WELCOME TO INDIGO LIVING FALL/WINTER 2026

Welcome to our Fall/Winter 2026 collection—a celebration of expressive materials, refined craftsmanship, and versatile modern living. This season, we explore the dialogue between architectural structure and comforting tactile layers across three curated trends:

MODERN EXOTICA sets a bold, sophisticated stage with dramatic Rosso Lepanto marble, lustrous brushed steel, and generous modular seating designed for high-impact contemporary living.

LUXE BLOSSOM introduces an airy, luminous elegance where soft blush tones, warm cream, and brushed gold columns infuse spaces with fresh, spring-inspired glamour.

ESPRESSO CHIC redefines intimate spaces, blending warm dusty-rose upholstery with deep coffee accents, organic stone, and sculptural details for small-footprint luxury.

Discover a collection designed to inspire, elevate, and bring effortless balance to your home.

Marble Collection

Who says marble is cold? Styled thoughtfully, marble brings a warm, grounding connection to nature while effortlessly elevating the room. Introducing the Parma, Lucca, and Sorano collections — three marble finishes, each with its own aesthetic vision.

Defined by rich variations in colour and veining, every piece is naturally one of a kind — allowing you to select a design that reflects your personal style.

Parma — Rosso Lepanto marble in a gloss finish on a brushed steel base. A statement piece, whether a coffee table or a dining table. Also available with Italian Green and Glossy Black marble tops.

Lucca — Pink Shell marble in a honed finish, paired with a champagne gold steel base. The warm-toned pink features contrasting patterns that mimic seashells.

Sorano — Grey Travertine in a honed finish with a contoured edge, paired with contrasting smoked grey glass to form a nature-inspired tabletop. A masterpiece in organic artistry.

HAND PAINTED CABINET

A Fusion of Elegance and Character

A centrepiece with a story to tell, a master-piece of art that provides an artistic storage solution into any interiors.

Peacock embodies good fortune, prosperity, beauty and nobility. Revered as the “King of Birds”, it is regarded as a sacred omen of auspiciousness. Peacock also represents wisdom, purity, and the power to ward off negative energy across spiritual traditions.

‘Kumo’, was inspired by the Eastern sky - meaning the Japanese word ‘cloud’, and its hand-painted clouds represent good luck and eternal good fortune in traditional Chinese design culture.

We also bring the wild beauty of nature indoor. Lush tropical foliage, graceful cranes, vivid butterflies, and a warm sunrise sky come alive across its doors in rich, layered brushwork.
