The tournament was conducted under the theme "Chess – Skill – Sportsmanship," emphasising strategic thinking, sportsmanship and excellence.

Prof. Dr. R. Kothai, Principal-in-Charge, VMCP, delivered the welcome address. Dr. B. Jaykar, Director of Clinical Trials, VMRF-DU, Salem, graced the occasion as the Guest of Honour and felicitated the gathering. The event was also attended by Heads of

Departments Dr. M. Kumar, Dr. R. Margret Chandira, Dr. M. V. Kumudhavalli and Dr. V. Muruganantham.Students from various constituent colleges of VMRF-DU participated enthusiastically, demonstrating their analytical abilities, concentration and sporting spirit. The winners were felicitated with trophies and certificates in recognition of their achievements. Mr. R. Thangadurai, Physical Director, VMCP, Salem, proposed the vote of thanks.

Ayudha Pooja and Vijayadashami celebration

Ayudha Pooja and Vijayadashami were celebrated on 17 October 2026 with devotion and enthusiasm. Dr. R. Kothai, Principal-in-Charge, graced the occasion as the Chief Guest. Heads of Departments, teaching and non-teaching staff members, and students participated in the pooja and sought blessings for prosperity, success and new beginnings. The celebration upheld cultural traditions and fostered unity among the campus community.

Vinayaka Mission's Annapoorana College of Nursing, Salem

Pooja celebration at VMACON

The Student Council organised a pooja celebration on 16 October 2026 at the college campus. The programme commenced with prayers and was inaugurated by Dr. K.

Maheswari, Principal, VMACON.The campus was adorned with colourful kolams, banana trees and flower garlands decorating the deity's portrait. Camphor aarti was performed in the presence of faculty members and students. Puffed rice, sundal, sweets and fruits were distributed to the participants. The celebration fostered devotion, unity and cultural spirit among the campus community.

World Earthworm Day – awareness programme

The Environmental Students Club organised an awareness programme at Makkalur Village, Salem, on 23 October 2026 to commemorate World Earthworm Day. The programme aimed to educate farmers about the vital role of earthworms in maintaining soil fertility, improving soil structure and promoting sustainable agricultural practices.The student volunteers highlighted the benefits of vermicomposting, the use of natural fertilisers and the reduction of chemical fertilisers to protect soil health and the environment. Farmers were encouraged to adopt eco-friendly farming methods, recycle organic waste and use earthworms to convert biodegradable waste into nutrient-rich compost.A total of 15 students participated in the programme, benefiting 20 farmers through awareness and knowledge-sharing activities.

International Day for Disaster Risk Reduction – awareness programme and mock drill

The Environmental Students Club organised an awareness programme and mock drill on “Disaster Management and Its Preparedness” on 26 October 2026 at the college campus to commemorate the International Day for Disaster Risk Reduction. Mrs. R. Kowsalya, M.Sc. (Nursing), Nursing Tutor, explained the importance of disaster management, emergency preparedness and safety measures. Practical demonstrations were conducted on the duck-and-cover technique for protection during earthquakes, emergency safety procedures, assisting injured individuals and basic life support.A total of 20 students actively participated in the mock drill and gained practical knowledge of emergency response, immediate assistance and adherence to safety instructions. The interactive programme enhanced students’ awareness, practical skills and preparedness to respond effectively to disaster situations.

School of Allied Health Sciences, Salem

International Day for Disaster Risk Reduction and World Trauma Day

The Department of Emergency Care Technology organised an awareness programme on 23 October 2026 to commemorate the International Day for Disaster Risk Reduction and World Trauma Day. The programme aimed to promote disaster preparedness, accident prevention, fire safety and effective emergency response.Prof. Dr. B. Sendilkumar, Director, SAHS, VMRF (DU), Salem, presided over the programme and delivered the welcome address, emphasising the importance of disaster preparedness and timely emergency intervention in safeguarding human lives.

The chief guest, Mr. D. Arulmani, Station Officer, Fire and Rescue Services, Attayampatti, Salem District, addressed the students on fire prevention, safety precautions during fire emergencies and rescue operations. He highlighted the importance of situational awareness, adherence to safety protocols and effective response during emergencies. Students of the Department of Emergency Care Technology demonstrated practical procedures for managing fire emergencies. Officers from the Attayampatti Fire and Rescue Services Station conducted a live fire drill and practical demonstrations, providing students and faculty members with valuable hands-on experience in firefighting techniques, fire safety measures and emergency response procedures.The programme was coordinated by Mr. Arunkumar, Mr. Jegan and Mr. Kaviyarasu, faculty members of the Department of Emergency Care Technology. The initiative strengthened students’ practical knowledge and preparedness to respond effectively to fire-related emergencies and trauma situations.

Hands-on workshop on cosmetic contact lenses

The Department of Optometry conducted a hands-on workshop on Cosmetic Contact Lenses on 22 October 2026 in collaboration with Bausch & Lomb India Pvt. Ltd.

