A place where people come together to enjoy live music, comedy, exhibitions, festivals, creative learning, community events and more. It's where friendships are formed, creativity flourishes and new passions are discovered within our beautiful Grade II* Listed historic building.

Your support helps us to:

- Present outstanding original live music and performances
- Champion emerging artists and local creativity
- Nurture creativity through classes, choirs and workshops
- Care for this much-loved historic building
- Keep culture, creativity and community at the heart of Teddington

Whether you buy a ticket, become a Friend, make a donation, volunteer or leave a gift in your Will, you're to ensure the Landmark continues to grow. A place to discover something new, connect with others and always be surprised.
