DIRECTOR'S FOREWORD

Art has the power to connect, inspire, and transform. It speaks to our emotions, tells stories without words, and brings beauty into our lives. Whether creating or experiencing it, art sparks joy, ignites imagination, and strengthens a sense of belonging. Art is love in its purest form—an expression of the soul that transcends boundaries and connects us all through shared experiences and emotions.

Art is also what makes us feel truly alive. When we create, we become more than just observers of the world—we become contributors to it. Art allows us to shape our own narratives, leave our mark, and share our perspectives. It reminds us that we are creators, visionaries, and storytellers, adding to the collective spirit of humanity.

As we celebrate the 9th edition of Art Vancouver, we are proud to provide a platform where artists and audiences from diverse backgrounds come together to celebrate creativity. Through exhibitions, live demonstrations, panel discussions, and immersive art experiences, we invite attendees to go beyond simply viewing art—to engage with it, discover the stories behind each piece, and connect with the artists who create them.

Throughout history, civilizations have risen and fallen, but what remains is their art. It is through paintings, sculptures, architecture, music, and literature that we understand who they were, what they valued, and how they saw the world. Art is our legacy—it outlives us, carrying our voices forward for future generations to discover.

Thank you to our artists, galleries, sponsors, and visitors for being part of this journey. Your passion and support fuel our mission, and we are excited to share this extraordinary experience with you.

Yours,

A handwritten signature in black ink, reading "Lisa Welfin". The script is fluid and cursive, with the first name "Lisa" and last name "Welfin" clearly legible.

Oil | 18" x 24" | 2022

A red-tinted photograph of an art gallery. In the foreground, a man in a dark jacket and dark pants is walking away from the camera. To his right, a group of people are standing and looking at a wall of art. The wall is covered with numerous small, framed portraits and illustrations. Above the art, there are red signs with white text. One sign reads "Shakun Jhangiani" and "523". Another sign further back reads "521". The ceiling of the gallery is high and has several large, round, pendant lights. The floor is polished and reflects the lights.

The background of the top half of the page is an abstract painting. It features a mix of colors including blue, red, yellow, and purple, with visible brushstrokes and a textured appearance. A large, dark blue, curved shape is visible in the top right corner, partially cut off by the edge of the page.
