Dear Friends,

It is my pleasure to welcome you to the Split Rock Jumping Tour at the historic Santa Anita Park this November!

Santa Anita is a truly special venue, and we are incredibly excited to continue building something unique for the show jumping community on the West Coast. Our partnership with 1/ST Equestrian and Santa Anita Park has given us the opportunity to bring our vision to life at one of the most iconic sporting venues in the country.

Since founding Split Rock Jumping Tour, my goal has always been to change the way riders, owners, sponsors, and spectators experience our sport. We believe a horse show should be about much more than just the competition. From world-class facilities and exceptional hospitality to an atmosphere that brings everyone together, every detail matters.

As we continue to grow our presence in California, we remain committed to listening to our exhibitors, improving the experience, and creating events that you genuinely look forward to attending year after year. Your participation and support are what make this vision possible.

I want to personally thank each of you for choosing to compete with us this November. We recognize that you have many choices when deciding where to show, and we never take your support for granted.

On behalf of our entire Split Rock Jumping Tour team, welcome to Santa Anita Park. We look forward to an incredible few weeks of competition and hope you enjoy everything we have worked so hard to create.

Sincerely,

Derek Braun

Competition details & requirements

Each competition must be conducted in accordance with the FEI rules and the applicable USEF rules. Entry into the competition represents acknowledgement and acceptance, with no appeal, of these competition rules for all classes.

ENTRIES

A separate entry form (online, mailed, emailed) must be filled out for each horse. Each entry must be signed by the owner, rider, trainer, and coach (if applicable), and said signature shall constitute verification that the information contained thereon is accurate to the best of the signer's knowledge and belief.

The entry deposit of $650 must be paid at the time of entry submission either by credit card or check. Deposits will be applied to the overall show bill at checkout. However, the deposit will be deemed forfeit if a horse is scratched after the closing date of the horse show.

An open check or credit card must be on file with the show office before back numbers can be issued. The same back number will be assigned for consecutive weeks.

Entries and stalls will be limited. Competitors are encouraged to get their entries in early. Entries received after the show is sold out of stalls will be placed on a waitlist in order of received entries. Entries received after the closing date of the show will be charged a $150 late entry fee.

Under extreme circumstances, show management reserves the right to accept or deny any entry. Any entry scratched after the closing date, but prior to the Friday preceding the show, will forfeit their deposit. Any entry scratched on the Friday preceding the show or after will forfeit their deposit and pay for their stall in full. Under extreme circumstances and/or with an official veterinarian letter, show management reserves the right to enforce or waive fees.

All horses must pay an office fee of $100, CDFA drug fee of $14, USEF/USHJA horse fee of $35, facility fee of $150, $100 media fee, $22 paramedic fee, and $25 horse ambulance fee.

There will be no same-day adds, but classes may be scratched in the show office prior to the start of the class. Scratching at the in-gate does not scratch the class and the class fee will still be charged. If a horse shows in a class it was not properly entered in, it will be charged a $25 rode-did-not-enter fee (RDNE) in addition to the class fee.

Add/scratches can be completed through the SRJT app until 3PM the day before the class, or in the show office until 4PM the day before the class.

NIGHTWATCH

All horses occupying a stall are required to pay a flat-rate nightwatch fee of $35. No exceptions. Please provide contact name and cell phone number on the stall.

NON-SHOWING

All horses on the grounds must have a completed entry blank in the show office, including signatures. No exceptions. Non-showing horses must pay a $350 non-showing fee in addition to all fees outlined in the entries section and any stall fees. Scratched horses present on the show grounds will be considered non-showing.

MOVE IN / MOVE OUT

Move in for the Santa Anita CSI3* will be Monday, November 9 at 8:00AM. Move out for anyone not staying for the 5* week will be Monday, November 16 at 12:00AM. Any stalls not vacated at that time will be charged a $100 per stall late departure fee.

Move in for the Santa Anita CSI5*-W will be Monday, November 16 at 2:00PM. All horses and equipment must be out of the stalls by Monday, November 23 at 8:00AM. Any stalls not vacated at that time will be charged a $100 per stall late departure fee.

Anyone planning to arrive early or depart late must request to do so by emailing the show secretary. All early arrivals, if able to be accommodated, will be charged a $100 per stall early arrival fee.

CHECKOUT

Each show is a separate entity and you must close out your account no later than Sunday each week. Please look over your statement and report any errors to horse's name, riders, owners, addresses, and association numbers to a show secretary immediately. Please double check that the payee and payee address listed are correct, as they will receive any prize money awarded. A W9 must be completed annually for each payee.

