Parks, Leisure, and Activities for You!

LET'S P.L.A.Y.

— A Welcome from the Director of Parks & Recreation

There's something special about Fall in Palm Springs. The temperatures begin to cool, our parks come alive, and the calendar fills up with even more opportunities to get outside, reconnect and, of course, PLAY. Welcome to the Fall 2026 edition of **P.L.A.Y. — Parks, Leisure, and Activities for YOU!**

Whether you are looking to try something new, get moving, spend time with family and friends, or simply enjoy everything that makes Palm Springs Like No Place Else, our Parks & Recreation team has been busy creating another exciting season for our community.

And Fall is definitely bringing the fun! From a **Floating Pumpkin Patch** at the Swim Center and a **Halloween movie** under the stars to our Festival of Frights: **Neon Monster Mash** and **Monsters on Main Street** at VillageFest, there are plenty of ways to get into the spooky spirit. As we move into November, Palm Springs will once again come together for Pride, our annual **Veterans Day Parade & Celebration**, and many more events that showcase the energy, diversity and community pride that make our city so special.

There is also plenty happening behind the scenes in our parks. This Fall marks an exciting milestone as the **\$5.1 million Pickleball Expansion Project at Demuth Park** and the more than **\$7.5 million Demuth Park Improvements Project** move toward completion, bringing significant upgrades throughout one of our most treasured community spaces. We are also looking forward to the start of the new Desert Highland Park playground, while continuing to advance plans for improvements at the Palm Springs Swim Center and launching an Aquatic Facility & Splashpad Feasibility Study to help guide the future of aquatics in Palm Springs.

This season is also a time to celebrate our history, as **we celebrate 50 years of Sunrise Park**. For five decades, this incredible community space has been a place to play, gather, celebrate and create memories. Throughout the year, we have been celebrating this milestone with special activities across our park system, honoring the past while continuing to imagine what the next 50 years of parks and recreation could look like.

None of this would be possible without the incredible Parks & Recreation team whose creativity, dedication and heart continue to bring P.L.A.Y. to life every day. I am proud of the work they do and grateful for the residents, community partners and visitors who participate in our programs, care for our parks and help make these spaces feel like home.

So as the desert days get a little cooler, I encourage you to turn the pages, find something that catches your eye and make some time to **PLAY** this Fall. Try a new class. Visit a park you haven't explored in a while. Meet your neighbors at a community event. Make some memories.

Here's to a season full of connection, community and plenty of PLAY!

Sincerely,
Nicholas S. Gonzalez

Cancellation Policy

If an activity, class or event is cancelled, the registered participants will be notified, and an alternative will be offered if one is available. If no alternative is available, a check or credit card refund will be processed within 5 business days. The Department of Parks & Recreation reserves the right to cancel, postpone, or change facilities/instructors as needed.

Refund Policy

Refund requests can be submitted to a facility manager in writing. The Department of Parks & Recreation will issue all refunds to the primary account holder. All processing fees are non-refundable. All refund requests must be received seven (7) business days before the program start date. The Department of Parks & Recreation will review and accept/reject refund requests. Refunds will not be issued in the case of participant disciplinary action, including suspension. No refunds will be given if it is after the second class or the program's scheduled meeting date. No refunds or prorations will be offered for classes missed by a participant for any reason.

Accommodations Request

Accommodations are available upon request for City of Palm Springs activities. The City asks for notification of accommodation to be given at least ten (10) days in advance of the activity start date; however, less notice may be appropriate in some circumstances. Reasonable accommodations for participation are reviewed and granted on a case-by-case basis. The City will generally modify policies, practices or procedures or provide auxiliary communication aids or service when necessary to ensure that qualified individuals are able to participate. If you have circumstances which require specific accommodations to enjoy one of our activities, please contact the Department of Parks & Recreation at (760) 323-8272.

Disclaimer & Code of Conduct

The City of Palm Springs supports the rights of community members to use the City's Community Centers actively and to participate in programs and activities. The complete Code of Conduct policy is posted on the City of Palm Springs Department of Parks & Recreation website at www.PalmSpringsCA.gov/Recreation.

If, at any time, the Department of Parks & Recreation cannot create or maintain a safe event or if any federal, state or local restrictions prevent us from hosting a safe in-person event, the Department of Parks & Recreation will cancel or modify the event. The Palm Springs Department of Parks & Recreation Code of Conduct will be strictly enforced.

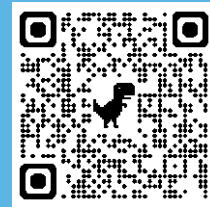

Don't let your favorite class get cancelled due to low enrollment. **Please register a minimum of 48 hours before the class start date.**

**Great Parks don't
happen by accident.**

They take heart, vision, and community support.

