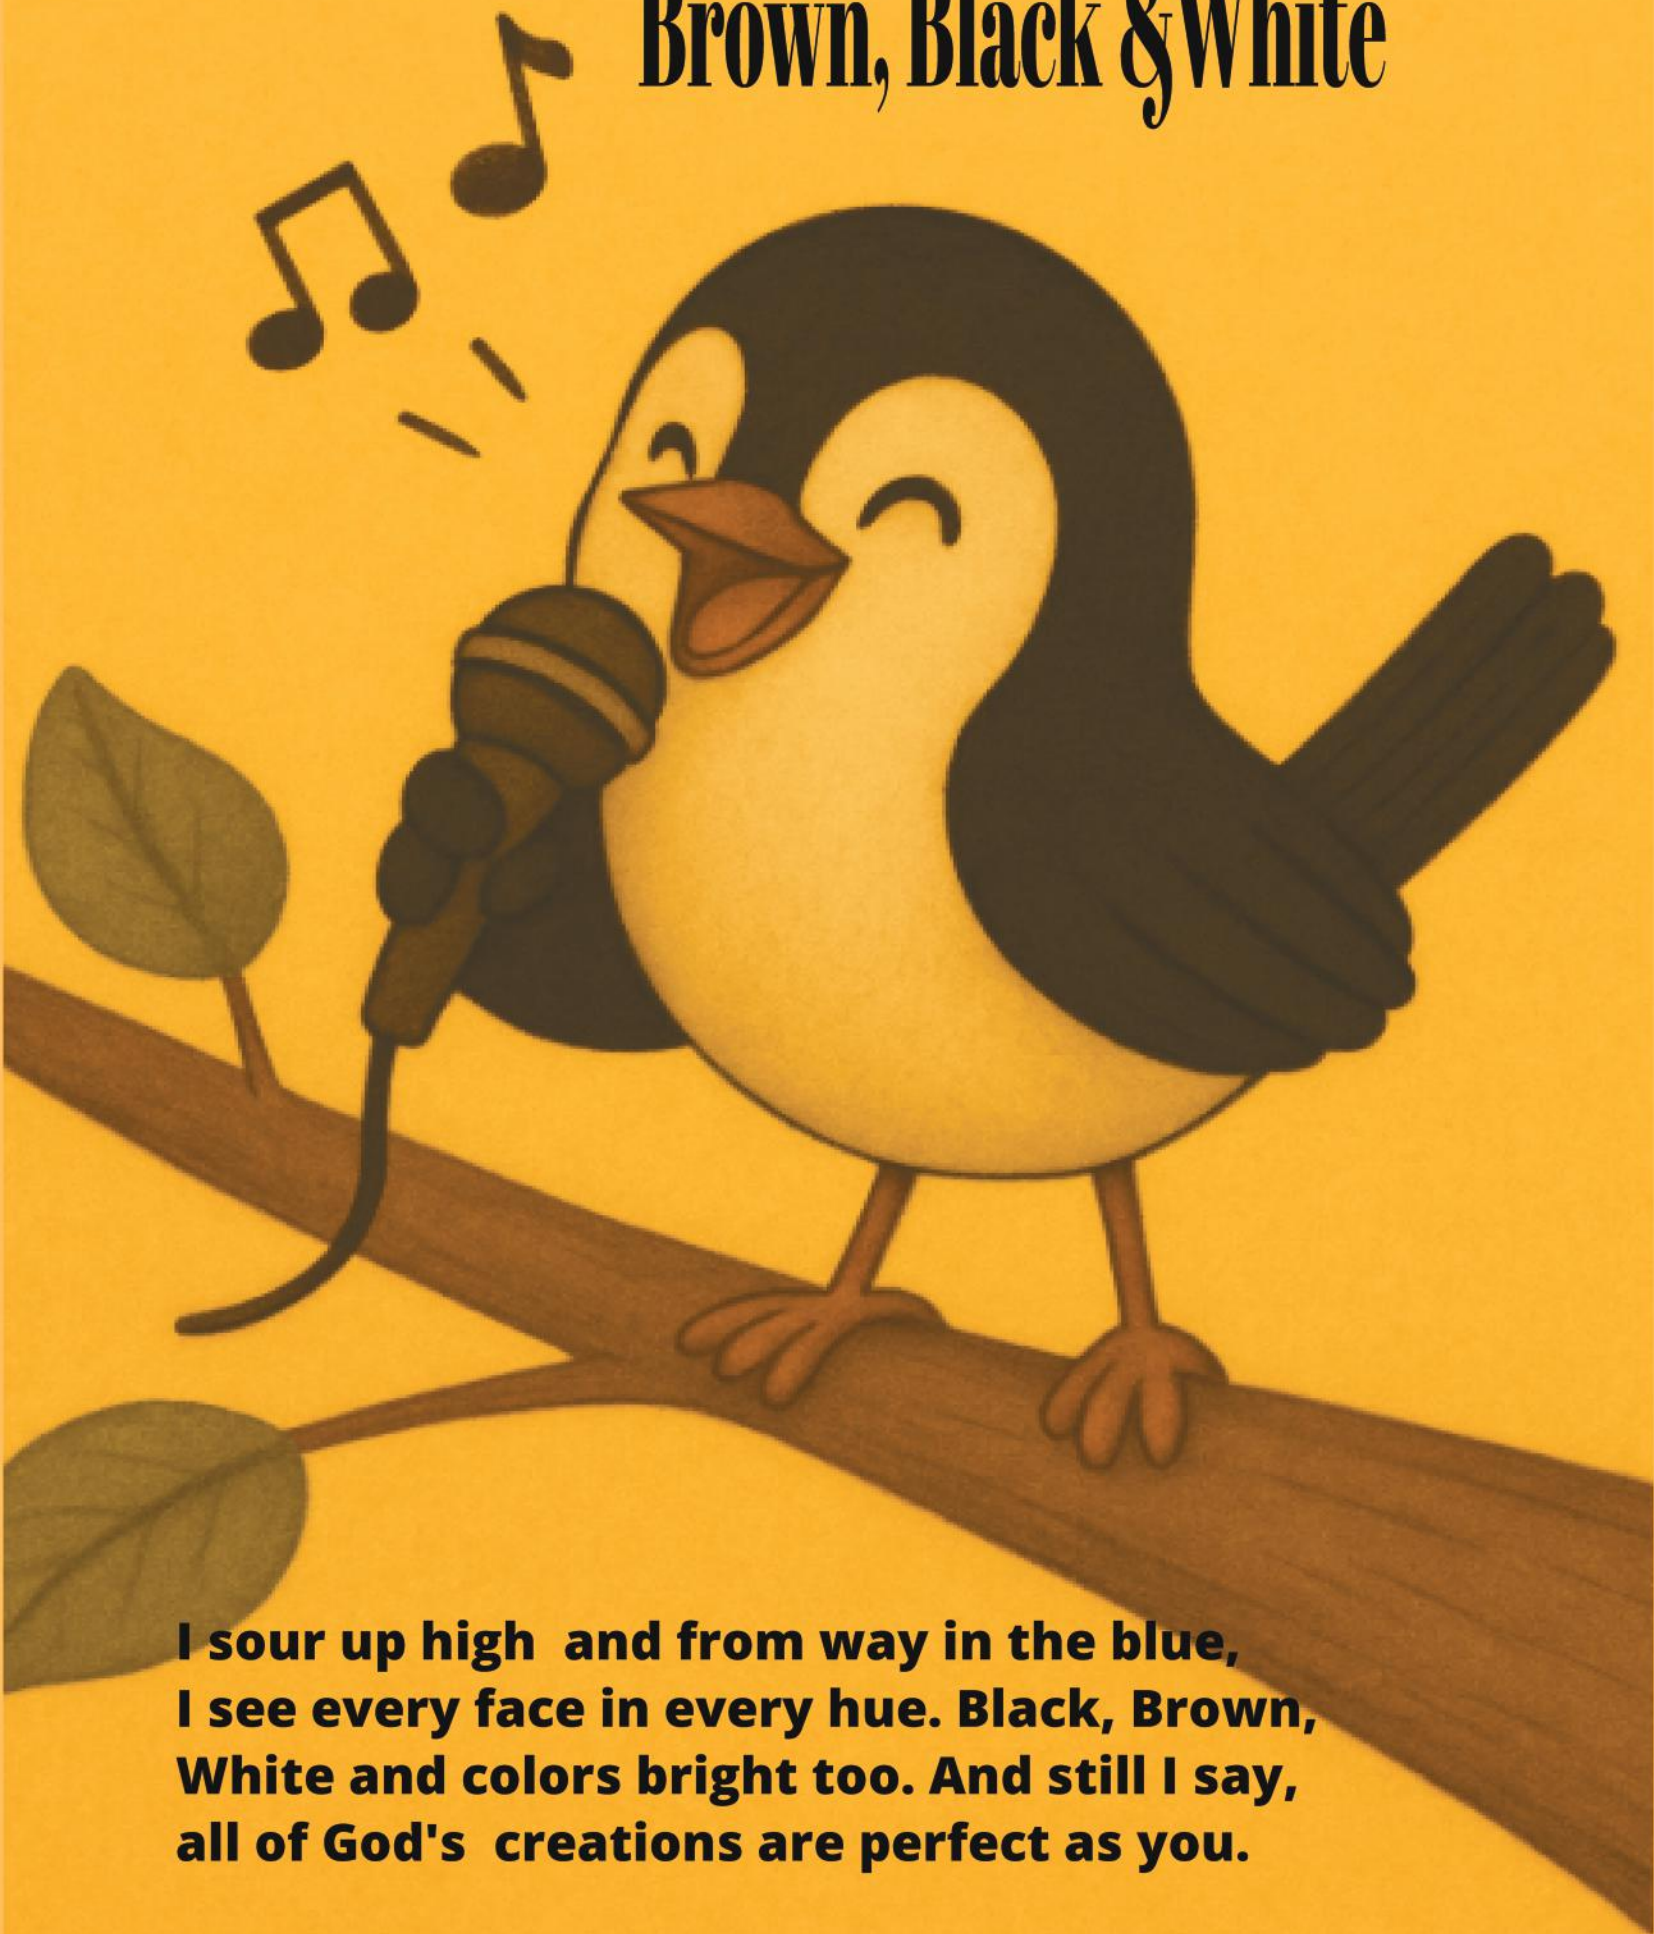

Singing Birds In The Tree

Singing bird up in the tree, God made you so pretty I can see. But why did God make different colors shine, instead of just one, like yours or mine? The bird replied, Little Skyy, you see, I'm different and that's how God made me.

