PLYR ATLAS HOODED JACKET

BLACK

46% Bamboo Charcoal / 46% Repreve / 8% Spandex

Sizes S, M, L, XL, 2XL, 3XL

Built to handle the demands of travel, training, and unpredictable weather, the Atlas Hooded Jacket delivers dependable performance in a lightweight, athletic package. The stretch softshell construction provides freedom of movement without added bulk, making it an ideal outer layer for athletes, coaches, and staff. Designed with a clean modern fit and versatile styling, the Atlas Hooded Jacket transitions seamlessly from the sidelines to everyday wear.

PLYR ATLAS JACKET

BLACK

46% Bamboo Charcoal / 46% Repreve / 8% Spandex

Sizes S, M, L, XL, 2XL, 3XL

Designed for teams that need a polished look without sacrificing performance, the Atlas Jacket delivers lightweight protection and everyday versatility. Built with stretch softshell fabric, it moves comfortably through travel days, game days, and everything in between. The streamlined collar design provides a professional appearance that fits naturally in the locker room, on the sidelines, or at corporate events. Durable, flexible, and easy to wear, the Atlas Jacket is an essential layer for athletes, coaches, and staff alike.

PLYR APEX QUARTER BUTTON

BLACK / SLATE

48% Rayon / 46% Polyester / 6% Spandex

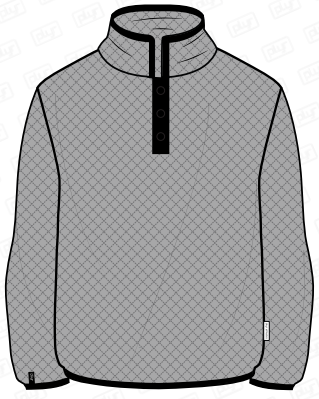

Sizes S, M, L, XL, 2XL, 3XL

Designed for teams that demand a polished appearance without sacrificing comfort. The Apex Quarter Button is a versatile layering piece built for travel, coaching, corporate events, and everyday team representation. Lightweight warmth and unrestricted mobility make it easy to wear throughout the season, while the refined fit delivers a professional look on and off the field. From game day arrivals to post-round gatherings, the Apex Quarter Button is built to perform wherever your team goes.

PLYR AEROLITE TECH TEE

BLACK / CEMENT / NAVY

85% Polyester / 15% Spandex

Sizes S, M, L, XL, 2XL, 3XL

Built for training days, travel days, and everything in between. The Aerolite Tech Tee combines lightweight comfort with technical performance to keep athletes moving at their best. Breathable, moisture-wicking fabric helps regulate temperature during workouts, practices, and competition, while four-way stretch delivers unrestricted movement through every rep, sprint, and drill. Designed for teams that demand comfort, durability, and a clean athletic look.

PLYR AEROLITE LONG SLEEVE

BLACK / CEMENT

85% Polyester / 15% Spandex

Sizes S, M, L, XL, 2XL, 3XL

Lightweight coverage without sacrificing performance.
The Aerolite Long Sleeve is built for cool morning practices, outdoor training sessions, and year-round team wear. Breathable, moisture-wicking fabric helps regulate body temperature while four-way stretch allows athletes to move freely through every workout. Whether layered under uniforms or worn on its own, the Aerolite Long Sleeve delivers dependable comfort from warmup to final whistle.

PLYR AEROLITE HOODIE

BLACK / CEMENT

85% Polyester / 15% Spandex

Sizes S, M, L, XL, 2XL, 3XL

Designed for athletes on the move, the Aerolite Hoodie offers lightweight protection without the bulk of a traditional fleece hoodie. Breathable stretch fabric keeps players comfortable during training, travel, and recovery, while moisture-wicking performance helps manage sweat through changing conditions. A versatile layer for teams looking for a modern athletic fit that performs on and off the field.
