ACTIVATE

Natural GLP-1 Support + Appetite Control

Activate a Healthier Lifestyle

A synergistic formula that naturally targets your GLP-1 production to curb cravings and prolong fullness while activating AMPK, the "switch" in your cells that helps you burn more fat for energy.*

BENEFITS OF ACTIVATE

Wellness support you can feel.

PROMOTES NATURAL GLP-1 PRODUCTION + CURBS CRAVINGS

Leverages L-arginine, hibiscus, and lemon verbena to naturally increase GLP-1 production and help you feel full longer.*

IMPROVES CIRCULATION

L-arginine improves blood flow and supports a healthy metabolism while antioxidants support cardiovascular function.*

SUPPORTS FAT BURNING + STABILIZES BLOOD SUGAR

Supports glucose absorption to promote stable blood sugar and helps your body burn more fat for fuel instead of carbs.*

OVERALL WELLNESS SUPPORT

A powerful blend of botanicals and nutrients designed to help you feel energized, satisfied, and in control.*

INGREDIENTS THAT SET US APART

L-ARGININE

This amino acid acts as a fat-burning booster and naturally increases GLP-1 production to help manage blood sugar and appetite.*

HIBISCUS

Packed with antioxidants and anthocyanins that support a healthy metabolism and make weight loss more manageable.*

LEMON VERBENA

Helps regulate hunger by controlling ghrelin, the hormone that stimulates appetite.*

CITRUS SINENSIS EXTRACT

Supports fat oxidation, body composition improvement, and weight loss.*

WATCH THE DIFFERENCE

Real People. Real Results.

SUGGESTED USE

Mix one scoop with 12-16 oz of water, one to two times a day. Do not exceed two servings per day.