After Sunday, all statements are final and will not be adjusted. Any accounts not closed out on Sunday will be charged a $100 late checkout fee.

PRIZE MONEY

Once a W9 has been received, prize money can either be applied toward the balance due on the show bill or mailed to the payee once the balance is settled.

WASH RACKS

Santa Anita has several designated wash racks throughout the stabling compound. Any horse being bathed outside the wash rack area will be fined $100.

C. JARVIS
INSURANCE AGENCY INC.

★ ★ ★

All unapplied prize money will be mailed to the payee on record within 30 days of the conclusion of the show if a W9 has been received and all outstanding balances are paid. Prize money must be claimed and cashed within 180 days of the show.

Foreign competitors without a U.S. tax ID number will be asked to complete a W-8BEN or W-8 Certificate of Foreign Status form.

ORDER OF GO

All classes in the main jumper ring will have set orders of go. Unless specified, all other classes will be done by check-in at the in-gate. Orders of go are produced in accordance with JP112 and are available at the show office, at the ring, and on the SRJT app. Orders for certain classes may be available at the entrance to the hospitality tent.

SALUTE

Upon entrance into the arena for each class, all riders must salute the class sponsor (if applicable).

PRIZE CEREMONY

All riders and horses in the main jumper ring receiving ribbons 1st–8th are required to be present for and participate in the prize ceremonies. This applies to national and FEI classes. Grooms for the top three placing horses of each class will accompany the competitor and horse onto the field to hold the horse during the rider podium portion of the ceremony.

Please note, for the safety of all horses, competitors, and spectators, plan for an alternate mount if your placing horse is unsuitable to participate in ceremonies and victory gallops.

LEASH LAW

Dogs must be on a leash and under control at all times. Dog owners who fail to comply with the USEF rules regarding dogs may be subject to penalty, including a $100 fine per incident, and/or warning cards will be issued. Dog owners are solely responsible for any damages, claims, losses, or actions resulting from their dog's behavior.

MOTORIZED VEHICLES

Golf carts must stay off the horse path. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including but not limited to golf carts, motorcycles, scooters, or farm utility vehicles on the competition grounds.

Minors who have a valid temporary license may operate the above described motorized vehicles when accompanied by an adult with a valid driver's license. The parent, legal guardian, or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule will be solely responsible for any damages, claims, losses, or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the minor committing the offense.

The unsafe use of personal electronic transport devices, as determined by the competition management in their sole discretion, that do not require a driver's license to operate — including but not limited to segways, hoverboards, and single-wheeled scooters — is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed unsafe use if there is a risk of harm to others. If the operator of the device is a minor, the parent, legal guardian, or individual who signs the entry blank is accountable and may be subject to penalties.

Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from these rules.

LIABILITY

Under California law, a farm animal activity sponsor, farm animal professional, or other person does not have the duty to eliminate all risks of injury of participation in farm animal activities. Split Rock Jumping Tour & 1/ST, its owners, employees, agents, and sponsors shall not be liable or responsible for loss or damage to any animal, person, or property which occurs for any reason during the show. Each exhibitor holds the SRJT show management, its owners, agents, and employees, as well as the USEF, blameless for any accident or loss which may occur.

Important Safety Information

As with all drugs, side effects may occur. For intramuscular use in horses only. Not for use in humans. Pentosan polysulfate sodium is a weak anticoagulant. Caution should be used when administering Zycosan if you are taking an anticoagulant. **In case of accidental self-injection, seek immediate medical attention. If product comes into contact with skin, rinse skin thoroughly with water and seek medical attention** if needed. Horses with hypersensitivity to pentosan polysulfate sodium should not receive Zycosan. Do not use Zycosan concurrently with other anticoagulant drugs. Do not use in horses with clotting disorders or within 24 hours of surgical procedures. Caution should be used when administering this drug before or after strenuous activities. Caution should be used when NSAIDS are administered concurrently due to the anticoagulant effects of Zycosan. If Zycosan and NSAIDS are used concurrently, horses should be monitored for hemorrhage or other clinical signs of abnormal bleeding. The safe use of Zycosan has not been evaluated in breeding, pregnant, or lactating horses. The safety of long-term repeat use of Zycosan has not been evaluated. The most frequently reported adverse reactions are injection site reactions, prolongation of coagulation parameters (activated partial thromboplastin time (aPTT) and prothrombin time (PT)). Zycosan®

(pentosan polysulfate sodium injection)

250 mg/mL

For intramuscular use in horses only.

Brief Summary (For Full Prescribing Information, see package insert)

CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian.

