Trust in SAS

The UK's First Academy Trust Absence and Wellbeing Solution

We understand that Multi Academy Trusts (MATs) face unique challenges when it comes to financial planning, staff wellbeing and absence protection. That's why we created Trust in SAS - a unique solution designed to bring financial savings and comprehensive support under one seamless package.

A Smarter Way to Protect Your Budgets

By integrating key financial areas, our policy offers a more efficient way to manage resources while enhancing staff and pupil wellbeing. The five budgets included are:

Staff Absence Protection

Market-leading insurance to safeguard your budget from unexpected absences.

Comprehensive Staff Wellbeing

Access to mental health support, GP services, physiotherapy, counselling, and more.

Pupil Wellbeing Support

Tailored services to promote pupil mental health and resilience.

Occupational Health

Proactive occupational health assessments and interventions to support staff retention and performance.

Leadership CPD

Personalised professional development opportunities for staff at all levels.

Bespoke Support, Designed for Trusts

Our network of qualified NMC registered nurses, ex-headteachers, professional coaches and wellbeing teachers work closely with your MAT to deliver solutions tailored to your needs. We don't just offer insurance; we provide hands-on guidance including:

On-Site Support

Our team can visit your Trust to improve and implement your Wellbeing Strategy across your whole organisation.

Wellbeing Guidance

Tailored advice to enhance the resilience and performance of your staff.

Why Trust in SAS?

- ✓ Guaranteed cost savings by merging multiple budget areas into one solution.
- ✓ A proactive approach to absence management that reduces staff absences and improves retention.
- ✓ A thriving school environment with enhanced wellbeing services for staff and pupils.
- ✓ Expert guidance and ongoing support from industry specialists dedicated to your Trust's success.

Wellbeing Packages Starting from £10 Per Person

We also offer our market-leading wellbeing services without the absence cover.

School Wellbeing is led by experienced clinicians and industry experts, ensuring the highest standard of support for your school community. Our service goes beyond traditional Employee Assistance Programs (EAPs), offering practical, high-quality wellbeing solutions tailored specifically for schools.

We provide schools and academies across the UK with access to an extensive range of whole-school wellbeing resources, including counselling, physiotherapy, mental health support and proactive wellbeing initiatives. Designed to support both staff and students, our services help create a healthier, more resilient school environment where everyone can thrive.

Essential

A foundation of services that provide staff with support and promote positive wellbeing cultures.

Premium

All of the services in the Essentials package plus our clinician-led services such as counselling and physiotherapy, and leadership support.

Bespoke

Perfect for wellbeing positive leaders looking to implement a scalable provision with a fully tailored option to meet their needs.

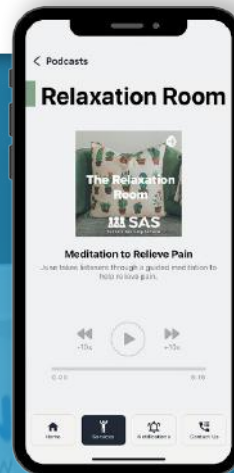

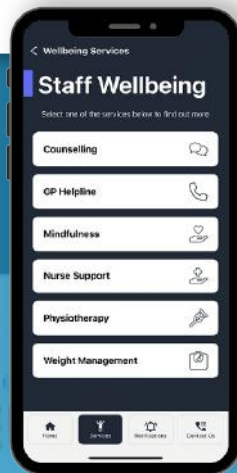

Our Experts

The SAS experts are on hand to provide access to an experienced therapist, clinician, or skilled person with a wealth of knowledge, training and years of experience to support your personalised wellbeing or provide school leadership with ideas on ways to help promote a better whole school wellbeing culture.

Accessing Your Wellbeing

You can find and request all of our Wellbeing Services through our School Wellbeing app, which you and your staff can download and use to access the extensive provision we offer. Alternatively, you can contact our in-house nursing team who can answer any queries you have and direct you to the service you need.

Commercial Insurance Services

Did you know we also offer School Minibus Insurance and School Travel/Off-Site Activity Insurance, ensuring your staff and students are fully protected, both on the road and beyond.

Minibus Insurance

Designed for schools, MATs, charities, clubs, community groups and businesses, our minibus insurance offers flexible, all-in-one protection. Enjoy a low entry excess, coverage for any driver and flexible age ranges, all with built-in personal accident protection for drivers and passengers.

Travel/Off-Site Activity Insurance

Cover all types of school trips outside of the school boundaries and ensure that pupils and staff are protected against the unknown. School trips provide invaluable experiences for pupils to explore and discover new things. Off-site and personal accident cover gives you reassurance that if the unexpected happens, pupils, teachers and volunteers are protected.
