

GDC Registration Guidance for newly qualified Dental Nurse Apprentices

Congratulations

Congratulations on successfully completing your Dental Nursing Apprenticeship with Tempdent and becoming a Qualified Dental Nurse.

Your certificate will be sent directly from the Department for Education (DfE) to your practice. Please note that this can take up to 30 working days to arrive.

It's time to apply for GDC Registration

To register with the GDC, you must use the Diploma E-Certificate issued by Tempdent.

Important: Do not upload your End-Point Assessment (EPA) Certificate as part of your GDC application, as this will result in your application being rejected.

Step 1: Gather your documents

You will need:

- Your Diploma E-Certificate from Tempdent.
- The GDC cover letter provided by your Practice Manager.

Step 2: Complete GDC application

Submit your application directly to the GDC, ensuring the correct documents are included.

Step 3: Pay the registration fee

A pre-registration fee of £41.42 is payable to the GDC when submitting your application.

Step 4: Submit

Further information and support

For full details of the registration process, please visit the GDC website:

<https://www.gdc-uk.org/professionals/registration>

If you require any assistance with your GDC registration application, please contact your Tutor Assessor, or email hello@tempdent.co.uk