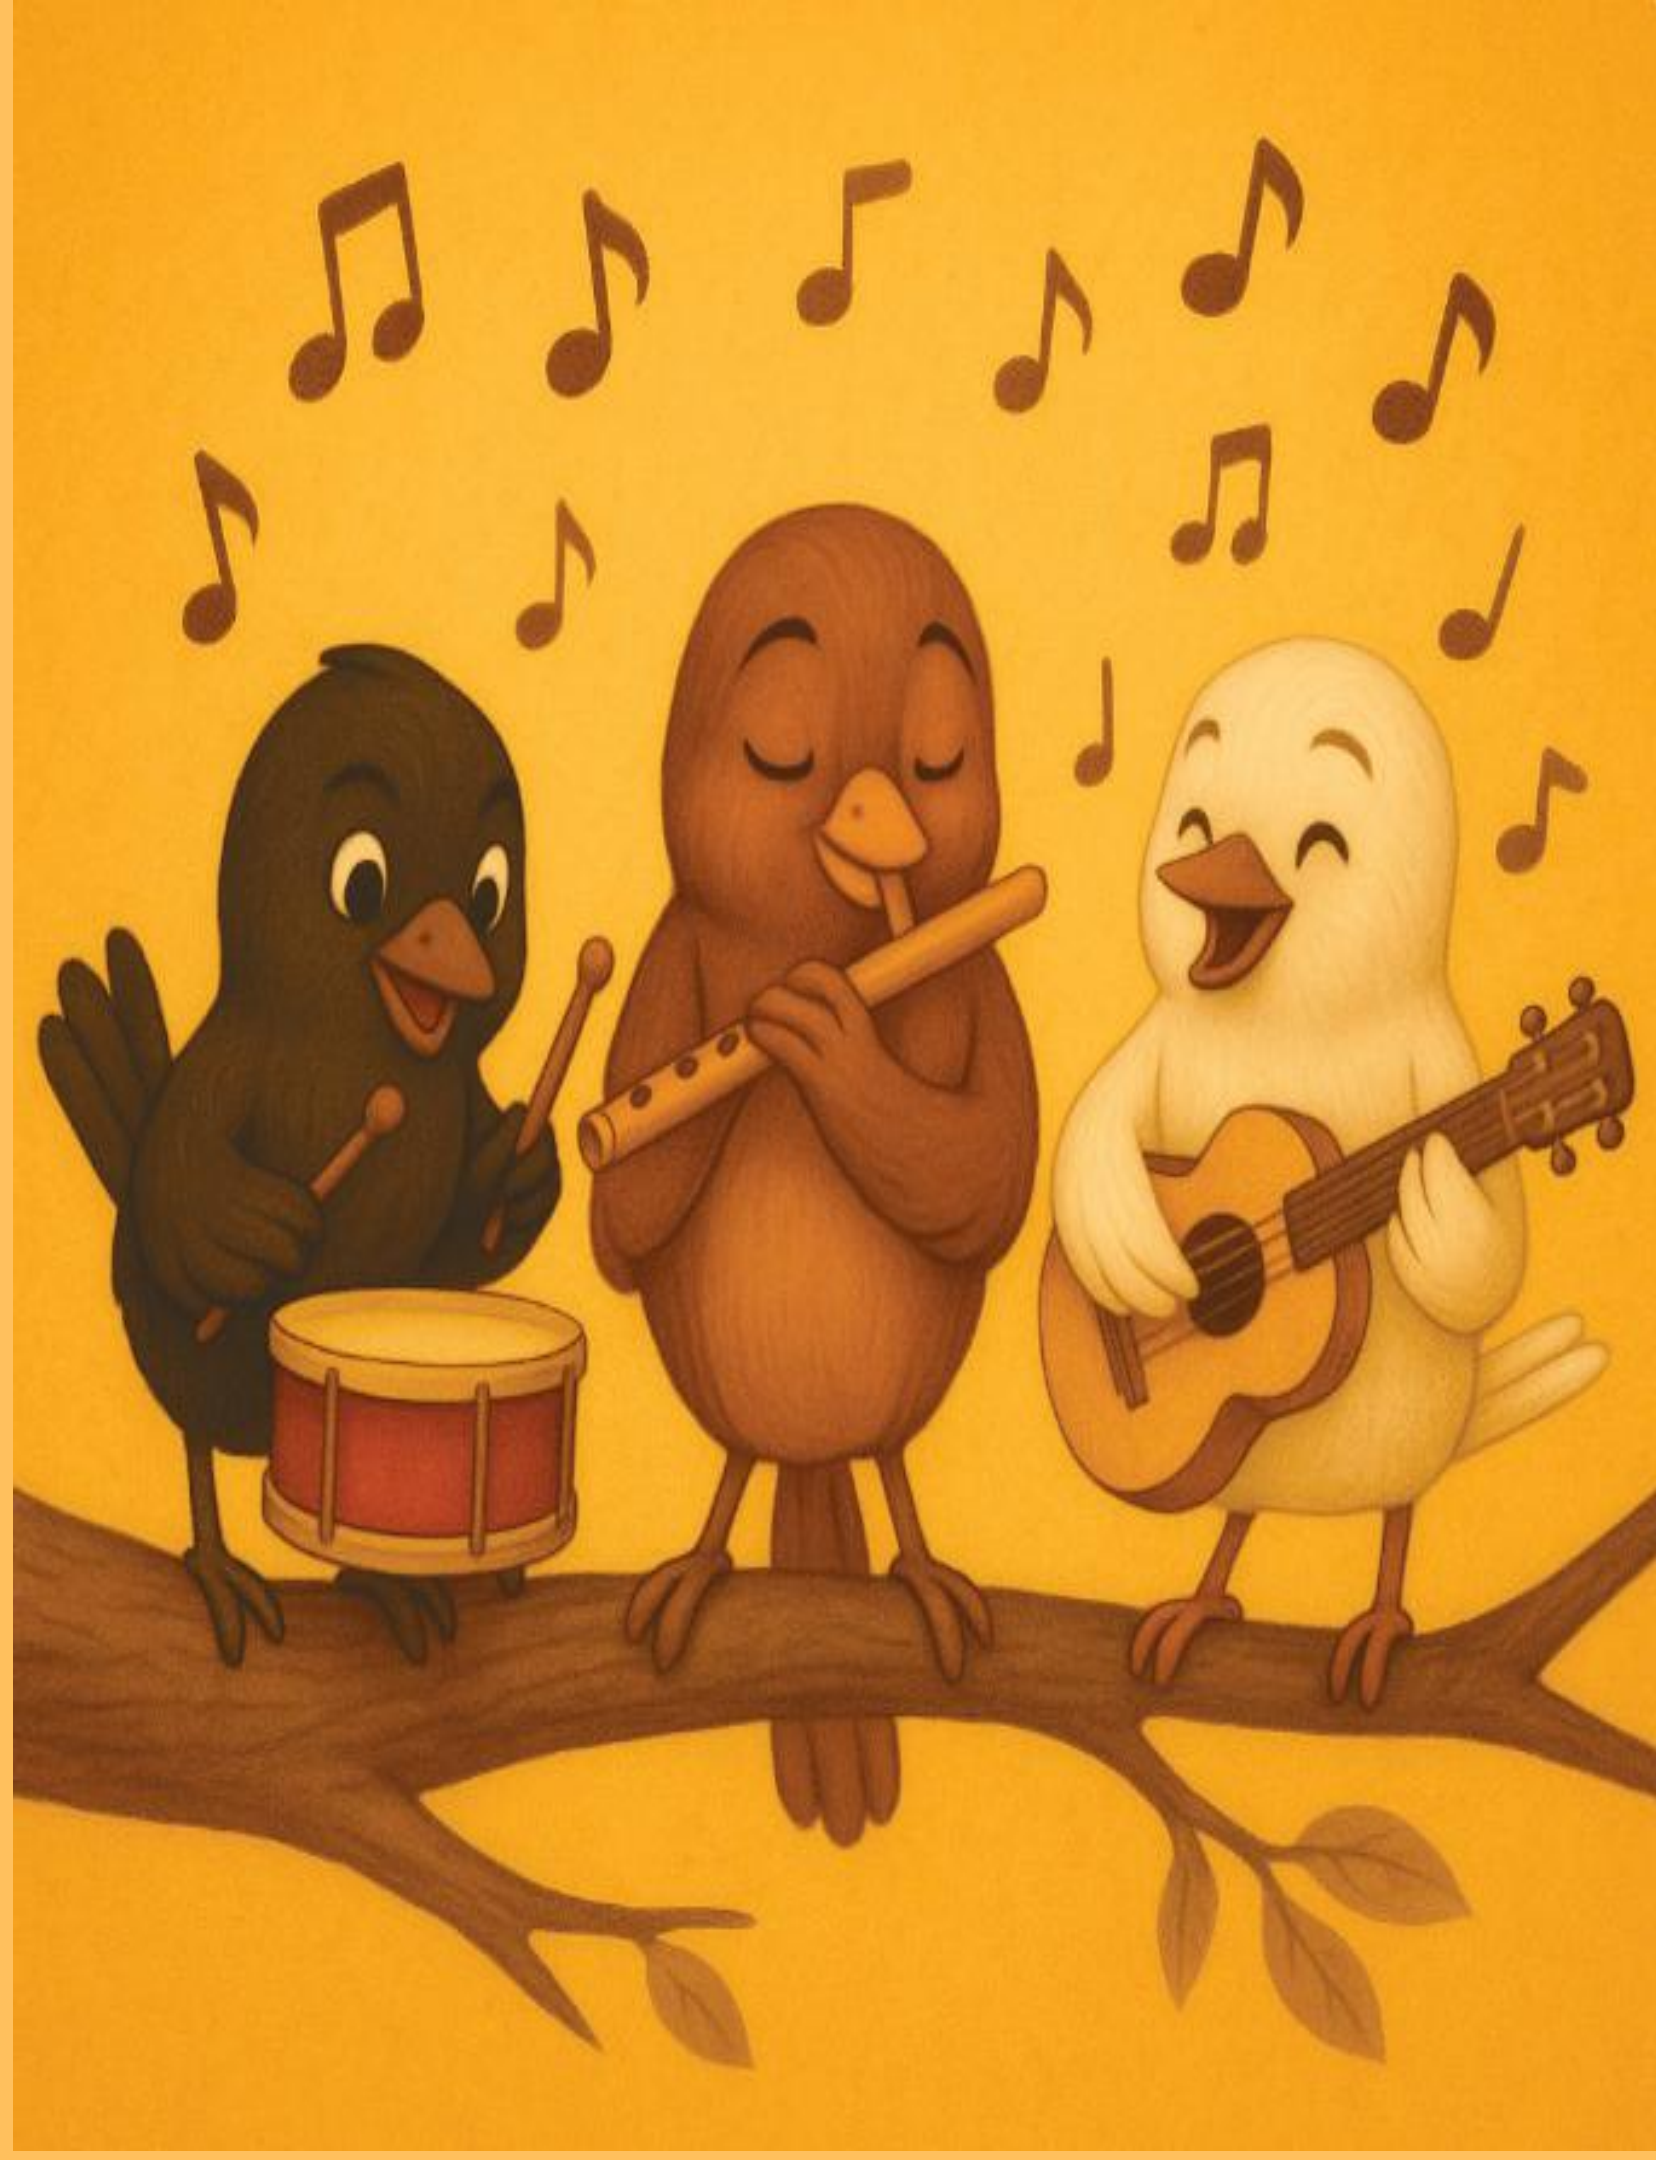

Brown, Black & White