The Palm Springs Parks Foundation exists to support, enhance, and activate our city's parks by partnering with the City, community organizations, and residents. Building on the extensive community input already gathered through the City's Parks & Recreation Master Plan, the Foundation has put together a survey focusing on how it can best contribute to our parks through programming, partnerships, and stewardship. We can't wait to hear from you.

CHAMPIONS OF P.L.A.Y.

— A Message from the Parks & Recreation Commission Chair

Fall has a wonderful way of bringing people together.

As the desert begins to cool and another busy season arrives in Palm Springs, our parks, community centers and outdoor spaces become even more important places to gather, move, celebrate and connect with one another. That is what **P.L.A.Y. — Parks, Leisure, and Activities for YOU!** is really all about.

For some, PLAY might mean an early morning walk through a neighborhood park. For others, it is a pickleball match, a morning at the Swim Center, a youth program after school, a community celebration, or simply finding a shady spot to sit with a friend. There is no single way to experience parks and recreation, and that is exactly what makes our system so special.

This fall offers plenty of opportunities to find your way to PLAY. From Halloween celebrations and family activities to Pride, Veterans Day events, recreation programs and community gatherings, there is always something happening across Palm Springs.

But being a champion of P.L.A.Y. is about more than participating. It is also about taking pride in the places we share.

This year is an especially meaningful reminder of the lasting impact these spaces can have as we celebrate **50 years of Sunrise Park**. Think about the thousands of memories created there over five decades: children learning to play, families gathering for celebrations, neighbors becoming friends, and generations growing up with a park that feels like part of their community. Now, we have the opportunity to help create the next generation of those memories.

As members of the Palm Springs Parks & Recreation Commission, we are grateful to serve a community that cares deeply about its parks and recreation system. Your ideas, participation and enthusiasm help make these places stronger, and we encourage you to continue sharing your voice as Palm Springs plans for the future.

So this fall, find a program that sounds interesting. Explore a park you have never visited. Attend a community event. Bring along a friend or neighbor. However you choose to do it, we hope you will get out, get involved and be a **Champion of PLAY**. We'll see you in the parks!

Sincerely,
John Miraglia

UNDER CONSTRUCTION

Capital Projects:

Palm Springs Swim Center Remodel Design:

The Palm Springs Swim Center building will be upgraded with new locker rooms, offices, and an expanded footprint. The design phase with site plans is now complete. Construction drawings in development, City review and permitting processes underway to prepare project to go out to bid.

Design Phase.

Desert Highland Park Playground Replacement:

The playground equipment installation includes a Palm Springs Aerial Tramway and city inspired themed custom playground designed in conjunction with the community featuring playground structures designed for youth 2-5 years old and youth 5-12 years old; including a two-bay swing set, musical instruments, and Serenity Spot for a quiet area for those children with stimulus overload, inclusive features including the Movement Inclusive game center, accessible swings, interactive panels, a 360 Loop transfer slide, and Volta Spinner.

The new playground will also include shade coverings to provide relief from the sun and heat, poured in place seamless rubberized surfacing, and will also be the first playground in the City to include integrated solar lighting for evening play.

Project construction to be completed in Fall with grand opening details to be announced.

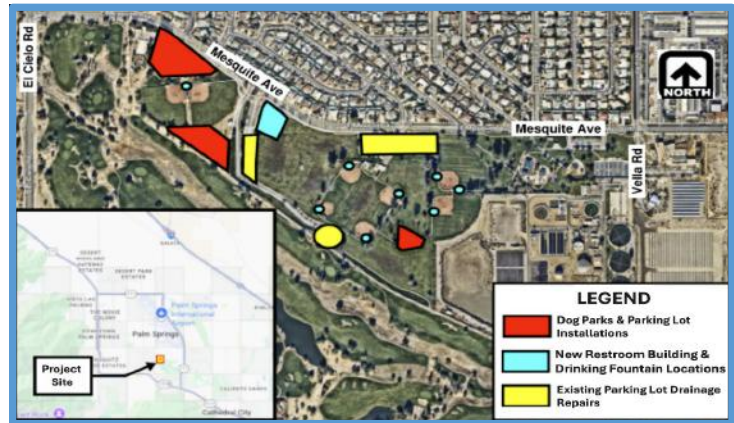

September - November '26

Demuth Park Improvements Project:

Project Completion. All project facets targeted for completed by October, 2026.

