away!

Hello My name is 상혁. I'm a first-year middle school student

I like Cell phone games

I wrote this story because I wanted to write a book for my children Thank you reading my book. I hope you enjoy it.

This is Rami

Rami has a big blue balloon

"I like my balloon!"

Here comes Toto.

"Wow! It is big!"

"Can we share?"

Rami and Toto play together.

Up and down!

We are happy!

Up, up, and away

Oh, no!

The balloon goes up

"Bye-bye, balloon."

Rami is sad

Toto is sad, too.

Toto says Rami smiles.
"I am sorry." "It's okay, Toto."

A yellow flower!

"This is for you, Rami."

Balloon is gone.

But I have YOU!
We are best friends!