The workshop aimed to familiarise students with the clinical applications, safe handling and appropriate use of cosmetic contact lenses.Mr. Ramachandran R., Optometrist and Healthcare Sales and Business Development Professional, served as the resource person and shared valuable insights into cosmetic contact lenses and their applications in optometric practice. The session featured practical demonstrations and hands-on training in lens handling, insertion and removal techniques. Emphasis was also placed on contact lens hygiene, safe usage practices and patient counselling to ensure ocular health and comfort.The interactive workshop enabled students to strengthen their practical skills and understand the clinical responsibilities involved in fitting cosmetic contact lenses and advising patients on their appropriate use.

The programme was organised by Prof. R. Tamilchudar, In-charge, Department of Optometry, SAHS, VMRF

(DU), Salem, along with the department faculty members. The workshop provided a valuable learning experience and enhanced students' clinical knowledge and professional competencies.

The Outreach Services Unit in association with the Department of Ophthalmology and the District Blindness Control Society, Cuddalore, organised an Ophthalmology Specialty Camp at Palapattu, Cuddalore District, on 23 October 2026. The camp was publicised by Ms. Kavipreetha K., DBCS Team Lead, with the support of PREPARE NGO, C.N. Palayam, Cuddalore. The medical team, led by Dr. Ameena Jennifer K., Senior Resident, Department of Ophthalmology, and supported by a postgraduate, a General Medicine postgraduate, optometry staff and students, and the outreach nursing team, screened the public for cataract and created awareness about the eye care services available at AVMC&H under DBCS. A total of 76 adults, comprising 15 males and 61 females, were screened. Of these, 13 individuals were referred to the Department of Ophthalmology and one to Obstetrics and Gynaecology at AVMC&H for further evaluation and management.

Mobile Medical Unit camp at Vellapakkam and Azhagiyanatham

The Outreach Services Unit with the support of Sevabharathi NGO, organised a Mobile Medical Unit screening camp at Vellapakkam and Azhagiyanatham on 22 October 2026. The medical team comprised two Junior Residents, Dr. Harish and Dr. Sri Lakshmi, two staff nurses and a camp coordinator.A total of 47 outpatients were screened, including 14 at Vellapakkam and 33 at Azhagiyanatham. One patient was referred to AVMC&H for further evaluation and management in General Surgery.

Mobile Medical Unit camp at Thirumanikuzhi

The Outreach Services Unit with the support of Sevabharathi NGO, organised a Mobile Medical Unit screening camp at Thirumanikuzhi on 23 October 2026. The team comprised two Junior Residents, Dr. Harish and Dr. Sri Lakshmi, two staff nurses, a camp coordinator and the Sevabharathi ambulance driver.A total of 31 outpatients, comprising 20 males and 11 females, were screened during the camp. No referrals were required.

International Conference on Pathology and Genomics for Precision Medicine

The Departments of Pathology and Medical Biotechnology in collaboration with the Global Society for Biomarkers and Precision Medicine organised PAGE-26, an international conference on Pathology and Genomics for Precision Medicine, on 8 and 9 October 2026.The first day featured hands-on pre-conference workshops on liquid biopsy, next-generation sequencing (NGS) data analysis, cerebrospinal fluid (CSF) diagnostics, cell-free DNA isolation and digital PCR. The workshops, supported by HiMedia and QIAGEN, respectively, attracted approximately 100 delegates.The second day commenced with a scientific address by Dr. Swaminathan Padmanabhan Iyer, followed by the inaugural session, which featured addresses by Dr. K. Siva, Organising

Secretary; Dr. R. Mani, Dean, AVMC&H; and Mr. J. Suresh Samuel, Executive Council Member, VMRF-DU. Prof. Dr. Vijay Chandru delivered the keynote address, and the GSBPM was officially launched.Scientific sessions covered emerging developments in AI-based breast cancer screening, molecular profiling, genomic testing in solid tumours, acute leukaemia workup and flow cytometry. Algopath showcased digital pathology solutions. Oral and poster presentations provided a platform for researchers to share their findings, with Young Research Scholar Awards and best-paper prizes recognising outstanding contributions.The conference brought together approximately 200 delegates from 33 institutions across India, fostering knowledge exchange and collaboration in pathology, genomics and precision medicine.

White Coat Ceremony for the first MBBS batch 2026–2027

AVMC&H hosted the White Coat Ceremony for the First MBBS Batch of 2026–2027 on 17 October 2026 at Lecture Hall 1, Dr. Ganesan Learning Centre.The ceremony commenced with an invocation and the lighting of the ceremonial lamp. Dr. T. Rajan, Professor and Head of Anatomy and Vice Dean – Administration and Events, delivered the welcome address, followed by an address by Dr. R. Mani, Dean, AVMC&H. Dr. R. Latha, Vice Dean – Academics and Digitalization, highlighted the significance of the white coat ceremony in shaping the professional identity and responsibilities of future doctors.Faculty members ceremonially donned the students in white coats, symbolising their entry into the medical profession and their commitment to compassionate patient care. Dr. K. Dhamodaran, Medical Superintendent, administered the Modified Charaka's Oath, reinforcing the importance of medical ethics, professional integrity and dedication to service.The chief guests, Dr. Manju Rahi, Director, ICMR-NIVCR, Puducherry, and Prof. Dr. N. Basker, Dean, Government Cuddalore Medical College and Hospital, shared their valuable guidance and encouraged the students to pursue medical education with dedication, empathy and responsibility.The ceremony was attended by 178 students, 150 parents and 40 faculty members in person and was also live-streamed on the AVMC YouTube channel. The programme concluded with the vote

of thanks by Dr. R. R. Kumar, Student Welfare Officer, followed by the National Anthem.