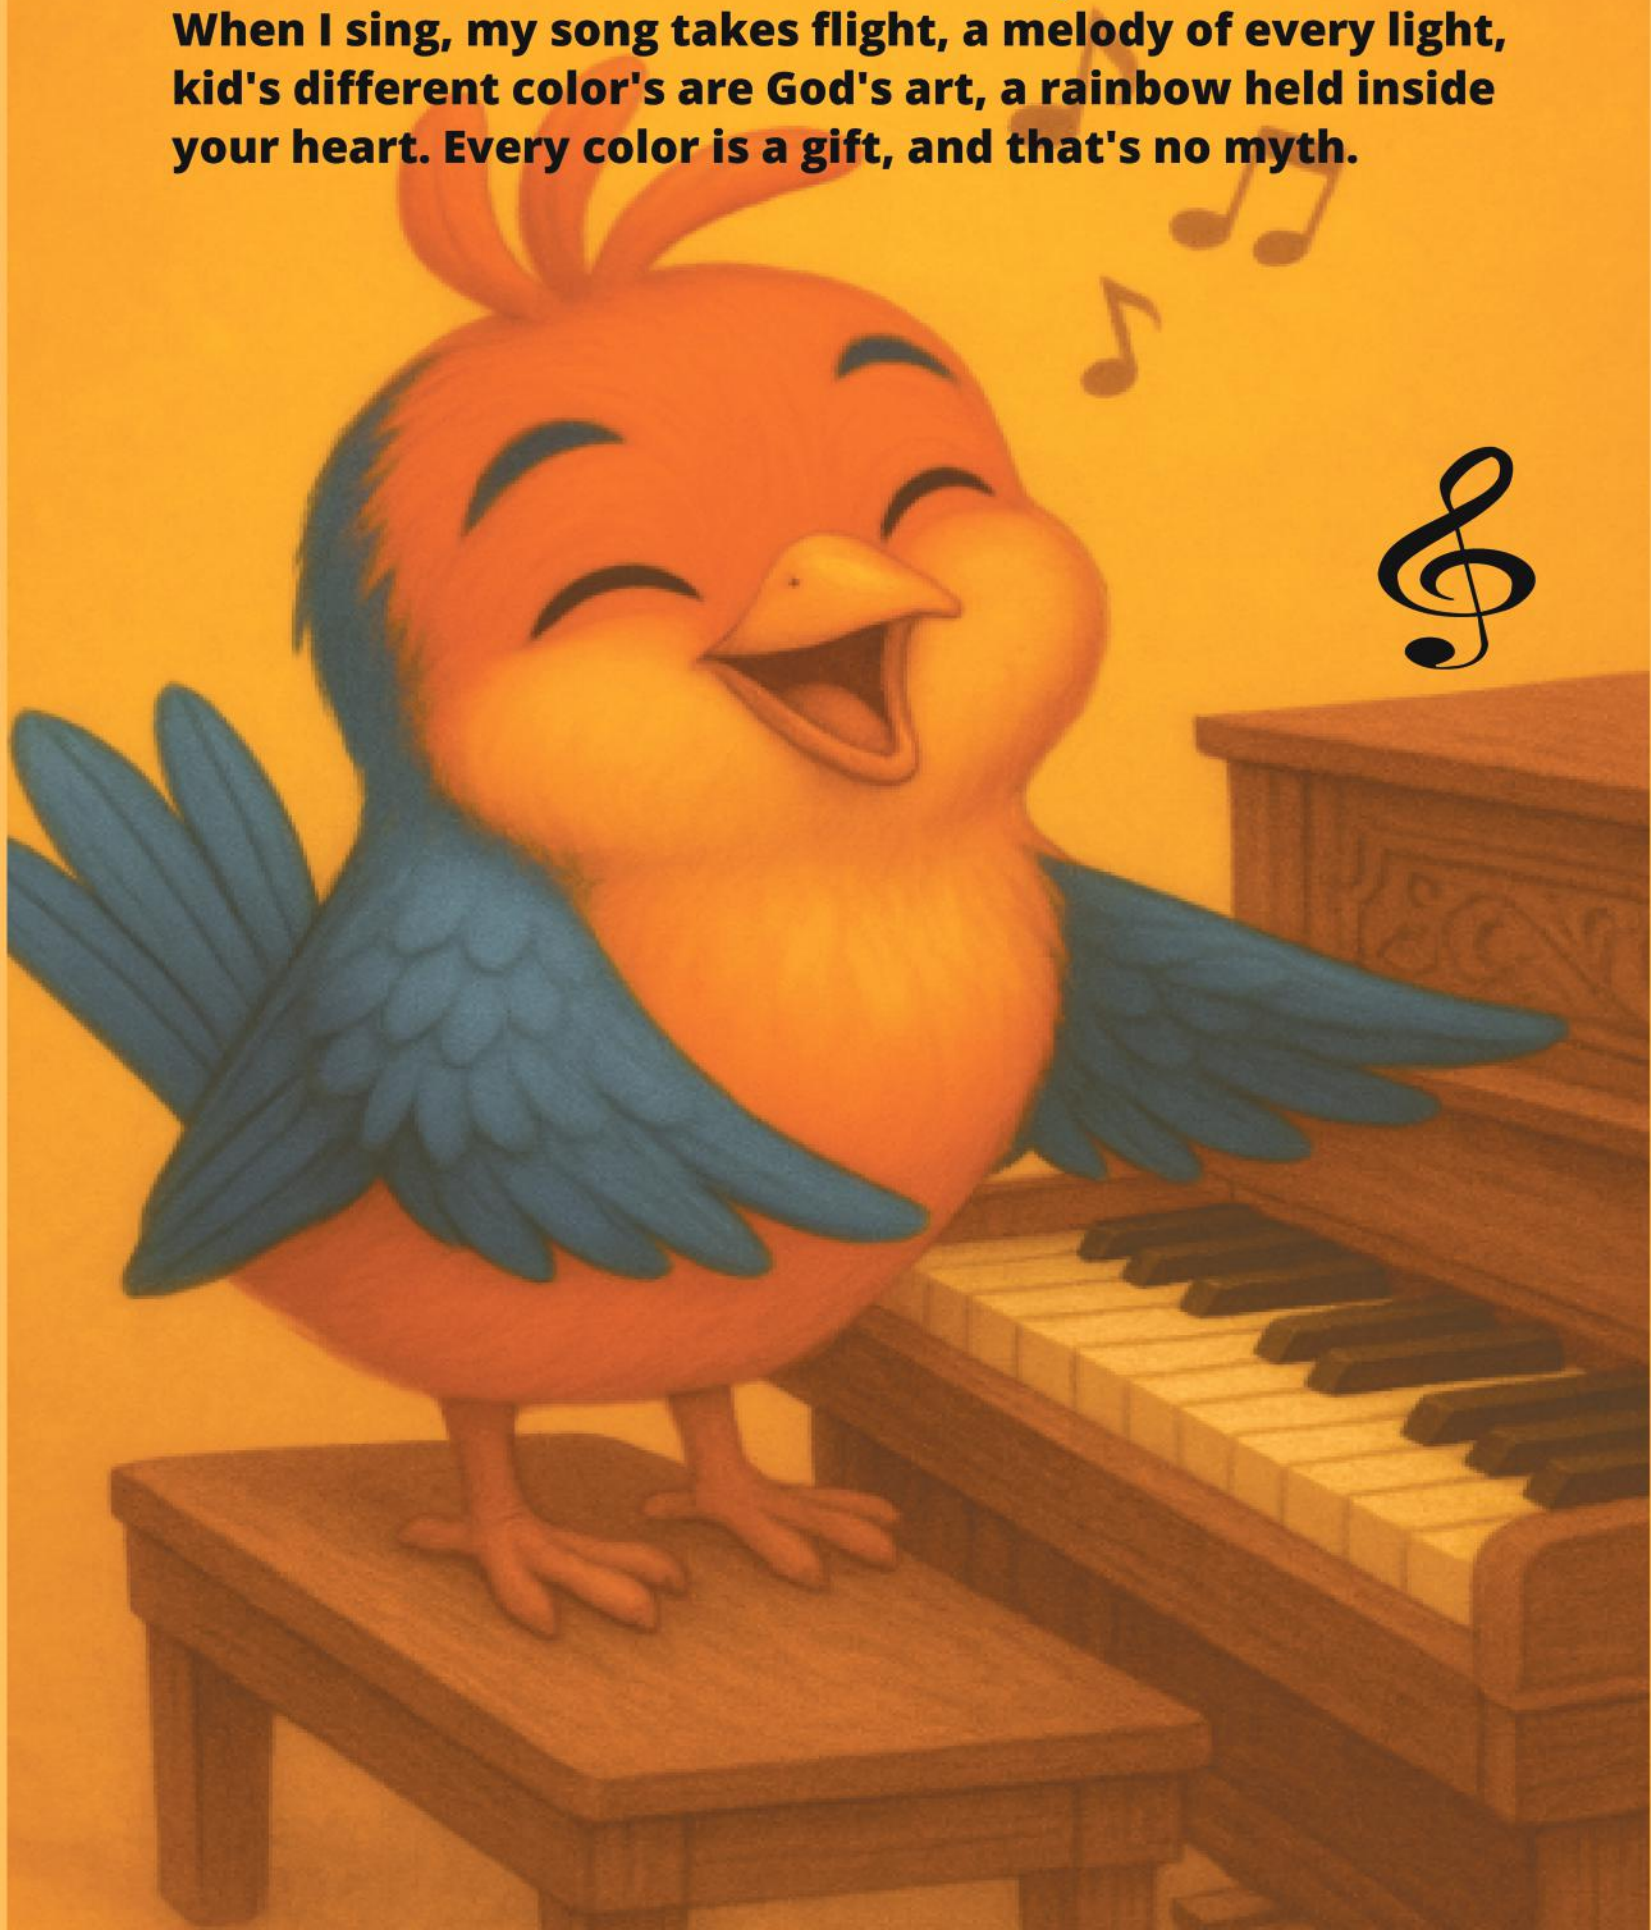

**I soar up high and from way in the blue,
I see every face in every hue. Black, Brown,
White and colors bright too. And still I say,
all of God's creations are perfect as you.**

