THERAPEUTIC AREA	PRODUCT NAME	CATEGORY	APPLICATIONS	FEATURES			
Bone and joints	**RiboCARE®**	Nucleotides	supports bone metabolism and helps counteract joint inflammation (rheumatoid arthritis)	●			●
Heart and vessels	**RiboCARE®**	Nucleotides	protects vascular endothelium and prevents atherosclerosis				●
Brain and nervous system	**RiboMIX SC**	Yeast Extract	supports memory, focus and mental performance		●		
	RiboCARE® NEURO	Nucleotides	neuroprotection (Alzheimer's, Parkinson's, Multiple Sclerosis) supports neuronal regeneration and reduces pain perception	●	●		
	RiboCARE® SLEEP	Nucleotides	reduces sleep onset latency and improves sleep quality				●
	RiboDIET®	Yeast Extract	supports brain health while reducing alterations associated with cognitive decline (Alzheimer disease)	●	●	●	
Healthy aging	**RiboCARE® LONGEVITY**	Nucleotides	supports epigenetic age, mitochondrial and cellular function and improves insulin sensitivity				●
	RiboDIET®	Yeast Extract	supports healthy aging, helping maintain energy, muscle function and quality of life over time		●		●
Gut health	**RiboDIET®**	Yeast Extract	supports intestinal barrier integrity and enterocyte renewal; protects against gastrointestinal inflammation (IBS, IBD, ulcerative colitis, Crohn's disease)	●		●	
	RiboCARE®	Nucleotides					●
Hematopoietic system	**RiboCARE®**	Nucleotides	regulates erythropoiesis and general blood cell formation				●
Immune system	**RiboDIET®**	Yeast Extract	contributes to immune response support, antioxidant defense and modulation of inflammatory processes	●	●	●	
	RiboCARE®	Nucleotides		●			●
Iron metabolism	**RiboDIET®**	Yeast Extract	supports iron bioavailability by helping convert iron into a more easily absorbable form	●		●	
Metabolic health	**RiboCARE®**	Nucleotides	improves glucose metabolism, insulin sensitivity and blood pressure control (AMPK activation)				●
Muscles and sport nutrition	**RiboMIX SC**	Yeast Extract	enhances muscle recovery, boosts immunity, antioxidant activity and physical performance				●
	RiboDIET®	Yeast Extract		●		●	
	RiboCARE® ENDURANCE	Nucleotides		●		●	
Ocular health	**RiboCARE®**	Nucleotides	protects retinal function and visual tissues (maculopathy, retinopathy, glaucoma)	●			●
Oncological protection	**RiboCARE®**	Nucleotides	shows potential anti-tumoral activity (cell protection, DNA synthesis support)				●
Skin / derma	**RiboMIX SC**	Yeast Extract	improves skin texture and elasticity		●		

● application-proven
● clinically tested
● test in vivo/in vitro
● scientific rationale