Vinayaka Mission's College of Nursing, Puducherry

Observational visit to IGMC & RI, Puducherry

The final-year and second-year M.Sc. Nursing students, along with the B.Sc. Nursing VII Semester students visited Indira Gandhi Medical College and Research Institute

(IGMC & RI), Puducherry, as part of an observational visit.The visit provided students with valuable exposure to hospital administration, clinical procedures and patient care services. The visit provided students with an opportunity to observe clinical practices, apply theoretical knowledge to practical settings, and enhance their understanding of professional nursing practices and patient care services.

Participation in mega general medical camp at Cuddalore

Four students from the fourth-year B.Sc. Nursing participated in a Mega General Free Medical Camp held at Abinaya Towers, Beach Road, Cuddalore, on 24 October 2026. The students supported the community healthcare initiative by participating in camp activities and gaining practical exposure to public health services. Their involvement provided valuable learning opportunities in community nursing, patient interaction and healthcare delivery while reinforcing the importance of service and social responsibility in the nursing profession.

School of Rehabilitation and Behavioral Sciences, Puducherry

Hearing screening camp

The Department of Audiology conducted a Hearing Screening Camp on 15 October 2026 at Shri Patcheappane School for the Hearing Impaired, Puducherry.

The camp was coordinated by Mr. Vinayagamurthi, Lecturer and Clinical Supervisor, Department of Audiology, with BASLP interns volunteering to support the screening activities. A total of 24 beneficiaries were screened, and all were referred to SRBS for detailed audiological evaluation and further management.

Inter-Collegiate Yogasana Sports Championship 2026

The Centre for Yogic Sciences in collaboration with the Department of Sports, AVMC & Hospital, organised the VMRF (DU) Inter-Collegiate Yogasana Sports Championship 2026 on 22 October 2026 at the AVMC Library Ground. The championship aimed to identify and select talented students to represent the University at the All India Inter-University Yogasana Sports Championships 2026. A total of 60 students, comprising 29 men and 31 women from 14 teams, participated in the Traditional Yogasana Sports event.

