**INNOVATION**

**PFC**

***Precision Flow Control***

**ENGINEERED FOR PERFORMANCE, KLEIN'S ADVANCED LOAD STABILIZATION ARCHITECTURE COMPARTMENTALIZES THE TANK INTERIOR, REDUCING PAYLOAD SHIFT WHILE ENHANCING STRUCTURAL INTEGRITY FOR SUPERIOR SAFETY, DURABILITY AND CONTROL.**

**Klein**

**INNOVATION**

**FLANGED HEADS/BAFFLES**

10x stronger than  
competitive non-  
flanged heads/baffles

***Klein***

**INNOVATION**

## **INTEGRATED FENDER WELDMENT**

Facilitates low CG and adds to structural strength of tank assembly

**Klein**

**INNOVATION**

## **WATER PUMP**

- Exclusive innovative design
- Heavy-duty
- Easy to maintain
- Engineered for high performance
- Optimum water discharge efficiency

**Klein**

**INNOVATION**

## VALVE SPRAY COMBINATION

- Precision water discharge
- Heavy duty
- Fully adjustable
- Efficient
- Easy to maintain

**Klein**

**INNOVATION**

**SMARTSPRAY®**

Innovative, fully independent  
of truck RPM, fully adjustable  
water pump speed,  
electrohydraulic drive water  
pump circuit architecture

**Klein**

**INNOVATION**

# SMART CONTROL®

SmartControl® is a self-contained, ergonomic digital control station that controls ALL Klein tank equipment functions.

# **EXPORTS**

**Proven Value Worldwide**

## **Stats:**

- **Since 1995 (30 years)**
- **Countries Served: 128**
- **Approximate Value: \$150M+**
- **Partners: Prime Mover  
OEMs & Their Dealers**
- **Product Lines: All Product Lines**

**Note: Domestic deliveries include all 50 US States**
