About *Beetlejuice Jr*

The ghost-with-the-most comes to the stage in Beetlejuice JR., the frightfully funny musical based on the beloved motion picture turned Broadway phenomenon. Lydia Deetz is a strange and unusual teenager, still grieving the loss of her mother and obsessed with the whole “being dead thing.” Lucky for Lydia, she and her father move to a new house haunted by a recently deceased couple and Beetlejuice, a delightful demon with a real zest for life. When Lydia calls on Beetlejuice to scare away anyone with a pulse, this double-crossing specter shows his true stripes, unleashing a (Nether)world of pandemonium.

About Ziegfeld Theater Arts

The Ziegfeld Theater is about art, collaboration, and acceptance. Our driving motto is "Professional standard, community spirit," and it drives every aspect of our work. As an emerging performance venue and company, we are finding success catering to a broad audience. We work to enlist A-list local talent and produce professional quality entertainment, always keeping in mind that positive collaboration is essential. Joining these ideals is a guiding principle of improvisation: "Yes...And!" The "Yes" means that we accept theatrical, musical, and visual arts that are furthering the community's knowledge and cultural experience. The “And” describes our dedication to enhancing the idea and furthering its impact.

Director's Note

It's showtime!

Directing Beetlejuice JR. with this amazing group of teen performers has been crazy fun. They've tackled this show with creativity and a sense of play that makes it come alive — even in the afterlife.

Beneath the humor and chaos, Beetlejuice reminds us to live fully, love deeply, and laugh at the strange and unexpected. Most of all, it reminds us that "home" is everything — and it's worth our every effort.

To the parents, families, and everyone who helped these young artists along the way: thank you for your support, rides, encouragement, and patience. You make the magic possible. Now sit back, relax, and enjoy the weird, wild world of Beetlejuice!

YOU ARE ALL HOME HERE!

love,
Kristin Parry

Crew Biographies

KRISTIN PARRY (Director)-Kristin is a seasoned theater professional with over 30 years of experience in acting, directing, playwriting , and music direction, 13 of those with the Ziegfeld Theater. She has led more than 50 productions and serves as the Director of the Ziegfeld Arts Academy. Known for her dynamic storytelling, and passion for education, Kristin is dedicated to inspiring young performers and creating impactful, engaging theater for all ages. This has been a memorable cast - so fun and welcoming! Break all the legs!

KEELY PARRY (Choreographer/Makeup Designer/Light Design/Sound Design)- Keely Parry is a choreographer, director and performer with extensive experience in theater and dance education. As a producer with The Ziegfeld Arts Academy, she brings energy and creativity to every project. Passionate about helping students grow as dancers and performers, Keely is excited to bring this fun story to life on our stage. These kids are crushing it! Congrats!

ALEXA THOMAS (Music Director)- Music Directing this show has been so much fun. Not only is the music kooky and wild. But so are your kids! I loved getting to work with them and to push them so that they could shine to their fullest potential. Whether they are singing about bananas or creepy old guys, I want you to know they are putting out 110%. Much love and thanks to this super fun cast. ♥

NAOMI PACHECO (Stage Manager)- I'm a die-hard theatre fanatic and an even prouder theatre mom (try and stop me, I dare you). My family's been haunting Zig Academy since 2019, and I'm beyond thrilled to be part of this monstrously amazing show! Watching these insanely talented actors pour their guts—uh, I mean hearts—into their work has been pure magic. These kids are destined for big things, and I can't wait to brag from the grave someday: "I knew them when..."

KARLY VAN KOMEN (Costume Design)- Karly is pleased to be joining the amazingly talented production team as costumer for this fabulous show! She has costumed many shows at The Ziegfeld theater, some of her favorites have been Mary Poppins and Beauty and the Beast among others. Although hundreds of hours go into costuming a show, she still doesn't consider it a "job" she has to do, it is a privilege.
In her spare time (haha) she enjoys spending time at her cabin and hanging out with her husband, her many children and grand children. Thanks to all of them for their continued support and being my very best fan club.

ERICA CHOFFEL (Set Designer/Builder/Dressing/Paint)- Erica is the resident set designer for the Ziegfeld Theater. Recent designs include Beauty and the Beast, Annie, and Scarlet Pimpernel. Erica has been involved with the Ziegfeld in various roles since 2012, performing in various shows along the way, including her recent appearance as Agatha Hannigan in Annie. She is thrilled to continue partnering with the Ziegfeld to bring professional theatre to the Ogden area.

JULIETTE ZORN (Props Designer/Set Builder)- Juliette graduated from the University of the Arts in Philadelphia with a degree in Fine Arts / Sculpture and loves getting to use her skills to bring theater sets to life. Juliette had been a set builder and scenic painter for the Ritz Theatre in New Jersey before making her way to the west to find the Ziegfeld. From platforms to props to backdrops, you name it, she can make it!

TROY MARTELL (Sound Production/Projection Design)- You may have seen Troy pop up in Zig productions like RENT, The Scarlet Pimpernel, Kinky Boots, Young Frankenstein, Rock of Ages, and The Producers. Behind the scenes, he's also enjoyed roles as a stage manager and projection designer for both Mainstage and Academy shows. At home, Troy is kept on his toes by his mischievous cats (Casper, Loaf, Rye, and Cheez-it), his loyal dog Archie, and his ever-supportive partner, Josh. (Love you all to bits)

CAMERON TIGLER-LIECHTY (Sound Op)- This is Cameron's first theater production and first time working with a theater company. He's worked with audio and visual works for three years with the help of the Catalyst Center and holds certification in pro tools 101-110 as well as Dante 1-2. And thanks the production team and cast for a wonderful experience and for everyone to have a wonderful time.