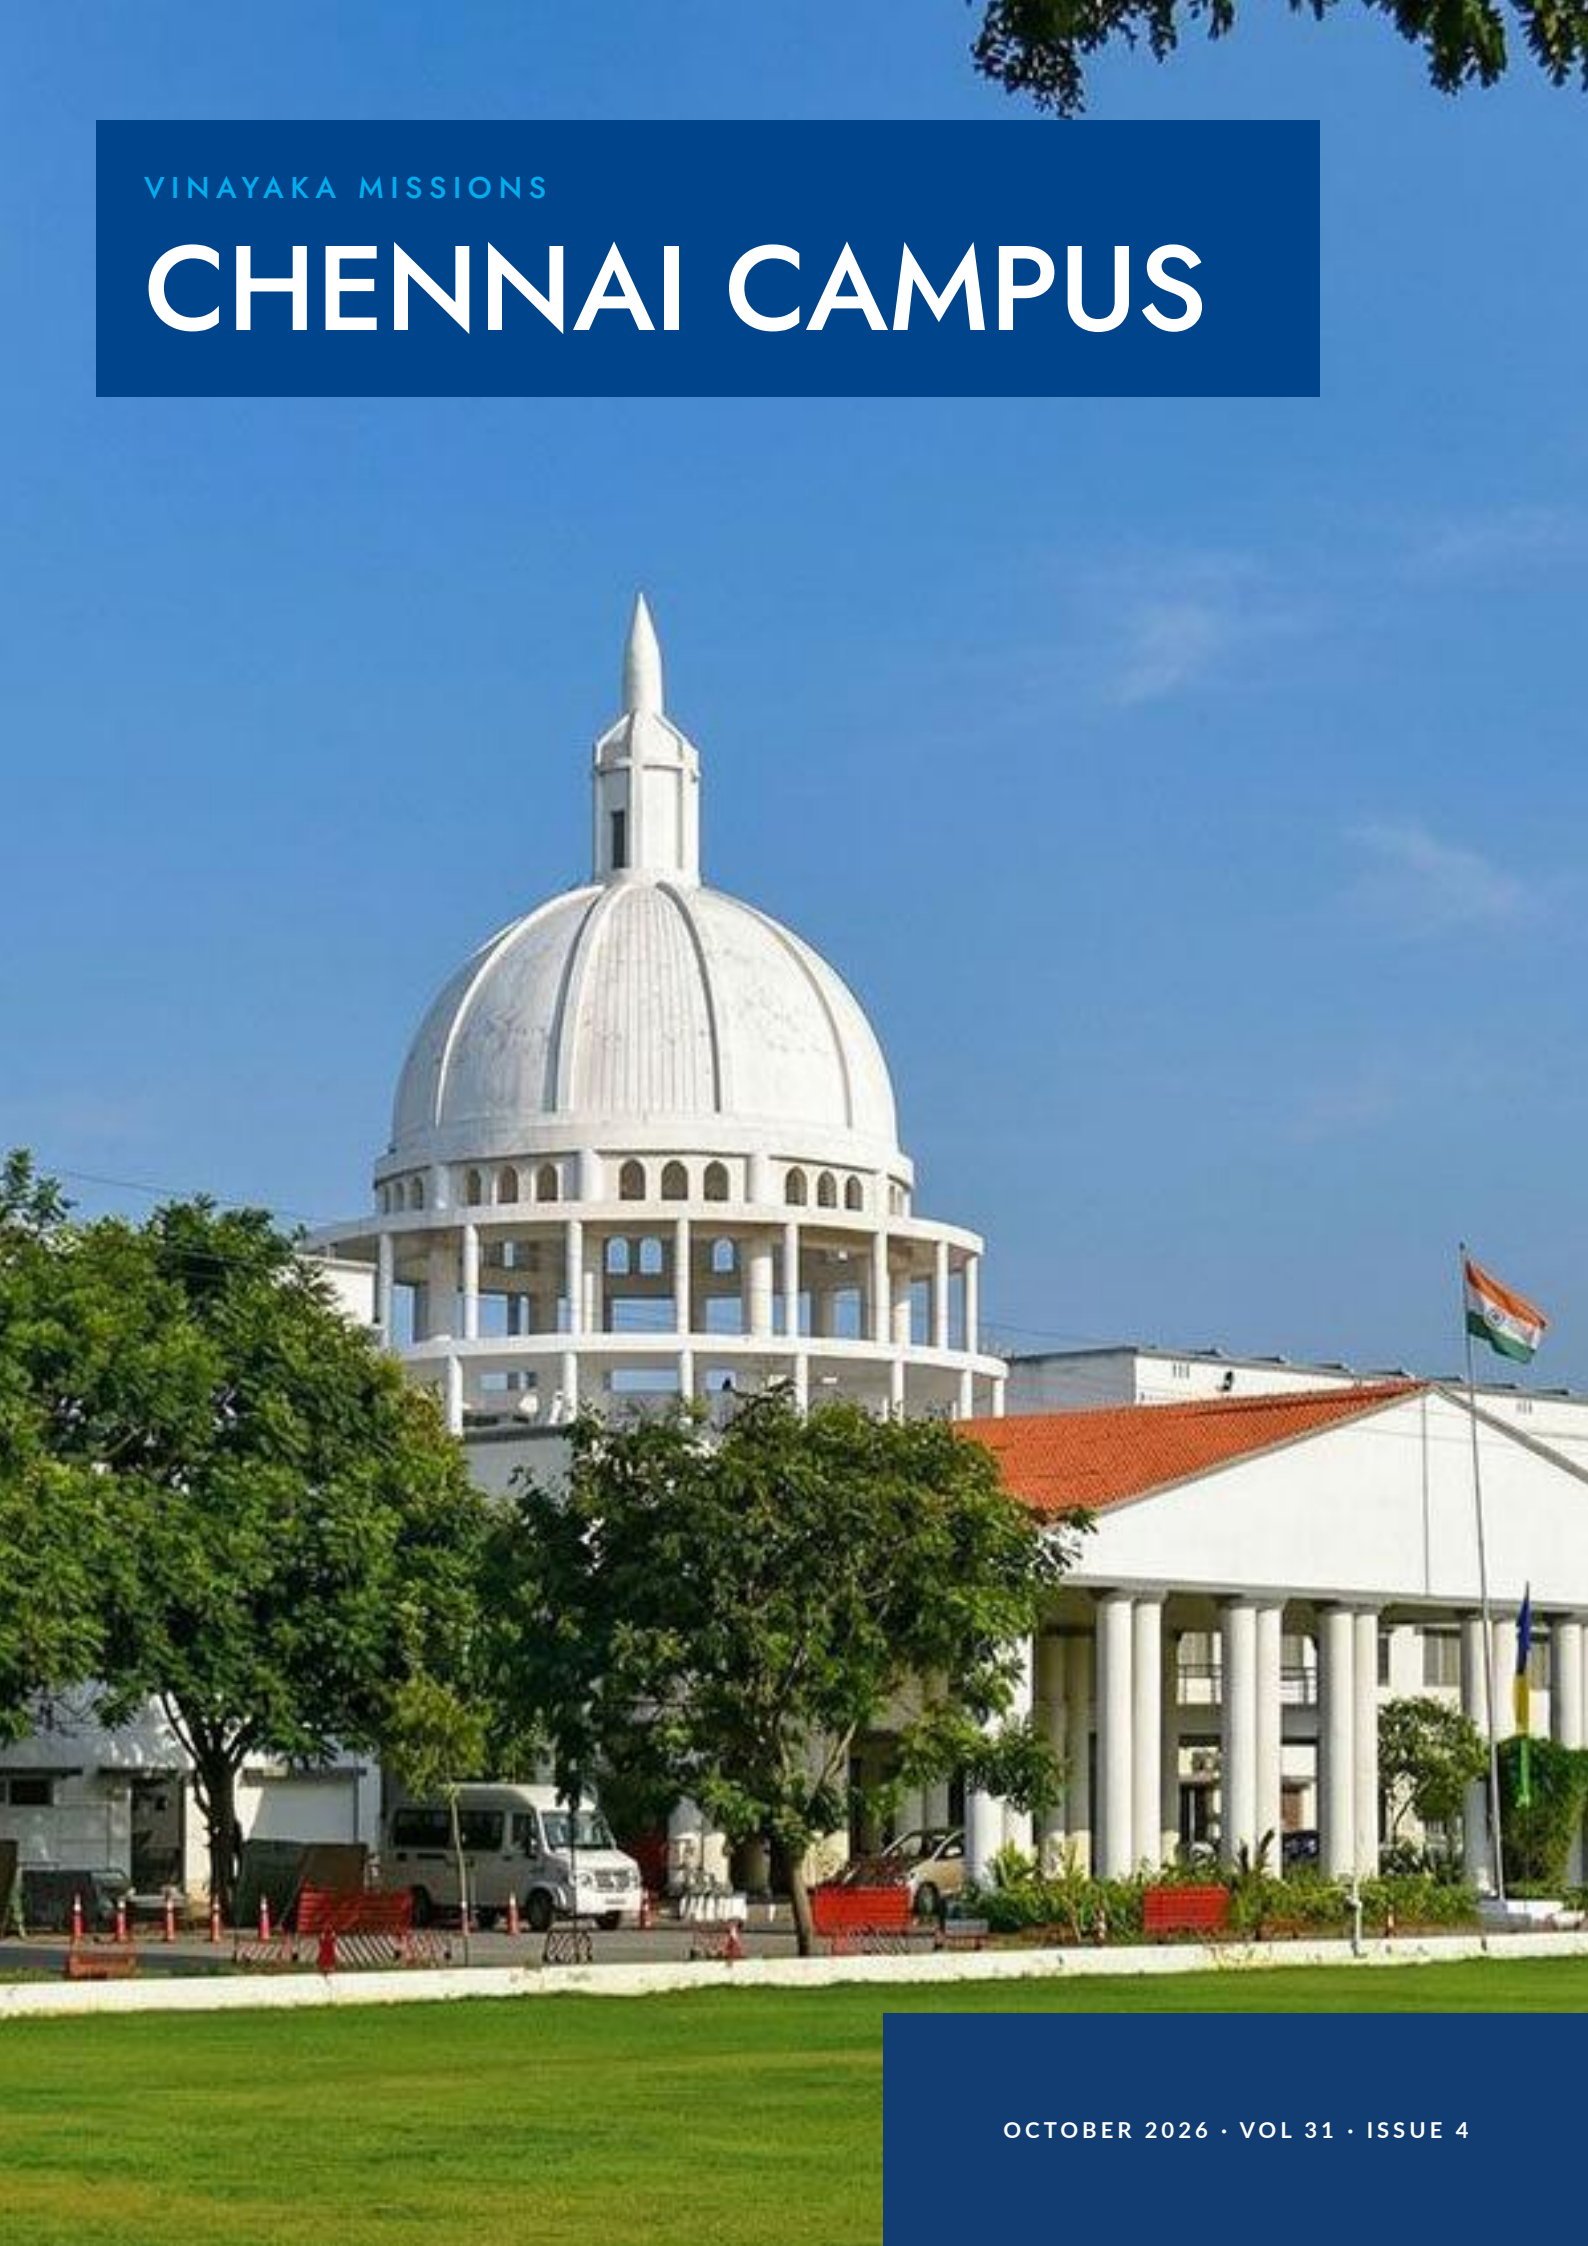

Dr. Artchoudane S., Assistant Professor and Academic Secretary, Indian Yoga Association (IYA), Puducherry Chapter, welcomed Dr. R. Mani, Dean, and Dr. Latha, Vice-Dean (Academic), AVMC & Hospital, along with the panel of judges from the Siddharbhoomi Puducherry Yogasana Sports Association (SPYSA), affiliated with Yogasana Bharat. The championship was formally inaugurated by Dr. R. Mani.

