A BRIEF *Overview* OF DESA NGLIMAN

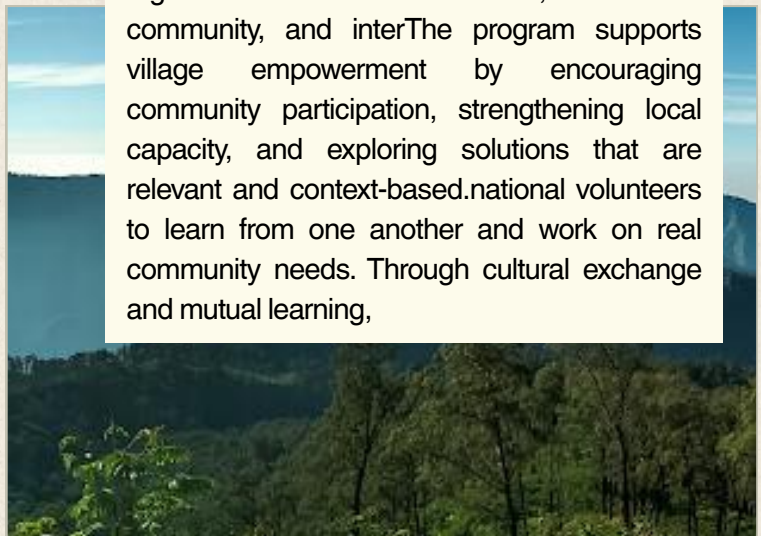

A PROGRAM ROOTED IN PLACE

International community service in Desa Ngliman is a collaborative initiative that brings together international students, the local community, and international volunteers to learn from one another and work on real community needs. Through cultural exchange and mutual learning, participants share knowledge, perspectives, and skills while respecting local wisdom and cultural values.

Participants also learn about sustainable tourism as a potential opportunity for rural development, managed in ways that benefit the community while preserving culture and the environment.

NGLIMAN CULTURE & HERITAGE

Ngliman is a village shaped by stories, skills, and shared values passed through generations. KKNT Internasional UNESCO 2026 invites participants to learn from local knowledge holders, engage in hands-on cultural exchange, and help share these heritages with respect and gratitude.

CULTURAL LEARNING

Listen to local stories, histories, and everyday knowledge that shape community identity and place.

WORKSHOPS & PRACTICE

Try traditional arts, crafts, and skills through guided sessions with local practitioners.

STORYTELLING & DIALOGUE

Share experiences, compare perspectives, and build mutual understanding through conversation.

RESPECTFUL EXCHANGE

Celebrate diversity, practice cultural humility, and strengthen friendships across cultures.

All cultural activities, interpretation, and documentation are subject to local guidance and coordination.

Learning with care, context, and consent.

COMMUNITY SERVICE & ENVIRONMENTAL ACTION

Our presence in Desa Ngliman is an opportunity to contribute meaningfully through work that honors people, place, and nature. Environmental well-being is a shared responsibility.

VILLAGE CLEAN-UP

Join residents in keeping public spaces clean—roadides, drainage channels, gathering areas, and community facilities.

ENVIRONMENTAL EDUCATION

Support activities that raise awareness about clean living, wise resource use, and caring for our surroundings—especially with children and youth.

WASTE MANAGEMENT

Learn local practices for reducing, sorting, and responsibly managing waste. Support what already works and build on it together.

SHARED RESPONSIBILITY

Sustainable change grows from daily habits, good example, and mutual respect. Every small action matters.

LEARN FROM LOCAL PRIORITIES

Listen first. Follow community priorities and local wisdom. Work together, adapt, and leave a positive impact.
