WELCOME TO THE CHAMPIONSHIPS

October 2026

To All High School Athletics Fans,

Welcome to the 2026 Fall Postseason Championships! On behalf of the Nevada Interscholastic Activities Association (NIAA) staff, Board of Control, member schools and student-athletes, it is my pleasure to welcome you to this exciting time of year. The postseason is a celebration of the dedication, determination, and countless hours of hard work that our student-athletes have invested throughout the season. It is also a reminder of the incredible role high school athletics plays in shaping young people, building character, and creating memories that last a lifetime.

To every student-athlete competing this postseason, congratulations on a successful season and on earning the opportunity to represent your school. Your commitment, perseverance, sportsmanship, and passion for your sport are qualities to be proud of, both on and off the field. While championships celebrate athletic achievement, the true value of high school sports extends far beyond the final score. The friendships formed, challenges overcome, lessons learned, and confidence gained are what make these experiences so meaningful.

To our parents, families, coaches, school administrators, and supporters, thank you for the encouragement, guidance, and countless sacrifices you make to help our students succeed. Your investment in these young people makes a lasting difference. We are equally grateful to our officials, event workers, tournament staff, and sponsors whose time, professionalism, and generosity help bring these championships to life.

As we gather to celebrate the best of Nevada high school athletics, I encourage everyone to help make this postseason a positive and memorable experience for every student-athlete. Cheer enthusiastically, celebrate great performances, demonstrate good sportsmanship, and show respect for all competitors, coaches, officials, and event staff. Every student deserves the opportunity to compete in an environment where they feel supported, valued, and proud of what they have accomplished.

At the NIAA, we are committed to enhancing the experience for Nevada's student-athletes and ensuring that our championships reflect the very best of educational athletics. Thank you for being part of that commitment and for helping us create an atmosphere that our students, families, and communities can celebrate.

Best wishes to all our competitors. Enjoy the championships, celebrate the journey, and make memories that will last well beyond this season!

Sincerely,

Cate Sgroi, Executive Director
Bartt Davis, Assistant Director

HISTORY OF THE NIAA

The Nevada Interscholastic Activities Association (NIAA) is recognized as the governing body of high school athletics in Nevada by the State Legislature. It is noteworthy that the NIAA does not receive direct state funding, and its revenue streams are derived from corporate partnerships, event ticket sales, and member schools' dues.

Originally established in 1922, the Nevada Interscholastic League (NIL) became affiliated with the National Federation of State High School Associations (NFHS) in 1939. The League was formed by school administrators to enforce standardized rules for high school sports.

In 1967, the NIL evolved into the Nevada Interscholastic Activities Association. The appointment of the first full-time salaried Executive Director occurred in 1974, and an office was subsequently established in Carson City. The NIAA office then relocated to Reno in 1997 and further to its current location in Sparks in 2018. The NIAA has had seven full-time executive directors — Bert Cooper (1974-89), Dr. Jerry Hughes (1989-2006), Eddie Bonine (2007-15), Bart Thompson (2015-21), Donnie Nelson (2021-24), Timothy Jackson (2024-26) and Cate Sgroi (2026-present).

The Nevada Interscholastic Activities Association is incorporated in accordance with NRS 81.170-81.280 and was recognized in 1974 under the provisions of NRS 385B.010-.190. The NIAA's Handbook, encompassing rules and regulations, is outlined in chapter 385B of the Nevada Administrative Code (NAC). The NIAA holds responsibilities for sanctioning athletics, organizing post-season tournaments, regulating officials, certifying coaches, and providing various services to its member schools, including health and welfare standards.

As of August 2026, the NIAA comprised 125 member schools, categorized into five classifications.

The NIAA is responsible for a wide range of activities including recognizing academic team champions in each NIAA-sanctioned sport and honoring individuals on the All-State Academic Team. Additionally, the organization hosts a Hall of Fame Banquet and induction ceremony to celebrate outstanding student-athletes, coaches, officials, administrators, and contributors who have made a significant and positive impact on Nevada's youth. The NIAA also certifies coaches and contest officials, promotes a cooperative spirit among member schools through its Citizenship Through Sports program, publishes informational materials, oversees committees, endorses the Drug, Alcohol, and Tobacco policy, and works to prevent the exploitation of student-athletes by special interest groups.