The judging panel included Mr. Shanmugakumar, Dr. Gajalakshmi, Mrs. Vidhyasri, Mr. Shaam and Ms. Sukanya, under the supervision of Dr. G. Dayanidy, Secretary, SPYSA. The competitions were conducted in accordance with standardised Yogasana Sports rules, under the supervision of certified referees and technical officials. Emphasis was placed on correct mounting and dismounting, postural accuracy, alignment, endurance and fair competition.Following the event, the top five participants, along with three backup candidates in each category, were shortlisted to represent the University at the All India Inter-University Yogasana Men's and Women's Championships 2026.

In the Men's Team Category, VMKVEC, Salem, secured first place, followed by the School of Allied Health Sciences, Salem, as runners-up, while VMCPE, Salem, secured third place. In the Women's Team Category, SPT, Puducherry, emerged as champions, followed by SAHS, Salem, in second place and SAHS, Puducherry, in third place. Trophies were presented to the champion and runner-up teams in recognition of their performances.The championship was organised under the leadership of Dr. Artchoudane S., Assistant Professor and Head, Centre for Yogic Sciences, with the support of Mr. Amal M., Yoga Instructor; Ms. Vidya Narayanan, Assistant Yoga Therapist, Centre for Yogic Sciences, SRBS; and Mr. G. Jaganathan, Physical Director, Department of Sports, AVMC & Hospital.The event provided a platform for inter-collegiate sporting engagement, promoted Yogasana as a competitive discipline and facilitated the selection of student athletes for national-level university competitions. It also encouraged sportsmanship, discipline and excellence while strengthening student participation in competitive Yogasana Sports.

FACULTY ACHIEVEMENTS (AWARDS/RECOGNITION)

Aarupadai Veedu Institute of Technology, Chennai

HOD, CSE contributed to organization of IEEE YESIST12 2026 Grand Finale

Professor and HOD Dr. S. Balakrishnan, was appreciated for his role as a Publicity Ambassador in the successful organisation of the IEEE YESIST12 2026 Grand Finale, held on 2 to 3 October at the BSI Convention Centre, Indonesia.

Dr. S. Balakrishnan completed AICTE patent course

Professor and HOD Dr. S. Balakrishnan, completed the AICTE-evaluated Two-Week Patent Course, equivalent to 30 hours of learning. It was organised by Turnip Innovations under the AICTE National Educational Alliance for Technology (NEAT) initiative.

CSE professor selected for Google Fellowship

Professor Dr. S. Pitchumani Angayarkanni, has been selected for the prestigious Google Higher Education Faculty AI Fellowship 2026 – EMEA Cohort. She was selected from thousands of faculty applicants across the Europe, Middle East and Africa (EMEA) region, placing her among the top 1% of applicants. She is one of only 45 selected academic leaders and one of just three representatives from Indian institutions.

Mr. S. Karthik completed an FDP in mathematics

Mr. S. Karthik, CSE completed a six-day Faculty Development Programme on Mathematics in AI, organized by Periyar Maniammai Institute of Science & Technology, Vallam, Thanjavur. The FDP was conducted from October 12 to 17.

Dr. Saravanan Thirunavukkarasu contributed to organization of hackathon

Dr. Saravanan Thirunavukkarasu from the CSE Department was part of the Organizing Member of the Imagination Forge II Software Hackathon, held at AVIT on October 9 and 10.

English Department's HOD presented paper on teacher identity at international conference

Professor and HOD Dr. Jennifer G. Joseph presented a paper titled "Post Pandemic Teacher Identity in the Age of Generative AI- Negotiating Expertise, Authority and Pedagogical," in the ICGRI 2026- Singapore International Conference on Global Research and Innovation.

Papers authored by five academicians

The following academicians authored papers later published in Q1 and Q2 journals.

