Partnership Proposal

Mission

"Through Scouting, we **support, develop and inspire** young people and volunteers, to strengthen communities across South Australia."

We create opportunities for young people to build **resilience, confidence, life skills and lifelong friendships** while promoting preventative mental health and wellbeing through outdoor experiences, meaningful relationships and active participation.

Scouts are more resilient

Building resilience through adventure, challenge and experiences that empower young people to thrive.

Priority Project Opportunities

Upskilling Volunteers in Neurodivergence

Training and capability development to better support neurodivergent young people, improving participation and wellbeing outcomes.

Scout Hall Maintenance and Improvements

Essential maintenance and facility upgrades protecting vital local infrastructure across South Australia.

Adventure Infrastructure Woodhouse Adventure Park

Additional straight tube slide track, expanding recreational capacity and enhancing the youth experience.

Heritage Restoration Old Woodhouse Manor

Ongoing heritage restoration and asset protection, preserving a significant community asset for safe, sustainable use.

Supporting Volunteers Who Support Young People

Essential training, compliance, insurance and support costs for more than 1,300 Scouts SA volunteers, reducing barriers to volunteering and ensuring young people continue to benefit from safe, high-quality Scouting programs.

Growth in Youth Membership and Volunteers

Targeted initiatives to increase youth participation and expand the volunteer base, broadening access to scouting across South Australia.
