

SPLENDORA

WILDCATS

MEDIA GUIDE

2026-2027

Message from the Superintendent

Dustin Bromley
Superintendent

Another exciting FNL season is underway in Splendora ISD! These moments give our community the opportunity to come together, celebrate our students, and show what it means to be part of Wildcat Nation.

As our students compete and perform, remember the countless hours of hard work happening behind the scenes. Coaches, directors, teachers, staff, and families are investing in our students every step of the way.

What makes these experiences truly special is the community that surrounds them. When Wildcat Nation shows up, wears the red, and fills the stands, it sends a powerful message that Splendora believes in our kids.

We hope you'll join us throughout the year as we cheer on, celebrate, and support our students. We're excited for the season ahead and can't wait to see Wildcat Nation together again!

It's a great day to be a Wildcat!

Message from the Athletic Director

Deana Eubanks
Athletic Director

It is an honor to serve as the Athletic Director for the Splendora Wildcats and LadyCats. Athletics is so much more than competition. It is an opportunity to build character, develop leaders, create lasting relationships, and teach our student-athletes the values that will serve them long after their playing days are over. At Splendora ISD, we believe everything we do should be guided by our core values: AETFI.

A — Attitude | E — Energy | T — Toughness | F — Family | I — Integrity

To our student-athletes: embrace the opportunity you have been given. Work hard, support your teammates, listen to your coaches, and take pride in representing Splendora ISD.

To our coaches and staff: thank you for investing your time, energy, and heart into our students. The impact you make reaches far beyond the scoreboard.

And to our families, fans, and community: thank you for your unwavering support. Our success is made possible by a community that believes in our students and proudly stands behind our Wildcats and LadyCats.

Message from the Principal

Molly Buford
Principal

It is my privilege to celebrate the students, coaches, families, and community members who make Splendora Athletics such an important part of the high school experience. Athletics teaches far more than competition; it builds commitment, discipline, teamwork, perseverance, leadership, and character. I encourage every Splendora High School student to get involved. Whether as an athlete, student manager, athletic trainer, or a supporter in the stands, being part of something bigger than yourself creates connections and memories that last a lifetime.

To our athletes: remember that you are building more than a record, you are building character. The lessons learned through hard work, sacrifice, success, and adversity will stay with you long after your final game. Represent Splendora High School with pride, compete with purpose, and lead with character.

We are proud of our Wildcats and all that they represent. Thank you for helping make Splendora High School a place where excellence, character, and school pride come together. Go Wildcats and LadyCats!
