# Safety Notice

## Emergency Procedures

Important announcements will be notified to spectators by the public address system.

- Listen carefully to the announcement and be ready to respond in a calm manner.
- Stewards and/or Police Officers will assist by directing spectators to the nearest safe exit.
- Please remain calm and remember to keep gangways and exits clear.

Redruth RFC thanks you for your co-operation with these important safety matters.

## Ground Safety Regulations

Under Rugby Football Union rules it is the responsibility of the home club to ensure that only approved representatives of the competing clubs and those who have official accreditation are permitted within the technical and pitchside areas. Redruth RFC ask all spectators to remain behind the railings surrounding the pitch at all times.
Please note that glasses and glass bottles are not permitted in any part of the ground except in the bar areas.

## Smoking

Please do not smoke in the seating areas. It is against the law to smoke in any building.

# Warning Notice

There is concern of verbal abuse of Match Officials is on the increase. Under RFU disciplinary regulations action can be taken against individuals and clubs and could involve suspensions, fines and deducting of points. It is the responsibility of all participants, both on and off the field, to maintain proper standards so the game can be enjoyed by all concerned. Redruth RFC wish to emphasise it will not tolerate any verbal abuse to match officials from players, coaches, members or supporters.

# President Programme Notes

Good afternoon and a very warm welcome to Redruth Rugby Club for this National 2 West match. The club welcomes Hinckley players, officials and supporters today for what should be a good and entertaining game.

Hinckley currently sit in 2nd place with 30 points with some good performances home and away while Redruth occupy top spot on 34 points. Last season the matches were keenly contested and the honours shared with a win a piece.

Three weeks ago the Reds took on Hornets at the recreation ground, again the forwards were in great form in the scrum and the driving mauls from the lineouts. The backs were looking good running with intent and kept the Hornets backs in check with again some great tackling. With some good tries scored and 31 points to nil at halftime it was looking as if the Reds were going to run away with it. After the halftime break the Reds got one more try and the game looked over but Hornets have had some comebacks this season and scored two tries to make the score 38 /14. Another great win for the Reds. Congratulations to Connor Gilbert on his man of the match performance.

Two weeks ago the Reds were on the road with a long trip to Lymm. With a good atmosphere on the coach the players were in a positive mood and produced another great performance. On another sunny but cooler day the home side put the Reds under pressure in the opening few minutes and had the chance to go ahead with a penalty but the kick drifted wide. Lymm kept the pressure on with catch and drive's but the Reds held out and cleared their lines. From then on the Reds took more control and produced some good tries to make it 19 nil at halftime. Lymm managed to breach the Reds defence for a try and conversion to make it 19 / 7. Then the play was in the mid field with some good tackles from both sides but the Reds got a couple of tries and penalties to take the game 39 / 7. After a long journey it was a true team effort and to see the delight on the face of the coaches it was a pleasure to be there.

The Ladies got their season going against St Austell and had the lead at halftime 7 / 5. The game was brought to an early end as there was a serious injury to one of the Reds players and with St Austell leading with 20 minutes left they were awarded the win. The following week the ladies took on Plymouth Argaum and bounced back with an impressive win 46 / 5.

The 2nd XV have had a mixed couple of weeks with a defeat against Collumpton. Listening to the players and coaches it was a game they could have won. Then in mid week under floodlights a young 2nd side took on the Royal Navy under 23's and came away with a 35 / 12 win.

Last Saturday on a very wet and windy afternoon they took on St Ives in a league match down at Alexandra road and took the spoils with an 8 / 5 win.

Back to today, a top of the table clash against Hinckley will be another tough test for the Reds. Hinckley are very big and strong in the forwards so the boys will have to be at their very best once again.

I'm sure with all our loyal supporters behind them it will be a entertaining and enjoyable match. So I hope you all have a great afternoon here at the Rec.

Ralph Tregoning
Hon President-Redruth RFC

## **Director of Rugby** Richie Kevern

Hi all. We are back after our well deserved break following the 7 rounds of national league rugby. Firstly, I must mention our second team, who secured an excellent win against St Ives last weekend in horrendous wind and rain conditions. Their commitment, resilience and willingness to work for one another were outstanding, and the result was thoroughly deserved.

It was great to see the lads put in such a strong performance against Lymm last time out. The lads stuck to the plan and were extremely clinical when they got there chances, Lymm were unbeaten at home and normally have high score at home so for us to shut them out like we did showed the commitment, togetherness and determination that Redruth RFC has amongst this young squad.

However, we know there is still plenty of hard work ahead of us. This week, we welcome Hinckley, who will provide another tough challenge. We will need to be at our best, both with and without the ball, and ensure we bring the same intensity, discipline and desire that served us so well in the last 7 games. Hinckley are a seriously dangerous side and will be no easy task, for the neutral it's 1st vs 2nd so what an occasion to watch.

Thank you, as always, to our supporters, sponsors, volunteers and everyone who plays their part in making this club what it is. Your backing makes a real difference, home and away.

Enjoy the game, get behind the boys, and let's make it another big day for Redruth RFC!

