MONTROSE

THREE TEXTURES,

Endless possibilities

< ASPEN, 51197, MONTROSE

The Aspen, 51197 and Montrose textiles form a harmonious combination of natural-looking textures, soft tones and elegant surfaces, creating a refined and premium atmosphere.

Their soft, natural feel and subtle textures bring warmth and comfort, while their flowing drape and contemporary character add a sophisticated touch to any interior.

Together, they offer a beautifully balanced combination of natural aesthetics, softness and premium appeal.
