FELL BREWERY CUMBRIA

Fell Brewery was founded in sunny South Cumbria, in the North West of England, in 2013. It was the result of two naïve, ignorant mates who, frankly, should have known better. It's been quite a journey to get to where they are now but they're a passionate bunch who take their brewing very seriously. They brew beers that they themselves want to drink.

MIST

Supercharged with big US dry hops Mosaic, Centennial, Citra and Idaho 7 up front.

CRAG

A proper northern bitter! Leaden skies, satanic mills and the unmistakable feeling of satisfaction.

BELAY

A refreshingly hazy, oat-led, soft malt profile supports a delicious, juicy balance of stonefruit and tropical flavours.

TINDERBOX

A classic West-Coast style IPA. Dry and bitter, the hops are piney, resinous and pithy.

WHY PINS OF BEER HELP YOUR LOCAL PUB

A pin is a smaller cask of beer (about half the size of a normal one), and it makes a big difference:

- **Fresher Pints** - smaller casks empty faster, so every pint tastes its best.
- **More Choice** - pubs can offer a wider range of beers without worrying about waste.
- **Supporting Pubs** - less spoilage means less money down the drain, helping your local stay thriving.
- **Safer for Staff** - lighter to move and easier to handle behind the bar.

So when you see beer being served from a pin, it's not just good news for your pint – it's good news for your pub too.