The Demuth Park Development Project includes a series of site improvements to enhance Demuth Park for the community, improving its function and overall usability. The Project improvements include design of a permanent large dog park with ADA parking spaces, a small dog park, conversion of an existing 2.2-acre dirt lot into a 165-stall paved parking lot with drainage improvements, pavement of the Community Center parking lot, pavement and drainage repairs at the Little League parking lots, installation of ADA drinking fountains, and sidewalk and pathway restoration.

This project provides over \$7,500,000 in improvements to Demuth Park, with community investment funding coming from Land and Water Conservation grant funds, Measure J Funds, Capital Funds, and Quimby funds, and 5 years of thorough assessments and project development.

Palm Springs Stadium:

Projects assessment and development.

Measure J funded improvements to the Palm Springs Stadium propose expansion of drainage and dugouts, updates to infield irrigation and turf, outfield wall replacement, batting cage enclosures, replacement of existing HVAC systems, as well as upgrades to the existing sound system.

UNDER CONSTRUCTION

Capital Projects:

Tahquitz Creek Trail:

Updated master agreement finalization.

Projects feasibility and assessments, including Public Art installations, Measure J projects including the Tahquitz Creek master Plan implementation, and Baristo Park improvements, as well as trails definition and development.

Tahquitz Creek Trail Master Plan Implementation Measure J Community Initiated Project underway.

Aquatic Facility & Splashpad Feasibility Study

The City of Palm Springs is assessing the development of additional aquatic facilities. To ensure that all future projects align with community needs as much as possible, the City of Palm Springs Department of Park and Recreation will conduct an aquatic feasibility study. The study shall evaluate the need, demand, and viability of new aquatics' facilities for the City of Palm Springs, and include new facility types.

The study will provide City staff with an in-depth analysis including existing conditions and community needs, market and demographic analysis, facility program development, concept development and site evaluations, cost analysis, findings and recommendations for both the facility type and locations of new aquatic facilities.

Project underway.

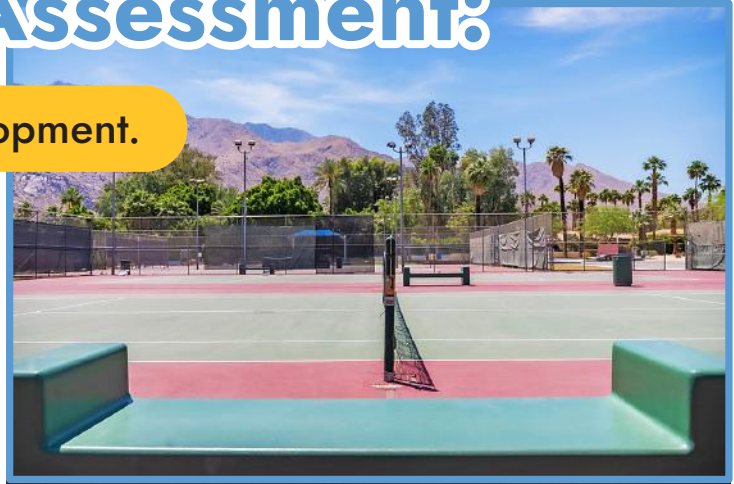

September '26 - November '26

Ruth Hardy Park Tennis Courts Improvements Assessment:

Project assessment and development.

The Department of Parks & Recreation is currently working on an assessment of the tennis courts located in Ruth Hardy Park. The assessment will include evaluating the state of the current tennis courts facilities. The project will work to identify repairs, improvements, and replacements of the entire complex, ranging from surfacing and screening to viability of the existing courts slabs, fencing, lighting, and utility infrastructure.

AIDS Memorial:

Construction and installation.

City staff in collaboration with the Public Arts Commission and various community organizations will install the AIDS Memorial in Downtown Park.

The installation of the AIDS Memorial ensures that the lives of those lost to HIV and AIDS are never forgotten and that their stories are remembered in the future. The Memorial was designed by internationally renowned Palm Springs artist, Phillip K. Smith III.

RecInfo@PalmSpringsCA.gov

Hours of Operation: Monday–Friday 7:30 AM - 6:00 PM

Nestled in the heart of Palm Springs, Sunrise Park is home to the Pavilion and Leisure Center—two vibrant facilities that bring recreation, learning, and community connection to residents of all ages. The Pavilion features a spacious 10,000-square-foot multi-purpose area ideal for community events, fitness programs, and large gatherings.

The Leisure Center offers a welcoming environment with a dance studio, activity rooms, and spaces for classes, meetings, and youth programs. Sunrise Park is also home to beloved youth offerings such as Pee Wee Rec, the For Kids Only After-School Program, and Camp Palm Springs, providing year-round recreation and enrichment for children. Surrounded by beautifully landscaped grounds, visitors can enjoy playgrounds, picnic areas, athletic fields, and open green space perfect for outdoor fun and relaxation.
