SMOKED SALMON

Local Supplier – Port of Lancaster Smokehouse

The Port of Lancaster Smokehouse was established on the Quay in Lancaster over 50 years ago before moving to its current home in Glasson Dock. The smokehouse is still a family run business producing a vast array of smoked produce. They still use the traditional methods when it comes to smoking and curing, with nothing being added to products apart from salt, smoke and time. They source their ingredients from the local surrounding area and focus on using sustainable, MSC certified fish.

Carefully Selected Wines to Enhance Your Festive Offering.

Crisp whites, smooth reds, and sparkling Proseccos make up our festive wine selection – perfect for pairing with seasonal dishes or raising a celebratory glass. We're also proud to stock The Pikes – a well-balanced Sauvignon Blanc and soft, fruity Merlot – where 50p from every bottle sold goes to the Langdale/Ambleside Mountain Rescue Team in the Lake District, supporting their vital work all year round.