ORGANIZATION

Legislative Commission

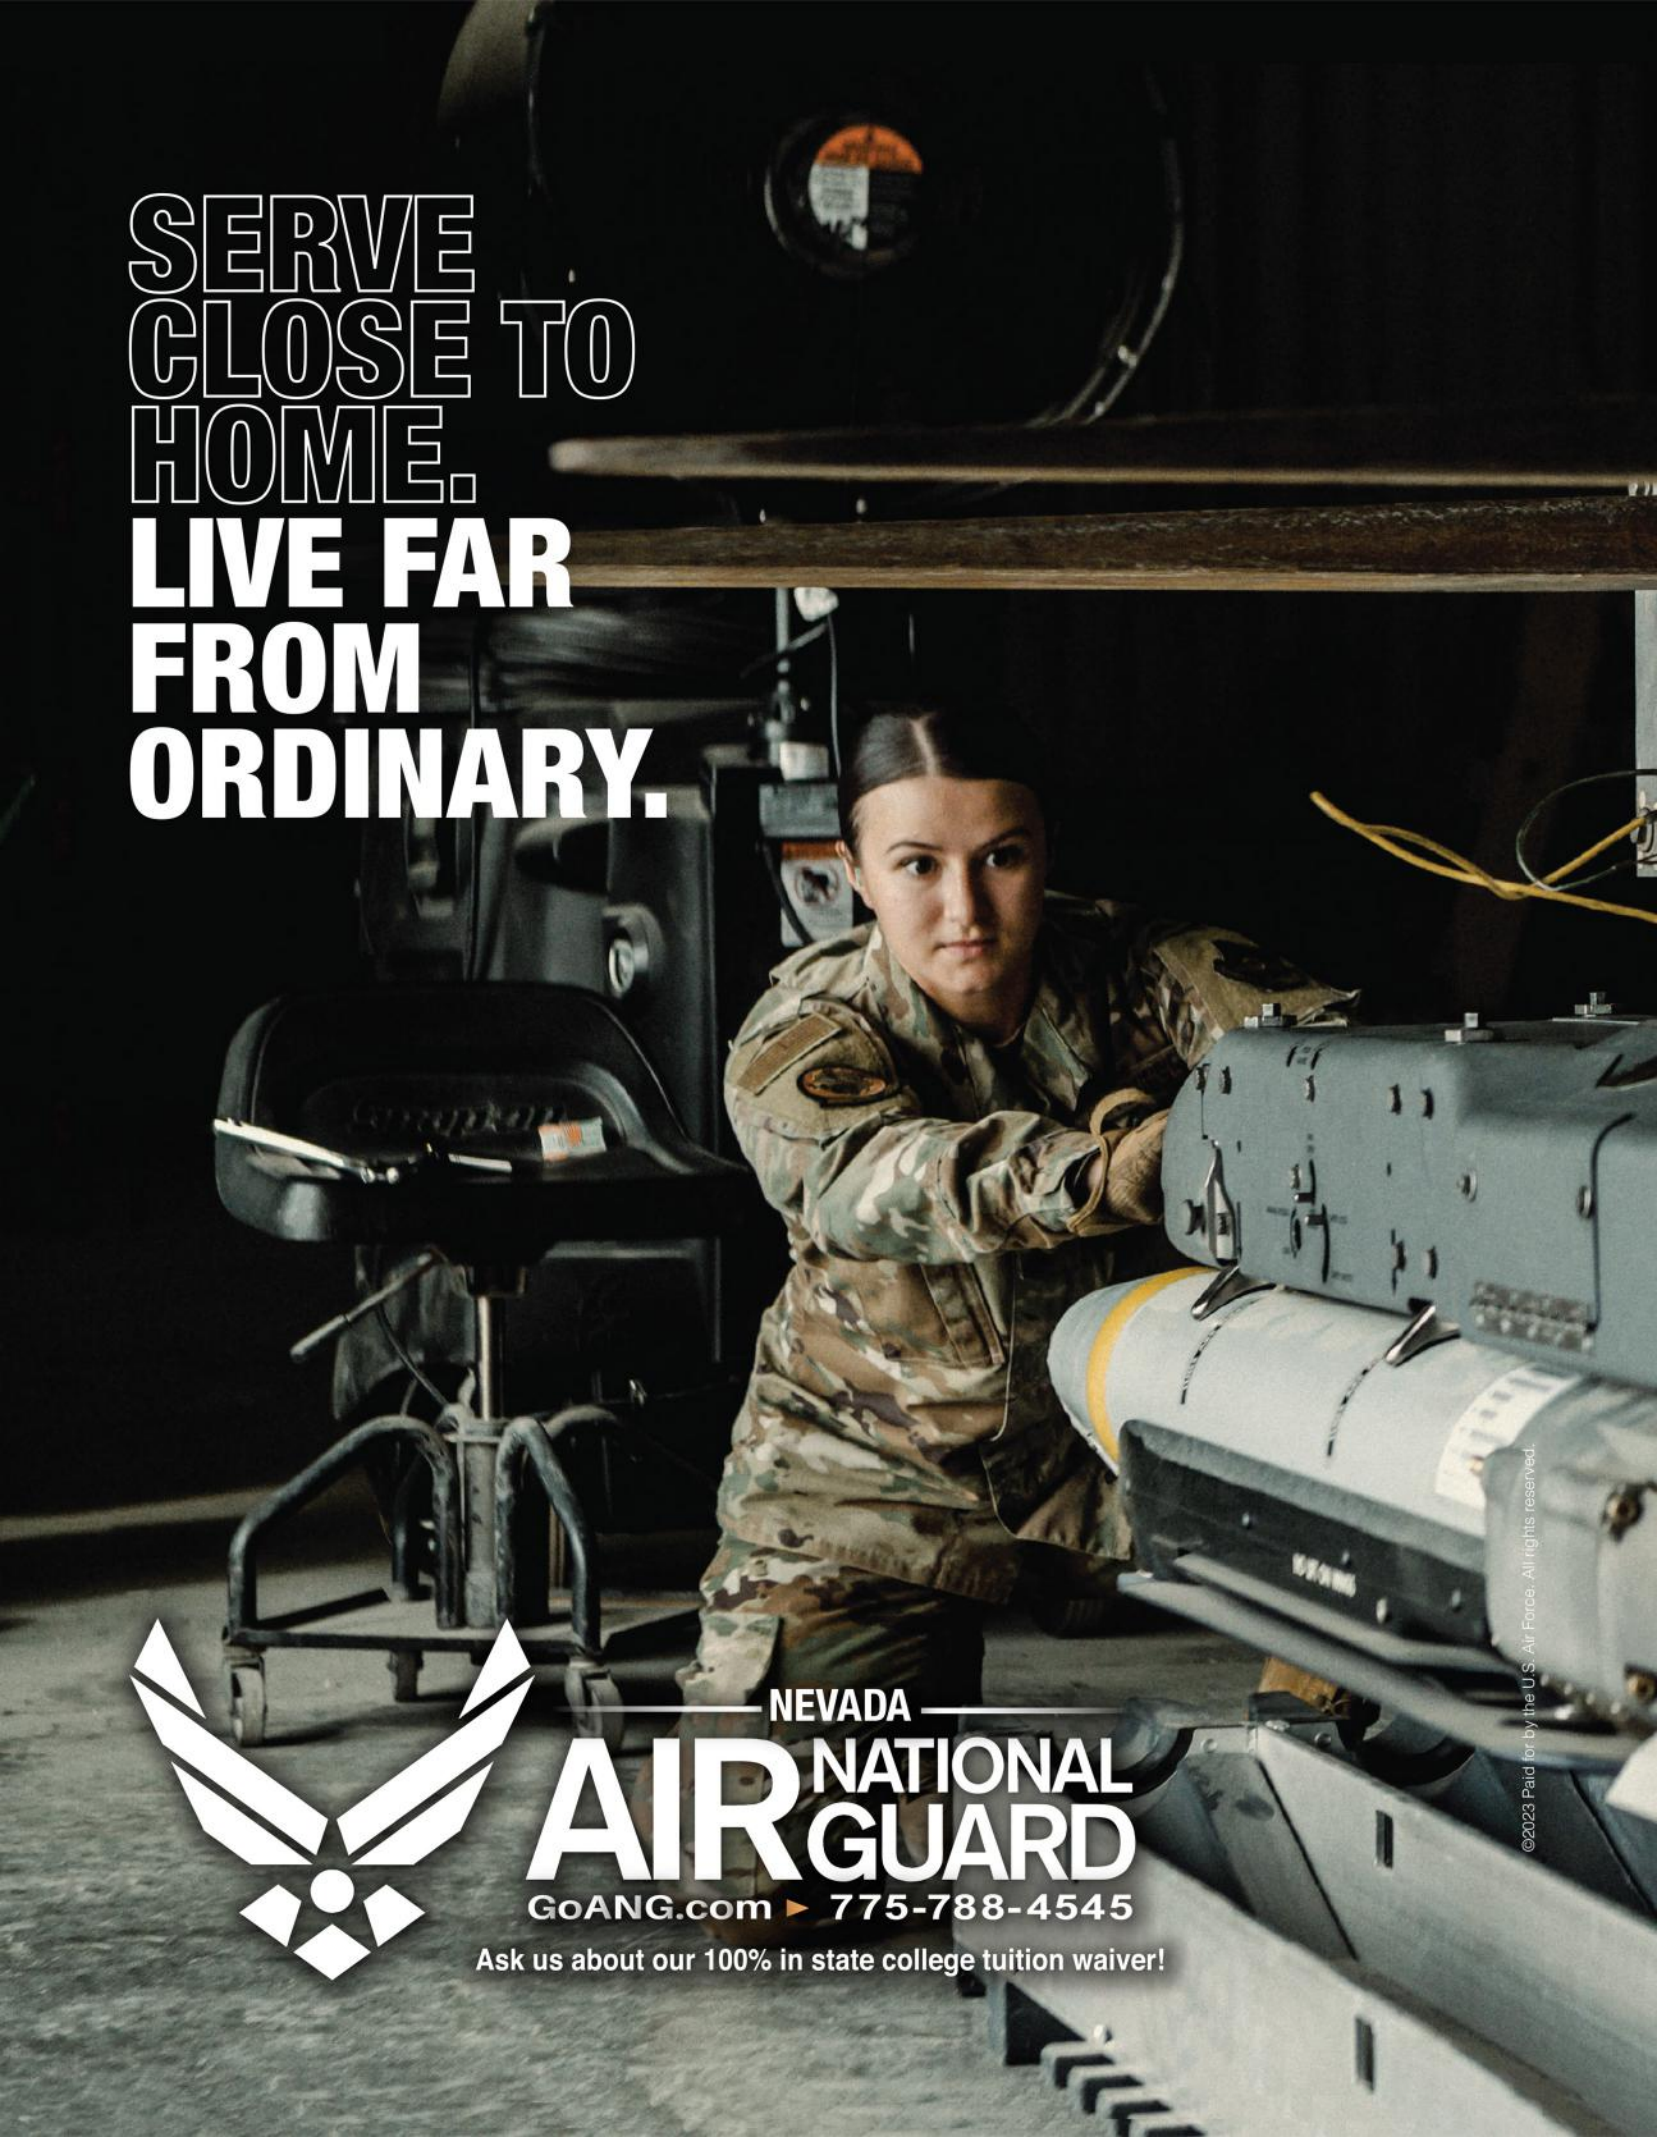

The Nevada Interscholastic Activities Association (NIAA) aims to promote, coordinate, and regulate interscholastic activities to enhance the educational experience of secondary school students in the state. The NIAA's policy-making authority lies with the Legislative Commission, comprising the superintendents of the 17 county school districts in Nevada, with the exception of Esmeralda County, which does not have a high school.

Board of Control

The NIAA is governed by a 12-member Board of Control, with representatives from the state's administrative regions. These representatives are elected by the county boards of school trustees within their respective regions. Additionally, non-voting liaisons from various school classifications and associations, including student representatives, serve on the Board of Control. The Board convenes regular quarterly meetings to oversee the affairs of the NIAA and elects a president and vice-president for a two-year term during its winter or spring meeting in odd-numbered years. Meetings are timely communicated to member schools and the public.

Member Schools

Member schools are organized into classifications and regions/leagues to facilitate scheduling and interscholastic competitions.