Up the Reds

## **Forwards Coach** Richard Brown

Good afternoon everyone, and welcome to The Rec for what should be a cracking contest. First versus second. Redruth versus Hinckley. It doesn't get much bigger than this at this stage of the season! These fixtures are always fiercely competitive, and I'm sure today will be no different. With both sides looking to lay down a marker, we've got all the ingredients for a fantastic afternoon of rugby.

Both sides are in good form and playing some great rugby. Hinckley have lost just once so far this season, on the opening day against the much-fancied Luctonians, so we know exactly the challenge we have in front of us.

We've enjoyed our week off. For some, it has come at a great time, giving the boys a chance to rest and recover, although there is always the risk of losing a bit of momentum. With the start we've made to the season, we know we will have a target on our backs, but we aren't taking anything for granted. Hinckley will arrive full of confidence, and rightly so, meaning we will need to be ready from the first whistle.

The set piece will be a massive part of today's contest. We know what's required up front, and the boys will be ready for the challenge. If we can bring the physicality, win the key battles and put them under pressure, we'll give ourselves a great chance of getting the result. It's a big test for the forwards, and one I know they'll be relishing!

It's a huge game for both sides, and the support from the sidelines could make a real difference. So please get behind the boys, make plenty of noise and help create the atmosphere we all love at The Rec.

Enjoy the game, and let's hope we can keep our great run going.

Up the Reds!

# Coaches Corner

## **Backs Coach** Ryan Westren

Seven from seven.

Having successfully navigated the very different challenge of Lymm away, we were then welcomed by a week off following a long pre-season and seven gruelling weeks of consecutive league fixtures.

While the momentum we'd built during that run of games was fantastic, I actually felt the break came at exactly the right time. Rugby at this level places significant physical and mental demands on players, and the opportunity to recover, recharge and get bodies back to where they need to be was important before we head into the next block of fixtures.

From a coaching perspective, it also gives us an opportunity to reflect on the opening seven games, review where we are as a group and identify the areas we need to continue working on. Winning games is obviously pleasing, but our focus remains on performance, standards and finding ways to keep improving.

This weekend, we return to league action with another significant challenge as second-placed Hinckley visit the Recreation Ground.

It's exactly the type of fixture you want to be involved in. A strong opposition, a competitive league position and another opportunity to test ourselves against a team with plenty to play for.

Seven wins from seven is a fantastic start, but the slate is wiped clean every weekend. Our preparation, focus and standards have to remain consistent, regardless of what has gone before.

We're looking forward to getting back out there, in front of our home support, and starting the next block of fixtures in the right way.

Many thanks,

Ryan Westren

# Hinckley

We welcome Hinckley RFC to the Recreation Ground this afternoon as we get the next segment of this seasons league campaign underway. Hinckley arrive in 2nd place in the table after a 24-17 home win over Taunton two weeks ago. They have lost just one game this season and are 4 points behind the Reds so today's match is crucial for both sides.

Redruth retain their 100% record after their 39-7 win at Lymm, which made the long journey back from Cheshire a happy one. Now the pressure builds again. Things are tight at the top of National Two West with the three chasing clubs, Hinckley, Luctonians and Clifton, all on 30 points.

We first encountered Hinckley back in season 2021/22 when we did the double over the Leicestershire side. That was the last season of the old National Two South into which Hinckley had been transferred from National 2 North where they had finished in 3rd place after the truncated 2019/20 season.

Our record against our visitors currently stands at P10 W5 D1 L4. Last season the results went with home advantage, the Reds winning 27-10 here in December 2025 and losing 47-36 up at Leicester Road back in April.

Our visitors were formed in 1892 with reports of their early games first appearing in 1893. They based themselves at the George Hotel and played on the local fair ground. Rugby in the area was boosted around the turn of the century by the formation of the Leicester Rugby Combination which, according to documents held by the University of Leicester, boasted a membership of 70 clubs in five divisions.

They played on a number of different grounds and it was not until 1920 that they were able to settle for a time opposite the cemetery, where they remained for the next nine years. At the end of the 1920s they moved again to Coventry Road where they had the luxury of changing rooms and a grandstand on site. By this time the club were travelling further afield with games against Cheltenham, Sheffield and Stroud, as well as against more local opponents such as Nuneaton, Burton and Rugby.

The early 1950s saw a donation of land and the ground was expanded and improved with facilities for cricket and ladies hockey being added. Such was the quality of the upgraded venue that both county cricket and county rugby fixtures took place there. Their first match at the improved ground was played against local rivals Stoneygate. Another move in 1967 took them to their current ground in Leicester Road.

The club remained strong right through to the 1970s and, in 1973 found themselves up against Leicester Tigers in the last 16 of the John Player Cup a game they lost 16-4. They also won the County Cup four times in this decade. But the onset of the 1980s and the introduction of the league system saw something of an ebb in club fortunes..

The Midlands division went through a bewildering number of league restructures during this early period which coincided with the demise of Hinckley's Colts section alongside some club management issues. The result was three straight relegations the last, from from East Midland/Leicestershire 1 at the end of season 1989-90 which saw them languishing in Leicester 1. The 1990s saw a revival and they began to climb back up the league ladder. They topped the old Midlands 1, now (Midlands Premier) in 1997 and went up to what is now National Three North where they remained until relegation in 2003. It was 2016 before they returned to the National Leagues, following a second place play-off against Wirral which they won 33-20.