A Birds Melody

**When I sing, my song takes flight, a melody of every light,
kid's different color's are God's art, a rainbow held inside
your heart. Every color is a gift, and that's no myth.**

Wise Old Tree

**Wise old tree, standing so wide,
tell me your secret deep inside. How do
our colors help us grow? Why did God
make us so? The wise old tree said to
Skyy, little one, come rest nearby,
I've seen every color, every face—
each one a treasure, each one with grace.**

Bumble Bee Song

**Bumble bee, bumble
bee, buzzing near,
tell me your secret for
me to hear. Your stripes
are yellow, your stripes
are black—did God give
kids such stripes like
that? The bumble bee
said to Skyy, Little one,
come close and see. In
my hive, we're one big
family—some bees have
stripes, some don't,**

We Are All Different

**God made us different,
God made us true,
every color is perfect,
like me and like you.
God made each smile,
each voice, each part,
every human and
creature is a work for
his heart.**

No Mistakes

**God didn't make a single
mistake, you're perfect, no
matter what shape you take.
He made the mountains,
the sky, and the sea,
and just as they're perfect,
so are you and me.**

**God made my smile,
and he made yours too—
He filled us with love,
and a bright spirit true.**

**Yes, God is perfect,
his work is too... that's why
he made wonderful You!**

