About the Author

HELLO! My name is bowon. I'm a first-year middle school student. I like listening to music. I wrote this story because I wanted to share the importance of friendship. Thank you for reading my book. I hope you enjoy.

isn't it today's the
day of the
presentaion?"

"Really? I'm not
good at presenting.."
I didn't know today
was the day of the
presentation.

Oh
no...

기은 said, "It's okay,
You'll do well."

**"I should practice
the presentaion."**

**You can
do it!**

**After the
presentaion...**

기은 said, "Yeah, I
told you you could
do it!"

기은 and I got along
better.