DESCRIPTION: Zycosan contains pentosan polysulfate sodium, a semi-synthetic polysulfated xylan. It is a pale yellow to brownish yellow, clear, sterile solution.

INDICATION: For the control of clinical signs associated with osteoarthritis in horses.

CONTRAINDICATIONS: Horses with hypersensitivity to pentosan polysulfate sodium or any of the inactive ingredients in Zycosan should not receive Zycosan. Do not use Zycosan concurrently with other anticoagulant drugs. Do not use in horses with clotting disorders or within 24 hours of surgical procedures (see Warnings and Precautions).

WARNINGS AND PRECAUTIONS:

User Safety Warnings: Not for use in humans. Keep out of reach of children. Pentosan polysulfate sodium is a weak anticoagulant. Caution should be used when administering Zycosan if you are taking an anticoagulant. **In case of accidental self-injection, seek immediate medical attention. If product comes into contact with skin, rinse skin thoroughly with water and seek medical attention if needed.** To obtain a Safety Data Sheet (SDS), contact Dechra at (866) 933-2472.

Animal Safety Warnings and Precautions:

Zycosan has been shown to prolong coagulation parameters up to 24 hours after injection, therefore caution should be used when administering this drug before or after strenuous activities (see Target Animal Safety). Due to the anticoagulant effects, this drug may exacerbate Exercise Induced Pulmonary Hemorrhage (EIPH).

The concurrent use of NSAIDs with Zycosan has not been evaluated. Due to the anticoagulant effects of Zycosan and known anticoagulant effects of some NSAIDs, caution should be used if NSAIDs are concurrently administered. Horses concurrently treated with Zycosan and NSAIDs should be monitored for hemorrhage or other clinical signs of abnormal bleeding (e.g., petechiae, ecchymosis, or epistaxis). The safety of long-term repeat use of Zycosan has not been evaluated. Pigmentary changes in the retina (pigmentary maculopathy) have been reported in human patients following long-term oral use of pentosan polysulfate sodium. It is not known if a similar finding occurs in horses. The safe use of Zycosan has not been evaluated in breeding, pregnant, or lactating horses.

Other Warnings:

Do not use in horses intended for human consumption.

ADVERSE REACTIONS:

Injection site reactions were the most frequently reported adverse reactions in the field study. Injection site reactions were associated with clinicopathology changes in some cases. Other adverse reactions reported in more than one horse were prolongation of coagulation parameters (activated partial thromboplastin time (aPTT) and prothrombin time (PT)), lethargy, behavior changes, and colic. To report suspected adverse events, for technical assistance or to obtain a copy of the Safety Data Sheet (SDS), contact Dechra at (866) 933-2472 . For additional information about adverse drug experience reporting for animal drugs, contact FDA at 1-888-FDA-VETS or online at http://www.fda.gov/reportanimalae.

FEI FEES FOR HORSES & RIDERS

As approved at the 2006 General Assembly, an annual FEI registration is mandatory for all riders and horses competing in FEI events. The fee requirement took effect January 1, 2006 and must be renewed annually. All horses and riders must be registered with the FEI before competing in any FEI competition.

FEI HORSE PASSPORTS

Every horse entered for any competition at CSNs or CSI1*/2*s in a foreign country, CSI3*/4*/5*s, CSIOs, Championships, and Regional and Olympic Games, whether at home or in foreign countries, must have an official, valid FEI passport or National passport approved by the FEI accompanied by an FEI Recognition Card as means of identification and to establish ownership.

EQUINE INFLUENZA PROTOCOL

All horses participating in FEI events must be vaccinated against Equine Influenza according to the following minimum protocol (FEI Veterinary Regulations Article 1028):

1. An initial primary course of two vaccinations must be given; the second vaccination must be administered within 21–92 days of the first.

2. The first booster must be given within 7 calendar months following the date of administration of the second vaccination of the primary course. All horses certified as correctly receiving the primary course prior to January 1, 2005 (under previous regulations) are not required to fulfill the requirement for the first booster, providing there has been no lapse in their vaccination regime.

3. The minimum booster frequency is every 12 months. However, for horses competing, the last booster must have been given within 6 months plus 21 days (and not within 7 days) before arrival at the event.

4. The horse must have received at least the primary course of vaccinations against Equine Influenza.

5. No vaccination shall be given within 7 days of the horse's arrival at the event.

THE FEI CODE OF CONDUCT

The FEI requires all those involved in international equestrian sport to adhere to the FEI Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount. Welfare of the horse must never be subordinated to competitive or commercial influences. A full copy of the FEI Code of Conduct can be obtained from the Fédération Équestre Internationale at HM King Hussein 1 Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland.