Name of Faculty Member	Name of Department	Name of Journal	Name of Paper
Dr Surendiran Mohan	H&S-Chemistry	Journal of Materials Science	Synergistically Reinforced Mg–Zn-Substituted Hap/PLA/HNT Composite Coatings On Titanium Via Electrochemical Deposition.
Dr Surendiran Mohan	H&S-Chemistry	Journal of Polymer Research	Tuning Thermal Properties of Co-Polyimide Carbonates via Rigid and Flexible Segment Incorporation.
Dr Surendiran Mohan	H&S-Chemistry	Journal of Biomaterials Science	Interfacial and Ionic Effects of Mg–Zn Co-Doped HAp-PLA-HNT Hybrid Composites on Cytocompatibility and Osteosarcoma Suppression
Dr. Jennifer Joseph	H&S-English	System	Affective Readiness, Metacognitive Regulation, And Learner Agency In AI-Supported L2 Writing: An ECM Framework Analysis.
Dr. Suresh G	H&S- Physics	Next Material	Enhancement Of Mechanical And Antibacterial Properties Of Glass Ionomer Cement Using Oyster Shell-Derived Tio 2-Hydroxyapatite Nanorods For Dental Restoration Application.
Dr. Suresh G	H&S- Physics	Environmental Geochemistry and Health	Risk Assessment Of Radionuclides In Different Environmental Matrices In The State Of Qatar, Arabian Gulf.
Dr. Karthikeyan Manivannan	H&S-Chemistry	Environmental Geochemistry and Health	Photocatalytic And Antifouling Performance Of G-C3N4, Ceo2, And Zno-Grafted PVDF/Tio2 Nanohybrid Membranes: A Comparative Study.
Dr. Karthikeyan Manivannan	H&S-Chemistry	Journal of Photochemistry & Photobiology, A: Chemistry	Chemistry, Facile Synthesis Of Small Molecules-Derived Highly Fluorescent Carbon Dots For Dual Turn-Off Sensing Of Fe3+ And Ag+ Ions With Cellular Bioimaging.
Dr. Karthikeyan Manivannan	H&S-Chemistry	Coordination Chemistry Reviews	Cold Plasma-Engineered Metal-Organic Frameworks: A New Paradigm Fornext-Generation Environmental Applications.
Dr. Karthikeyan Manivannan	H&S-Chemistry	Journal of the Taiwan Institute of Chemical Engineers	A Strategy For Proficient Electrochemical Detection Of Water Pollutant: Catechol Using Labi2o4 Nanoparticles Decorated Rgo (Labi2o4@Rgo) Nanocomposite Modified Glassy Carbon Electrode.
Dr. R. Shylaja	H&S- Physics	Journal of Nanoparticle Research	Evaluating The Sensing Limits Of GQD-Based Chemiresistive Sensor For Lung Cancer VOC Detection.

Vinayaka Missions School of Health Systems, Chennai

Director and Program Director participated in leadership forum

Dr. K. Manivannan, Director-i/c and Dr. G. Senthil Kumar, participated in the British Council Higher Education Leadership Forum – Chennai 2026.

STUDENT ACHIEVEMENTS (AWARDS/RECOGNITION)

CO-CURRICULAR ACTIVITIES

Aarupadai Veedu Institute of Technology, Chennai

Four students complete internships

The following CSE students completed internships.

Name of the Student	Name of the Company
Mr. Himamrutha Aluri	ApexPlanet Software Pvt. Ltd.
Ms.Thatha Vaishnavi	EWB Courses

Name of the Student	Name of the Company
Ms. Pavani Kaku	Nimblegrids IT Solutions
Mr. Mandila Gurumurthy	YesPanchi Tech Services Private Limited

Mr. Koturu Sai Poorvith completed quiz on AI

Mr. Koturu Sai Poorvith completed a 15- minute quiz on Generative AI and Tools by Simplilearn.

Mr. Jeyaraman V. participated in pre-final round of AI hackathon

Mr. Jeyaraman V. participated in the Pre-Final Round of Zéphyr 2026 AI Hackathon, conducted on 10 October and organized by Puducherry Technological University, in collaboration with the Microsoft AI Innovators Hub.

11 students completed certificate courses from ICT Academy

Tharun Kumar, Koturu Sai Poorvith, S. Jagadeesh, B. Pavan Kalyan Reddy, S. Sriram, S. Gowtham, V. Reddi Teja, Kambham Harideep Reddy, P. Jyoshna, Joel Alexander, and S. Madhuvartheni completed certifications from ICT Academy through Learnathon 2026.

Vinayaka Mission's Law School, Chennai

Ms. Malavika A. bags gold medal at International Silambam Championship

Ms. Malavika A. (II BA LLB) bagged the 1st Place (Gold Medal) in the Single Stick category at the 6th Malaysia–India International Silambam Championship 2026, held at Titiwangsa Stadium in Kuala Lumpur, Malaysia.

Vinayaka Missions School of Health Systems, Chennai

Mr. Ravikumar S. completed MSME course on medical law

Mr. Ravikumar S. (II MHA) completed a Certificate Course on Medical Law, conducted by MSME, Government of India.

NEW FACULTY

Aarupadai Veedu Institute of Technology, Chennai

Mrs.R.Swarna Teja, MTech joined as Assistant Professor in the Department of Computer Science Engineering.

EVENTS ORGANISED

Aarupadai Veedu Institute of Technology, Chennai

The Department of Electrical and Electronics Engineering organised a Skill Development Programme on "PCB Design, Fabrication and Testing" on 23 October 2026, with Mr. Suresh S., Project Manager, Vi Microsystems Pvt. Ltd., as the resource person.The programme aimed to enhance students' practical knowledge and technical skills in electronic circuit development. Students gained hands-on experience in circuit schematic design and PCB layout using KiCad software. During the practical session, they designed, fabricated, assembled and tested an Automatic Street Light Control Circuit that automatically switches street lights based on ambient light conditions.The programme promoted experiential learning, strengthened students' technical competencies and demonstrated the practical applications of automation and energy conservation in electronic system design.