Shine Like A Star

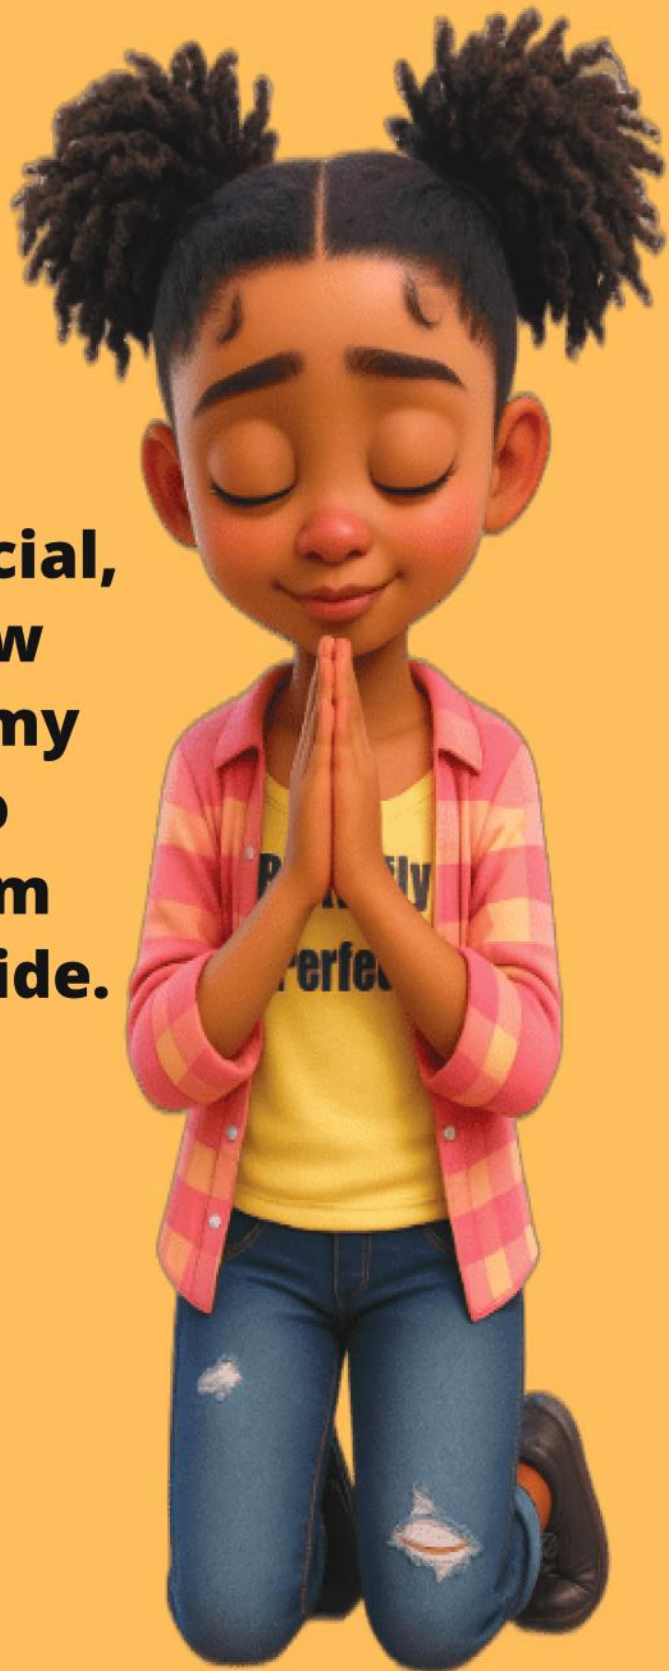

**You are a star,
a gift,
a spark of light.
Made in God's
image,
bold and bright.**

Thank You God

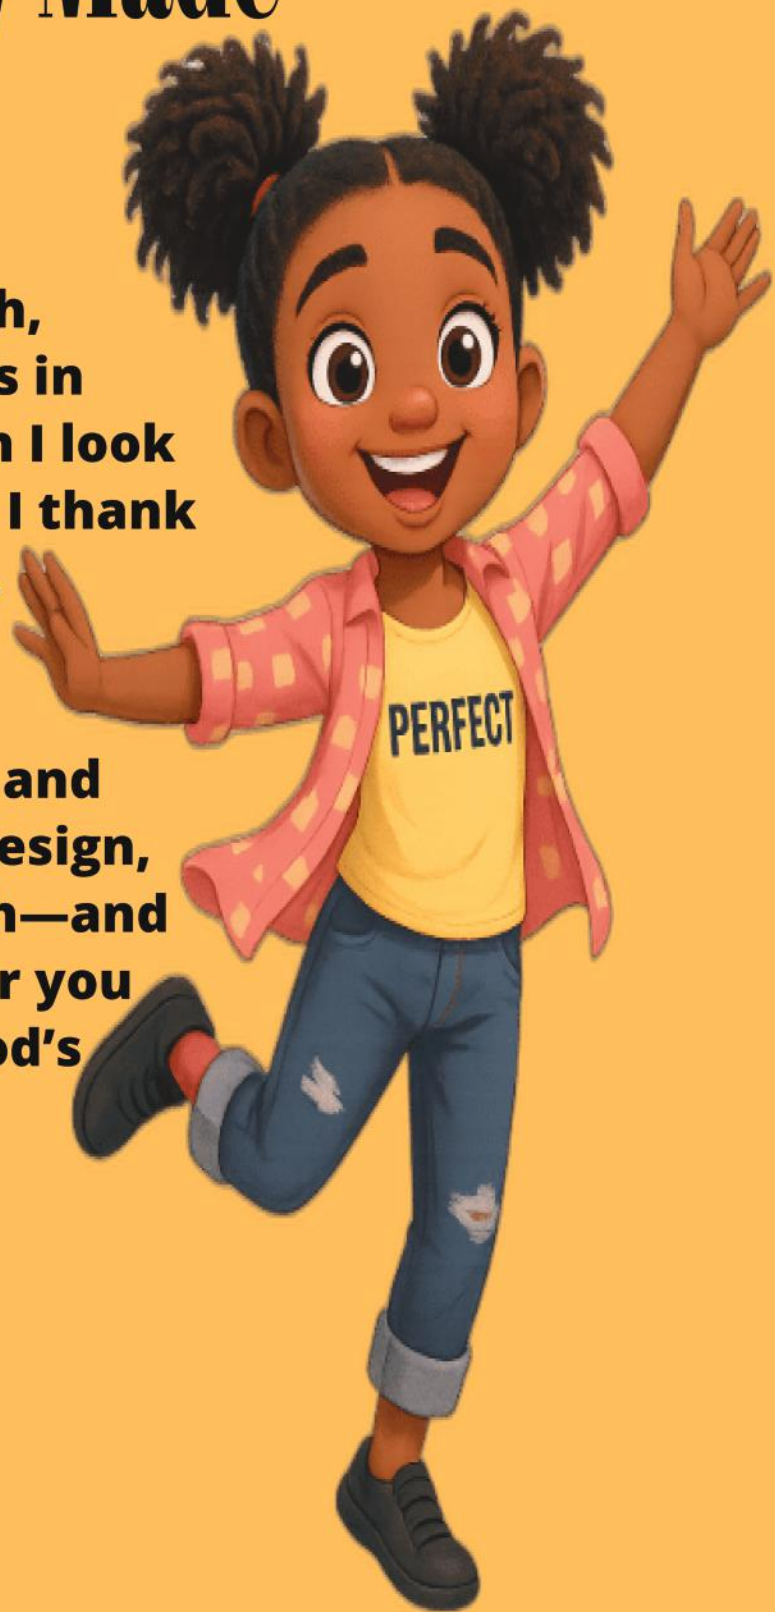

**God made me special,
head to toe, to how
I grow, my voice, my
heart, my smile so
wide, are gifts from
God, with love inside.**

Wonderfully Made

**I twirl, I jump, I laugh,
I play, I find new joys in
every day. And when I look
in the mirror to see, I thank
God for creating me.
Fearfully made,
with love displayed,
wonderfully shaped and
gently laid. I'm His design,
through and through—and
friends, that goes for you
too! Yes, it's true, God's
perfect, it's true...
and He made me,
and He made you!**

I praise you, for I am
fearfully and wonderfully
made.

Psalm 139:14

A Note from My Heart

**Thank you for joining me on this journey
of colors, and God's love.**

**Every page you've read,
every rhyme you've shared,
has helped bring this dream to life.**

**By supporting my books,
you're not only encouraging my words—
you're helping to share messages of hope,
joy,
and the truth that we are all wonderfully
made.**

**From my heart to yours,
thank you for believing in me
and for sharing this story
with the children in your life.**

**May these pages always remind you...
God loves you.**

With love and gratitude, Skyy & Aunt Lisa