School of Arts & Science, Chennai

NSS Day celebrations

The School of Arts and Science celebrated National Service Scheme (NSS) Day on 24 September 2026 with a pledge-taking ceremony and an interactive awareness session for NSS volunteers.The volunteers took the NSS pledge, reaffirming their commitment to the motto, "Not Me, But You." Dr. K. Sankaranarayanan, NSS Programme Officer, SAS, VMCC, delivered an interactive session highlighting the objectives, activities and responsibilities of NSS in promoting social service, leadership and community engagement.The programme strengthened the volunteers' understanding of NSS and encouraged their active participation in community service and nation-building initiatives, fostering a spirit of social responsibility and service.

Coastal cleaning programme at Kovalam Beach

The National Service Scheme and the Environmental Students' Club jointly organised a coastal cleaning programme under the initiative "A Clean Shore Initiative" at Kovalam Beach on 26 September 2026.NSS volunteers and faculty members actively participated in the beach-cleaning drive by collecting plastic waste and other litter. The initiative aimed to promote environmental protection, marine conservation and responsible waste management while raising awareness about reducing plastic pollution and maintaining clean beaches.The programme fostered teamwork and environmental responsibility among students while encouraging sustainable practices. The initiative also supported Sustainable Development Goals (SDGs) 14 – Life Below Water and 13 – Climate Action.

Awareness programme on Environmental Health Day and Ayurveda Day

The National Service Scheme and the Environmental Students' Club organised an awareness programme and competition to commemorate Environmental Health Day and Ayurveda Day on 28 September 2026 at the Model Classroom, Bharathiyar Block.The programme aimed to sensitise students to the importance of environmental health, preventive healthcare and the holistic benefits of Ayurveda in daily life. Through interactive sessions and competitions, students were encouraged to understand the relationship between a healthy environment, personal well-being and sustainable living.The initiative promoted environmental awareness, healthy lifestyle choices and the practical relevance of traditional knowledge in everyday healthcare, reflecting the institution's commitment to student well-being and sustainable development.

Guest lecture on "Why Gandhi Still Matters: His Relevance in Today's World"

The National Service Scheme and the Department of History with Tourism jointly organised a guest lecture titled "Why Gandhi Still Matters: His Relevance in Today's World" on 1 October 2026 at the Mini Auditorium, commemorating Gandhi Jayanti and Communal Harmony Day.The session was delivered by Ms. Arunmozhi Villalan, who highlighted the enduring relevance of Mahatma Gandhi's principles of truth, non-violence, peace and communal harmony in contemporary society. The lecture encouraged students to embrace Gandhian values, practise mutual respect and contribute to building a peaceful and inclusive society.The programme reinforced the importance of ethical values, social responsibility and communal harmony among students, reflecting the institution's commitment to nurturing responsible and conscientious citizens.

Vinayaka Mission's Law School, Chennai

Guest lecture on forensic science and wrongful conviction

VMLS organised an interdisciplinary guest lecture titled "Forensic Science and Wrongful Conviction" on 13 October 2026 at the Moot Court Hall. The session was delivered by Prof. Swathi Muthusamy, Assistant Professor of Law, and attended by third- and fourth-year LL.B. students.The lecture examined the role of forensic evidence in criminal trials and explored how errors in evidence collection, scientific analysis and interpretation could contribute to wrongful convictions. The session emphasised the importance of procedural safeguards, scientific accuracy and rigorous legal scrutiny of forensic reports in ensuring fair trials and preventing miscarriages of justice.

Career guidance session at Bharath Senior Secondary School

VMLS conducted an interactive career guidance session for Class XII students at Bharath Senior Secondary School on 24 October 2026. The session was led by Dr. Aarthy Jonathan Kennedy, Assistant Professor of Law and Assistant Dean (Student Engagement and Partnership).Moving beyond conventional career counselling, the session incorporated icebreakers, contemporary legal developments and references to popular courtroom films to familiarise students with diverse career opportunities in the legal field. The discussion introduced students to various pathways in law and encouraged them to explore their interests before making informed decisions about their academic and professional futures.The initiative was coordinated by Mr. M. Aravinth, Outreach Manager, with the support of Prof. Siddharth Raja, Executive Dean, and Ms. Merlin Stephen, Deputy Director of Admissions. The session aimed to broaden students' understanding of legal education and empower them to make informed career choices.

Legal education outreach programme at Manuelmony Matriculation School

VMLS organised a legal education outreach programme on 14 October 2026 at Manuelmony Matriculation School, Pallavakkam, Chennai, to familiarise students with legal education and career opportunities in India.

The session was led by Prof. Akshara, Assistant Professor.The programme highlighted the role of law in upholding justice, protecting individual rights and promoting social responsibility. Students were introduced to traditional legal professions as well as emerging career opportunities in corporate law, cyber law, public policy, legal journalism and intellectual property rights.The initiative was coordinated by Mr. M. Aravinth, Admissions Outreach Manager, under the guidance of Prof. Siddharth Raja, Executive Dean, and Ms. Merlin Stephen, Deputy Director of Admissions. The programme aimed to raise awareness of legal education and encourage students to explore diverse career pathways in the legal profession.
